## FISHERIES ACT 1982: SECTION 59

TAKE notice that pursuant to section 59 of the Fisheries Act 1982, Lawrence J. Vahlberg, holder of Northern Zone Rock Lobster Fishery Licence No. N093, c/o P.O. Box 200, Port Lincoln, S.A. 5606 (the 'exemption holder') is exempt from the provisions of the Fisheries (Vessel Monitoring Scheme) Regulations 2003, subject to the conditions specified in Schedule 1 of this notice, but only insofar as the exemption holder shall not be guilty of an offence when fishing for marine scalefish species whilst not having a Vessel Monitoring System unit fitted (the 'exempted activity'), from 30 October 2003 until 29 February 2004, unless varied or revoked earlier.

## SCHEDULE 1

1. The exemption holder may only engage in the exempted activity when fishing pursuant to Northern Zone Rock Lobster Fishery Licence No. N093.

2. The exemption holder may only undertake fishing activity pursuant to this notice using fishing gear endorsed on Northern Zone Rock Lobster Fishery Licence No. N093, excluding rock lobster pots.

3. The exemption holder must not fish for rock lobster using rock lobster pots unless a Vessel Monitoring System unit is fitted to a vessel that is registered on Northern Zone Rock Lobster Fishery Licence No. N093.

4. The exemption holder must not have any rock lobster on board the registered vessel endorsed on Northern Zone Rock Lobster Fishery Licence No. N093, at any time during the duration of this exemption notice.

5. The exemption holder must not undertake any fishing activity pursuant to this notice, unless a minimum of 25 rock lobster pots and 400 units of rock lobster quota are endorsed on Northern Zone Rock Lobster Fishery Licence No. N093.

6. The exemption holder must advise the PIRSA Fishwatch Duty Officer on 1800 065 522 of the number and location of all rock lobster pots owned by the licence holder prior to midday on 1 November 2003.

7. One hour before landing any fish taken pursuant to this notice, the exemption holder must advise the PIRSA Fishwatch Duty Officer on 1800 065 522 of the location where the fish are to be landed.

8. Whilst engaged in the exempted activity the exemption holder must have in his possession a copy of this notice and produce a copy of the notice if required by a PIRSA Fisheries Compliance Officer.

9. The exemption holder must not contravene or fail to comply with the Fisheries Act 1982, or any regulations made under the Act, except where specifically exempted by this notice.

Dated 29 October 2003.

W. ZACHARIN, Director of Fisheries

ROADS (OPENING AND CLOSING) ACT 1991:  
SECTION 37*Issue of Certificate of Title*

NOTICE is hereby given pursuant to section 37 (1) of the Roads (Opening and Closing) Act 1991 that:

Whereas it is considered that GEORGE DUNN of McHarg Creek was entitled to a Certificate of Title over the closed road 'G', 'H' and 'I' in exchange for portions of section 3265, Hundred of Kondoparinga, opened as road and marked '10', '11', '12' and '13' in Road Plan No. 2604, deposited in the Office of the Surveyor-General at Adelaide *vide* notice of confirmation of road order published in the *Government Gazette* of 22 April 1869 at page 566:

And whereas no Certificate of Title was issued in respect of the said closed road and the said GEORGE DUNN is believed to be dead or unknown:

And whereas application is made by BEVAN JAMES WILKINSON, 64A Monmouth Road, Westbourne Park, S.A. 5041 for the issue of a Certificate of Title over the said closed road by virtue of possession:

And whereas I am satisfied that the applicant is in possession of the said closed road and that there is apparently no other known person entitled to possession thereof:

Take notice that unless objection by any person claiming any interest in the said land is made in writing to me within one month from the date of this notice, I propose to issue a Certificate of Title for the said land to the said applicant.

Objections should be addressed to the Surveyor-General, Department for Administrative and Information Services, G.P.O. Box 1354, Adelaide, S.A. 5001.

Dated 30 October 2003.

P. M. KENTISH, Surveyor-General

## Part 1—Preliminary

### 1—Short title

These regulations may be cited as the *Public Corporations (2007 World Police and Fire Games Corporation) Regulations 2003*.

### 2—Commencement

These regulations will come into operation on the day on which they are made.

### 3—Interpretation

In these regulations, unless the contrary intention appears—

*Act* means the *Public Corporations Act 1993*;

*board* means the board of directors established as the governing body of the subsidiary under Part 3;

*director* means a person appointed or holding office as a member of the board under Part 3;

*Minister* means the Minister for Tourism;

*the subsidiary* means the 2007 World Police and Fire Games Corporation established under Part 3.

## Part 2—Application of Act to Minister

### 4—Application of Act to Minister

The following provisions of the Act apply to the Minister:

- (a) Part 1 (*Preliminary*);
- (b) section 24 (*Formation of subsidiary by regulation*);
- (c) section 25 (*Dissolution of subsidiary established by regulation*);
- (d) the Schedule (*Provisions applicable to subsidiaries*), other than clause 12.

## Part 3—2007 World Police and Fire Games Corporation

### Division 1—Establishment and constitution of subsidiary

#### 5—Establishment of subsidiary (section 24)

- (1) The 2007 World Police and Fire Games Corporation is established as a subsidiary of the Minister.
- (2) The subsidiary—
  - (a) is a body corporate; and
  - (b) has perpetual succession and a common seal; and
  - (c) is capable of suing and being sued in its corporate name.

#### 6—Establishment of board

- (1) A board of directors is established as the governing body of the subsidiary.

- (2) Anything done by the board in the administration of the subsidiary's affairs is binding on the subsidiary.

### **7—Composition of board**

- (1) The board consists of up to 10 members appointed by the Minister.
- (2) One director will be appointed by the Minister to chair meetings of the board.
- (3) The Minister may appoint a director to be the deputy of the director appointed to chair the board and the deputy may perform or exercise the functions and powers of that director in his or her absence.
- (4) On the office of a director becoming vacant, a person may be appointed in accordance with this regulation to the vacant office.
- (5) The Minister may appoint a suitable person to be deputy of a member of the board during any period of absence of the member (and any reference to a director in these regulations will be taken to include, unless the contrary intention appears, a reference to a deputy while acting as a member of the board).

### **8—Conditions of membership**

- (1) A director will be appointed for a term specified in the instrument of appointment and, at the expiration of a term of appointment, will be eligible for reappointment.
- (2) The office of a director becomes vacant if the director—
  - (a) dies; or
  - (b) completes a term of office and is not reappointed; or
  - (c) resigns by written notice to the Minister; or
  - (d) becomes bankrupt or applies to take the benefit of a law for the relief of insolvent debtors; or
  - (e) is convicted of an indictable offence; or
  - (f) is removed from office by the Minister by written notice.

### **9—Vacancies or defects in appointment of directors**

An act of the board is not invalid by reason only of a vacancy in its membership or a defect in the appointment of a director.

### **10—Remuneration**

A director is entitled to be paid from the funds of the subsidiary such remuneration, allowances and expenses as may be determined by the Minister.

### **11—Proceedings**

- (1) A quorum of the board consists of one half the total number of its members (ignoring any fraction resulting from the division) plus one.
- (2) The director appointed to chair the board will preside at meetings of the board at which he or she is present.
- (3) If the director appointed to chair the board is absent from a meeting of the board—
  - (a) if another director has been appointed as that director's deputy and is present at the meeting—the deputy; or

- (b) in any other case—a director chosen by the directors present at the meeting, will preside.
- (4) A decision carried by a majority of the votes cast by directors at a meeting is a decision of the board.
- (5) Each director present at a meeting of the board has 1 vote on a question arising for decision and, if the votes are equal, the director presiding at the meeting may exercise a casting vote.
- (6) A telephone or video conference between directors will, for the purposes of this regulation, be taken to be a meeting of the board at which the participating directors are present if—
- (a) notice of the conference is given to all directors in the manner determined by the board for that purpose; and
  - (b) each participating director is capable of communicating with every other participating director during the conference.
- (7) A proposed resolution of the board becomes a valid decision of the board despite the fact that it is not voted on at a meeting of the board if—
- (a) notice of the proposed resolution is given to all directors in accordance with procedures determined by the board; and
  - (b) a majority of the directors express their concurrence in the proposed resolution by letter, telex, facsimile transmission or other written communication setting out the terms of the resolution.
- (8) The board must cause accurate minutes to be kept of its proceedings.
- (9) A person authorised in writing by the Minister may attend (but not participate in) a meeting of the board and may have access to papers provided to directors for the purpose of the meeting.
- (10) If the board considers that a matter dealt with at a meeting attended by a representative of the Minister should be treated as confidential, the board may advise the Minister of that opinion giving the reason for the opinion and the Minister may, subject to subregulation (11), act on that advice as the Minister thinks fit.
- (11) If the Minister is satisfied on the basis of the board's advice under subregulation (10) that the subsidiary owes a duty of confidence in respect of a matter, the Minister must ensure the observance of that duty in respect of the matter, but this subregulation does not prevent a disclosure as required in the proper performance of ministerial functions or duties.
- (12) Subject to these regulations, the board may determine its own procedures.

## **12—Disclosure**

- (1) Where the subsidiary discloses to the Minister in pursuance of the Act or these regulations a matter in respect of which the subsidiary owes a duty of confidence, the subsidiary must give notice in writing of the disclosure to the person to whom the duty is owed.
- (2) A director of the subsidiary does not commit any breach of duty by reporting a matter relating to the affairs of the subsidiary to the Minister.

## **Division 2—Functions and performance**

### **13—Functions of subsidiary**

- (1) The subsidiary's functions are limited to the following:
  - (a) to plan, organise, promote, host and stage the 2007 World Police and Fire Games (*the Games*) and, in so doing—
    - (i) to develop and implement an organisational plan for the Games; and
    - (ii) to market and promote the Games within the State and nationally and internationally; and
    - (iii) to do (whether within or outside the State) all other things necessary for or incidental or ancillary to, the planning, organisation, promotion, hosting and staging of the Games; and
  - (b) to carry out other functions conferred on the subsidiary by the Minister.
- (2) The subsidiary must obtain the approval of the Minister before it makes a material change to its policy direction or budget.

### **14—Charter**

- (1) The Minister must prepare a charter for the subsidiary.
- (2) The charter must address—
  - (a) the nature and scope of the subsidiary's operations;
  - (b) the subsidiary's obligations to report on its operations;
  - (c) the form and contents of the subsidiary's accounts and financial statements;
  - (d) any accounting, internal auditing or financial systems or practices to be established or observed by the subsidiary;
  - (e) the acquisition or disposal of capital or assets.
- (3) The charter may deal with any other matter not specifically referred to in subregulation (2).
- (4) The charter must be reviewed by the Minister at the end of each financial year.
- (5) The Minister may amend the charter at any time.
- (6) The charter, or an amendment to the charter, comes into force and is binding on the subsidiary on a day specified in the charter or amendment (but without affecting any contractual obligations previously incurred by the subsidiary).
- (7) On the charter or an amendment to the charter coming into force, the Minister must, within 12 sitting days, have copies of the charter, or the charter in its amended form, laid before both Houses of Parliament.

### **15—Performance statement**

- (1) The Minister must, when preparing the charter for the subsidiary, also prepare, after consultation with the subsidiary, a performance statement setting the various performance targets that the subsidiary is to pursue in the coming financial year or other period specified in the statement and dealing with such other matters as the Minister considers appropriate.
- (2) The Minister must, after consultation with the subsidiary, review the performance statement when reviewing the subsidiary's charter.

- (3) The Minister may, after consultation with the subsidiary, amend the performance statement at any time.

## **16—Subsidiary companies**

- (1) The subsidiary must not, without the approval of the Minister—
  - (a) form a subsidiary company; or
  - (b) acquire, or enter into any arrangement under which it will at a future time or would on the happening of some contingency hold, relevant interests in shares in a company such that the company becomes a subsidiary of the subsidiary.
- (2) The Minister may, as a condition of approval under this section, or by direction, require the subsidiary to take steps to include in a subsidiary company's memorandum or articles of association such provisions as the Minister considers appropriate—
  - (a) imposing limitations on the nature or scope of the company's operations; or
  - (b) imposing other controls or practices,consistent with those applicable to the subsidiary.

## **17—Indirect or joint operations by subsidiary**

The subsidiary must not, without the approval of the Minister, establish a trust scheme or a partnership or other scheme or arrangement for sharing of profits or joint venture with another person or undertake any operations or transactions pursuant to such a scheme or arrangement.

## **Division 3—Financial and related matters**

### **18—Internal audit**

The subsidiary must establish and maintain effective internal auditing of its operations.

### **19—Quarterly reports**

The subsidiary must report to the Minister on the subsidiary's financial position on a quarterly basis.

### **20—Loans, etc require approval**

- (1) The subsidiary must not lend or advance to any person any money, securities or property without the prior written approval of the Treasurer.
- (2) The subsidiary must not undertake commercial borrowings without the prior written approval of the Treasurer.

### **21—Provision of information**

- (1) The subsidiary must, at the request in writing of the Minister, furnish the Minister with such information or records in the possession or control of the subsidiary as the Minister may require in such manner and form as the Minister may require.
- (2) If a record in the possession or control of the subsidiary is furnished to the Minister under this regulation, the Minister may make, retain and deal with copies of the record as the Minister thinks fit.

- (3) If the board considers that information or a record furnished under this regulation contains matters that should be treated as confidential, the board may advise the Minister of that opinion giving the reason for the opinion and the Minister may, subject to subregulation (4), act on that advice as the Minister thinks fit.
- (4) If the Minister is satisfied on the basis of the board's advice under subregulation (3) that the subsidiary owes a duty of confidence in respect of a matter, the Minister must ensure the observance of that duty in respect of the matter, but this subregulation does not prevent a disclosure as required in the proper performance of ministerial functions or duties.

## **22—Common seal and execution of documents**

- (1) The common seal of the subsidiary must not be affixed to a document except in pursuance of a decision of the board, and the affixing of the seal must be attested by the signatures of 2 directors.
- (2) The board may, by instrument under the common seal of the subsidiary, authorise a director, an employee of the subsidiary (whether nominated by name or by office or title) or any other person to execute documents on behalf of the subsidiary subject to limitations (if any) specified in the instrument of authority.
- (3) Without limiting subregulation (2), an authority may be given so as to authorise 2 or more persons to execute documents jointly on behalf of the subsidiary.
- (4) A document is duly executed by the subsidiary if—
  - (a) the common seal of the subsidiary is affixed to the document in accordance with this regulation; or
  - (b) the document is signed on behalf of the subsidiary by a person or persons in accordance with authority conferred under this regulation.

## **23—Annual report**

- (1) The subsidiary must, within three months after the end of each financial year, deliver to the Minister a report on the operations of the subsidiary during that financial year.
- (2) The Minister must cause a copy of the report to be laid before both Houses of Parliament within 12 sitting days after receipt of the report.

## **24—Sunset provision**

- (1) The 2007 World Police and Fire Games Corporation established by these regulations will dissolve on 31 December 2007.
- (2) The assets and liabilities of the 2007 World Police and Fire Games Corporation immediately before its dissolution will vest in the Minister.

#### 4—Variation of regulation 4—Interpretation

Regulation 4—after the definition of *liquefied petroleum gas* insert:

*retail contract* means a contract between a gas entity and a customer for the sale and supply of gas;

**5—Variation of regulation 5—Interpretation of certain terms used in Act**

(1) Regulation 5—before subregulation (1) insert:

- (a1) For the purposes of the definition of *annual gas consumption level* in section 4 of the Act, the following provisions apply to the determination of a customer's annual gas consumption level:
- (a) the customer's annual gas consumption level is to be determined for each metered delivery point through which the customer has or seeks gas supply under a retail contract;
  - (b) if the customer has been entitled under a retail contract to gas supply through the delivery point for the 12 months immediately preceding the relevant day, the customer's annual gas consumption level for the delivery point is—
    - (i) the actual gas supply, expressed in terajoules, through the delivery point for that 12 months period as measured by the meter at the delivery point; or
    - (ii) if the measurement of the gas supply by the meter has been significantly affected by inaccuracies during that 12 months period—the estimated gas supply, expressed in terajoules, through the delivery point for the 12 months immediately following the relevant day;
  - (c) if the customer has not been entitled under a retail contract to gas supply through the delivery point for the 12 months immediately preceding the relevant day, the customer's annual gas consumption level for the delivery point is the estimated gas supply, expressed in terajoules, through the delivery point for the 12 months immediately following the relevant day;
  - (d) an estimate is to be made for the purposes of paragraph (b) or (c) taking into account relevant past gas consumption levels, the gas consumption level of plant and equipment to use gas delivered through the delivery point, the operations for which gas is required to be supplied through the delivery point and other relevant factors;
  - (e) the determination of the actual or estimated gas supply through the delivery point may be by agreement between the customer and the gas entity or, failing such agreement, will be a matter for the decision of the Commission on application to the Commission by the customer or the entity;
  - (f) a determination under this regulation of the customer's annual gas consumption level for the delivery point continues in operation from the relevant day until—
    - (i) the customer ceases to be entitled to gas supply through the delivery point under a retail contract with the gas entity; or

- (ii) a subsequent determination is made under this regulation of the customer's annual gas consumption level for the delivery point,  
whichever first occurs;
    - (g) at least 12 months must elapse from the relevant day before a subsequent determination is made under this regulation of the customer's annual gas consumption level for the delivery point.
  - (b1) In subregulation (a1)—  
*the relevant day*, in relation to the determination of the customer's annual gas consumption level for the delivery point, means—
    - (a) the day on which the determination is made; or
    - (b) if some earlier or later day is agreed to by the customer and the gas entity, or is decided on by the Commission, as the relevant day for the purposes of the determination—that day.
- (2) Regulation 5(3) to (5)—delete subregulations (3), (4) and (5) and substitute:
- (3) For the purposes of the definition of *retailing* in section 4 of the Act, retailing does not include a customer charging for the supply of gas if the charge forms an unspecified part of rent or charges for the occupation or use of premises.
  - (4) For the purposes of the definition of *small customer* in section 4 of the Act, each customer whose annual gas consumption level for a delivery point is less than one terajoule is classified as a small customer in relation to gas supply to the customer through the delivery point.

## 6—Revocation of regulation 6

Regulation 6—delete the regulation

## 7—Variation of regulation 6A—Exemption from requirement to hold licence

Regulation 6A(2)—delete subregulation (2) and substitute:

- (2) A person who carries on the operation of a distribution system is not required to be licensed under the Act if the system consists only of a pipeline referred to in regulation 5(1)(a).
- (3) A person who carries on the retailing of gas is not required to be licensed under the Act if the sale of gas is only for the operation of an electricity generating plant by a person who holds or is required to hold a licence under the *Electricity Act 1996* to carry on the operation of the plant.
- (4) An exemption under this regulation is subject to the condition that the person comply with any requirement imposed by or under the Act, these regulations or a code made by the Commission under the *Essential Services Commission Act 2002* as if the person were a gas entity authorised by a licence to carry on the operations to which the exemption relates.
- (5) The appropriate regulator may grant an exemption from subregulation (4), or from specified requirements referred to in that subregulation, on terms and conditions the appropriate regulator considers appropriate.

- (6) In subregulation (5)—

*appropriate regulator* means—

- (a) in relation to Part 5 of the Act or Part 4 of these regulations or any safety requirement—the Technical Regulator; or
- (b) in any other case—the Commission.

## **8—Variation of regulation 8—Licence fees and returns**

Regulation 8(2)—delete subregulation (2) and substitute:

- (2) For the purposes of section 24(2) of the Act, an annual return must be lodged before 31 August in each year.

## **9—Redesignation of regulation 8A**

Regulation 8A—redesignate the regulation as regulation 8D

## **10—Insertion of regulations 8A, 8B and 8C**

Before regulation 8D (as redesignated by these regulations) insert:

### **8A—Ombudsman scheme**

For the purposes of sections 26(1)(d) and 26A(2)(i) of the Act, the electricity supply industry is prescribed.

### **8B—Ombudsman scheme and retailing—annual gas consumption level**

For the purposes of section 26A(2)(i) of the Act, an annual gas consumption level of 10 terajoules is prescribed.

### **8C—Prescribed class of customers for section 34**

For the purposes of section 34(1) of the Act—

- (a) each customer whose annual gas consumption level for a metered delivery point equals or exceeds 10 terajoules is a customer of a prescribed class in relation to gas supply to the customer through the delivery point;
- (b) each customer whose annual gas consumption level for a metered delivery point equals or exceeds one terajoule but is less than 10 terajoules is a customer of a prescribed class in relation to gas supply to the customer through the delivery point;
- (c) each customer whose annual gas consumption level for a metered delivery point is less than one terajoule is a customer of a prescribed class in relation to gas supply to the customer through the delivery point.

## **11—Variation of regulation 12—Quality of gas supplied through distribution systems**

- (1) Regulation 12—delete "consumer" wherever occurring and substitute in each case:  
customer

- (2) Regulation 12(6)—delete "consumer's" and substitute:  
customer's
- (3) Regulation 12(7)—delete "consumers" and substitute:  
customers

## **12—Variation of regulation 14—Installing or commissioning Type B appliances**

- (1) Regulation 14(4)—delete "the Authority" and substitute:  
a regulatory body
- (2) Regulation 14(8)—delete "Technical Regulator" and substitute:  
Commission

## **13—Insertion of Part 4 Division 5**

After regulation 15 insert:

### **Division 5—Safety, reliability, maintenance and technical management plans and reports**

#### **15A—Application of Division**

- (1) This Division applies to a licensee holding a licence authorising the operation of a distribution system or a person exempted from the requirement to hold such a licence.
- (2) However, the Technical Regulator may grant an exemption from this Division, or specified provisions of this Division, on terms and conditions the Technical Regulator considers appropriate.

