NATURAL RESOURCES MANAGEMENT ACT 2004

SECTION 106

Notice of Assessment of Quantity of Water Taken when Meter Readings are Not Used

I, DAVID SPEIRS, Minister for Environment and Water, hereby declare pursuant to Section 106 (3) of the Natural Resources Management Act 2004 (the Act) that, if meter readings are not used, the quantity of water taken during the 2018-2019 water use year will be determined on the basis and the method set out in Schedule 1.

SCHEDULE 1

Basis

1. For the purpose of Section 106(1)(c) of the Act, the quantity of water taken will be assessed:

- (a) on the basis of crop area;
- (b) if the Minister is satisfied that crop area is not a reasonable basis to determine the quantity of water taken, on the basis of pump capacity;
- (c) if the Minister is satisfied that pump capacity is not a reasonable basis to determine the quantity of water taken, on the basis of historical usage;
- (d) if the Minister is satisfied that historical usage is not a reasonable basis to determine the quantity of water taken, on the basis of usage data; or
- (e) if the Minister is satisfied that usage data is not a reasonable basis to determine the quantity of water taken, on the basis of the water allocation.

2. Where the Minister has granted an exemption from the requirement to install a meter on a water source, the quantity of water taken will be assessed on the basis of the water allocation.

Method

3. The method that will be used in assessing the quantity of water on the basis of crop area will be as follows:

The estimation of water requirements for crops will be based on the methodology in *Crop Evaporation - Guidelines for Computing Crop Water Requirements - Food and Agriculture Organisation of the United Nations Irrigation and Drainage Paper 56 (Allen, Pereira et al, 1998, ISBN No 92-5-104219-5)*. Local data (including rainfall and evaporation data) will be used in the estimation of the quantity of water taken. Water usage to account for irrigation system efficiency and for specific crop production process will be added where appropriate.

4. The method that will be used in assessing the quantity of water on the basis of pump capacity will be as follows:

Details of the duration of pumping and the normal operating capacity of the pump used to take water will be used to determine the quantity of water taken. The duration of pumping will be multiplied by the normal operating capacity of the pump.

The maximum capacity of the pump will be used if the Minister is satisfied that the normal operating capacity of the pump is not a reasonable basis to determine the quantity of water taken.

5. The method that will be used in assessing the quantity of water on the basis of historical usage will be as follows:

The average of metered usage over the preceding two water use years, providing that the Minister is satisfied that the water was being used during that period for a similar purpose and in a similar manner, and is a reliable estimate of the quantity of water taken.

6. The method that will be used in assessing the quantity of water on the basis of usage data will be as follows:

Details of the usage data (including system operating times and flow rates, and/or the number of transfer tanks or dams filled used to take water) from the infrastructure used.

This notice has effect in relation to the financial year commencing on 1 July 2018.

RETURN TO WORK CORPORATION OF SOUTH AUSTRALIA ACT 1994

RETURN TO WORK ACT 2014

Return to Work Premium Review Determination 2018

THE Board of the Return to Work Corporation of South Australia ('the Corporation') determines as follows pursuant to Section 17 of the Return to Work Corporation of South Australia Act 1994, Section 157 of the Return to Work Act 2014 ('the Act') and all other enabling powers:

Part 1—Preliminary Matters

1. This determination may be cited as the Return to Work Premium Review Determination 2018.
2. This determination commences on 1 July 2018 ('Commencement Date') and applies to an application for review lodged under Section 157 of the Act after the Commencement Date.

Return to Work Premium Review Panel

3. The Return to Work Premium Review Panel (the Panel) continued by the Board's determination of 29 May 2017 (see *South Australian Government Gazette*, 7 June 2017, page 2035) will be substituted by an Independent Review Officer pursuant to this determination.

