- (f) if the person holds income protection cover immediately before the effective day, the person's salary from the employer to which the relevant action under paragraph (a), (b) or (c) relates is to be taken into account on and from that day when calculating the person's notional salary for the purposes of determining the amount of any disability pension to which the person is entitled;
 - (g) however, the person's salary from the employer to which the relevant action under paragraph (a), (b) or (c) relates is not to be taken into account for the purposes of determining the amount of any disability pension payable in respect of a medical condition existing before the effective day unless—

the member is not required to pay premiums in respect of default invalidity/death insurance held by the person before the fund selection takes effect.

- (3) The Tribunal may dismiss an application commenced by a document that ought to have been rejected under this rule.
- (4) Rejection or dismissal of an application pursuant to this rule does not prevent a further application that complies with the Rules, the SAET Act and any relevant Act from being made.

16. Provision by the Tribunal of copies of documents to parties and other persons

- (1) Subject to the Rules, where any initiating application is filed with the Tribunal, a registrar must as soon as reasonably possible, and in any event within 3 business days, serve a copy of the application and any supporting documents:
 - (a) upon each other party to the proceeding; and

17. Power to order presumptive service

- (1) The Tribunal may, on an application for directions brought by a party, make an order for presumptive service of a document.
- (2) An order for presumptive service will, if the conditions of the order are complied with, have the effect of presuming that a copy of the document has been served upon the relevant party or person.
- (3) Without limiting the nature of an order for presumptive service, an order may provide that service upon one person will stand as service upon another person who is not able to be served or an order may provide that the giving of a notice by some means determined by the Tribunal will stand as service upon a person.

Examples –

1. *An order for presumptive service might provide for serving a copy of the document to a person who might reasonably be expected to bring the document to the attention of the party.*

- (2) The Rules or a Practice Direction may require that a party serve a copy of a particular document on another party or person, in which case the copy must be served on the other party or person:
 - (a) on the same day, or as soon after filing as possible; or
 - (b) as directed by a registrar (which may include that the party file with the Tribunal an affidavit as to service of the document on the other party or person).

- (3) If the relevant document is a summons issued by the Tribunal under s 33 of the SAET Act, the applicant for the summons must ensure that the summons is served on the person named in the summons at least 5 business days before the date specified in the summons for attendance or as otherwise directed by a Tribunal member.
- (4) In any proceeding where an applicant is required to serve a document that initiates a proceeding upon another party, the applicant is responsible for proving that service of the document was effected.
- (5) Service of a document may be proved by an affidavit made by the person who served the document setting out:
 - (a) the date, time and place of service;
 - (b) how the person to be served was identified; and
 - (c) how service was effected.
- (6) The Tribunal may provide such directions as to service as are required in an individual case having regard to the circumstances of that case and may determine that a document has been served even if sub-rule (5) has not been complied with.
- (7) Where an Act does not prescribe a particular method of service of a document that must be used, service may be effected by sending a copy of the document by email to the email address of the party to be served.
- (8) An email address of a party served with a document under sub-rule (7) must be ascertained from the contact details provided by the party or by some other reasonable and reliable means.

Such notice will be taken to vary the time to attend or produce things to the later date.
- (3) Unless a summons specifically requires the production of the original or a certified copy of a document, a copy of the document required by the summons, including an electronic copy, will satisfy the summons.

62. Objections to Summonses

- (1) If a person to whom a summons is directed objects to complying with the summons, or if another person affected by the summons objects to the summons being complied with (the objector), the objector must try to resolve the objection with the party who applied for the summons to be issued before the date for compliance.
- (2) If the objector is unable to resolve an objection to a summons informally, the objector must, before the time for compliance with the summons:
 - (a) inform a registrar and the party who applied for the summons of the basis of the objection in writing; and
 - (b) unless directed otherwise by the Tribunal, attend the Tribunal on the date for compliance to explain the basis of the objection.
- (3) Objecting to a summons does not relieve the objector from complying with a summons.
- (4) Unless an objection to a summons is dealt with under sub-rule (2) before the date for compliance, any document which is subject to an objection to produce, is to be provided to a registrar with the objection clearly stated in writing, or explained by the objector in person if the documents are delivered in person.
- (5) If an objection to producing a document cannot be resolved by agreement, the issue is to be referred to a Tribunal member for decision.
- (6) A registrar is expressly authorised to constitute the Tribunal for the purposes of this rule.

63. Access to and use of documents and other things

- (1) In the case of a summons to produce documents or other things, if by the date for compliance with the summons no person has objected to any party having access to the summonsed materials, a registrar will make directions in relation to access.
- (2) Where sub-rule (1) applies, the Tribunal may order that parties have electronic access to the summonsed materials.
- (3) If any person or party believes there are grounds for objecting to the parties to a proceeding having access to summonsed materials, they may object to access being given, or may seek to have access to the summonsed materials before any party is given access (first access).
- (4) Without limiting the ambit of sub-rule (3), an objection to a party having access to summonsed materials may be based on privilege, confidentiality or other good reason.
- (5) If first access is granted to a person or party, they are to inspect the summonsed materials and give notice to the Tribunal in writing within 7 days whether there is an objection to any party having access to the summonsed materials.
- (6) A notice under sub-rule (5) must describe in sufficient detail the documents in respect of which access is opposed, the party or parties to whom access should not be given and the basis for opposing access.

64. Allowances and Expenses of Complying with Summonses

- (1) A party who applies for a summons to be issued is liable to pay:
 - (a) the reasonable expenses incurred in complying with a summons by the person or body which responds to the summons; and
 - (b) if some other loss or expense is reasonably incurred in complying with a summons, a reasonable amount to cover that loss or expense.
- (2) If a summons to attend and give evidence is issued, the person named in the summons need not comply with the summons unless they are provided with a reasonable amount to cover the cost of travel to and from the Tribunal.
- (3) The amount payable for an allowance, expense or loss under this rule is to be agreed between the party issuing the summons and the person or body summonsed or, failing agreement, by the Tribunal.

PART 14 - EXPERT EVIDENCE

65. Application of Part

- (1) Subject to those rules that concern the evidence of independent medical advisers appointed under s 118 of the *Return to Work Act 2014*, the provisions of this Part apply whenever a party proposes to provide the Tribunal with evidence from an expert witness in any proceedings, including a report obtained from a health practitioner as defined by the *Return to Work Act 2014*.
- (2) An expert report that complies with this Part will be taken to be the evidence of the expert without the expert needing to be called.
- (3) The author of an expert report may only be called to give oral evidence at a hearing by the party relying on the expert's evidence with the permission of the Tribunal.
- (4) Oral examination in chief of the author of an expert report who is required for cross examination may be permitted where good reason to do so exists and does not give rise to procedural unfairness to another party.

66. Content of expert reports

- (1) If a party proposes to rely on expert evidence in a proceeding, the party must seek a written report from the expert, which must:
 - (a) set out the expert's qualifications to make the report;
 - (b) set out the facts and factual assumptions on which the report is based;
 - (c) identify any documentary materials on which the report is based;
 - (d) distinguish between objectively verifiable facts and matters of opinion that cannot be (or have not been) objectively verified;
 - (e) set out the reasoning of the expert leading from the facts and assumptions to the expert's opinion on the questions asked;
 - (f) set out the expert's opinion on the questions asked;
 - (g) be provided on the understanding and acknowledgement that the expert's primary duty is to be truthful and accurate to the Tribunal rather than to serve the interests of a party or parties;
 - (h) make reference to this rule; and
 - (i) comply with any requirements imposed by any Practice Direction.

67. Filing and serving copies of expert reports

- (1) Subject to this rule, any expert report on which a party intends to rely in a proceeding must be filed with the Tribunal, and a copy served on each other party along with a copy of the commissioning letter, within 7 days of the report being provided by the expert and no less than 14 days prior to the hearing and determination of the proceeding.
- (2) Each party to the proceeding is to seek to ensure that any expert report upon which a party intends to rely in a proceeding is filed with the Tribunal, and a copy served on each other party, no less than 3 business days prior to any pre-hearing conference held under s 45 of the SAET Act.
- (3) Where a party proposes to obtain an updated report from an expert prior to the hearing and determination of the proceeding, the report must be provided to any other party prior to the pre-hearing compliance or readiness conference.

68. Special power in relation to expert evidence

The Tribunal may:

- (a) direct that the evidence of an expert witness be deferred until all (non-expert) factual evidence has been taken; or
- (b) ask an expert witness to review the (non-expert) factual evidence and to state, by affidavit or in oral evidence, whether the witness wishes to modify an opinion earlier expressed in the light of the evidence or a particular part of the evidence.
- (c) arrange for an expert witness to give oral evidence, and permit each party to cross examine the expert, if a good reason exists why no party would call the expert and their evidence is likely to be relevant.

69. Conferences, etc, of experts

- (1) If two or more expert witnesses provide reports about the same or a similar question, the Tribunal may, on its own initiative or at the request of a party, give one or more of the following directions:
 - (a) that expert witnesses confer with each other;
 - (b) that expert witnesses produce for use by the Tribunal a document identifying:
 - (c) the matters and issues on which:
 - (i) they are in agreement; and
 - (ii) they differ.
 - (d) that an expert witness be asked to review the opinion of another expert and to state in a report whether the witness wishes to modify an earlier opinion they have provided in light of the opinion of the other expert;
 - (e) that the evidence of two or more expert witnesses be taken in a particular sequence, or with the experts together, each being asked in turn to answer, questions relevant to the matter put by the Tribunal or by the parties or by both.

70. Limit on number of experts

- (1) Except with the permission of the Tribunal, a party may not rely on more than 3 experts of any kind in a proceeding or proceedings which are heard at the same time.
- (2) Except with the permission of the Tribunal, a party may not rely on more than 1 expert witness, including a health practitioner as defined by the *Return to Work Act 2014*, in the same field of expertise. In the case of a health practitioner who is medically qualified, this means a person qualified to practice in a particular area or speciality of medicine or surgery.

71. Shadow experts

- (1) A shadow is an expert who –
 - (a) is engaged to assist with the preparation or presentation of a party's case but not on the basis that the expert will, or may, give evidence at the trial; and
 - (b) has not previously been engaged in some other capacity to give advice or an opinion in relation to the party's case or any aspect of it.
- (2) An expert will not be regarded as a shadow expert unless, at or before the time the expert is engaged, the expert gives a certificate certifying that:
 - (a) the expert understands that it is not his or her role to provide evidence at the trial; and
 - (b) the expert has not been previously engaged in any other capacity to give advice or an opinion in relation to the party's case or any aspect of it.
- (3) Evidence of a shadow expert is not admissible at the trial unless the Tribunal determines that there are special reasons to admit the evidence.
- (4) If a party engages a shadow expert, the party must:
 - (a) notify the other parties of:
 - (i) the engagement; and
 - (ii) the date of the engagement; and
 - (iii) the name, address and qualifications of the relevant expert; and
 - (b) serve copies of the expert's certificate under sub-rule (2) on the other parties.
- (5) The notification must be given:
 - (a) if the engagement takes effect before the time for disclosing expert reports expires, before the time expires;
 - (b) in any other case, as soon as practicable after the engagement takes effect.

PART 15 - SUPPLEMENTARY PANELS AND REFERRALS TO EXPERTS OR SPECIAL REFEREES

72. Supplementary panels and members

In proceedings under legislation permitting the Tribunal to sit with supplementary panel members, the President will generally determine that the Tribunal will sit with such members if requested to do so by one or more of the parties, unless the President is satisfied that it would be of no advantage for the Tribunal to sit with supplementary panel members.

73. Experts and special referees

The remaining rules in this Part apply to the referral of a question by the Tribunal to an expert under s 35 of the SAET Act or to a special referee under s 60 of the SAET Act.

74. Referral on Tribunal's initiative

If the Tribunal proposes to appoint an expert or special referee on its own initiative, the Tribunal will first obtain the views of the parties in writing or at a directions hearing.

