## EDUCATION AND CHILDREN'S SERVICES REGULATIONS 2020

### NOTICE OF POLICY BY THE MINISTER FOR EDUCATION

#### *Capacity Management Plan—Morialta Secondary College*

PURSUANT to regulation 12(1) of the *Education and Children's Services Regulations 2020*, I, the Minister for Education publish the following Capacity Management Plan for the purposes of the enrolment of a child at Morialta Secondary College.

#### CAPACITY MANAGEMENT PLAN

##### *Morialta Secondary College*

This Capacity Management Plan sets out the conditions for enrolment at Morialta Secondary College ("the school") effective for the enrolment of a child to attend in 2023.

##### *Morialta Secondary College zone*

A school zone is a defined area from which the school accepts its core intake of students. Morialta Secondary College operates a school zone within the area bounded by:

Glynburn Road, Montacute Road, Black Hill Track, Black Hill Road, Church Road, Montacute Road, Hill Road, Montacute Road, Marble Hill Road, Moores Road, Colonial Track, Norton Summit Road, Kintyre Road, Glen Stuart Road, Koongarra Avenue, St Bernard's Road and Shakespeare Avenue.

An online map of the Morialta Secondary College zone and a search tool to indicate if an applicant's home address is within the school zone is available at: <https://www.education.sa.gov.au/findaschool>

#### **Student Enrolment Numbers**

As a new school, Morialta Secondary College will have a progressive enrolment process. This process will introduce a new Year 7 cohort at the start of each school year, beginning in 2023 until the school has all year levels in 2028.

##### *Year 7*

The student enrolment ceiling for Year 7 is limited to **200**, unless there are more applications that have met the enrolment criteria below.

##### *International Education Program*

No International Education Program places will be offered at the school.

#### **Enrolment Criteria – By Year Level**

##### **YEAR LEVEL: 7**

Applications for enrolment from parents of prospective Year 7 students require that the student must be enrolled in a government or non-government school in South Australia at the time the parents apply for enrolment through the statewide registration of interest process (coordinated by the Department for Education).

The applicant must meet one of the following requirements to be eligible for a Year 7 allocation through the statewide registration of interest process for the coming school year:

- the child is living in the Morialta Secondary College zone
- the child identifies as Aboriginal and/or Torres Strait Islander through the Enter for Success program
- the child has been granted enrolment due to special or extenuating circumstances, including but not limited to a child in care where there is a custody or guardianship order made under the *Children and Young People (Safety) Act 2017*.

##### *Late applications for Year 7 from students living in the school zone*

Families who move into the school zone, or who are already living in the school zone but lodge their application for enrolment after the department's registration of interest process is completed (end of term 2), will have their applications considered if or when vacancies exist.

In these cases, applications will be considered based on the distance of the child's residence from the school and any other personal needs, such as curriculum, transportation/location convenience, and social/family links to the school.

The school will notify parents by the beginning of week 3, term 4 if a vacancy is available for their child to attend the following school year.

If no vacancies exist, the applicant will be placed on the enrolment register and the school will support the family to enrol at a neighbouring school.

##### *Enter for Success Year 7 students*

Through Enter for Success, a child that identifies as Aboriginal and/or Torres Strait Islander will be offered a Year 7 place at the school for the following year. Families enrolling through Enter for Success can do so until the end of term 4 in the year prior to starting Year 7.

##### **YEAR LEVEL: 8 to 12**

Applications for enrolment in year levels 8 to 12 will not be accepted for 2023.

Local applicants for these year levels will be encouraged to remain at their current school or the school will support the family to enrol at a neighbouring school.

#### **OUT OF ZONE APPLICATIONS**

There is no automatic entry to the school for any year level for students who live outside of the school's zone and have siblings who attend the school.

Applications from parents of prospective students, who live outside the school zone will only be given consideration for enrolment if the school is under its year level student enrolment numbers.

#### **Enrolment Criteria - General**

##### *Special Circumstances*

Enrolment applications for consideration based on special or extenuating circumstances, including but not limited to a child in care where there is custody or guardianship orders made under the *Children and Young People (Safety) Act 2017*, may be granted by the Principal in consultation with the Education Director. These applications will be assessed on a case-by-case basis.

**Enrolment Process***Enrolment Register*

Parents whose child's name has been placed on the enrolment register will be contacted by the school by the beginning of week 3, Term 4 if a vacancy is available for the following school year.

The enrolment register will be reviewed and updated annually by the school.

The position that a child's name appears on the register is confidential and will only be disclosed as required by law.

*Monitoring and enforcement*

It is the responsibility of the parents applying for enrolment to be able to verify to the satisfaction of the school that the information provided is true and factual.

If a child was enrolled at the school on the basis of false or misleading information (including residential address) the Chief Executive may direct that the child be instead enrolled at another Government school pursuant to section 63(1) of the *Education and Children's Services Act 2019*.

The Principal is responsible for the implementation of this Capacity Management Plan and all decisions on enrolments.

This Capacity Management Plan will be reviewed as required.

Dated: 18 February 2022

JOHN GARDNER  
Minister for Education

*Preamble*

It is necessary to amend the Planning and Design Code (the Code) in operation at 17 February 2022 (Version 2022.3) in order to make changes of form relating to the Code's spatial layers and their relationship with land parcels. NOTE: There are no changes to the application of zone, subzone or overlay boundaries and their relationship with affected parcels or the intent of policy application as a result of this amendment.

PROFESSIONAL STANDARDS ACT 2003 (VIC)

*Law Institute of Victoria Limited Professional Standards Scheme*

**PREAMBLE**

- A. The Law Institute of Victoria Limited ("the LIV") is an occupational association for legal practitioners (solicitors) in Victoria for the purposes of the *Professional Standards Act 2003* (Vic) ("the Act").
- B. The Scheme is prepared by the LIV for the purposes of limiting Occupational Liability to the extent to which such liability may be limited under the Act.
- C. The Scheme applies to all Participating Members, as defined in the Scheme.
- D. The Scheme will have force in Victoria, New South Wales, Queensland, South Australia, Western Australia, the Northern Territory, Tasmania, and the Australian Capital Territory. To the extent that the Scheme applies to limit liability in jurisdictions other than Victoria, it is subject to the professional standards legislation of those jurisdictions.
- E. The LIV has furnished the Council with a detailed list of the risk management strategies to be implemented in respect of its Participating Members and the means by which those strategies are to be implemented.
- F. The LIV has furnished the Council with details of its insurance standards and professional indemnity insurance claims monitoring process. The LIV will not amend these insurance standards while the Scheme is in force without prior approval of the Council.
- G. The LIV has advised its Participating Members that they must have the benefit of a professional indemnity policy that complies with the LIV's insurance standards and that they remain liable for the amount of any difference between the amount payable to a plaintiff under the policy and the monetary ceiling specified in the Scheme.
- H. The LIV has furnished the Council with details of its complaints system and discipline system.
- I. The LIV and its members to whom the Scheme applies have undertaken to comply with all reporting obligations associated with the Scheme, in furtherance of the statutory objects of improvement of the occupational standards of its members, and protection of the consumers of such members' services.
- J. The LIV has undertaken to remit all fees payable under the *Professional Standards Regulations 2017* (Vic) to the Council as and when these become due.

The Scheme is intended to commence on 1 July 2022 and remain in force for a period of five (5) years from its commencement, unless, prior to that time, it is revoked, its operation ceases, or it is extended.

- K. Sections 12GNA(2) of the *Australian Securities and Investments Commission Act 2001* (Cth), 137(2) of the *Competition and Consumer Act 2010* (Cth), and 1044B(2) of the *Corporations Act 2001* (Cth) provide for limited liability where a Professional Standards Scheme is prescribed in the relevant regulation. The Scheme does not apply to limit any liability under a Commonwealth law unless it has been prescribed under regulations by the Commonwealth.

**LAW INSTITUTE OF VICTORIA LIMITED PROFESSIONAL STANDARDS SCHEME**

**1. Occupational association**

- 1.1 The Law Institute of Victoria Limited Professional Standards Scheme is a scheme under the *Professional Standards Act 2003* (Vic) ("the Act") prepared by the Law Institute of Victoria Limited ("the LIV"), whose business address is: Level 13, 140 William St, Melbourne, Victoria.

**2. Persons to whom the Scheme applies**

- 2.1 The Scheme applies to:
- 2.1.1 Full Members who hold a current Australian Practising Certificate who are not excluded or exempted under clauses 2.2 or 2.3 of the Scheme;
- 2.1.2 Incorporated Legal Practices that are not exempted under clause 2.3 of the Scheme; and
- 2.1.3 all persons to whom, by virtue of sections 20, 21 or 22 of the Act, the Scheme applies.
- 2.2 *Despite* clause 2.1, the Scheme does not apply to a Corporate Legal Practitioner or to a Government Legal Practitioner.

- 2.3 A *person* referred to in clause 2.1 may, on application, be exempted from participation in the Scheme by the LIV, with effect from the date specified by the LIV. This clause does not apply to persons to whom the Scheme applies by virtue of sections 20, 21 or 22 of the Act.

### 3. Jurisdiction

- 3.1 The *Scheme* applies in Victoria.
- 3.2 In addition to Victoria, the Scheme is intended to operate in New South Wales, Queensland, South Australia, Western Australia, the Northern Territory, Tasmania, and the Australian Capital Territory in accordance with the professional standards legislation of those states and territories and subject to the requirements of that legislation (“the Corresponding Laws”), so that *references* to a provision of the Act, the application of the Scheme to a liability, the limit of a liability under the Act, or what constitutes Occupational Liability, are intended to pick up the relevant provisions of the Corresponding Laws, applied *mutatis mutandis*, to the extent that is necessary for the application of the Scheme in any of those jurisdictions.

### 4. Limitation of liability

- 4.1 This Scheme only affects the liability for Damages arising from a single cause of action to the extent to which the liability *results* in Damages exceeding \$1.5 million.
- 4.2 If a person who is, or was, at the time of the act or omission giving rise to Occupational Liability, a person to whom the Scheme *applies*, or applied, and against whom a proceeding relating to Occupational Liability is brought, is able to satisfy the Court that such person has the benefit of an insurance policy:
- (a) of a kind which complies with the standards determined by the LIV;
  - (b) insuring such person against the Occupational Liability to which the cause of action relates; and
  - (c) under which the amount payable in respect of that Occupational Liability is not less than the applicable monetary ceiling specified in clause 4.3 of this Scheme;

then that person is not liable in Damages in relation to that cause of action above the monetary ceiling specified in clause 4.3 of this Scheme.

- 4.3 The applicable monetary ceiling is to be determined according to the table below:

Class	Description	Monetary ceiling
1	Participating Members who were at the Relevant Time in a Law Practice consisting of up to and including 20 Principals and where the Law Practice generated Total Annual Fee Income for the Financial Year at the Relevant Time up to and including \$10 million.	\$1.5 million
2	Any Participating Member which was at the Relevant Time an Incorporated Legal Practice consisting of up to and including 20 Principals and where the Law Practice generated Total Annual Fee Income for the Financial Year at the Relevant Time up to and including \$10 million.	\$1.5 million
3	(a) Participating Members who were at the Relevant Time in a Law Practice consisting of greater than 20 Principals; or (b) Participating Members who were at the Relevant Time in a Law Practice where the Law Practice generated Total Annual Fee Income for the Financial Year at the Relevant Time greater than \$10 million.	\$10 million
4	(a) Any Participating Member which was at the Relevant Time an Incorporated Legal Practice consisting of greater than 20 Principals; or (b) Any Participating Member which was at the Relevant Time a Law Practice where the Law Practice generated Total Annual Fee Income for the Financial Year at the Relevant Time greater than \$10 million.	\$10 million

- 4.4 Clause 4.2 does not limit the amount of Damages to which a person to whom the Scheme applies is liable if the amount is less than *the* amount specified for the purpose in this Scheme in relation to a person to whom the Scheme applies.
- 4.5 This *Scheme* limits the Occupational Liability in respect of a cause of action founded on an act or omission occurring during the period when the Scheme was in force of any person to whom the Scheme applied at the time the act or omission occurred.
- 4.6 *Notwithstanding* anything to the contrary contained in this Scheme if, in particular circumstances giving rise to Occupational Liability, the liability of any person who is subject to this Scheme should be capped both by this Scheme and also by any other scheme under professional standards legislation (whether of this jurisdiction or under the law of any other Australian state or territory) and, if the amount of such caps should differ, then the cap on the liability of such person arising from such circumstances which is higher shall be the applicable cap.

### 5. Conferral of discretionary authority

- 5.1 The LIV has discretionary authority, on application by a person referred to in clause 2.1, to specify in relation to that person, a higher maximum amount of liability than would otherwise apply under the Scheme in relation to that person, either in all cases or in any specified case or class of case.

### 6. Commencement and Duration

- 6.1 The *Scheme* will commence:
- 6.1.1 in Victoria, New South Wales, the Northern Territory, Western Australia, Tasmania and Queensland, on 1 July 2022; and
  - 6.1.2 in the Australian Capital Territory and in South Australia, on this same date, or such other later date, provided the date is specified in the relevant Minister’s notice in relation to the Scheme; or
  - 6.1.3 in all other cases, subject to the statutory provisions of each applicable jurisdiction.

- 6.2 The *Scheme* will remain in force in all applicable jurisdictions for a period of five (5) years from its commencement in Victoria.