#### **15B—Safety, reliability, maintenance and technical management plans**

- (1) A person to whom this Division applies who is exempted from the requirement to hold a licence must, if so required by the Technical Regulator by notice in writing—
  - (a) prepare and periodically revise a safety, reliability, maintenance and technical management plan dealing with matters prescribed by subregulation (2);
  - (b) obtain the approval of the Technical Regulator to the plan and any revision;
  - (c) comply with the plan as approved from time to time;
  - (d) audit from time to time the person's compliance with the plan and report the results of those audits to the Technical Regulator.
- (2) For the purposes of section 26(1)(b) of the Act and subregulation (1), the following are matters that must be dealt with by a safety, reliability, maintenance and technical management plan:
  - (a) the safe design, installation, commissioning, operation, maintenance and decommissioning of gas infrastructure owned or operated by the person;

- (b) the maintenance of a supply of gas of the quality required to be maintained by or under the Act, these regulations, the person's licence or the conditions of any exemption granted to the person;
- (c) ensuring adequacy of the distribution system at all times of high demand on the system;
- (d) ensuring that gas supply is suitable for each gas installation situated in a place that will be connected or re-connected to the distribution system;
- (e) ensuring that an appropriate level of examination and testing of installations (including appliances) is carried out on the new connection of gas supply to a place to provide assurance of the safety of gas installations;
- (f) ensuring compliance with code provisions under the *Essential Services Commission Act 2002* relating to metering of gas supply at delivery points; and
- (g) monitoring compliance with code provisions under the *Essential Services Commission Act 2002* relating to metering of gas supply at delivery points;
- (h) the implementation and conduct of safety measures and training programs for the purpose of—
  - (i) reducing the risk of death or injury, or damage to property, arising out of the operation of gas infrastructure owned or operated by the person;
  - (ii) ensuring that employees performing work in respect of gas infrastructure owned or operated by the person are competent and properly trained, perform their work safely and are provided with a safe system of work;
- (i) ensuring that contractors performing work in respect of gas infrastructure owned or operated by the person have processes and procedures for ensuring that the persons personally performing the work are competent and properly trained, perform their work safely and are provided with a safe system of work;
- (j) the manner in which accidents and unsafe situations are to be dealt with, reported and investigated;
- (k) monitoring compliance with safety and technical requirements imposed by or under the Act, these regulations, the person's licence or the conditions of any exemption granted to the person;
- (l) monitoring gas infrastructure owned or operated by the person for the purposes of identifying infrastructure that is unsafe or at risk of failing or malfunctioning;
- (m) the establishment of indicators and the collection and recording of information to measure the person's performance in respect of matters referred to in the preceding paragraphs.

- (3) A person to whom this Division applies must, at the request of the Technical Regulator, provide the Technical Regulator with such information and access to such officers, employees and contractors as the Technical Regulator reasonably requires for the purposes of determining whether a safety, reliability, maintenance and technical management plan prepared by the person is operating effectively and whether that person is complying with the plan.

### **15C—Safety, reliability, maintenance and technical management reports**

- (1) A person to whom this Division applies must, within 21 working days after the end of each quarter, lodge with the Technical Regulator a report stating in relation to each unplanned interruption to the supply of gas during that quarter that affected the supply of gas to 5 or more but less than 100 customers the following:
  - (a) the date, time and cause of the interruption;
  - (b) the number of customers affected by the interruption;
  - (c) the time taken to restore supply to all of the customers affected;
  - (d) the time taken to restore supply to the majority of the customers affected.
- (2) A person to whom this Division applies must, within 2 working days after an unplanned interruption to the supply of gas that affected the supply of gas to 100 or more customers, lodge with the Technical Regulator a report stating in relation to that interruption the information referred to in the paragraphs of subregulation (1).
- (3) Subregulations (1) and (2) do not apply in relation to—
  - (a) an interruption to the supply of gas to a customer if the interruption was in accordance with an interruptible or curtailable supply contract with the customer; or
  - (b) an interruption to the supply of gas to a customer that occurred at the request of the customer or that was caused by the customer.
- (4) A person to whom this Division applies must, on or before 31 August in each year, lodge with the Technical Regulator a report relating to the previous financial year containing the following information:
  - (a) a general description of the circumstances in which gas infrastructure owned or operated by the person has failed or malfunctioned or been found to be unsafe and of the action taken to rectify, or to prevent or minimise the risk or recurrence of, the failure, malfunction or unsafe situation;
  - (b) whether the person has been able to comply with all aspects of the person's safety, reliability, maintenance and technical management plan and whether the person considers the plan to have been operating effectively.

(5) In this regulation—

*quarter* means a period of 3 months commencing 1 January, 1 April, 1 July or 1 October.

#### **14—Variation of regulation 16—Measurement of consumption of gas**

(1) Regulation 16—delete "consumer" wherever occurring and substitute in each case:

customer

(2) Regulation 16—delete "consumer's" wherever occurring and substitute in each case:

customer's

#### **15—Variation of regulation 17—Restriction on disconnection of gas supply**

Regulation 17—delete "consumer" wherever occurring and substitute in each case:

#### **14—Delivery, storage and sale of rock lobster**

(1) In this regulation—

*approved* means approved by the Director;

*NZRL-TF book* means a book issued by the Department containing blank NZRL-TF forms;

*NZRL-TF form* means the form produced by the Department entitled *PIRSA Fishwatch NZRL Sales and Transfer Form*;

*SZRL2 form* means the form produced by the Department entitled *SZRL2 Primary Industries (S.A.)—Fisheries Rock Lobster Purchase Record*;

*SZRL3 form* means the form produced by the Department entitled *SZRL3 Primary Industries (S.A.)—Fisheries Rock Lobster Sales, Storage and Transfer Record*.

(2) Unless the contrary intention appears, terms used in this regulation that are defined in the *Fisheries (Scheme of Management—Rock Lobster Fisheries) Regulations 1991* have the same respective meanings as in those regulations.

- (3) A registered fish processor who purchases or obtains rock lobster from—
- (a) the holder of a licence in respect of the Northern Zone Rock Lobster Fishery; or
  - (b) the agent of the holder of such a licence; or
  - (c) another registered fish processor who purchased or obtained the rock lobster from a person referred to in paragraph (a) or (b),
- must not accept delivery of the rock lobster unless—
- (d) the rock lobster is delivered to the registered fish processor in bins of an approved kind each of which is sealed with a tag of an approved kind; and
  - (e) the white, blue and green copies of the NZRL-CDR form completed in respect of the rock lobster are delivered to the fish processor with the rock lobster.

Penalty: Division 7 fine.

Expiation fee: Division 9 fee.

- (4) A registered fish processor who purchases or obtains rock lobster from a person referred to in subregulation (3) must—
- (a) immediately on taking delivery of the rock lobster at premises (or a vehicle) specified on the certificate of registration of the fish processor, weigh the sealed bins containing the rock lobster and complete the certificate in Part C of the NZRL-CDR form relating to the rock lobster; and
  - (b) within 2 hours of the rock lobster being received at premises specified on the certificate of registration of the fish processor, transmit the completed NZRL-CDR form by facsimile transmission to a facsimile number nominated by the Director for the purposes of this paragraph; and
  - (c) within 48 hours of completing the certificate, deliver or cause to be delivered, the white copy of the completed NZRL-CDR form to the Director at an address nominated by the Director for the purposes of this paragraph.

Penalty: Division 7 fine.

Expiation fee: Division 9 fee.

- (5) If a registered fish processor who purchases or obtains rock lobster from a person referred to in subregulation (3)—
- (a) sells the rock lobster to any person; or
  - (b) transfers the rock lobster to a different place, premises, boat or vehicle for storage at that place, premises, boat or vehicle,
- the registered fish processor—
- (c) must immediately weigh the rock lobster and complete a NZRL-TF form in respect of the rock lobster; and

- (d) must, within 2 hours of completing the form, transmit the completed form by facsimile transmission to a facsimile number nominated by the Director for the purposes of this paragraph; and
- (e) must, within 48 hours of completing the form, deliver, or cause to be delivered, the completed form to the Director at an address nominated by the Director for the purposes of this paragraph; and
- (f) must ensure that the blue copy of the completed form is kept with the rock lobster to which the form relates at all times while the rock lobster is being transported; and
- (g) must ensure that the yellow copy of the completed form remains in the NZRL-TF book; and
- (h) must deliver, or cause to be delivered, a completed NZRL-TF book to the Director within 14 days of its completion.

Penalty: Division 7 fine.

Expiation fee: Division 9 fee.

- (6) A registered fish processor who purchases or obtains rock lobster from—
- (a) the holder of a licence in respect of the Southern Zone Rock Lobster Fishery; or
  - (b) the agent of the holder of such a licence; or
  - (c) another registered fish processor who purchased or obtained the rock lobster from a person referred to in paragraph (a) or (b),

must—

- (d) on taking delivery of the rock lobster, immediately weigh the rock lobster and complete a SZRL2 form in respect of the rock lobster; and
- (e) within 24 hours of taking delivery of the rock lobster, deliver, or cause to be delivered, the completed form to the Director.

Penalty: Division 7 fine.

Expiation fee: Division 9 fee.

- (7) If a registered fish processor who has purchased or obtained rock lobster from a person referred to in subregulation (6)—
- (a) sells the rock lobster to any person; or
  - (b) transfers the rock lobster to a different place, premises, boat or vehicle for storage at that place, premises, boat or vehicle,

the registered fish processor must—

- (c) immediately weigh the rock lobster and complete a SZRL3 form in respect of the rock lobster; and
- (d) within 24 hours of the sale or transfer of the rock lobster, deliver, or cause to be delivered, the completed form to the Director.

Penalty: Division 7 fine.

Expiation fee: Division 9 fee.

- (8) A person who completes Part A or Part B of a NZRL-CDR form must not complete Part C of that form.  
Penalty: Division 7 fine.  
Expiation fee: Division 9 fee.
- (9) A registered fish processor must keep the following documents for a period of 5 years:
- (a) the blue copies of all NZRL-CDR forms completed by the registered fish processor;
  - (b) the green copies of all NZRL-TR forms completed by the registered fish processor;
  - (c) the blue copies of all NZRL-TR forms delivered to the registered fish processor with rock lobster purchased or obtained from another registered fish processor.
- Penalty: Division 7 fine.  
Expiation fee: Division 9 fee.

### 1—Short title

These regulations may be cited as the *Fisheries (Vessel Monitoring Scheme) Regulations 2003*.

### 2—Commencement

These regulations will come into operation on 30 October 2003.

### 3—Interpretation

- (1) In these regulations, unless the contrary intention appears—

*Act* means the *Fisheries Act 1982*;

*approved* means approved by the Director under these regulations;

*fishing season* —

- (a) in relation to the Miscellaneous Fishery—means any period during which the taking of giant crabs in a giant crab fishing zone for the purpose of trade or business is lawful;
- (b) in relation to the Northern Zone Rock Lobster Fishery—means any period during which the taking of rock lobster in the Northern Zone for the purpose of trade or business is lawful;

*operating*, in relation to a VMS unit fitted to a boat, means that the unit is capable of—

- (a) transmitting the geographical position and course of the boat as required; and
- (b) receiving and accurately responding to electronic data;

**prescribed fishing activity**—

- (a) in relation to a licence in respect of the Miscellaneous Fishery—means the taking of giant crab in a giant crab fishing zone for the purpose of trade or business;
- (b) in relation to a licence in respect of the Northern Zone Rock Lobster Fishery—means the taking of rock lobster in the Northern Zone for the purpose of trade or business;

**registered boat** means a registered boat that is used pursuant to—

- (a) a licence in respect of the Miscellaneous Fishery endorsed with a condition fixing a giant crab quota on the licence; or
- (b) a licence in respect of the Northern Zone Rock Lobster Fishery;

**satellite communication system** means a communication system designed for receiving and transmitting data via satellites and earth stations;

**sleep mode**, in relation to a VMS unit, means a standby mode in which the unit is only capable of operating at specified intervals;

**system**, in relation to a vessel monitoring system, includes component subsystems of—

- (a) power supply; and
- (b) communication hardware and software located at base stations and fitted on boats; and
- (c) communication service provider;

**vessel monitoring system** or **VMS** means a navigational measuring system that—

- (a) determines the geographical position and course of a boat; and
- (b) is capable of transmitting that information via a satellite communication system;

**VMS administrator** means the person for the time being designated by the Director by notice published in the Gazette as the VMS administrator for the purposes of these regulations;

**VMS unit** means that component of a vessel monitoring system known as an automatic location communicator.

(2) Unless the contrary intention appears—

- (a) terms used in these regulations that are defined in the *Fisheries (Scheme of Management—Miscellaneous Fishery) Regulations 2000* have the same respective meanings as in those regulations;
- (b) terms used in these regulations that are defined in the *Fisheries (Scheme of Management—Rock Lobster Fisheries) Regulations 1991* have the same respective meanings as in those regulations.

(3) The Director may, by notice published in the Gazette, approve or revoke an approval of—

- (a) a VMS unit; or
- (b) a person as an installer of approved VMS units,

for the purposes of these regulations.

#### **4—Requirement to install VMS unit**

The registered owner of a registered boat must ensure that the boat is fitted with an approved VMS unit installed by an approved installer.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

#### **5—Requirement to ensure operation of VMS unit during fishing season**

- (1) The registered owner of a registered boat to which an approved VMS unit is fitted must ensure that the VMS unit is operating at all times during a fishing season.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

- (2) The registered owner of the registered boat must take reasonable measures to ensure that, if the VMS unit ceases to operate, he or she is made aware of that fact.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

- (3) The registered owner of the registered boat must, immediately after becoming aware that the VMS unit has ceased to operate, notify the Director of that fact.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

- (4) This regulation does not apply to the registered owner of the registered boat while there is in force an approval under regulation 6 for the VMS unit to be switched off or in sleep mode.

#### **6—Approval for VMS unit to be switched off or placed in sleep mode**

- (1) The registered owner of a registered boat to which an approved VMS unit is fitted may, with the written approval of the Director, cease to operate the VMS unit by switching off the VMS unit or placing the VMS unit in sleep mode.

- (2) An approval under this regulation—

(a) is subject to—

(i) a condition that the registered owner of the registered boat must not, while the VMS unit is switched off or in sleep mode, use the boat for the purpose of engaging in a prescribed fishing activity; and

(ii) such other conditions (if any) as are specified in the approval; and

(b) expires at the end of the period specified in the approval.

- (3) If a condition of an approval under this regulation is contravened or not complied with, the registered owner of the registered boat is guilty of an offence.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

- (4) If a condition of an approval under this regulation is contravened or not complied with, the Director may, by notice given to the registered owner of the registered boat, revoke the approval.

- (5) Notice of the revocation of an approval may be given in any manner that the Director considers appropriate (but must, if not given in writing, be confirmed in writing).

- (6) If the VMS unit fitted to a registered boat has been switched off or placed in sleep mode, the registered owner of the boat must, before using the boat for the purpose of engaging in a prescribed fishing activity, ensure that—
- (a) the VMS unit has been switched on; and
  - (b) the operation of the VMS unit has been tested; and
  - (c) the VMS administrator has confirmed that the VMS unit is operating.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

### **7—Requirement to test and confirm operation of VMS unit following servicing or repairing of boat**

If a registered boat to which an approved VMS unit is fitted undergoes servicing or repairs while the VMS unit is switched on, the registered owner of the boat must, before using the boat for the purpose of engaging in a prescribed fishing activity, ensure that—

- (a) the operation of the VMS unit has been tested; and
- (b) the VMS administrator has confirmed that the VMS unit is operating.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

### **8—Power of Director to require modification or replacement of VMS unit**

- (1) The Director may, by notice in writing given to the registered owner of a registered boat to which an approved VMS unit is fitted, require the registered owner to modify or replace the VMS unit within a specified period (being a period that is not less than 90 days from the date on which the notice is given).
- (2) The registered owner of a registered boat to whom a notice is given under subregulation (1) must not fail to comply with the requirements of the notice.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

### **9—VMS unit not to be installed, serviced, repaired etc except by approved installer**

- (1) A person other than an approved installer must not—
- (a) install a VMS unit on a registered boat; or
  - (b) attach a seal to a VMS unit fitted to a registered boat; or
  - (c) service or repair a VMS unit fitted to a registered boat; or
  - (d) remove or interfere with—
    - (i) a VMS unit fitted to a registered boat; or
    - (ii) a seal on a VMS unit fitted to a registered boat.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

- (2) If subregulation (1) is contravened, the registered owner of the registered boat is guilty of an offence unless he or she proves that the contravention did not result from any failure on his or her part to take all reasonable and practicable measures to prevent the contravention.  
Penalty: Division 6 fine.  
Expiation fee: Division 6 fee.
- (3) The Director, a fisheries officer or the VMS administrator may give directions with respect to the testing, servicing or repair of an approved VMS unit fitted to a registered boat to an approved installer or to the registered master or registered owner of the boat.
- (4) Subregulation (1) does not apply in relation to anything done in compliance with a direction given by the Director, a fisheries officer or the VMS administrator under this regulation.

### 10—Requirement to ensure alternative means of communication with boat

- (1) The registered owner of a registered boat to which an approved VMS unit is fitted must ensure that—
  - (a) there is on the boat a radio, telephone or other means of instantaneous electronic communication (*alternative means of communication*) capable of providing communication between the boat's crew and a fisheries officer or the VMS administrator at all times during a fishing season; and
  - (b) the Director is notified in writing of the call sign or other identifier that enables the boat's crew to be contacted by the alternative means of communication on the boat; and
  - (c) the Director is provided in writing with the name and contact details of a person (the *nominated contact person*) that the Director may contact if the Director has reason to believe that the VMS unit has ceased to operate or that the boat's crew cannot be contacted directly by a fisheries officer or the VMS administrator; and
  - (d) the alternative means of communication on the boat is operating at all times during a fishing season; and
  - (e) any direction given by a fisheries officer or the VMS administrator in respect of the alternative means of communication on the boat is complied with.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

- (2) The registered owner of the registered boat must, within 14 days of any change in the name or contact details of the nominated contact person, notify the Director in writing of the new name or contact details, as the case may require.

Penalty: Division 10 fine.

Expiation fee: Division 10 fee.

- (3) If—
  - (a) the VMS administrator has reason to believe that a VMS unit fitted to a registered boat has ceased to operate; and
  - (b) the VMS administrator is unable to contact the boat's crew,

the VMS administrator may notify the nominated contact person that the VMS unit is not operating.

- (4) If the VMS administrator notifies the nominated contact person for a registered boat that the VMS unit fitted to the boat is not operating, the person must immediately inform the registered master of the boat by the alternative means of communication on the boat that the VMS unit is not operating.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

- (5) It is a defence in proceedings for an offence against subregulation (4) for the defendant to prove that communication using the alternative means of communication on a boat was not able to be carried out because of a systems failure beyond the control of any person.

### **11—Power of Director to require manual reporting of vessel data etc**

- (1) If the Director is notified or becomes aware that the VMS unit fitted to a registered boat has ceased to operate, the Director may give the registered owner or registered master of the boat such directions as the Director considers necessary to ensure that the activities of the boat are able to be monitored.
- (2) Without limiting subregulation (1), the directions may include directions—
- (a) requiring the geographical position and course of the boat to be notified to a fisheries officer at specified intervals during a specified period by the alternative means of communication on the boat;
  - (b) requiring the boat to be moved to a specified port.
- (3) Directions given under this regulation may be given in such manner as the Director considers appropriate (but must, if not given in writing, be confirmed in writing).

### **12—Requirement to comply with directions**

A person must not, without reasonable excuse, fail to comply with any directions given to the person by the Director, a fisheries officer or the VMS administrator under these regulations.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

#### **Note—**

As required by section 10AA(2) of the *Subordinate Legislation Act 1978*, the Minister has certified that, in the Minister's opinion, it is necessary or appropriate that these regulations come into operation as set out in these regulations.

These regulations may be cited as the *Fisheries (Scheme of Management—Rock Lobster Fisheries) Variation Regulations 2003*.

#### **2—Commencement**

These regulations will come into operation on 30 October 2003.

#### **3—Variation provisions**

In these regulations, a provision under a heading referring to the variation of specified regulations varies the regulations so specified.

### **Part 2—Variation of *Fisheries (Scheme of Management—Rock Lobster Fisheries) Regulations 1991***

#### **4—Variation of regulation 4—Interpretation**

- (1) Regulation 4(1), definition of *the Act*—delete the definition and substitute:

*Act* means the *Fisheries Act 1982*;

*CDR book* means a book issued by the Department of Primary Industries and Resources containing blank NZRL-CDR forms;

- (2) Regulation 4(1)—after the definition of *licence period* insert:

*non-commercial purpose* means a purpose other than trade or business;

- (3) Regulation 4(1)—after the definition of *Northern Zone* insert:

*NZRL-CDR form* means the form produced by the Department of Primary Industries and Resources entitled *Northern Zone Rock Lobster Catch and Disposal Record*;

## 5—Variation of regulation 14—Rock lobster pot entitlement

Regulation 14—after subregulation (1) insert:

- (1a) The holder of a licence in respect of the Northern Zone Rock Lobster Fishery must not, for the purpose of trade or business, engage in a fishing activity of a class that constitutes the Fishery while the rock lobster pot entitlement endorsed on the licence is less than 25.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

## 6—Insertion of regulation 14AA

Before regulation 14A insert:

### 14AA—Individual rock lobster catch quota system—Northern Zone

- (1) In this regulation—

*fishery* means the Northern Zone Rock Lobster Fishery;

*prescribed period* means—

- (a) the period commencing on 1 November 2003 and ending on 30 June 2004; or
- (b) the period of 12 months commencing on 1 July 2004 or on 1 July in any subsequent year;

*relevant period* means a period determined by the Director to be a relevant period for the purposes of this regulation;

*rock lobster quota*, in relation to a licence in respect of the fishery, means the maximum number of kilograms of rock lobster that may be lawfully taken by the holder of the licence during a prescribed period, being the product of—

- (a) the unit entitlement of that licence; and
- (b) the unit value for the fishery and that prescribed period,

subject to any variation of the rock lobster quota of the licence applying during that prescribed period;

*unit entitlement* means the number of rock lobster units for the time being allocated to a licence;

*unit value* means the number of kilograms of rock lobster determined by the Director to be the value of a rock lobster unit for the fishery and a prescribed period.

- (2) The Director may impose or vary conditions on licences in respect of the fishery fixing rock lobster quotas as follows:
- (a) on or before 1 November 2003 each licence in respect of the fishery must be allocated a number of rock lobster units for the prescribed period commencing on that date to be determined by the Director as follows:
- (i) if the person who held the licence on 15 September 2003 is the person who held the licence for the whole of the relevant period, the licence will be allocated a number of rock lobster units that is the sum of—
- (A) a number determined by the Director having regard to—
- the number of rock lobster pots endorsed on the licence on 15 September 2003; and
  - the quantity of rock lobster taken pursuant to the licence during the relevant period (as recorded on returns lodged under regulation 15) relative to the number of rock lobster pots endorsed on the licence during the relevant period; and
- (B) if the number of rock lobster pots endorsed on the licence on 15 September 2003 was greater than the number of rock lobster pots endorsed on the licence on the last day of the relevant period—the number obtained by multiplying 16 by the number of rock lobster pots in the difference between the number of rock lobster pots endorsed on the licence on the last day of the relevant period and the number of rock lobster pots endorsed on the licence on 15 September 2003;
- (ii) if the person who held the licence on 15 September 2003 held the licence during part only of the relevant period, the licence will be allocated a number of rock lobster units that is the sum of—
- (A) a number determined by the Director having regard to—
- the number of rock lobster pots endorsed on the licence on 15 September 2003; and

- the quantity of rock lobster taken pursuant to the licence during that part of the relevant period during which the person held the licence (as recorded on returns lodged under regulation 15) relative to the number of rock lobster pots endorsed on the licence during that part of the relevant period; and
  - a value determined by the Director for the quantity of rock lobster taken pursuant to the licence during that part of the relevant period during which the person did not hold the licence; and
  - a value determined by the Director for the number of rock lobster pots endorsed on the licence during that part of the relevant period during which the person did not hold the licence; and
- (B) if the number of rock lobster pots endorsed on the licence on 15 September 2003 was greater than the number of rock lobster pots endorsed on the licence on the last day of the relevant period—the number obtained by multiplying 16 by the number of rock lobster pots in the difference between the number of rock lobster pots endorsed on the licence on the last day of the relevant period and the number of rock lobster pots endorsed on the licence on 15 September 2003;
- (iii) if the person who held the licence on 15 September 2003 did not hold the licence during any part of the relevant period, the licence will be allocated a number of rock lobster units that is the number obtained by multiplying 16 by the number of rock lobster pots endorsed on the licence on 15 September 2003;
- (b) on or before 1 July 2004 each licence in respect of the fishery must be allocated a number of rock lobster units for the prescribed period commencing on that date to be determined by the Director as follows:
- (i) if the person who held the licence on 1 June 2004 is the person who held the licence for the whole of the relevant period, the licence will be allocated a number of rock lobster units that is the sum of—
- (A) a number determined by the Director having regard to—
- the number of rock lobster pots endorsed on the licence on 1 June 2004; and

- the quantity of rock lobster taken pursuant to the licence during the relevant period (as recorded on returns lodged under regulation 15) relative to the number of rock lobster pots endorsed on the licence during the relevant period; and
- (B) if the number of rock lobster pots endorsed on the licence on 1 June 2004 was greater than the number of rock lobster pots endorsed on the licence on the last day of the relevant period—the number obtained by multiplying 16 by the number of rock lobster pots in the difference between the number of rock lobster pots endorsed on the licence on the last day of the relevant period and the number of rock lobster pots endorsed on the licence on 1 June 2004;
- (ii) if the person who held the licence on 1 June 2004 held the licence during part only of the relevant period, the licence will be allocated a number of rock lobster units that is the sum of—
- (A) a number determined by the Director having regard to—
- the number of rock lobster pots endorsed on the licence on 1 June 2004; and
  - the quantity of rock lobster taken pursuant to the licence during that part of the relevant period during which the person held the licence (as recorded on returns lodged under regulation 15) relative to the number of rock lobster pots endorsed on the licence during that part of the relevant period; and
  - a value determined by the Director for the quantity of rock lobster taken pursuant to the licence during that part of the relevant period during which the person did not hold the licence; and
  - a value determined by the Director for the number of rock lobster pots endorsed on the licence during that part of the relevant period during which the person did not hold the licence; and

- (B) if the number of rock lobster pots endorsed on the licence on 1 June 2004 was greater than the number of rock lobster pots endorsed on the licence on the last day of the relevant period—the number obtained by multiplying 16 by the number of rock lobster pots in the difference between the number of rock lobster pots endorsed on the licence on the last day of the relevant period and the number of rock lobster pots endorsed on the licence on 1 June 2004;
- (iii) if the person who held the licence on 1 June 2004 did not hold the licence during any part of the relevant period, the licence will be allocated a number of rock lobster units that is the number obtained by multiplying 16 by the number of rock lobster pots endorsed on the licence on 1 June 2004;
- (c) on or before 1 July 2005 each licence in respect of the fishery must be allocated a number of rock lobster units for the prescribed period commencing on that date to be determined by the Director as follows:
- (i) if the person who held the licence on 1 June 2005 is the person who held the licence for the whole of the relevant period, the licence will be allocated a number of rock lobster units that is the sum of—
- (A) a number determined by the Director having regard to—
- the number of rock lobster pots endorsed on the licence on 1 June 2005; and
  - the quantity of rock lobster taken pursuant to the licence during the relevant period (as recorded on returns lodged under regulation 15) relative to the number of rock lobster pots endorsed on the licence during the relevant period; and
- (B) if the number of rock lobster pots endorsed on the licence on 1 June 2005 was greater than the number of rock lobster pots endorsed on the licence on the last day of the relevant period—the number obtained by multiplying 16 by the number of rock lobster pots in the difference between the number of rock lobster pots endorsed on the licence on the last day of the relevant period and the number of rock lobster pots endorsed on the licence on 1 June 2005;

- (ii) if the person who held the licence on 1 June 2005 held the licence during part only of the relevant period, the licence will be allocated a number of rock lobster units that is the sum of—
- (A) a number determined by the Director having regard to—
- the number of rock lobster pots endorsed on the licence on 1 June 2005; and
  - the quantity of rock lobster taken pursuant to the licence during that part of the relevant period during which the person held the licence (as recorded on returns lodged under regulation 15) relative to the number of rock lobster pots endorsed on the licence during that part of the relevant period; and
  - a value determined by the Director for the quantity of rock lobster taken pursuant to the licence during that part of the relevant period during which the person did not hold the licence; and
  - a value determined by the Director for the number of rock lobster pots endorsed on the licence during that part of the relevant period during which the person did not hold the licence; and
- (B) if the number of rock lobster pots endorsed on the licence on 1 June 2005 was greater than the number of rock lobster pots endorsed on the licence on the last day of the relevant period—the number obtained by multiplying 16 by the number of rock lobster pots in the difference between the number of rock lobster pots endorsed on the licence on the last day of the relevant period and the number of rock lobster pots endorsed on the licence on 1 June 2005;
- (iii) if the person who held the licence on 1 June 2005 did not hold the licence during any part of the relevant period, the licence will be allocated a number of rock lobster units that is the number obtained by multiplying 16 by the number of rock lobster pots endorsed on the licence on 1 June 2005;
- (d) on or before 1 July 2006 each licence in respect of the fishery must be allocated a number of rock lobster units for the prescribed period commencing on that date to be determined by the Director having regard to the rock lobster pot entitlement endorsed on the licence on 1 June 2006;