Functions and Powers under Section 157 of the Act

4. The function of the Independent Review Officer shall be to perform the functions of the Board under Section 157 of the Act as delegate of the Board under that section in reviewing decisions of the Corporation pursuant to Section 140 (2), Sections 141 (2), 141 (3), and 141 (4), Section 145 (1), Sections 147 (1), 147 (2), 147 (3) (a), (b) and (c), Section 147 (4), Section 149 (3) (a), Section 150 (3), Section 151 (1), Section 152 (1), Section 154 (1), (2), (3) and (4), Section 155 (1) and 155 (3) of the Act and subject to the proceeding clauses of this determination, the powers of the Board under Section 157 of the Act (other than the power to review a decision of the Corporation on a matter of law going to the validity of that decision) are delegated to the Independent Review Officer for that purpose.

Part 2—Independent Review Officer

5. The Independent Review Officer shall be a legal practitioner (wherever in Australia admitted).
6. Where either the anticipated volume of work necessitates or where the Independent Review Officer is unable to sit, an additional person may be appointed by the Board to fulfil the functions of the Independent Review Officer on such terms and conditions as determined by the Board.
7. An additional person appointed pursuant to clause 6 of this determination has the powers and obligations of the position held by the Independent Review Officer.

Part 3—Indemnity of Independent Review Officer

8. Any liability attaching to the Independent Review Officer for an act or omission by them, in good faith and in the exercise or purported exercise of a power or function, or in a discharge or purported exercise of a duty, of the Independent Review Officer is assumed by the Corporation.

Part 4—Tenure of Independent Review Officer

9. The Independent Review Officer shall be appointed for a period determined by the Board.
10. An Independent Review Officer whose appointment has expired may sit as Independent Review Officer for the purpose of completing the hearing and determination of part-heard proceedings in which they were involved.

Part 5—Reconsideration and Conciliation

11. Upon receipt of any application lodged under Section 157 (1) of the Act, the registry of the Independent Review Officer will forward a copy to the Corporation.
12. Upon receipt of any application lodged in accordance with section 157(5)(a) or (b), the Corporation will, within 21 days of receipt, reconsider the disputed decision and notify the registry of the Independent Review Officer of the result of the reconsideration.
13. Upon receipt of any application lodged out of time:
 - 13.1. If the application is lodged within 8 months of the employer being given notice of the decision, the Corporation will reconsider its decision within 21 days, setting out its position on the application for the extension of time and notify the registry of the Independent Review Officer of the reconsideration outcome;
 - 13.2. If the application is lodged more than 8 months after the employer was given notice of the decision, the request for reconsideration will be referred to the Independent Review Officer for consideration of whether it should be accepted on the basis that compelling reasons exist to allow an extension of time for making the application and the Corporation will not be unreasonably disadvantaged because of the delay in lodging the application.
14. If the Independent Review Officer, after being referred a request for reconsideration under clause 13.2 of this determination, accepts the request for an extension of time, the Corporation will reconsider the disputed decision within 21 days and notify the registry of the Independent Review Officer of the reconsideration outcome.
15. The Independent Review Officer will not consider an extension of time made in respect of a decision made more than three years after the employer was given notice of that decision.
16. If the Corporation, on reconsideration of a decision under review:
 - 16.1. confirms the decision; or
 - 16.2. varies the decision and the applicant expresses dissatisfaction with the variation,the registry of the Independent Review Officer must refer the application for review for conciliation by a conciliator who will use his or her best endeavours to bring the applicant and the Corporation to an agreed resolution of the matters referred to in the application, and the Independent Review Officer may not hear and determine any application unless he or she is satisfied that conciliation has been attempted and failed or that such attempts have no realistic prospects of success.
17. The reconsideration of a decision under review under clauses 12 or 13 of this determination should not unduly delay proceedings before the Independent Review Officer and the Independent Review Officer must, so far as is reasonably practicable, undertake his or her processes pending the outcome of the reconsideration (including by listing the matter, setting up or conducting any conference or taking other such steps).

18. If, during the hearing of any matter, it appears to the Independent Review Officer that there is a realistic prospect of a negotiated outcome being achieved, he or she may refer the matter back for further conciliation or the Independent Review Officer may make such other attempts to promote conciliation as they think appropriate.
19. In this Part 'conciliation' includes counselling, mediation, neutral evaluation, case appraisal, conciliation or any combination and the format of conciliation in any particular case shall be at the discretion of the conciliator in consultation with the parties.
20. Any information provided during conciliation will be withheld from the Independent Review Officer if the provider of that information so requests.

