ENVIRONMENT PROTECTION ACT 1993

SECTION 68

Approve as Category B Containers

I, Nicholas Stewart, Team Leader, Container Deposit Legislation and Delegate of the Environment Protection Authority ('the Authority'), pursuant to section 68 of the *Environment Protection Act 1993* (SA) ('the Act') hereby:

Approve as Category B Containers, subject to the conditions in subclauses 1, 2, 3 and 4 below, each of the classes of containers identified by reference to the following matters described in the first 4 Columns of Schedule 1 of this Notice which are sold in South Australia:

- (a) the product which each class of containers shall contain;
 - (b) the size of the containers;
 - (c) the type of containers;
 - (d) the name of the holders of these approvals.
1. That containers of the class to which the approval relates must bear the refund marking specified by the Authority for containers of that class. The Authority specifies the following refund markings for Category B containers:
 - (1) "10c refund at collection depots when sold in SA", or
 - (2) "10c refund at SA/NT collection depots in State/Territory of purchase", or
 - (3) "10c refund at collection depots/points in participating state/territory of purchase"
 2. The holder of the approval must have in place an effective and appropriate waste management arrangement in relation to containers of that class. For the purpose of this approval notice the company named in Column 5 of Schedule 1 of this Notice is the nominated super collector.
 3. In the case of an approval in relation to Category B containers that the waste management arrangement must require the holder of the approval to provide specified super collectors with a declaration in the form determined by the Authority in relation to each sale of such containers by the holder of the approval as soon as practicable after the sale.
 4. The holder of these approvals must ensure that if a sticker bearing the refund marking has been approved, and is applied to the container, then the sticker must not be placed on any portion of the opening mechanism or in any other place that would require complete or partial removal of the sticker before the contents may be consumed.

SCHEDULE 3

- This exemption is valid only in respect of fishing activities undertaken on boats that are registered and endorsed on the exemption holder's Sardine Fishery licence.
- The exempted activity may only be undertaken using a registered Sardine net that is endorsed on the exemption holder's Sardine licence and is being used pursuant to that licence and the conditions of that licence.
- The exempted activity must not be undertaken in waters less than ten (10) metres in depth.
- The exempted activity may only be undertaken using one Sardine net to take Australian Sardine or Australian Anchovy at any one time.
- Whilst engaged in the exempted activity the exemption holder must not use any other registered device endorsed on their Sardine licence.
- The exemption holder must notify the Department of Primary Industries and Regions on (Fishwatch) 1800 065 522 prior to conducting the exempted activity and provide the following information:
 - The place and time of departure;
 - The place and time of landing; and
 - Exemption number.

7. While engaged in the exempted activity the exemption holder must have in their possession a copy of this notice and produce that notice to a Fisheries Officer upon request.

This notice does not purport to override the provisions or operation of any other Act including, but not limited to, the *Marine Parks Act 2007*. The exemption holder and his agents must comply with any relevant regulations, permits, requirements and directions from the Department for Environment and Water when undertaking activities within a marine park.

Notes

- i. Unless the context otherwise requires or a capitalised term is otherwise defined, capitalised terms in this document have the meaning given to them in the Terms of Use and in particular in the definitions/Abbreviations section (1.2) of that document.
- ii. Charge Base: An Aircraft Operator may elect, by agreement with AAL, and entirely at AAL's discretion, to incur Arrival Fees and Departure Fees on a MTOW or per Passenger basis, which basis is then fixed for the ensuing twelve (12) month period. In accordance with the Terms of Use, in the absence of any agreement with AAL, Aeronautical Charges are incurred on a per Passenger basis.
- iii. Infants and Positioning Crew are excluded from all Arrival Fees and Departure Fees if calculated on a per Passenger basis.
- iv. AAL has a growth incentive scheme which provides discount on the Arrival Fees and Departure Fees for Aircraft Operators which exceed a target growth rate for the year. Details of this scheme are available to Aircraft Operators on request.

- v. All amounts are quoted inclusive of GST and in AUD. Calculations of GST exclusive amounts must be made to four decimal places.
- vi. Aircraft Codes (as used in the Parking Charges/Fees) are as defined in Table 4.01 (4) of the Part 139 (Aerodromes) Manual of Standards 2019 as published at legislation.gov.au.
- vii. MTOW based Arrival Fees are applied to arrivals only.
