The second and third dependants will be subject to the full charge that would otherwise be payable under paragraph 1 less 10%. Where four or more dependants of a primary subclass 457 or 482 visa holder would otherwise be subject to a charge under this notice, a charge payable will apply to the three youngest dependants only.
3. The charge otherwise payable under paragraphs 1 and 2 above will, if the *family income* is below the upper threshold, be reduced as follows:

Where the *family income* is more than \$71,000, but less than the *upper threshold* rounded down to the nearest \$1,000, the charge payable is a proportion of the charge indicated in paragraph 1, calculated according to the following formula:

$$\frac{A - \$71,000}{\$25,000 + ((B-1) \times \$18,000)}$$

Where A = *family income* rounded down to the nearest \$1,000; and
B = the number of dependants of the primary subclass 457 or 482 visa holder, to a maximum of three students, enrolled in Government schools.
4. Where the *family income* is \$71,000 or less, rounded down to the nearest \$1,000, no tuition charge will be payable by any dependants of the primary subclass 457 or 482 visa holder under this notice.
5. If a dependant student is enrolled at a Government school for part of a school year, the charge payable is a proportion of the charge calculated in accordance with paragraphs 1, 2 and 3 being the proportion that the number of school weeks for the whole or part of which the student is enrolled bears to 40.
6. For the purposes of this notice:

family income, in relation to a primary subclass 457 or 482 visa holder, means the estimated combined gross income of the primary visa holder and their spouse or partner for a 12 month period commencing on:

- (a) 1 January of the school year for which the charge is payable; or
 (b) the date on which the dependant student to whom a charge under this clause relates first commences at a Government school, whichever is the later.

gross income includes any salary sacrifice and overtime payments.

upper threshold for the purposes of *family income* is:

- (a) in the case where there is 1 dependant student at a Government school—\$96,000; or
 (b) in the case where there are 2 dependant students at a Government school—\$114,000; or
 (c) in the case where there are 3 or more dependant students at a Government school—\$132,000.

LIQUOR LICENSING ACT 1997

South Australia

Liquor Licensing (Late Night Trading Code of Practice) Variation Notice 2023under section 11A of the *Liquor Licensing Act 1997***1 Short title**

This notice may be cited as the *Liquor Licensing (Late Night Trading Code of Practice) Variation Notice 2023*.

2 Commencement

This notice comes into operation on 1 November 2023 and varies the *Liquor Licensing (Late Night Trading Code of Practice) Notice 2019* published in the Gazette on 17 October 2019.

The *Liquor Licensing (Late Night Trading Code of Practice) Notice 2019* remains in force until that date.

3 Late Night Trading Code of Practice

The Schedule sets out the Liquor and Gambling Commissioner's Late Night Trading Code of Practice as varied for the purposes of the *Liquor Licensing Act 1997*.

SCHEDULE

Late Night Trading Code of Practice**Part 1 - Preliminary****1. Citation**

This code of practice may be cited as the *Late Night Trading Code of Practice* under the *Liquor Licensing Act 1997*.

2. Commencement

This code of practice came into operation on 1 October 2013 and was amended on 1 February 2016, 18 November 2019 and 1 November 2023.

3. Purpose of the code

- (1) The purpose of this code of practice is to promote the objects of the *Liquor Licensing Act 1997* and, in particular -
 - (a) to ensure that the sale and supply of liquor occurs in a manner that minimises the harm and potential for harm caused by the excessive or inappropriate consumption of liquor; and
 - (b) to ensure that the sale, supply and consumption of liquor is undertaken safely and responsibly, consistent with the principle of responsible service and consumption of liquor; and
 - (c) to ensure as far as practicable that the sale and supply of liquor is consistent with the expectations and aspirations of the public; and
 - (d) to impose additional requirements for licensed premises that are authorised to trade after 2 am for the purpose of reducing alcohol-related violence and antisocial behaviour in and around licensed premises.
- (1a) For the purposes of clause 3(1)(a) harm caused by the excessive or inappropriate consumption of liquor includes—
 - (a) the risk of harm to children, vulnerable people and communities (whether to a community as a whole or a group within a community); and
 - (b) the adverse economic, social and cultural effects on communities (whether on a community as a whole or a group within a community); and
 - (c) the adverse effects on a person's health; and
 - (d) alcohol abuse or misuse; and
 - (e) domestic violence or anti social behaviour, including causing personal injury and property damage.
- (2) The intention of this code of practice is to commit licensees to:
 - (a) make an assessment of the risk of their operational practices;
 - (b) not undertake operational practices involving unacceptable risk;
 - (c) consider and implement measures to manage high risk operational practices; and
 - (d) maintain standards of operational practice that, as a matter of course, address medium and low risk operations.

4. Interpretation

Unless the contrary intention appears, expressions defined in the *Liquor Licensing Act 1997* have the same meanings in this code of practice.

metal detector means a system or device that gives a signal when it comes into close proximity with metal.

polycarbonate glassware means thermoplastic glassware that is characterised by high-impact strength, flexibility and shatter resistance.

tempered glassware means safety glassware that has been processed to increase its strength compared with normal glass which when broken, crumbles into small granular chunks instead of splintering.

5. Mandatory nature of the code

- (1) Under section 42 of the *Liquor Licensing Act 1997*, it is a condition of every licence that the licensee must comply with the Liquor and Gambling Commissioner's codes of practice.
- (2) This code of practice is in addition to, and does not derogate from, licence conditions imposed by the licensing authority.
- (3) For the purposes of section 45 of the *Liquor Licensing Act 1997*-
 - (a) If the letter "A", "B", "C" or "D" appears in column B of the table in Schedule 1 next to the listing of a provision, contravention or failure to comply with the provision is declared to be an offence in the category corresponding to that letter;
 - (b) If the letter "A", "B", "C" or "D" appears in column C of the table in Schedule 1 next to the listing of a provision, contravention or failure to comply with the provision is declared to be an expiable offence in the category corresponding to that letter.

6. Application of this code of practice under section 11A(3) of the Liquor Licensing Act 1997

- (1) This code of practice does not apply to a holder of the following (in respect of that licence):
 - (a) a liquor production and sales licence that does not authorise the sale or supply of liquor for consumption on licensed premises;
 - (b) a residential licence;
 - (c) a packaged liquor sales licence that only authorises the licensee to sell liquor through direct sales transactions;
 - (d) a short term licence unless this clause is applied in relation to a licence by a licence condition imposed by the licensing authority, taking into account the nature and extent of the operations conducted under the licence;
 - (e) an interstate direct sales licence.
- (2) In addition to clause 6(1), the Liquor and Gambling Commissioner may exempt the licensee from a specified provision of this code of practice.
- (3) The Liquor and Gambling Commissioner may vary or revoke an exemption from a specified provision of the code on the Commissioner's own initiative or on application of the licensee.
- (4) In addition to clause 6(1), this code of practice does not apply in relation to the sale or supply of liquor to a resident for consumption on licensed premises.

Part 2 - Required training and practices

7. Drink marshal

- (1) **Between 2.01 am and 7.00 am on every Saturday, Sunday and public holiday at all times while open for trade**, the licensee must ensure that at any given time, at least one person who is approved as a Responsible Person under the *Liquor Licensing Act 1997* is performing the duties of a drink marshal.
- (2) The duties of a drink marshal are to monitor compliance with section 108 of the *Liquor Licensing Act 1997* and the Liquor Licensing General Code of Practice and, in particular, to monitor the behaviour and alcohol consumption of patrons to reduce the likelihood of incidents of intoxication and/or disorderly, offensive, abusive or violent behaviour on licensed premises.
- (3) The drink marshal must patrol the whole of the licensed premises accessible to and occupied by patrons, and must alert bar and serving staff to any concerning behaviour that is taking place by patrons on the licensed premises.
- (4) If the drink marshal suspects that a person is intoxicated or observes someone behaving in a disorderly, offensive, abusive or violent manner, the drink marshal may exercise the powers that they have under the *Liquor Licensing Act 1997* as a Responsible Person or they must immediately report this to the licensee or manager/supervisor on duty for appropriate action to be taken.
