Determination—Prudential Arrangements: Security Deposits

Dear Stephen,

On 22 October 2001, the Australian Competition and Consumer Commission (Commission) received applications for authorisation (Nos A90805, A90806 and A90807) of amendments to the National Electricity Code (Code). The applications were submitted by NECA and relate to Prudential Arrangements.

The Commission did not receive any submissions in regards to the proposed code changes.

In accordance with s.101 of the Trade Practices Act 1974, a person dissatisfied with the Commission's determination may apply to the Australian Competition Tribunal for a review of the determination. Each application must be lodged on the appropriate form within 21 days of the date of the determination, with the Registrar of the Tribunal. The Tribunal is located in the Office of the Registrar of the Federal Court in each State.
