PUBLIC CORPORATIONS ACT 1993

PURSUANT TO SECTION 6

*Direction to the South Australian Water Corporation***Background:**

1. Pursuant to section 6 of the *Public Corporations Act 1993*, and sections 6 and 7(2)(f) of the *South Australian Water Corporation Act 1994*, the South Australian Water Corporation (SA Water) is subject to control and direction by its Minister, and has the functions conferred on it by its Minister.
2. The *South Australian Water Corporation Act 1994* is committed to the Minister for Climate, Environment and Water (the Minister) as per Gazettal notice dated 22 March 2018, p. 1256 (formerly the Minister for Environment and Water – title altered as per Gazettal notice dated 24 March 2022, p. 901).
3. Pursuant to section 32 of the *Water Industry Act 2012* (SA), Cape Jaffa Anchorage Essential Services (CJAES) has previously written to the Essential Services Commission of South Australia to surrender its retail licence for the provision of sewerage and non-drinking water services to residential and non-residential customers, with an effective surrender date of 31 October 2022.
4. The Minister previously considered it appropriate to direct SA Water to temporarily take over the existing operations of Cape Jaffa Anchorage Essential Services (CJAES) and seek to investigate potential longer-term arrangements for non-drinking water and sewerage services with CJAES and its customers.
5. The Minister now considers that a new direction is appropriate to extend the timeframe for SA Water's temporary take over of existing operations at Cape Jaffa, to allow more time for longer-term arrangements for non-drinking water and sewerage services to be investigated.

Direction:

6. I, Susan Close, Minister for Climate, Environment and Water, direct SA Water under section 6 of the *Public Corporations Act 1993* to:
 - i. use its best endeavours to obtain the agreement of Cape Jaffa Anchorage Essential Services (CJAES) to continue its temporary take over of the operation of non-drinking water and sewerage services at Cape Jaffa, to ensure continued operation to customers of CJAES as at 31 October 2022 – until 30 June 2024.
 - ii. once the above agreement has been obtained, take over the operation of non-drinking water and sewerage services to ensure continued operation to customers of CJAES as at 31 October 2022 – until 30 June 2024.
 - iii. support further investigations by the Department for the Environment and Water into longer-term arrangements for non-drinking water and sewerage at Cape Jaffa.
7. For the avoidance of doubt and to the extent of any inconsistency, this direction overrides any other previous direction to SA Water under section 6 of the *Public Corporations Act 1993* – with respect to customers of CJAES as at 31 October 2022.
8. This direction may be revoked at any time.