75. Referral at request of the parties

- (1) If the parties jointly seek the referral of a question to an expert or to a special referee, the parties must apply in an approved form for appropriate directions to be made by consent.
- (2) An application for directions under this rule must contain:
 - (a) the name of the proposed expert or special referee, details of their expertise, and confirmation that they have agreed to accept the referral; and
 - (b) the questions to be considered or determined, or the task to be performed, by the expert or special referee; and
 - (c) the date by which any documents (which must be clearly identified in the application) are to be provided to the expert or special referee and by whom they are to be provided; and
 - (d) the date by which the expert or special referee is to complete any report or determination.
- (3) Following receipt of the application for directions, the Tribunal may make an order referring a question to the expert or special referee, or may refer the application to a directions hearing for decision.
- (4) The Tribunal may decline to refer a question to an expert or special referee if the terms of the referral appear to be outside the proposed expert or special referee's expertise or for such other reason as the Tribunal thinks fit.

PART 16 - COSTS

A. Costs Generally**76. Awarding and assessing costs**

- (1) In any proceeding where a determination of the amount of the costs of a party is required, the following principles must be adopted:
 - (a) parties are expected to take all steps necessary to deal with or consolidate all issues in dispute between them, and deal with or consolidate all proceedings before the Tribunal, so as to avoid multiple hearings;
 - (b) the type and amount of work performed will be measured by what is considered to be reasonable by a prudent and properly advised, but not overly cautious litigant;
 - (c) any costs payable to an officer or employee of an industrial association will be assessed as the Tribunal considers appropriate.
- (2) A registrar of the Tribunal is authorised to constitute the Tribunal for the purposes of this Part.

77. Record required to be kept and file produced

- (1) A party to a proceeding must maintain an adequate record of the party's costs in respect of the proceeding in accordance with the Higher Courts Scale of the Uniform Civil Rules being the relevant Supreme Court Scale.

- (2) A record of costs must enable the party to formulate a claim for costs in accordance with rules 79, 81 and 86(2).
- (3) A lawyer acting for a party must maintain an adequate record of the party's costs on the party's behalf and is not entitled to charge a fee for doing so.
- (4) If the Tribunal requires a lawyer's file and supporting documents in connection with an adjudication of costs, the lawyer must produce all such documents to the Registry on request.
- (5) A lawyer must be able to produce the lawyer's file and supporting documents to the adjudicator, if required, at an adjudication of costs.
- (6) If the lawyer ordinarily retains only an electronic file, and the Tribunal requires a copy of the file, the lawyer must produce a copy of the file electronically and in a format convenient for the Tribunal to be able to download and access the data.

78. Consequences of non-compliance with the requirement to keep record and produce file

If a party fails to maintain an adequate record of the party's costs the Tribunal may:

- (a) decline to award costs in favour of the party or reduce the costs awarded in favour of the party by such amount as it thinks fit; or
- (b) decline to adjudicate the quantum of costs awarded in favour of the party or reduce an award of costs by such amount as it thinks fit.

79. The relevant costs scale

The relevant scale of costs for the purpose of an adjudication of costs in the Tribunal is the Higher Courts costs scale of the Supreme Court of South Australia together with such adjustments as may be made to such scale from time to time.

80. Costs may be ordered at any stage

- (1) The Tribunal may make an order for costs in favour of a party or a non-party or against a party or non-party at any stage of a proceeding up to and after the final determination of the proceeding.
- (2) If the Tribunal determines that it does not have jurisdiction to hear and determine the substantive proceeding, the Tribunal may nevertheless order that a party pay costs in relation to the proceeding.

81. Costs orders

Where not precluded from doing so from a relevant Act:

- (a) The Tribunal may order that costs are awarded on a party/party basis, a solicitor/client basis or on some other basis specified by the Tribunal.
- (b) The Tribunal may order that interest is payable on an award of costs in respect of a time before a decision is entered for the costs.
- (c) The Tribunal may order that costs, including any interest, are awarded on a lump sum or a partial lump sum basis.
- (d) The Tribunal may order that the costs awarded to a party be set-off against any liability the party may have, including a liability for costs.

82. Presumptive costs

- (1) Costs that are reserved but not subsequently the subject of a specific order are to be treated as part of the costs in accordance with any final order as to costs.
- (2) The quantum of costs ordered is to be adjudicated if not agreed.
- (3) Costs are not able to be adjudicated, and do not become payable, until after a proceeding is finally determined and all final costs orders are made

83. General costs principles

- (1) Any rule relating to costs is subject to the overriding discretion of the Tribunal in relation to costs.
- (2) Any presumption in rule 82 applies to the extent that the Tribunal does not order otherwise.

84. Discretionary factors

- (1) In exercising its discretion as to costs, the Tribunal may have regard to any factors it considers relevant.
- (2) Some of the factors referred to in sub-rule (1) may be:
 - (a) any misconduct or unreasonable conduct of a party or a representative of a party in connection with a proceeding;
 - (b) any breach by a party of overriding obligations, the Rules or an order of the Tribunal;
 - (c) the making or not making of an offer by a party to resolve a proceeding;
 - (d) the non-acceptance by a party of an offer made by another party to resolve a proceeding;
 - (e) the value and importance of the relief sought or obtained.

85. Pre-adjudication steps

- (1) Before seeking an adjudication of costs, a party must make a genuine offer to the party liable to pay costs (the liable party) in an attempt to agree the amount of costs payable.
- (2) A genuine offer must:
 - (a) be in writing;
 - (b) state the amounts claimed for any solicitor costs;
 - (c) state the amounts claimed for any counsel fees;
 - (d) state the amounts claimed for any external disbursements; and
 - (e) make an offer of a fixed sum for the total amount of the costs, counsel fees and external disbursements which remains open for acceptance within 21 days.

- (3) A recipient of an offer made under sub-rule (2) must respond within 21 14 days by:
 - (a) accepting the offer;
 - (b) making a counter offer of a fixed sum for the total amount of the costs, counsel fees and external disbursements; or
 - (c) offering to meet within 14 days to negotiate the amount of costs payable.

86. Seeking an adjudication of costs

- (1) A party may seek an adjudication of costs following the making of an order for costs, or by operation of the Rules, by filing and serving a claim for costs in an approved form upon the liable party.
- (2) A claim for costs must:
 - (a) unless the Registrar or a Tribunal member permits it to be in some other form, be in a schedule in either Microsoft Word format or Microsoft Excel spreadsheet format;
 - (b) attach invoices for counsel fees and all external disbursements.
- (3) A party seeking costs must, if a claim for costs proceeds to an adjudication:
 - (a) at the request of the liable party, produce for inspection any documents on which the party seeking costs proposes to rely; and
 - (b) if ordered by the Tribunal, identify any documents relevant to the claim that are not produced because of a claim of privilege which is not waived.
- (4) In the alternative to filing and serving a claim for costs under sub-rule (1), a party may seek an adjudication of costs by filing and serving upon the liable party, an application for directions.
- (5) An application for directions and affidavit filed and served under sub-rule (4) must contain sufficient detail to enable the Tribunal to make an award of costs.

87. Response to a claim for costs

- (1) The liable party must, within 28 days after service upon it of a claim for costs, file and serve a response to a claim for costs (response) in an approved form which reproduces the claim for costs in a schedule in Microsoft Word format; and
 - (a) Complete the response liability column in the schedule for each item by either:
 - (i) admitting liability;
 - (ii) admitting liability to a specific extent; or
 - (iii) denying liability and succinctly identifying the reason for the denial; and
 - (b) complete the response quantum column in the schedule for each item (on the assumption that liability exists for the item) by either:
 - (i) admitting the quantum claimed; or
 - (ii) identifying what the liable party contends is the recoverable quantum and succinctly identifying the reason for the contention;
- (2) If the liable party in its response does not respond to a particular item of costs in the schedule, in the manner required by sub-rule (1)(a), the item will be taken to be admitted in full.
- (3) If the liable party fails to file and serve a response in accordance with sub-rule (1), the party seeking costs may request the entry of a costs judgment for the total amount shown in the claim for costs, counsel fees and external disbursement by filing an application to the Registrar in an approved form and an affidavit of proof of service proving service of the claim for costs on the liable party.
- (4) A party may request entry of an interim costs judgment for the total amount admitted or taken to be admitted by the liable party in a response by filing an application with the registry in an approved form.
- (5) Upon the Registrar or Tribunal member being satisfied that the party seeking an order for costs has provided sufficient information and documentation to establish the reasonableness of the amount claimed, the Registrar or Tribunal member presiding over an adjudication of costs may enter an administrative costs judgment for the appropriate amount upon the filing of a request by a party under sub-rule (3) or (4).

88. Reference for adjudication

- (1) If a claim for costs is not able to be resolved, the costs issue may be referred for adjudication by filing an application to the Registrar in an approved form.
- (2) The Tribunal member assigned to adjudicate costs may convene a hearing in order to do so or to make orders or give directions about the adjudication.
- (3) The parties in a disputed costs adjudication are to confer before the adjudication to attempt to resolve, limit or clarify the items of costs in dispute and to report to the Tribunal on the result at the commencement of the adjudication.

89. General costs adjudication principles

- (1) If the same law firm represents multiple parties, unless special circumstances exist, costs will not be allowed separately for each party but will be allowed on the basis of the work necessary and reasonable to represent the parties collectively.
- (2) A representative of a party shall not charge excessive costs. Costs charged at greater than the Supreme Court scale of costs, as adjusted from time to time, shall, unless there are exceptional circumstances, be regarded as excessive.
- (3) If a representative of a party proposes to charge for work performed in a proceeding before the Tribunal at a rate in excess of the Supreme Court scale of costs, an ex-parte application for directions supported by an affidavit seeking dispensation from sub-rule (2) and explaining what the exceptional circumstances are, must be filed in the registry.
- (4) If an adjudication of costs is adjourned:
 - (a) as a result of the default of a party, the party should bear the costs; or
 - (b) as a result of the default of a lawyer, the lawyer should bear the costs.

90. Delay

If a party unduly delays bringing a claim for costs and the liable party suffers prejudice as a result, the Tribunal may:

- (a) not allow interest on the claim for costs (whether in whole or in part);
- (b) disallow the claim for costs in whole or in part;
- (c) assess compensation for the delay in favour of the liable party and reduce the costs awarded by that amount; or
- (d) reduce the amount allowed to which the party would have been entitled if there had been no delay.

Note: ordinarily a period of time of more than three months from the date of order relating to costs will be treated as undue delay. However, particular circumstances including appeal proceedings or other proceedings, which are interrelated as to costs, may constitute a good reason as to why, nevertheless, there is not undue delay.

91. Counsel fees

- (1) The counsel fee indicator of the Supreme Court and District Court of South Australia may be used as a guide to the exercise of the discretion in respect of counsel fees.
- (2) The counsel fee indicator is a guide only and does not fetter the exercise of the discretion of the Tribunal in a particular case.

92. Powers at an adjudication of costs

- (1) When adjudicating costs an adjudicator has the same powers the Tribunal has in relation to a proceeding in the Tribunal.
- (2) An adjudicator may order or take evidence (on affidavit or orally), require the production of documents, require the attendance of witnesses or make orders about the participation of persons interested in the adjudication.
- (3) An adjudicator is not bound by the rules of evidence and may decide questions by estimation or by any other expedient means.
- (4) Without affecting the generality of sub-rule (1), an adjudicator may:
 - (a) require a party to produce its record of costs and disbursements and any other material relevant to the adjudication (subject to any claim for privilege);
 - (b) require a party to provide details of any item the subject of a claim for costs;
 - (c) make interim orders;
 - (d) order repayment of any overpayment of costs; or
 - (e) make any orders that might be made on a directions hearing in a proceeding.

93. Methods of adjudication

- (1) An adjudicator may use any one or more of the following methods to undertake an adjudication:
 - (a) a lump sum assessment, or otherwise determination of the amount of costs to be awarded in a wholesale manner, rather than undertaking an item by item assessment;
 - (b) an item by item assessment;
 - (c) assessments in successive stages;
 - (d) separate assessments of different components of the costs claimed; or
 - (e) any other method.
- (2) An adjudicator may:
 - (a) accept an undisputed item of costs without enquiry;
 - (b) determine an issue in dispute;
 - (c) refer an issue in dispute to mediation or arbitration;
 - (d) refer an issue in dispute to an expert for enquiry and report;
 - (e) order that an item by item adjudication be undertaken on a future occasion and that the parties take steps in preparation for the adjudication; or
 - (f) make any order or further order that the adjudicator thinks fit.
- (3) If an item by item adjudication is ordered, the liable party must file and serve an updated response to a claim for costs in an approved form which:
 - (a) substitutes the heading "amount disallowed" for the heading "offer" in the relevant column of the schedule; and
 - (b) adds any additional columns or particulars ordered by the adjudicator.

94. Orders

- (1) During or after an adjudication, an adjudicator may make a provisional order:
 - (a) determining a specific issue in dispute;
 - (b) allowing or disallowing a specific item;
 - (c) fixing the amount of costs, or a specified component of costs, to which the party is entitled; or
 - (d) that interest be payable on an award of costs in respect of a period before a costs decision is entered for the costs.
- (2) During or after an adjudication an adjudicator may make a non-provisional order:
 - (a) determining a specific issue in dispute;
 - (b) allowing or disallowing a specific item;
 - (c) fixing the amount of costs or a specified component of costs, to which the claimant is entitled; or

- (d) that interest be payable on an award of costs in respect of a period before a costs decision is entered for the costs.

95. Costs of adjudication

- (1) Subject to sub-rule (2), in a proceeding where a party is entitled to an award of costs, that party will ordinarily be entitled to the reasonable costs of an adjudication of costs.
- (2) The Tribunal may make any order it thinks fit concerning payment of the costs of an adjudication, and in making such an order, may take the following matters into consideration:
- (a) the overall result of the adjudication;
 - (b) a comparison between the result of the adjudication and the parties' respective positions prior to the adjudication;
 - (c) a comparison between the result of the adjudication and any offer made by a party in relation to costs prior to finalising the adjudication process;
 - (d) the relative success or failure of the parties in relation to disputed items; or
 - (e) the relative number of items, and their respective quantum, in respect of which the amount claimed was disallowed.

96. Review of provisional order

- (1) If an adjudicator makes a provisional order, a party to the adjudication may, within 14 days after the date of the provisional order, request a review of the provisional order by filing and serving an application to the Registrar.
- (2) If no party seeks review of a provisional order within 14 days of it being made, the provisional order becomes a non-provisional order.
- (3) If a party requests a review of a provisional order within 14 days of it being made, the adjudicator will convene a hearing and give notice of the hearing to all parties to the proceeding in a prescribed form.
- (4) An adjudicator shall conduct a review under this rule and will consider any provisional order which is the subject of the review.
- (5) An adjudicator conducting a review under this rule may confirm or vary a provisional order, which then becomes a non-provisional order.

97. Entry of decision

A non-provisional order and a provisional order that becomes a non-provisional order are decisions of the Tribunal.

B Costs in proceedings under the Return to Work Act 2014 (SA)

98. Limit on costs able to be charged by a representative

- (1) In a proceeding under the *Return to Work Act 2014* a representative of a party shall not charge excessive costs. Costs charged at greater than the Higher Courts costs scale of the Supreme Court of South Australia as varied from time to time shall, unless there are exceptional circumstances, be regarded as excessive.
- (2) If a representative of a party proposes to charge for work performed in a proceeding before the Tribunal at a rate in excess of the Higher Courts costs scale of the Supreme Court of South Australia, an ex-parte application for directions supported by an affidavit seeking dispensation from sub-rule (1) and explaining what the exceptional circumstances are must be filed in the registry.
- (3) A representative of a worker or registered employer must provide their client copies of this rule and of s 107 of the *Return to Work Act 2014* within 7 days of commencing to act in respect of any proceeding under that Act.
- (4) If a party believes that their representative has caused costs:
- (a) to be incurred improperly or without reasonable cause; or
 - (b) to be wasted by undue delay, negligence or by other misconduct or default;
 - (c) under s 107(2) of the *Return to Work Act 2014*, the party is to advise a registrar of the complaint in writing and the registrar shall then refer the matter to a Presidential member to deal with the complaint in accordance with s 107 of the *Return to Work Act 2014*.
- (5) A registrar is authorised to inform workers generally of this rule and of the actions a worker may take if the worker believes that the amount of costs being charged is excessive or that an order under s 107 of the *Return to Work Act 2014* should be made.
- (6) A proceeding under s 107 of the *Return to Work Act 2014* may be initiated by a party or by the Tribunal.
- (7) The requirements of sub-rules (3), (4), (5) and (6) do not apply to a proceeding commenced before 1 July 2015.
- (8) If a party believes that their representative has caused costs payable under s 107(2) of the *Return to Work Act 2014*:
- (a) to be incurred improperly or without reasonable cause; or
 - (b) to be wasted by undue delay, negligence or by other misconduct or default;
- the party is to advise the Registrar of that in writing and the Registrar shall then refer the matter to a Presidential member to deal with the matter in accordance with s 107 of the *Return to Work Act 2014*.
- (9) The Tribunal may, of its own motion, address circumstances that appear to come within the ambit of s 107 of the *Return to Work Act 2014*.

PART 17 - PARTIES, REPRESENTATION OF PARTIES AND ASSISTANCE TO OTHER PERSONS

99. Trusts

- (1) A trustee may bring or defend a proceeding in the name of the trust.
- (2) A proceeding to which this rule applies will be taken to have been commenced by or against all the trustees of the trust.
- (3) A trustee that brings an action in the name of the trust must have the authorisation of all of the trustees to bring the action and must file in the Tribunal with the initiating application a list of the trustees of the trust at the time the cause of action is alleged to have arisen.

- (4) A trustee that defends a proceeding in the name of the trust must, on taking the first step in the action, file in the Tribunal a list setting out the names and addresses of the persons who were trustees of the trust at the time the cause of action is alleged to have arisen.

100. Procedure for joinder or disjoinder of a party

- (1) The Tribunal may order that a person be removed as a party to a proceeding before the Tribunal if the Tribunal is satisfied that it is in the interests of the efficient administration of justice to do so after all parties have had an opportunity to be heard on the question.
- (2) The Tribunal may make an order to join or remove a person as a party to a proceeding:
 - (a) on its own initiative or on the application in an approved form of any person; and
 - (b) without notice to the person to whom the order relates.

101. Intervention in a proceeding

- (1) Where a person other than the Attorney-General seeks to intervene in a proceeding under s 50 of the SAET Act or any relevant Act, they must file an application in the approved form and serve a copy of the application on all other parties within 3 business days of the filing.
- (2) The Tribunal may grant the application to intervene on such terms as it considers just, and may vary or discharge any permission to intervene at any time.
- (3) An oral application for permission to intervene may be made at any time during a proceeding, subject to the right of any party asserting disadvantage as a consequence of the application having an opportunity to be heard in that regard.

- (a) immediately disclose the issue to the Tribunal; and
 - (b) cease acting as an interpreter in the proceeding unless the Tribunal advises otherwise.
- (4) Where it is in the interests of justice to do so, the Tribunal may allow a person to act or continue to act as an interpreter despite not complying with all of the requirements of sub-rules (1) to (3) if:
- (a) the Tribunal is satisfied that, because of the person's specialised knowledge based on their training, study or experience, the person is able to interpret and, if necessary sight translate, accurately to a level the Tribunal considers satisfactory both to and from another language and English; and
 - (b) the person takes an oath or makes an affirmation to interpret accurately to the best of their ability; and
 - (c) the Tribunal is satisfied that the person understands and accepts that, in acting as an interpreter, they:
 - (i) are not the agent, assistant or advocate of the witness or the party for which the person is to act as an interpreter; and
 - (ii) owe a paramount duty to the Tribunal to be impartial and accurate to the best of their ability; and
 - (d) for the purposes of any trial, the Tribunal directs that the evidence and interpretation be sound recorded for spoken languages and video recorded for sign languages; and
 - (e) the person is over the age of eighteen years.

191. Function of interpreters

Unless the Tribunal otherwise orders an interpreter may not assist a party or a party's legal representatives in their conduct of a proceeding or proposed proceeding (including a hearing) except by:

- (a) translating the questions and other spoken or signed communications in connection with the proceedings or proposed proceedings from English into the other language and from the other language into English; or
- (b) sight translating the documents in connection with the proceedings or proposed proceedings from English into the other language and from the other language into English.

192. Interpreted evidence

- (1) Unless the Tribunal orders otherwise, a sight translated affidavit or statement of a witness must be accompanied by an affidavit from an interpreter that deposes to the following:
- (a) before sight translating the affidavit or statement to the witness, the interpreter:
 - (i) read the Code and agreed to be bound by it; and
 - (ii) had been given an adequate opportunity to prepare to sight translate the affidavit or statement.
 - (b) The interpreter sight translated the entire affidavit or statement to the witness.
 - (c) The witness, through the interpreter, informed the person who prepared the affidavit or statement that:
 - (i) The witness understood the interpreter; and
 - (ii) The witness agreed with the contents of the affidavit or statement.

- (d) The witness swore or affirmed the affidavit or signed the statement in the presence of the interpreter.
- (2) Unless the Tribunal otherwise orders, the interpreter referred to in sub-rule (1) may, but is not required to, be the interpreter who interprets the evidence of that witness in any hearing of the proceeding in question.
- (3) The Tribunal may at any time, either of its own motion or upon the application of a party, request that an interpreter correct, clarify, qualify or explain their interpretation of the evidence or sight translation of a document.

193. Tribunal may give directions concerning interpreters

Without limiting the Tribunal's powers to control its own procedures, the Tribunal may at any time give directions concerning any or all of the following matters having regard to the nature of the proceedings (including the type of allegations made and the characteristics of the parties and witnesses):

- (a) any particular attributes required or not required for an interpreter including, without limitation, gender, age or ethnic, cultural or social background so as to accommodate any cultural or other reasonable concerns of a party or the witness;

- (c) establishing the expertise of an interpreter;
- (d) the steps to be taken before an order is made concerning an interpreter;
- (e) what information concerning the proceedings (including, without limitation, pleadings, affidavits, lists of witnesses and other documents) may be provided to a person in advance of any hearing to assist that person to prepare to act as an interpreter at that hearing;
- (f) when, in what circumstances and under what (if any) conditions the information referred to in (e) may be provided;
- (g) whether an interpreter is to interpret the witness's evidence consecutively, simultaneously or in some other way;
- (h) other resources such as dictionaries or other reference works that an interpreter may require to consult in the course of acting as an interpreter;
- (i) the length of time for which an interpreter should interpret during a hearing without a break;
- (j) security for an interpreter including, where necessary, arrangements to preserve the anonymity of the interpreter;
- (k) practical matters concerning an interpreter such as seating for and the location of the interpreter;
- (l) the disqualification, removal or withdrawal of an interpreter, including on the application of the interpreter or any party to the proceedings or by the Tribunal of its own motion.

194. Payment of interpreters

From time to time a Practice Direction may be issued by the Tribunal in relation to the amounts payable to interpreters for providing interpretation services.

B. Code of conduct for interpreters

195. Application of the code of conduct for interpreters

The Code applies to any person who, whether or not for fee or any other reward, is engaged, appointed, volunteers or otherwise becomes involved in proceedings or proposed proceedings to act as an interpreter by interpreting or sight translating from any spoken or signed language (the other language) into English and from English into the other language for any reason.

196. Compliance with the code of conduct for interpreters

- (1) An interpreter must comply with the Code.
- (2) Unless the otherwise ordered, as soon as practicable, after an interpreter is engaged or appointed in relation to a proceeding or proposed proceeding, a copy of the Code is to be provided to the interpreter by the Tribunal.
- (3) Unless the Court otherwise orders, a witness may not give evidence using an interpreter unless the Tribunal is satisfied that the interpreter has read the Code and has agreed to be bound by it.
- (4) Sub-rules (1)-(3) have effect subject to rule 188.

197. General duty to the Tribunal

- (1) An interpreter owes a paramount duty to the Tribunal to be impartial and accurate to the best of their ability.
- (2) The duty to the Tribunal overrides any duty the person may have to a party.
- (3) An interpreter must interpret, translate or sight translate impartially.
- (4) An interpreter is not to act in any way as an advocate, agent or assistant for a party or witness.
- (5) Unless the Tribunal orders otherwise, an interpreter must:
 - (a) interpret questions and all other spoken communications in the conference or hearing of the proceedings from English into the other language and from the other language into English; and
 - (b) subject to sub-rule (4), sight translate, whether before or during the course of the witness' statement in the course of a conference or evidence at a hearing, documents shown to the witness.
- (6) An interpreter may refuse to sight translate if:
 - (a) the interpreter considers that they are not competent to do so; or
 - (b) the task is too onerous or difficult by reason of the length or complexity of the task.

198. Duty to comply with directions

An interpreter must comply with any directions made by the Tribunal.

199. Duty of accuracy

- (1) An interpreter must at all times during a proceeding use their judgement to interpret, translate or sight translate as accurately as possible.
- (2) An interpreter must optimally and completely transfer the meaning of the language being interpreted, so as to preserve the content and intent of the other language or English (as the case may be) without omission or distortion, including by accurately interpreting matters that may be considered inappropriate or offensive.
- (3) If an interpreter considers that their interpretation or sight translation is or could be in any way inaccurate or incomplete, or may require qualification or explanation (including, without limitation, where the other language is ambiguous or otherwise unclear for any reason), then the interpreter must:
 - (a) immediately inform the party who engaged them in relation to any pre-trial matter and advise the Tribunal and provide the necessary correction, qualification or explanation to that party or the Tribunal (as the case may be); and
 - (b) if the evidence is being given in a Court session, immediately inform the Tribunal and provide the necessary correction, qualification or explanation to the Tribunal or if in a conference or directions hearing immediately inform the presiding Tribunal member and provide the necessary correction, qualification or explanation.

200. Duty of impartiality

- (1) An Interpreter must at all times act impartially so as to be without bias in favour of or against any person, including but not limited to:
 - (a) the witness whose evidence the Interpreter is engaged to interpret, translate or sight translate;
 - (b) in circumstances of pre-action or pre-trial engagement by a party, the party who has engaged or is remunerating the Interpreter; or
 - (c) any other party or person involved in the proceedings or proposed proceedings.
- (2) An interpreter must not provide any other assistance, service or advice (including by way of elaboration) to:
 - (a) the party, legal representative or other person who has engaged them; or
 - (b) any witness or potential witness, in relation to the proceeding or proposed proceeding.
- (3) In any proceeding when the Tribunal sits as the Court an interpreter must not provide any service or assistance to a party or witness outside of the hearing without the approval of the Presidential member conducting the hearing.

201. Duty of competence

An interpreter must only undertake interpreting work that they are competent to perform in the languages for which the interpreter is qualified by reason of the Interpreter's training, qualifications or experience.

202. Confidentiality

Subject to compulsion of law, an interpreter must keep confidential any information that they acquire in the course of an engagement or appointment as an interpreter unless:

- (a) the information is in, or comes into, the public domain other than an interpreter breaching their duty of confidentiality; or
- (b) the beneficiary of any legal professional privilege has waived that privilege.

PART 28 - CONTEMPT OF THE TRIBUNAL

203. Contempt committed in the face of the Tribunal

- (1) If a contempt is committed in the face of the Tribunal and it is necessary to deal urgently with it, the Tribunal sitting as the Court may:
 - (a) if the person alleged to have committed the contempt (the accused) is within the precincts of the Tribunal, order that the accused be taken into custody; or
 - (b) issue a warrant to have the accused arrested and brought before the Tribunal to be dealt with on a charge of contempt.
- (2) The Tribunal must formulate a written charge containing reasonable details of the alleged contempt and have the charge served on the accused when, or as soon as practicable after, the accused is taken into custody.

204. Tribunal initiated proceedings for contempt – other cases

- (1) If the Tribunal decides on its own initiative to deal with a contempt of the Tribunal, a registrar may be required to formulate a written charge containing reasonable details of the alleged contempt.
- (2) A registrar will then issue a summons requiring the person alleged to have committed the contempt (the accused) to appear before the Tribunal at a nominated time and place to answer the charge.
- (3) The Tribunal may issue a warrant to have the accused arrested and brought before it to answer the charge if:
 - (a) there is reason to believe that the accused will not comply with a summons; or
 - (b) a summons has been issued and served but the accused has failed to appear in compliance with it.

205. Contempt proceedings by a party to proceedings

- (1) A party to a proceeding who claims to have been prejudiced by a contempt of the Tribunal committed by another party or a witness or another person in relation to the proceeding (the accused) may apply to the Tribunal to have the accused charged with contempt.
- (2) An application under sub-rule (1):
 - (a) must be made as an interlocutory application supported by affidavit; and
 - (b) must include details of the alleged contempt.
- (3) An application under sub-rule (1) may be made without notice to the accused or other parties but the Tribunal may direct the applicant to give notice of the application to the accused or the parties (or both).

- (4) If a Presidential member of the Tribunal is satisfied on an application under sub-rule (1) that there are reasonable grounds to suspect the accused of the alleged contempt, the Tribunal may require a registrar to formulate a written charge containing reasonable details of the alleged contempt.
- (5) The Registrar will then issue a summons requiring the accused to appear before the Tribunal at a nominated time and place to answer the charge.
- (6) The Tribunal may issue a warrant to have the accused arrested and brought before it to answer the charge if:
 - (a) there is reason to believe that the accused will not comply with a summons; or
 - (b) a summons has been issued and served but the accused has failed to appear in compliance with it.

206. Hearing a charge of contempt

- (1) A charge of contempt is to be dealt with by the Tribunal sitting as the Court constituted by a single Presidential member except if the contempt is a contempt of the Full Tribunal in which case the Full Tribunal may itself deal with the charge.
- (2) The Registrar will have the carriage of the prosecution of a charge of contempt, and may retain solicitors and counsel for that purpose.
- (3) In relation to proceedings for contempt which were initiated by an application under rule 206(1), the Tribunal may direct the applicant to indemnify the Registrar in respect of the costs incurred by the Registrar or ordered to be paid by the Registrar and this right of cost recovery is additional to that contained in rule 208(3).
- (4) The Tribunal will deal with a charge of contempt as follows:
 - (a) the Tribunal will hear relevant evidence for and against the charge from the prosecutor and the accused;
 - (b) the Tribunal may, on its own initiative, call witnesses who may be able to give relevant evidence;
 - (c) at the conclusion of the evidence, the Tribunal will allow the prosecutor and the accused a reasonable opportunity to address it on the question whether the charge has been established;
 - (d) if, after hearing the evidence and representations from the prosecutor and the accused, the Tribunal is satisfied beyond reasonable doubt that the charge has been established, the Tribunal will find the accused guilty of the contempt;
 - (e) the Tribunal will, if it finds the accused guilty of the contempt, allow the prosecutor and the accused a reasonable opportunity to make submissions on penalty;
 - (f) the Tribunal will then determine and impose a penalty.
- (5) A witness called by the Tribunal may be cross-examined by the prosecutor and the accused.