Part 6—Principles of Operation of Independent Review Officer

21. The Independent Review Officer shall be bound by and is hereby directed to follow the principles of natural justice.
22. Subject to Clause 21, the Independent Review Officer:
 - 22.1. shall act according to equity, good conscience and the substantial merits of the case, without regard to technicalities and legal forms; and
 - 22.2. is not bound by the rules of evidence, but may inform themselves by such means and such material as they think fit; and
 - 22.3. shall act as expeditiously as the circumstances of a particular case permit.
23. The Independent Review Officer must ascertain whether the parties to any proceedings desire to be heard by way of oral evidence or submissions and must in that event give at least 14 days notice of the date, time and place of hearing, but if both parties to particular proceedings wish to have the application determined on the documents, the Independent Review Officer need not hold a hearing but must give the parties at least 14 days notice to make final written submissions before proceeding to make it a determination.
24. If only one party to proceedings desires to submit oral evidence or submissions, the Independent Review Officer must give the other party at least 14 days notice of the hearing and inform that party that, there is a danger that at the hearing the Independent Review Officer may hear things from the first party that the other party will be unable to respond to if it does not attend.
25. A party may appear at a conciliation or hearing (including a directions hearing):
 - 25.1. if the party is a natural person or partnership, in person or by one or more of the parties or by an employee of that party who has the authority to make binding decisions on behalf of the party; or
 - 25.2. if the party is an incorporated body, by a proper officer or by an employee who has the authority to make binding decisions on behalf of the party;
 and may be represented by a legal practitioner or by a duly appointed and authorised agent, but a person described in Clause 25.1 or 25.2 must also appear unless the person presiding over the conciliation conference or hearing (as the case may be) has agreed in advance to dispense with this requirement.
26. A party engaging representation will do so at its own cost.

Part 7—Powers of Independent Review Officer

27. The Independent Review Officer, or a person appointed under Clause 6 acting in that office may, while so acting, exercise the powers of, and is hereby appointed as, an authorised officer under the Act. For the purposes of this Part, operating units of the Corporation and its agents are directed to comply with any requirements of the Independent Review Officer or a person appointed under Clause 6 as though they were subject to Section 183 of the Act.

Part 8—Reservation of Board's Discretion to Decide

28. Subject to the terms of this determination the Independent Review Officer is required to determine all applications that fail to resolve through reconsideration or at conciliation, unless the Corporation advises the Board that the particular dispute is of unusual significance and the Board or its relevant Board Committee, prior to the hearing of the application by the Independent Review Officer, serves notice on the Independent Review Officer and the applicant that the Independent Review Officer is to make a recommendation only and refer the matter to the Board or relevant Board Committee.

Part 9—Revocation and Transitional Provision

29. The Return to Work Premium Review Panel Determination of 29 May 2017 (see *South Australian Government Gazette*, 7 June 2017, page 2035) (the Revoked Determination) is revoked, but an Application for Review lodged before the Commencement Date will be determined under the Revoked Determination.
30. Unless the Board determines otherwise, any Application for Review lodged before the Commencement Date which has not been determined by 1 July 2019 will be dealt with under this Return to Work Premium Review Determination 2018.

I confirm that this is a true and correct record of the decision of the Board of the Corporation made on 30 May 2018.

Dated: 30 May 2018

I apply for a review of the Chief Recovery Officer's decision to refuse to revoke an enforcement determination. The initial application to have the enforcement determination revoked by the Chief Recovery Officer was made on the grounds that:

Please briefly set out the facts relevant to your ground of review:						
Please indicate if the application is made out of time:						
<input type="checkbox"/> I make an application out of time. <i>This checkbox must be completed if the review is being made more than 30 days after notice of the decision of the Chief Recovery Officer refusing to revoke the enforcement determination under section 22(5)(b).</i>						

You must file and serve an affidavit explaining why either of the above grounds is satisfied and if you are applying more than 30 days after notice of the decision of the Chief Recovery Officer refusing to revoke the enforcement determination under section 22(5)(b) you must explain the reason for delay.

Please attach the affidavit to this application and any documentary evidence supporting the application.
