*Notice Fixing Charges for Dependants of Subclass 482 Visa Holders*

Pursuant to Section 130(1)(c) of the *Education and Children's Services Act 2019*, I, Chief Executive of the Department for Education fix the following charges payable in respect of a dependant of a person who is the subject of a *temporary skill shortage visa* (subclass 482) or skills in demand visa (subclass 482) issued under the *Migration Act 1958* of the Commonwealth for education in a Government school (also referred to as the 'Temporary Residents 482 Visa student contribution fee per school year'). These charges have effect from 1 January 2026:

1. Charges for each dependant of a subclass 482 visa holder per full school year (40 weeks):

(a) for primary education.....\$6,700

(b) for secondary education .....\$7,900

subject to any applicable fee reductions, pro rata adjustments for enrolment for part of a school year in which the charge applies or exemptions.

2. Where more than one dependant of a primary subclass 482 visa holder is subject to a charge under this notice, the full amount of the charge payable under paragraph 1 will apply to the eldest of those dependants. The second and third dependants will be subject to the full charge that would otherwise be payable under paragraph 1 less 10%. Where four or more dependants of a primary subclass 482 visa holder would otherwise be subject to a charge under this notice, a charge payable will apply to the three youngest dependants only.

3. The charge otherwise payable under paragraphs 1 and 2 above will, if the family income is below the upper threshold, be reduced as follows:

Where the *family income* (rounded down to the nearest \$1,000) is more than \$75,000, but less than the *upper threshold* rounded down to the nearest \$1,000, the charge payable is a proportion of the charge indicated in paragraph 1, calculated according to the following formula:

$$\frac{A - \$75,000}{\$26,000 + ((B-1) \times \$19,000)}$$

Where A = *family income* rounded down to the nearest \$1,000; and

B = the number of dependants of the primary subclass 482 visa holder, to a maximum of three students, enrolled in Government schools.

4. Where the family income (rounded down to the nearest \$1,000) is \$75,000 or less, no tuition charge will be payable by any dependants of the primary subclass 482 visa holder under this notice.
5. If a dependant student is enrolled at a Government school for part of a school year, the charge payable is a proportion of the charge calculated in accordance with paragraphs 1, 2 and 3 being the proportion that the number of school weeks for the whole or part of which the student is enrolled bears to 40.
6. For the purposes of this notice:

***family income***, in relation to a primary subclass 482 visa holder, means the estimated combined gross income of the primary visa holder and their spouse or partner for a 12 month period commencing on:

- (a) 1 January of the school year for which the charge is payable;
- (b) the date on which the dependant student to whom a charge under this clause relates first commences at a Government school; or

whichever is the later.

***gross income*** includes any salary sacrifice and overtime payments.

***upper threshold*** for the purposes of family income is:

- (a) in the case where there is 1 dependant student at a Government school—\$101,000; or
- (b) in the case where there are 2 dependant students at a Government school—\$120,000; or

## THE REMUNERATION TRIBUNAL

REPORT NO. 6 OF 2025

*Overseas Accommodation and Daily Allowance**International Association for Court Administration Conference—Chief Justice Kourakis***INTRODUCTION**

1. On 6 August 2025, the Remuneration Tribunal (**Tribunal**) received an application and submission on behalf of the Honourable Chris Kourakis, Chief Justice of the Supreme Court of South Australia (**the Chief Justice**).
2. The Chief Justice has requested the Tribunal make a Determination setting an overseas accommodation and daily allowance for his attendance at the International Association for Court Administration Conference in Dubai, United Arab Emirates from 17 to 19 November 2025.
3. This specific Determination has been sought, as the Tribunal's existing Determination for the payment of accommodation and meal allowances does not cover international travel. In recent years, the Tribunal's practice has been to instead make specific Determinations for international travel.
4. As explained in this report, the Tribunal has made a determination allowing the Chief Justice to be paid a reasonable daily allowance for meals and incidentals, as well as to be reimbursed for reasonable accommodation expenses.

**THE REVIEW PROCESS**

5. On 8 August 2025, in accordance with Sections 10(2) and 10(4) of the *Remuneration Act 1990 (SA) (Act)*, the Tribunal wrote to and invited submissions by 12 September 2025 in respect of this review from:
  - 5.1. the Honourable Premier of South Australia, as the Minister responsible for the Act who may make submissions or introduce evidence in the public interest.
  - 5.2. the Judicial Remuneration Coordinating Committee (**JRCC**).
6. The Tribunal also placed a notice on its website from 8 August 2025 inviting submissions from affected persons by 12 September 2025.
7. On 11 August 2025, the Premier's representative confirmed that the Premier did not intend to provide any submissions in respect of the applications.
8. On 12 August 2025, the JRCC confirmed that it supports the application.
9. No other submissions were received.