207. Punishment of contempt

- (1) The Tribunal may punish a contempt by a fine or imprisonment (or both).
- (2) If the Tribunal imposes a fine, it may:
 - (a) fix the time for payment of the fine; and
 - (b) fix a term of imprisonment in default of payment of the fine.
- (3) The Tribunal may order a person who has been found guilty of a contempt to pay the costs of the proceedings for contempt.
- (4) The Tribunal may release a person who has been found guilty of a contempt on the person entering into an undertaking to the Tribunal to observe conditions determined by the Tribunal.
- (5) The Tribunal may, on its own initiative or on application by an interested person, cancel or reduce a penalty imposed for a contempt.
- (6) An order for the imposition of a penalty for a contempt, or for the cancellation of a penalty imposed for a contempt:
 - (a) may be made on conditions the Tribunal considers appropriate; and
 - (b) may be suspended on conditions the Tribunal considers appropriate.
- (7) The Tribunal may, on its own initiative or on application by the Registrar:
 - (a) cancel the release of a person who has been released under sub-rule (4) for breach of a condition of the undertaking; and
 - (b) issue a warrant to have the person arrested and brought before the Tribunal to be dealt with for the original contempt.
- (8) The Registrar, if so directed by the Tribunal, must make an application under sub-rule (7).

PART 29 - MISCELLANEOUS

208. Notice of hearing

Before the Tribunal hears any application, a registrar must give a notice of the time and place of the hearing to the applicant and to any other person who has been served with a copy of the application.

209. Location of hearing

- (1) If a party wishes the hearing of a proceeding, or any part or step in a proceeding, to take place other than at the Tribunal's principal location in Adelaide, the party must apply to the Tribunal member who is to hear the matter to have a hearing in some other place, nominate where the other place is, and give reasons why the matter should be heard there.
- (2) The Tribunal member who is to hear a matter will decide where the matter is heard.

210. Provision of consent orders

- (1) A matter which resolves by consent will be taken to have resolved on the date when in-principle settlement of the matter takes place.
- (2) Parties are required to advise the Tribunal in writing within 7 days of in-principle settlement occurring.
- (3) The Tribunal may cancel any conference, attendance or hearing scheduled for a matter after in-principle settlement of a proceeding has taken place.

- (4) Parties are required to provide draft orders in the approved form to the Tribunal within 28 days of in-principle settlement taking place and the Tribunal may require parties to advise of the date on which in principle settlement occurred.

211. Procedure for identifying and dealing with summary proceedings

- (1) Subject to the SAET Act, any relevant Act, the Rules and any Practice Direction, a Presidential member may direct that a particular proceeding, or a class of proceedings identified by a Practice Direction, be heard and determined as a summary proceeding.
- (2) A summary proceeding may be heard by such Tribunal member as directed by a Presidential member.
- (3) Parties must be prepared for a summary proceeding to be heard without delay.
- (4) When making orders in relation to hearing a summary proceeding, and without limiting the ambit of the directions which may be made, the Tribunal may direct:
 - (a) that the proceeding be heard by reference to available documentary evidence only;
 - (b) that the evidence of any witness be reduced to writing;
 - (c) some or all witnesses not be required for cross-examination;
 - (d) that the parties agree the facts, or some of them;
 - (e) that the parties reduce their contentions, and the factual and legal findings they say should be made, to writing.
 - (f) that the time available to each party to present its case be limited to a specified time.

212. Disrupting Tribunal proceedings

- (1) If a Tribunal member considers that a person has behaved in a manner contrary to s 91(1) of the SAET Act, that member must refer the matter to the President or to a Presidential member to whom the President has delegated the power to deal with the matter.
- (2) The Presidential member to whom a matter is referred under this rule will consider the appropriate action to take in the circumstances, including whether or not to recommend that a charge be laid against the person.
- (3) Without limiting the generality of what order or orders may be made under this rule, a Presidential member may, after giving an opportunity to all affected parties to be heard, stay or strike out proceedings, if considered appropriate, or may order the proceedings continue subject to any terms and conditions thought necessary.

213. Application to attend an examination by a health practitioner

- (1) Subject to this rule, in any proceedings before the Tribunal in which the physical or mental condition of a person is a relevant issue and the person seeks a benefit or payment to which medical evidence may be relevant, another party may make application to the Tribunal under this rule seeking an order that the person submit to examination by a specified health practitioner at a specified time and place.
- (2) A party making an application under this rule must organise the examination, provide the person sought to be examined with reasonable notice of the examination and be responsible for any fee or charge associated with the examination.
- (3) A party making an application under this rule must, if requested by the person or their representative, pay to or on behalf of the person a reasonable sum to meet the travel or parking costs of a person attending the medical examination.
- (4) Where a person opposes an application made under this rule, or attends the examination but does not do or answer all things reasonably requested by the health practitioner to facilitate the examination, the Tribunal may, upon application by another party, stay the proceedings or make such other order or direction as is appropriate.

214. Fees may be published

- (1) The Registrar may from time to time by notice published in the SA Government Gazette, specify the amount of any fee payable for:

215. Paying money into the Tribunal

- (1) All money paid into the Tribunal is to be paid into the SAET Fund established by the Registrar.
- (2) Money is to be paid out of the Fund either:
 - (a) by order of a Presidential member; or
 - (b) upon the direction of the Registrar.
- (3) The Fund and any income it produces are to be invested by the Registrar as a common fund pursuant to s 21 of the *Public Finance and Audit Act 1987*.
- (4) As soon as practicable after the last days of June and December in each year, the Registrar is to fix the rate of interest payable in respect of funds in the Tribunal for the preceding half-year and to credit interest to the common fund or any special fund at those times.
- (5) When money is paid out during any half-yearly period the rate of interest applicable to the previous half-year will apply unless the Registrar directs otherwise.
- (6) Interest accrues from day to day up to the date when payment out is made.

216. Delegation by registrars

- (2) The delegation:
- must be in writing; and
