DEVELOPMENT ACT 1993, SECTION 48: DECISION BY THE DEVELOPMENT ASSESSMENT COMMISSION AS DELEGATE OF THE GOVERNOR

Preamble

1. The decision of the Governor under section 48 of the Development Act 1993, to approve the development of the Myponga/Sellicks Hill Wind Farm located on the Sellicks Hill Range near Myponga was published in the *Gazette* on 20 November 2003.

2. The development was the subject of a Public Environmental Report and an Assessment Report under sections 46 and 46C of the Development Act 1993.

3. Application has now been made to the Development Assessment Commission as delegate of the Governor under section 48 of the Development Act 1993, for the approval of a variation to the development.

4. The proposed variation is for the erection of two 50 m high anemometer (wind monitoring) towers for two years (temporary use).

5. The amendments to the development are contained in:

- (a) the letter from TrustPower Australia Pty Ltd to the Development Assessment Commission dated 6 October 2004 and attached tower specifications;

- (b) the plan titled 'Myponga Wind Farm General Layout—Proposed Locations for New 50 m Anemometer Towers' undated.

6. The Development Assessment Commission has, in considering the application, had regard to all relevant matters under section 48 (5) of the Development Act 1993.

7. The Development Assessment Commission is satisfied that the amendments do not require the preparation of a further or amended Public Environmental Report.

NOTICE

Decision

PURSUANT to section 48 of the Development Act 1993, the Development Assessment Commission, as delegate of the Governor, grants development plan authorisation to the amendment, subject to the following conditions and notes:

1. The Myponga/Selicks Hill Wind Farm shall be developed in accordance with:

- the Site Layout Plan;
- the Access Route Plan; and
- the Electrical Layout and Connection Routes Plan,

as provided for Appendix D of the Response Document and Amendment to the Proposal dated 14 July 2003:

- the proposed locations for new 50 m Anemometer Towers Plan;
- the proposed anemometer location on St Vincent Property Plan;
- the proposed anemometer location on Koraleigh Property Plan,

as provided with the request for minor variation letter dated 6 October 2004.

2. Construction must not be commenced until:

- (a) an Environmental Management and Monitoring Plan (EMMP) has been developed to the satisfaction of the Environment Protection Authority. The EMMP must include those additional matters set out in section 7 of the Assessment Report;
- (b) a private certifier or the District Council of Yankalilla has certified to the Development Assessment Commission that all work that constitutes building work under the Development Act 1993, complies with the Building Rules.

3. Clearance of remnant native vegetation on the site or adjacent public roads for access during construction shall be minimised and be in accordance with the Native Vegetation Council requirements.

4. A compliance officer whose sole responsibility is verification of compliance shall be on-site at all times during construction to ensure all environmental management and monitoring is being conducted in accordance with the approved Environmental Management and Monitoring Plan and provide reports on any issue or variance with the prescribed requirements to the Environment Protection Authority.

5. Compliance checking of noise level measurements shall be carried out by a specialist noise consultant in accordance with the Environment Protection Authority Wind Farms Environmental Noise Guidelines to confirm the predictions made in Bassett Acoustics report A8185, dated February 2003, within two months of commissioning of the wind turbine installation.

6. Analysis of any variations to the assessed turbine layout, or turbine model, that occurs during the detailed design or construction phase of the project shall be carried out by a specialist noise consultant and shall be confirmed as being in accordance with the EPA Wind Farms Environmental Noise Guidelines prior to any construction of the affected turbines taking place. Any variations require further approval.

Note: For the purposes of these conditions a specialist noise consultant is taken to be one eligible for membership of both the Institution of Engineers Australia and the Australian Acoustical Society.

7. A public viewing platform with associated car parking and landscaping shall be established on Reservoir Road in accordance with the plan shown in the Public Environmental Report dated 10 March 2003, Appendix I, subject to the approval of the District Council of Yankalilla and Transport SA as land owners, with all costs borne by the proponent.

8. Screen planting shall be established on the Main South Road verge in accordance with Figures B & D in Appendix F of the Response Document and on the northern edge of Reservoir Road up to the end of the first left hand bend from the Main South Road intersection. The screen planting shall commence prior to the operation of the project and in consultation with the District Council of Yankalilla and Transport SA, with costs borne by the proponent.

9. Any costs associated with changes to the overtaking lane on Main South Road (heading south) that may be required by Transport SA, following its proposed review of the operation of the overtaking lane, shall be borne by the proponent.

10. Any additional measures required by Transport SA to minimise the potential for driver distraction shall be implemented to the satisfaction of the District Council of Yankalilla and Transport SA with all costs being borne by the proponent.

11. Signs directing traffic to the proposed viewing platform shall be erected on Main South Road and Reservoir Road in consultation with Transport SA with all installation and on-going maintenance costs being borne by the proponent. All signs shall be in accordance with Australian Standards for Tourist Signing and the South Australian Tourist Sign Posting Policy.

12. All access points used during construction and maintenance shall be designed and constructed to Transport SA standards, with all costs being borne by the proponent.

13. The wind turbines shall be painted matt off-white/grey to minimise the visual impact and any potential for glare or reflection and shall not display any signs, logos or other advertising displays.

14. The wind turbines and associated infrastructure and site shall be kept clean and tidy and serviced regularly with any graffiti being removed and with all repairs to rectify breakdown or damage being effected as soon as is practicable.

15. Any new stobie poles for transmission lines shall be colour treated to reduce their visual impact and, where possible, new lines shall use a flat line configuration.

16. Upon decommissioning of the wind farm, the site shall be returned, as far as is possible, to its condition prior to the commencement of the development, with the turbines and all above ground electrical infrastructure no longer required for electricity transmission being removed.

