ENVIRONMENT PROTECTION ACT 1993

SECTION 37

Granting of an Exemption

The Environment Protection Authority (EPA) has granted Alexandrina Council an environmental authorisation in the form of an Exemption, from Section 45(5)-Conditions, of the *Environment Protection Act 1993 (the Act)* in respect of the holder of an authorisation must not contravene a condition of the authorisation.

This Exemption specifically authorises the Alexandrina Council's licensed waste facility (EPA346) at 1126 Port Elliott Road Goolwa Beach to receive and deposit unwrapped asbestos-contaminated material (ACM), including a mixture of construction and demolition (inert) waste and soils. The ACM arises from the EPA directed remediation of affected properties that purchased a batch of contaminated road base produced by the Goolwa Beach waste facility.

Alexandrina Council will reuse the ACM to backfill a concrete pit at the Goolwa Beach waste facility in accordance with EPA site contamination protocols. The receipt of unwrapped ACM at the Goolwa Beach waste facility would otherwise be considered a contravention of their current environmental licence (EPA346) conditions.

7.3 An expiation notice or expiation reminder notice given under the *Expiation of Offences Act 1996* to the owner of a vehicle for an alleged prescribed offence involving the vehicle must be accompanied by a notice inviting the owner, if they were not the driver at the time of the alleged prescribed offence, to provide the Council or officer specified in the notice, within the period specified in the notice, with a statutory declaration:
