- TEAS vouchers subsidise 100% of the fare up to a limit of \$40.

5. Determine—Conditions of Use for all SATSS Members (including JTWS and TEAS Members)

Pursuant to Regulation 157 of the Regulations, I, the Hon Anastasios Koutsantonis MP, Minister for Infrastructure and Transport, in the State of South Australia, hereby DETERMINE that the following are the SATSS Conditions of Use for all SATSS Members (including JTWS and TEAS Members):

- 5.1 Permanent residents of South Australia who have severe and permanent disabilities which limit their capacity to use public transport, can apply for transport assistance, by way of membership to SATSS.
- 5.2 Eligibility for membership of SATSS is determined after an assessment of the applicant's permanent disability and the way this affects their ability to use public transport, namely public transport service by bus, train or tram. As such, functional assessment, not diagnosis or type of condition, is the basis for eligibility.
- 5.3 A temporary SATSS membership is available to those who may be undergoing rehabilitation or whose condition may improve through surgery and is subject to review (e.g. as a result of an accident or stroke).
- 5.4 A member is not eligible for more than one book of SATSS vouchers or 80 trips in less than six (6) months.
- 5.5 SATSS vouchers are not transferrable and can only be used by the member named on the voucher.
- 5.6 A member must not provide a SATSS voucher or SATSS Member ID Card to another person for their use or for any other personal advantage.
- 5.7 A person who is not a member of SATSS or any other approved subsidy scheme must not use a SATSS voucher or SATSS Member ID Card as part payment of a fare or other personal advantage.
- 5.8 A member must not endorse or enter incorrect information on the SATSS voucher or application.
- 5.9 A member must not act in a dishonest or dishonourable manner in the use of SATSS vouchers or when using their SATSS Member ID Card.
- 5.10 If the SATSS Manager or an Authorised Officer is satisfied that a member has breached any of the Conditions of Use, limitations may be placed upon the member's use of SATSS vouchers or SATSS Member ID card, or their membership of SATSS may be suspended or cancelled.
- 5.11 The member must be a passenger in the taxi or certain car hire service for the entire journey. The journey is deemed to have ended when the SATSS Member ID Card is scanned and/or the member leaves the taxi or certain car hire service.
- 5.12 Depending on the total metered fare, a SATSS member is able to use multiple SATSS vouchers or trips (up to a maximum of three (3) per journey).
- 5.13 A member must pay their calculated portion of the fare by cash, card or other approved payment method.
- 5.14 A member must not give a driver an IOU or extra vouchers in lieu of payment.
- 5.15 When using a SATSS Voucher, a SATSS Photographic Identification card must be carried at all times when travelling in a taxi or certain car hire service and must be presented when requested by the driver. A member will not be able to use a SATSS voucher if they cannot produce their SATSS Photographic Identification Card when requested.
- 5.16 If a SATSS Member has been issued a SATSS Member ID card, this must be carried at all times when travelling in a taxi or certain hire car service and must be presented for scanning at the start and end of a journey. A SATSS member will not be able to receive a subsidised taxi fare if they cannot produce their SATSS Member ID card for scanning.
- 5.17 The SATSS Member Identification Card can only be used by the member named and pictured on the SATSS Member Identification Card.
- 5.18 A member must complete the information on the SATSS voucher related to the trip unless they have a reasonable explanation for not doing so (e.g. due to disability). Information must include the date of the trip, the state of travel (eg SA), the suburbs (from and to), and the start and finish time of the trip, prior to handing the voucher to the driver as payment for the journey. Once the driver has inserted the booking details, including their taxi and driver ID numbers and fare details, the member must verify these details and then sign the SATSS voucher (unless the SATSS voucher specifies otherwise). If any changes are made to the SATSS voucher details, they must be initialled by the member or the person making the changes.
- 5.19 When calculating the legal fare and therefore the portion payable by the member and the portion subsidised by SATSS by means of a SATSS voucher or scanning a SATSS Member ID Card, the following must not be considered as part of the subsidy:
 - (a) Adding the point to point transport service transaction levy (with the levy amount set out in the Regulations) to the total metered fare amount. Please note: The point to point transport service transaction levy is already included on the meter and is fully subsidised by the Department for Infrastructure and Transport.
 - (b) Waiting time which is initiated by the member beyond five minutes.
 - (c) Any discount on the fare given by the driver.
 - (d) Any tip given to the driver by the passenger.
 - (e) Please Note: The Adelaide Airport charge under Schedule 2 of the Regulations forms part of the legal fare and can be included as part of the legal fare for payment by SATSS vouchers.

