And if within five clear days next after the making of such seizure (unless the defendant consents in writing to an earlier sale) the amount in respect of which this warrant was issued (together with any costs associated with the execution of this warrant) is not paid in full, or unless notice has been received to stay sale of the land pending a determination of the court as to its ownership, you are to sell the land and pay the proceeds of that sale to the officer of the court who issued this warrant. If no such land can be seized you are to certify accordingly to that officer.
