## FISHERIES MANAGEMENT ACT 2007

### SECTION 79

#### *Temporary Closure—Commercial Marine Scalefish and Blue Crab in Waters of Gulf St Vincent*

Pursuant to Section 79 of the *Fisheries Management Act 2007*, I, Hon Clare Scriven MLC, the Minister for Primary Industries and Regional Development, hereby declare that it shall be unlawful for the holder of a Marine Scalefish Fishery, Blue Crab Fishery and Northern Zone Rock Lobster Fishery licence to engage in the act of, or an act preparatory to or otherwise involved in, the fishing activities specified in Schedule 1, or to have possession or control of aquatic resources within the area described in Schedule 2 during the period specified in Schedule 3.

#### SCHEDULE 1

- The taking of aquatic resources prescribed in Schedule 1 of the *Fisheries Management (Marine Scalefish Fishery) Regulations 2017* within the following waters:
  - Gulf St. Vincent and Kangaroo Island Fishing Zone and the Port Adelaide River Estuary.

#### SCHEDULE 2

- The possession of aquatic resources prescribed in Schedule 1 of the *Fisheries Management (Marine Scalefish Fishery) Regulations 2017* within the waters of the Gulf St. Vincent and Kangaroo Island Fishing Zone and the Port Adelaide River estuary, unless in transit through the zone with aquatic species lawfully taken in other waters in the following circumstances:
  - the vessel travels to the intended place of landing without engaging in any fishing activity; and
  - prior to entering the zone, the licence holder or register master reports to the Department, by using the Commercial Fishing SA app or by calling Fishwatch 1800 065 522 the following information:
    - the name of the person submitting the report;
    - the contact number of the person submitting the report;
    - the licence number and name of the holder of the licence, or the registered master operating the vessel;
    - the species on board and estimated weight;
    - the zone fish were taken from; and
    - the estimated date, time and place of landing.

#### SCHEDULE 3

From 1 November 2025 to 30 June 2026 unless varied or revoked earlier.

For the purpose of this notice:

**Gulf St. Vincent and Kangaroo Island Fishing Zone** means the waters of Gulf St. Vincent and surrounding waters contained within and bounded by a line commencing at Mean High Water Springs closest to 34°59'59.95" South, 136°58'07.73" East (Gleasons Landing, Yorke Peninsula), then beginning southerly following the line of Mean High Water Springs to the location closest to 35°38'26.13" South, 138°07'28.73" East (southern Fleurieu Peninsula), then southerly to Mean High Water Springs closest to 35°48'07.14" South, 138°07'28.73" East (Cape St. Albans, Kangaroo Island), then beginning south-westerly following the line of Mean High Water Springs to the location closest to 35°59'59.95" South, 136°41'04.52" East (south-western Kangaroo Island), then westerly to 35°59'59.95" South, 136°00'00.03" East, then northerly to 35°29'59.95" South, 136°00'00.03" East, then easterly to 35°29'59.95" South, 136°40'12.03" East, then northerly to 34°59'59.95" South, 136°40'12.03" East, then easterly to the point of commencement.