- 5.21 A set or negotiated fare (that differs from the approved fare) cannot be used as the fare on the SATSS voucher or on the SATSS application unless approval has been given by the SATSS Manager or an officer authorised by the SATSS Manager.

- 5.22 Tariff 3 and Tariff 4 (which apply to five (5) or more passengers in a taxi) must not be applied for any trip using a SATSS voucher or trip. This means that SATSS vouchers or trips can only be used if there are less than five (5) passengers in the taxi.
- 5.23 A member must provide an updated application for review of membership, including level of subsidy, when requested by the SATSS Manager or an Authorised Officer.
- 5.24 If a membership is cancelled for any reason or subsidy level reduced following a review, a member must return any unused SATSS vouchers to the SATSS Manager at (GPO Box 2830, Adelaide SA 5001) within 14 days and must not use any further SATSS vouchers.
- 5.25 A member must advise the SATSS Manager of a potential conflict of interest with a taxi driver who is transporting them. A potential conflict is described as where the member has a relationship with the driver outside of the request for travel (e.g. family member or friend).
- 5.26 Should a SATSS book, SATSS vouchers, SATSS Photographic Identification Card or SATSS Member ID Card be lost or stolen, members must immediately report the loss or theft to SATSS Customer Services on 1300 360 840.
- 5.27 If a SATSS book, SATSS vouchers or SATSS Member ID Card that has been reported as lost or stolen are found, the member must immediately notify SATSS Customer Services on 1300 360 840 and not use the SATSS vouchers or SATSS Member ID Card as they will have been cancelled.

- 6.6 A driver must not accept a SATSS voucher or trip or other approved subsidy voucher if the driver believes that the person presenting the voucher or SATSS Member ID Card is not entitled to use it.
- 6.7 A SATSS member may choose to use multiple vouchers or trips (maximum of three) to subsidise a high-fared journey. For fares under \$41, one voucher or trip may be used. Fares between \$41-\$81 (inclusive) up to two vouchers or trips may be used. Three vouchers or trips may be used to subsidise fares above \$81. Drivers must not select or demand multiple vouchers or trips to subsidise a journey if a SATSS member does not choose to do so.
- 6.8 A driver must not accept a SATSS voucher for any other purpose except for the part payment of a legal fare.
- 6.9 The member must be a passenger in the taxi or certain car hire service for the entire journey. The journey is deemed to have ended when the member leaves the taxi or certain car hire service. A driver must not accept a voucher or scan the SATSS Member ID Card for a journey where the member has not been a passenger for the entire journey. A driver must not charge extra for relatives, friends or carers who accompany the member.

 - (f) Adding the point to point transport service transaction levy (with the levy amount set out in the Regulations) to the total metered fare amount. Please note: The point to point transport service transaction levy is already included on the meter and is fully subsidised by the Department for Infrastructure and Transport.
 - (a) Waiting time which is initiated by the member beyond five minutes.
 - (b) Any discount on the fare given by the driver.
 - (c) Any tip given to the driver by the passenger.
 - (d) Please Note: The Adelaide Airport charge forms part of the legal fare and can be included as part of the legal fare for payment by SATSS vouchers.

No charge for further service at the destination (including the time taken for a driver assisting the user of a wheelchair, scooter or other large (ride on) mobility aide to leave the vehicle) is to be added to the legal fare on the SATSS Application or SATSS voucher.
- 6.19 It is a requirement for the member to fill in the destinations, start and finish time on the SATSS voucher prior to giving to the driver unless they are unable to do so. The driver must ensure all details are recorded on the SATSS voucher prior to asking the member to sign it (unless the SATSS voucher states otherwise).
- 6.20 Any SATSS voucher which has a change of date must be submitted with proof of the journey.