**CONSIDERATION AND CONCLUSION**

10. The application can be summarised as follows:
  - The Chief Justice will be attending the International Association for Court Administration Conference in Dubai, United Arab Emirates.
  - The conference is held over 4 days from 16 to 19 November 2025, however the Chief Justice has requested an appropriate daily allowance for 2 days of the conference from 17 to 18 November 2025.
  - Consistent with the Commonwealth Remuneration Tribunal (Official Travel) Determination, the Chief Justice wishes to claim an appropriate daily allowance for meals and incidentals (for 2 conference days) and reimbursement for accommodation at a reasonable cost at a hotel near the conference.
  - The Chief Justice has directed the Tribunal to the conference program.
11. The Tribunal recognises the necessity for judicial officers to travel internationally in the course of their official duties, noting that such travel has been infrequent. Consistent with past practice, the Tribunal has handled this application individually instead of determining a standing arrangement for overseas travel.
12. Having regard to the application and submission in response, the Tribunal has determined to approve the application on the terms set out in the accompanying Determination.
13. In determining the relevant allowance and entitlement to accommodation for this trip, the Tribunal has followed the same approach as the *Commonwealth Remuneration Tribunal (Official Travel) Determination 2025*. The Tribunal notes that the Chief Justice has only claimed a daily allowance for conference days, which is consistent with the Tribunal's previous observations that a daily allowance is not appropriate for days a judicial officer is travelling and has access to airport lounges or is provided with meals as part of a long-haul flight.
14. Accordingly, a daily allowance of \$475 (for meals and incidentals in the United Arab Emirates) has been determined using tables 7 and 8 in the most recent Australian Taxation Office Determination (TD 2025/4) concerning reasonable amounts for overseas travel expenses on meals and incidentals.
15. Consistent with the approach in the *Commonwealth Remuneration Tribunal (Official Travel) Determination 2025*, the Tribunal has also determined to approve the Chief Justice being reimbursed for accommodation directly associated with his attendance at the conference, provided the reimbursement does not exceed the costs of accommodation of a standard reasonably equivalent to that provided to the Chief Justice in Australia for official duties.

**OPERATIVE DATE**

16. The accompanying Determination will operate from 6 August 2025, being the date the application was received.

## THE REMUNERATION TRIBUNAL

REPORT NO. 7 OF 2025

*2025 Review of Remuneration for Official Visitors of Correctional Institutions***INTRODUCTION**

1. The Remuneration Tribunal (**Tribunal**) has conducted a review of Determination 2 of 2024 which sets remuneration (including travel allowances and reimbursements) for Official Visitors of correctional institutions of South Australia appointed under the *Correctional Services Act 1982* (SA).
2. As explained in this report, the Tribunal has decided to increase the hourly rate by 3% (before applying the additional amounts to account for the lack of superannuation and workers compensation). A further increase has also been made to reflect the increase in superannuation from 11.5% to 12%. Increases to applicable allowances have also been made to generally reflect cost of living adjustments. The Tribunal has issued an accompanying determination, which applies from 1 October 2025.

**BACKGROUND**

3. Section 14 of the *Remuneration Act 1990* (SA) (**Act**) provides that the Tribunal has jurisdiction to determine the remuneration, or a specified part of the remuneration, payable in respect of certain offices, if such jurisdiction is conferred upon the Tribunal by any other Act or by the Governor by proclamation.
4. Section 20B of the *Correctional Services Act 1982* (SA) (**CS Act**) confers jurisdiction on the Tribunal to make determinations of remuneration, allowances and expenses for Official Visitors of correctional institutions (**Official Visitors**).
5. In 2021, the Tribunal made its inaugural Determination, by setting a half-day rate (\$258) and a full-day rate (\$483) with the operative date set as the commencement date of Section 9 of the Correctional Services (Accountability and Other Measures) Amendment Act 2021 (SA). That Act came into operation on 19 January 2022.
6. In 2022, the Tribunal decided to defer any consideration of an increase to Official Visitors remuneration until 2023, as this would enable appropriate wage movements to be more accurately assessed.
7. There were extensive delays to the 2023 review for reasons outside of the Tribunal's control.
8. In 2024, the Tribunal determined that the half and full-day rates would be abolished, with a new hourly rate implemented with reference to the wage rate for the LEC4 Legal Officer function in the South Australian Public Sector.
9. The Tribunal also considered superannuation and workers compensation, as the Tribunal was informed that normal superannuation and workers compensation arrangements did not apply to Official Visitors.

**THE REVIEW PROCESS**

10. By letters dated 14 July 2025, in accordance with Section 10(2) and 10(4) of the Act, the Tribunal wrote to and invited submissions by 4 August 2025 in respect of this review from:
  - (a) Official Visitors of Correctional Institutions.
  - (b) The Honourable Premier of South Australia—as the Minister responsible for the Act who may make submissions or introduce evidence in the public interest.
  - (c) The Minister for Emergency Services and Correctional Services.
  - (d) The Department for Correctional Services.
11. The Tribunal also placed a notice on its website from 18 July 2025 inviting submissions from affected persons by 4 August 2025.
12. On 15 July 2025, the Premier's representative confirmed that the Premier did not intend on making a submission in relation to the review.
13. On 27 August 2025 the Minister for Emergency Services and Correctional Services also confirmed that no submission would be made.
14. No other submissions were received.

**CONSIDERATION AND CONCLUSION***Remuneration*

15. No position advocating a change to the Tribunal's 2024 link between the remuneration for an Official Visitor and the LEC4 Legal Officer function in the South Australian Public Sector has been put to the Tribunal. On the information available to it, the Tribunal remains satisfied that the LEC4 Legal Officer rate is an appropriate classification on which to base the Official Visitor rate.
16. The LEC4 Legal Officer rate is currently set under the *South Australian Public Sector Enterprise Agreement: Salaried 2021*. That agreement has nominally expired (with the final salary increase applying from 1 August 2024), and the agreement is in the process of being renegotiated through enterprise bargaining. The Tribunal has been advised that a conclusion date for this bargaining process is not currently known.
17. Accordingly, the Tribunal has, until now, deferred consideration of a 2025 increase for the Official Visitors pending finalisation of that bargaining process. As a date for the conclusion of the bargaining process remains unclear, the Tribunal has concluded that it is appropriate that a 3% increase be applied to the Official Visitor rate on the basis that the Tribunal will review the quantum of that increase in 2026, depending on the amount finally determined for the LEC4 Legal Officer classification. This 3% increase has been applied to the hourly rate exclusive of the additional amounts which account for the lack of superannuation and workers compensation (as that is the raw figure derived directly from the current LEC4 rate). The Tribunal intends to re-establish the relativity to the LEC4 classification in 2026.
18. If the increase ultimately agreed for the LEC4 classification is significantly higher than 3%, and a request is made to the Tribunal to review this position in advance of the normal annual review, this will be considered.
19. The hourly rate for Official Visitors includes recognition of compulsory superannuation payments generally available to employees. This is because the Government has advised that it does not recognise superannuation payment requirements for the Official Visitors. Since the 2024 Determination, the compulsory employer superannuation contribution has increased from 11.5% to 12%. The Tribunal considers that 0.5% increase should also be reflected in the Official Visitors' hourly rate.
20. Consistent with its previous position, the Tribunal anticipates that, if the Government determined to pay superannuation in the future, a corresponding adjustment to this hourly rate will be made.
21. In Report 2 of 2024 the Tribunal also noted that the hourly rate recognised that workers compensation coverage for Official Visitors does not apply. Consistent with that 2024 position, the Tribunal has retained a loading to reflect that position.

*Allowances and Expenses*

22. In Report 2 of 2024 the Tribunal adjusted the Official Visitors' allowances by the following to reflect the increase in the cost of living:
  - (a) Meal allowances were increased to the rates provided by the Australian Taxation Office Determination on reasonable meal expenses in force at the time.
  - (b) The incidentals allowance and accommodation allowances were increased by Adelaide's CPI (percentage change from corresponding quarter to June 2024).
23. The motor vehicle allowance remained unchanged.
24. Consistent with its previous determinations, the Tribunal has adjusted the allowances applicable to Official Visitors to reflect cost of living increases. Accordingly, allowances have been adjusted as follows:
  - (a) Meal allowances are increased to the rate reflected in the Australian Taxation Determination (TD2025/4) concerning reasonable meal expenses.
  - (b) The incidentals allowance and accommodation allowances are increased by Adelaide's CPI (percentage change from corresponding quarter to June 2025).
25. In further recognition of the cost of living increases, the Tribunal has determined to raise the motor vehicle allowance by changing the reference point for the motor vehicle allowance. The allowance will now reflect the rates provided in the *South Australian Public Sector Employees Interim Award (SAPSE Interim Award)*. The Tribunal is of the view that the rates provided in the SAPSE Interim Award are now better reflections of the real costs incurred by Official Visitors when using their private vehicles for Official Visitor work.
26. The Tribunal has made minor modifications in the Determination to clarify the application of meal allowances and the incidentals allowance. The modifications do not change the eligibility of Official Visitors to receive these allowances.
27. The Determination giving effect to this Report will come into effect on 1 October 2025.
