 - (g) Impose a condition on offers of employment in roles which are likely to require access to ITAR-controlled items that the person must, pursuant to applicable controls, be authorised to access that material, whether pursuant to an individual approval obtained from the United States' Department of State or Commonwealth of Australia or otherwise.
 - (h) Reject applications for positions requiring access to the ITAR-controlled items based on the job applicant's citizenship, and taking into account a person's citizenship in determining who should be offered employment or contract work requiring access to ITAR-controlled items.
 - (i) Transfer employees and contractors from positions with access to ITAR-controlled items to positions without access to ITAR-controlled items, based on their citizenship.
 - (j) Request current and future employees to notify Jet Aviation of changes to their citizenship information.

2. The exemption is granted for a period of three years commencing from 19 March 2024.
3. The exemption is subject to the following conditions.
 - 3.1 It will apply only to conduct by the Applicant where that conduct is necessary to enable it to enter into and/or perform contractual undertakings required to access ITAR defence articles and/or technical data.
 - 3.2 The Applicant undertakes to apply and enforce the following measures:
 - (a) Take all steps reasonably available to avoid the necessity of engaging in conduct, that would otherwise be in breach of the *Equal Opportunity Act 1984*;
 - (b) Where, in the exercise of the exemption, any employee or contract worker is to move from any project involving access to ITAR, defence articles, or technical data to any other work, the applicant will explain to the person why they have been transferred and will take all reasonable steps to avoid or limit harm or loss to that person;
 - (c) All information relating to nationality, country of birth and current, and past citizenship and access to ITAR control defence articles shall be restricted to technology control officers, export control officers, security officers, legal officers, and human resources officers of the applicant on a “need to know” basis; and
 - (d) The Applicant’s employment policies will be amended as soon as reasonably possible, to refer to the terms of the exemption, including all conditions, attaching to it, and to make it clear that purpose of the request for information regarding nationality, country of birth and current and past citizenship is made, solely for the purposes of compliance with United States laws.
4. The Applicant will report to the Commissioner for Equal Opportunity on an annual basis on the following matters:
