ENVIRONMENT PROTECTION ACT 1993

SECTION 68

Approval of Category B Containers

I, Nicholas Stewart, Team Leader, Container Deposit Legislation and Delegate of the Environment Protection Authority ('the Authority'), pursuant to section 68 of the Environment Protection Act, 1993 (SA) ('the Act') hereby:

Approve as Category B Containers, subject to the conditions in subclauses 1, 2, 3 and 4 below, each of the classes of containers identified by reference to the following matters described in the first 4 columns of Schedule 1 of this Notice which are sold in South Australia:

- (a) the product which each class of containers shall contain;
- (b) the size of the containers;
- (c) the type of containers;
- (d) the name of the holders of these approvals.

1. That containers of the class to which the approval relates must bear the refund marking specified by the Authority for containers of that class. The Authority specifies the following refund markings for Category B containers:
 - (1) "10c refund at collection depots when sold in SA", or
 - (2) "10c refund at SA/NT collection depots in State/Territory of purchase", or
 - (3) "10c refund at collection depots/points in participating state/territory of purchase"
2. The holder of the approval must have in place an effective and appropriate waste management arrangement in relation to containers of that class. For the purpose of this approval notice the company named in column 5 of Schedule 1 of this Notice is the nominated super collector.
3. In the case of an approval in relation to category B containers that the waste management arrangement must require the holder of the approval to provide specified super collectors with a declaration in the form determined by the Authority in relation to each sale of such containers by the holder of the approval as soon as practicable after the sale.
4. The holder of these approvals must ensure that if a sticker bearing the refund marking has been approved, and is applied to the container, then the sticker must not be placed on any portion of the opening mechanism or in any other place that would require complete or partial removal of the sticker before the contents may be consumed.

FISHERIES MANAGEMENT (ROCK LOBSTER FISHERIES) REGULATIONS 2017

REGULATION 23

*Revocation***Revocation**

The determinations made for the purposes of regulation 23 dated 3 January 2018 are hereby revoked.

Determination

For the purpose of regulation 23 relating to catch and disposal requirements (rock Lobster) Southern Zone - I make the following determinations—

Regulation 23(1)(a) (notify information – outside hours)

- (1) Where rock lobster are not weighed at a Gazetted certification station between specified hours - at least one (1) hour before rock lobster taken under a licence in respect of the southern zone rock lobster fishery is removed from a registered boat the holder of the licence or the registered master must ensure that the Department is informed by PIRSA eCatch via the PIRSA website www.pir.sa.gov.au/ecatch or telephoning 1800 322 824 (1800 eCatch) of the following information:
 - (a) The name of the person making the report; and
 - (b) The number of the licence under which the rock lobster was taken; and
 - (c) The certification station at which the rock lobster is to be weighed; and
 - (d) The estimated time of arrival of the rock lobster at that certification station; and
 - (e) Whether any rock lobster is to be stored on board a registered boat used under the licence after the boat is landed.
- (2) At least 24 hours prior to mooring or to unloading any rock lobster at any place other than at the location of a gazetted certification station the holder of the licence or the registered master must ensure that the Department is notified by telephoning 1800 322 824 (1800 eCatch) and reporting to the Fishwatch operator:
 - (a) The name of the person making the report; and
 - (b) The fishery licence number on which the registered boat is endorsed; and
 - (c) The name of the registered boat; and
 - (d) The location of the mooring of the boat; and/ or
 - (e) That rock lobster are to be unloaded from the boat.
- (3) Prior to moving a vessel registered to a licence in respect of the southern zone rock lobster fishery from a point of mooring, for any purpose other than for undertaking fishing activity, on which rock lobster is stored the licence holder or the registered master must notify the Department by telephoning 1800 322 824 (1800 eCatch) and provide the following information:
 - (a) The name of the person making the report; and
 - (b) The fishery licence number on which the registered boat is endorsed; and
 - (c) The name of the registered boat; and
 - (d) The purpose for moving the boat; and
 - (e) The destination of the boat.

In this determination “landed” refers to a vessel that has been moored and/or secured at a port such that it is stationary.

Regulation 23(1)(b) (change in information – outside hours)

- (1) Where the Department has been notified under paragraph (a) of the determination for the purposes of regulation 23(1)(a) and it appears likely to the holder of the licence or the registered master that the rock lobster will arrive at the gazetted certification station earlier than the estimated time previously notified or more than one (1) hour after that time, the holder of the licence or the registered master must notify the Department of the amended estimated time of arrival of the rock lobster at least one (1) hour before the rock lobster is removed from a boat by PIRSA eCatch via the PIRSA website www.pir.sa.gov.au/ecatch or telephoning 1800 322 824 (1800 eCatch).

Regulation 23(2)(a) (record information) and Regulation 23(2)(d) (arrangements for fish)

- (1) Before rock lobster taken under a licence in respect of the southern zone rock lobster fishery are removed from a registered boat from which the rock lobster was taken, the holder of the licence or the registered master must ensure that he or she accurately completes and submits an Electronic Report in respect of the rock lobster.
- (2) Immediately after a registered boat used under a licence in respect of the southern zone rock lobster fishery is landed, the holder of the licence or the registered master must ensure he or she removes from the boat any rock lobster that is not to be stored on the boat.
- (3) The holder of the licence or the registered master must ensure that rock lobster removed from a registered boat is delivered to the nearest gazetted certification station within ten (10) minutes of being removed from the boat.
- (4) Immediately after rock lobster taken under a southern zone rock lobster fishery licence are delivered to the certification station, the holder of the licence or the registered master must weigh the rock lobster and accurately complete and submit an Electronic Report in respect of the rock lobster.
- (5) Prior to leaving a registered boat under a licence in respect of the southern zone rock lobster fishery on which remains stored any rock lobster, the licence holder or registered master must ensure that he or she completes an Electronic Report in respect of the stored rock lobster.
- (6) The holder of a licence in respect of the southern zone rock lobster fishery or registered master of such a licence under which rock lobster is taken under must ensure that:
 - (a) Rock lobster to which a completed Electronic Report relates that is to be consigned or delivered to a registered fish processor are transported in containers or bins that are:
 - (i) secure, and
 - (ii) solid, and
 - (iii) fitted with an RFID tag, and
 - (iv) fitted with a lid, and
 - (v) weighed and tared-off by a Fisheries Officer.
 - (b) Before a container or bin containing rock lobster is removed from the vessel, it is sealed with a tag issued by the Department; and
 - (c) The bin remains sealed until the rock lobster are consigned to a registered fish processor; and
 - (d) The Electronic Report relating to that consignment is accurately completed and submitted in respect to the information required from the licence holder or registered master; and
 - (e) That if a tag is broken while a bin is being sealed or transported:
 - (i) the bin is sealed with a replacement tag of a different colour issued by the Department; and
 - (ii) the broken tag is attached to the bin by threading it through the replacement tag.
 - (f) On the last day that rock lobster is taken during the rock lobster season pursuant to a licence in respect of the southern zone rock lobster fishery, the bin tag of the last bin may be broken by the licence holder or the registered master for the purposes of removing rock lobster to reconcile the final quota balance for the season at the certification station if all of the following conditions are met:
 - (i) Only one tag is broken; and
 - (ii) Once the required number of rock lobster are removed, the bin must be immediately sealed with a replacement tag and the broken tag attached to the bin by threading it through the replacement tag; and
 - (iii) Any rock lobster removed from the sealed bin is immediately returned to the water.

In this determination "landed" refers to a vessel that has been moored and/or secured at a port such that it is stationary.

Regulation 23(2)(c) (provide information)

- (1) Where an Electronic Report has been made using PIRSA eCatch (PIRSA website www.pir.sa.gov.au/ecatch) it will be taken to have been provided to the Department unless otherwise provided in this determination.
- (2) Where a bin tag of the last bin is to be broken for the purposes of removing rock lobster to reconcile the final quota balance for the season the licence holder or registered master must notify the Department that the trip is the final trip for the season and give notice of intent to break a tag by telephoning 1800 322 824 (1800 eCatch) at least one (1) hour prior to landing and reporting to the Fishwatch operator.
- (3) Where a bin tag of the last bin has been broken for the purposes of removing rock lobster to reconcile the final quota balance for the season the licence holder or registered master must notify the Department of the number of the replacement tag by completing an Electronic Report by use of PIRSA eCatch (PIRSA website www.pir.sa.gov.au/ecatch) or telephoning 1800 322 824 (1800 eCatch).
- (4) If a tag issued by the Department is lost the licence holder or registered master must notify the Department immediately of the loss by telephoning 1800 322 824 (1800 eCatch) and reporting to the Fishwatch operator.

Regulation 23(4) (keep records)

- (1) Where an Electronic Report has been submitted no further record need be kept for the purposes of this determination.

For the purposes of this determination—

Electronic Report – means an entry received in the eCatch electronic database created and administered by the Department. Submission of the electronic report may be directly entered into the eCatch electronic database via the myPIRSA portal (www.pir.sa.gov.au/ecatch); via telephone on 1800 322 824 (1800 eCatch); or other third party application. If entered by a third party application the Licence Holder, Registered Master or Nominated Agent must ensure the report has been received by the eCatch electronic database.

MENTAL HEALTH ACT 2009

Conditions placed on an Authorised Community Mental Health Facility

On 6 April 2023 the Chief Psychiatrist determined Northgate House (Beachside and Woodland wards), 78-96 Dumfries Avenue, Northgate SA 5085 to be an Authorised Community Mental Health Facility pursuant to section 97A of the *Mental Health Act 2009*.

Notice is hereby given in accordance with Section 97A of the *Mental Health Act 2009*, that the determination is subject to the following conditions:

Those with a high level of behaviours of concern due to Behavioural and Psychological Symptoms in Dementia (BPSD) may only be admitted to Northgate House after agreement from the Nurse Unit Manager (NUM) and Head of Unit (HoU) after considering the limitations of the facility's design and the ability to meet the care needs of a new resident in the context of the care needs of the population of people already resident on the unit.

That each unit (Beachside and Woodland wards) will have a reduction in maximum capacity in order to provide more space for residents and staff, according to a bed plan agreed by the Chief Psychiatrist.

ROADS (OPENING AND CLOSING) ACT 1991

Re-Advertised - Notice of Proposed Road Closure—Otway Street, Windsor Gardens

In accordance with section 10 of the *Roads (Opening & Closing) Act 1991*, NOTICE is hereby given that City of Port Adelaide Enfield proposes to make a Road Process Order to close and transfer to the adjoining land owners a portion of Otway Street, more particularly delineated and lettered 'A' & 'B' on Preliminary Plan 23/0006.

A copy of the Preliminary Plan, and a statement of persons affected, are available for public inspection at the City of Port Adelaide Enfield's Civic Centre located at 163 St Vincent Street Port Adelaide SA 5015 between the hours of 8.30am and 5.00pm, Monday to Friday or at the Adelaide office of the Surveyor-General, Level 10, 83 Pirie Street Adelaide during normal office hours. The Preliminary Plan can also be viewed at www.sa.gov.au/roadsactproposals.

Any person is entitled to object to the proposed road closure via written submission. An objection must state whether the objector wishes to make submissions to the Council at any meeting held by the Council for this purpose. A person affected by the proposed closure is entitled to apply for an easement to be granted in that person's favour over the land subject to the proposed closure.

An objection or application for an easement must set out the full name and address of the person making the objection or application and must be fully supported by reasons.

An application for an easement must give full particulars of the nature and location of the easement that is being applied for and, where made by a person as the owner of adjoining or nearby land, specify the land to which the easement is to be annexed.

Any objection or application for an easement must be made in writing setting out full details and must be submitted to the Council by post to PO Box 110, Port Adelaide SA 5015, or via email to service@cityofpae.sa.gov.au within 28 days of the date of publication of this notice and a copy must be forwarded to the Surveyor-General at PO Box 1815, Adelaide 5001.

Where an objection or application for an easement is received, the Council will give notification of a meeting at which the matter will be considered so that the objector and/or applicant may attend if so desired.

NATIONAL ELECTRICITY LAW

Notice of Initiation of Rule Change Request

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, The Honourable Chris Bowen MP, Minister for Climate Change and Energy on behalf of the Commonwealth Government has requested the *Accommodating financeability in the regulatory framework* (Ref. ERC0348) and *Concessional Finance for Transmission Network Services Providers* (Ref. ERC0349) proposals.

The ERC0348 proposal seeks to address the foreseeable risk that financeability challenges could arise for actionable ISP projects, which may impact the timely and efficient delivery of these projects.

The ERC0349 proposal seeks to change the NER to include an approach to determining how the financial benefits that arise from concessional financing of transmission infrastructure are shared between consumers and Transmission Network Service Providers.

Submissions must be received by **14 July 2023**.

Submissions can be made via the [AEMC's website](#). Before making a submission, please review the AEMC's [privacy statement](#) on its website, and consider the AEMC's [Tips for making a submission](#). The AEMC publishes all submissions on its website, subject to confidentiality.