- (e) on 1 July 2007 and on 1 July of each subsequent year, each licence in respect of the fishery must be allocated a number of rock lobster units for the prescribed period commencing on that date equal to the number endorsed on the licence on the last day of the preceding prescribed period;
- (f) the Director must, on or before the commencement of each prescribed period, determine the number of kilograms of rock lobster that is to be the value of a rock lobster unit for the fishery and the prescribed period;
- (g) the conditions of any two licences in respect of the fishery may, on application made to the Director by the holders of those licences in a manner and form approved by the Director, be varied so as to increase the unit entitlement of one of the licences and decrease the unit entitlement of the other licence by a corresponding number of units;
- (h) if a variation of rock lobster pot entitlements is made as referred to in regulation 14(1)(d) in relation to licences in respect of the fishery, the Director must vary the number of rock lobster units endorsed on the licences so that for every additional rock lobster pot endorsed on one of the licences, the unit entitlement of that licence is increased by 16 rock lobster units and the unit entitlement under the other licence is decreased by 16 rock lobster units for every rock lobster pot in the decrease in the rock lobster pot entitlement under that licence;
- (i) the Director may, if the total rock lobster catch taken pursuant to a licence during a prescribed period exceeded the rock lobster quota of the licence for that prescribed period, vary the conditions of the licence so as to decrease the quota—
  - (i) where the catch exceeded the quota by not more than 20 kilograms of rock lobster—by one kilogram for each kilogram in excess of the quota; or
  - (ii) where the catch exceeded the quota by more than 20 kilograms but not more than 50 kilograms of rock lobster—by two kilograms for each kilogram in excess of the quota;
- (j) any variation of a unit entitlement made under paragraph (g) must, if made during the prescribed period commencing on 1 November 2003, 1 July 2004 or 1 July 2005, be expressed to apply only for the prescribed period during which the variation is made;
- (k) any variation of a rock lobster quota made under paragraph (i) must be expressed to apply only for the prescribed period during which the variation is made;
- (l) unit entitlements and rock lobster quotas must not be varied except as provided by this regulation.

- (3) The holder of a licence in respect of the fishery must not, for the purpose of trade or business, engage in a fishing activity of a class that constitutes the fishery while the number of rock lobster units endorsed on the licence is less than 400.

Penalty: Division 6 fine.

Expiation fee: Division 6 fee.

- (4) If—

- (a) a court convicts the holder of a licence in respect of the fishery of an offence of contravening a condition of the licence imposing a rock lobster quota on the licence; and
- (b) the conduct constituting the offence involved the taking of more than 50 kilograms of rock lobster in excess of the quota,

the court must make an order requiring the Director to vary the conditions of the licence so as to reduce the rock lobster quota of the licence for three prescribed periods following the conviction by one kilogram for each kilogram in excess of the quota for the prescribed period during which the offence was committed.

## 7—Insertion of regulations 14C and 14D

After regulation 14B insert:

### **14C—Rock lobster taken in Northern Zone to be landed whole within the State**

The holder of a licence in respect of the Northern Zone Rock Lobster Fishery must ensure that rock lobster taken pursuant to the licence—

- (a) is landed whole; and
- (b) is landed within the State.

Penalty: Division 6 fine.

Expiation fee: Division 9 fee.

### **14D—Disposal of rock lobster—Northern Zone**

- (1) Subject to subregulation (2), the holder of a licence in respect of the Northern Zone Rock Lobster Fishery must ensure that all rock lobster taken pursuant to the licence is consigned or delivered to a registered fish processor.
- Penalty: Division 6 fine.
- Expiation fee: Division 9 fee.
- (2) If any rock lobster are found to be dead when they are landed, the holder of the licence may, instead of consigning or delivering the rock lobster as required by subregulation (1), retain the rock lobster for a non-commercial purpose provided that the total number of rock lobster retained by the holder of the licence for such a purpose does not exceed—
- (a) 2 rock lobster landed on the same day; or
- (b) 30 rock lobster landed in the same licence period.

**14E—Catch and disposal records—Northern Zone**

- (1) The holder of a licence in respect of the Northern Zone Rock Lobster Fishery or the registered master of a registered boat from which rock lobster is taken pursuant to such a licence must ensure that—
  - (a) at least 2 hours before the rock lobster is removed from the boat, the Director is notified by telephone of—
    - (i) the name of the registered fish processor to whom the rock lobster is to be consigned or delivered; and
    - (ii) the location and time at which the rock lobster is to be removed from the boat; and
    - (iii) the number (if any) of rock lobster that are to be retained by the holder of the licence for a non-commercial purpose; and
  - (b) if, after the Director is notified under paragraph (a), a decision is made to consign or deliver the rock lobster to a different registered fish processor, the Director is immediately notified by telephone of the name of that registered fish processor.
- (2) The holder of a licence in respect of the Northern Zone Rock Lobster Fishery or the registered master of a boat from which rock lobster is taken pursuant to such a licence must comply with the following provisions:
  - (a) before the end of the day on which the rock lobster is taken, he or she must complete Part A of a NZRL-CDR form using a blue or black ballpoint pen;
  - (b) before the rock lobster is removed from the boat, he or she must complete Part B of the NZRL-CDR form using a blue or black ballpoint pen;
  - (c) he or she must ensure—
    - (i) that the rock lobster to which a completed NZRL-CDR form relates that is to be consigned or delivered to the registered premises of the fish processor specified on the form is transported in bins of a kind approved by the Director; and
    - (ii) that before a bin containing rock lobster is removed from the boat, the bin is sealed with a tag of a kind approved by the Director; and
    - (iii) that if a tag is broken while a bin is being sealed—
      - (A) the bin is sealed with a replacement tag; and
      - (B) the broken tag is attached to the bin by threading it through the replacement tag; and
      - (C) the number of the replacement tag is recorded on the NZRL-CDR form; and
    - (iv) if a tag is lost—that the Director is immediately notified of the loss;

- (d) he or she must ensure that the white, blue and green copies of a completed NZRL-CDR form that relates to rock lobster that is to be consigned or delivered to a registered fish processor are transported to the registered premises of the fish processor together with the rock lobster;
  - (e) he or she must ensure that the white and blue copies of a completed NZRL-CDR form that relates only to rock lobster that is to be retained by the holder of the licence for a non-commercial purpose are delivered to the Director within 7 days of the removal of the rock lobster from the boat;
  - (f) he or she must ensure that the yellow copies of a completed NZRL-CDR form and the CDR book are kept on board the boat until the CDR book is completed; and
  - (g) he or she must deliver a completed CDR book to the Director within 14 days of its completion.
- (3) If a provision of subregulation (1) or (2) is not complied with, the holder of the licence is guilty of an offence.  
Penalty: Division 6 fine.  
Expiation fee: Division 9 fee.
- (4) The holder of a licence in respect of the Northern Zone Rock Lobster Fishery must keep green copies of completed NZRL-CDR forms relating to rock lobster taken pursuant to the licence for a period of 5 years.