17. If development is not commenced by substantial work on the site within two years of the date of this authorisation, the Governor may cancel the authorisation by written notice.

18. A landscaping and revegetation plan will be required for the construction and operational stages. Pest plant and animal control aspects will need to be addressed. The plan should be prepared in consultation with the Department for Environment and Heritage and the Native Vegetation Council, and shall be incorporated into the Environmental Management and Monitoring Plan.

19. The two temporary 50 m anemometer (wind monitoring) towers shall be removed within two years of their erection.

20. The two temporary 50 m anemometer (wind monitoring) towers and supporting guys shall be contained entirely within the site and shall not encroach over any public road reserve.

NOTES

- The applicant is reminded of its general environmental duty, as required by section 25 of the Environment Protection Act 1993, to take all reasonable and practical measures to ensure that its activities on the whole site, including during construction, do not pollute the environment in a way which causes or which may cause environmental harm. In particular, an appropriate soil erosion and drainage management plan, prepared in accordance with the Environment Protection Authority Stormwater Pollution Prevention Code of Practice for the Building and Construction Industry, will be required to be submitted and approved before construction commences (as part of the Environmental Management and Monitoring Plan).
- The applicant shall liaise with Transport SA's Murray Bridge Office Customer Liaison and Safety Officer (presently Alison Allen, (08) 8532 8122) prior to any works being undertaken on or adjacent to Main South Road and Reservoir Road.
- The Environmental Management and Monitoring Plan requires further work before it will receive approval, by the addition of those matters outlined in section 7 of the Assessment Report dated November 2003.
- The development shall proceed in accordance with all relevant State and Commonwealth law (as amended from time to time).
- If, during construction or operation of the development, the proponent discovers evidence of an Aboriginal site or any Aboriginal objects or remains, the proponent is required, pursuant to the Aboriginal Heritage Act 1988, to report particulars of such discovery to the Minister for Aboriginal Affairs and Reconciliation and thereafter comply with any directions given by the Minister for Aboriginal Affairs and Reconciliation.
- The proponent shall negotiate with the District Council of Yankalilla and the City of Onkaparinga on any matters arising from the development where the councils have responsibilities under the Local Government Act 1999, and Roads (Opening and Closing) Act 1991.
- The requirement for an Environmental Management and Monitoring Plan (EMMP) prior to the commencement of construction does not include the two temporary anemometer towers hereby approved.

P. COCKRUM, Secretary, Development
Assessment Commission.

ESSENTIAL SERVICES COMMISSION ACT 2002

Price Determination

NOTICE is hereby given that:

1. On 5 November 2004 the Essential Services Commission made a price determination under the Essential Services Commission Act 2002, as authorised by Regulation 3 of the Essential Services Commission Regulations 2004, regulating conditions relating to prices of essential maritime services.

2. The price determination revokes and replaces the First Pricing Determination made by the Minister for Government Enterprises that came into effect on 31 October 2001.

3. The price determination regulates conditions relating to prices by monitoring the price levels of essential maritime services. The price determination describes the requirement for providers of essential maritime services to publish a list of prices upon their websites and for the reporting of related information to, and monitoring by, the Essential Services Commission.

4. The Essential Services Commission will review the need for and, if necessary, the form of ongoing regulation of essential maritime services prior to the expiry of the price determination.

5. The price determination will take effect from the date of publication of this notice in the *South Australian Government Gazette* and continues in effect up to and including 30 October 2007.

6. A copy of the price determination and statement of reasons may be inspected or obtained from the Essential Services Commission, 8th Floor, 50 Pirie Street, Adelaide and is also available at www.escosa.sa.gov.au.

7. Queries in relation to the price determination may be directed to the Essential Services Commission, 8th Floor, 50 Pirie Street, Adelaide. Telephone (08) 8463 4444 or Freecall on 1800 633 592.

Execution:

The seal of the Essential Services Commission was affixed with due Authority by the Chairperson of the Essential Services Commission.

Dated 16 November 2004.

(L.S.) L. W. OWENS, Chairperson, Essential Services Commission

FISHERIES ACT 1982: SECTION 59

TAKE notice that pursuant to section 59 of the Fisheries Act 1982, Grant Grayson, P.O. Box 44, American River, Kangaroo Island, S.A. 5221 (the 'principal exemption holder'), and the class of persons specified in Schedule 1 (the 'other exemption holders'), are exempt from clauses 66 of Schedule 1 of the Fisheries (General) Regulations 2000, but only insofar as the exemption holders may exceed the prescribed boat limits during a chartered fishing trip on the *JAG* in accordance with the allowable limits specified in Schedule 2 (the 'exempted activity'), subject to the conditions specified in Schedule 3, from the date of gazettal until 31 May 2005, unless varied or revoked earlier.

SCHEDULE 1

Any person or persons who charter the boat *JAG* from Grant Grayson for the purpose of recreational fishing.

SCHEDULE 2

1. Where the number of 'other exemption holders' exceeds six, all of the 'other exemption holders' on board the boat are each restricted to taking no more than one half of the daily bag limit (rounded up to the nearest whole number if necessary) for those species of scalefish (except King George whiting) subject to a limit as specified in the Fisheries (General) Regulations 2000 in any one day.

2. Where the number of 'other exemption holders' exceeds three, all of the 'other exemption holders' on board the boat are each restricted to taking no more than 10 King George whiting in any one day.

SCHEDULE 3

1. The principal exemption holder, its employees or agents must not take any fish during the chartered fishing trip.

2. The principal exemption holder must not use any boat other than the *JAG* for the purpose of engaging in the exempted activity.

3. Neither the principal exemption holder nor the other exemption holders may sell any fish taken pursuant to this notice.

4. The principal exemption holder must not accept any fish taken by the other exemption holders as all or part of the consideration for the charter agreement.

5. The principal exemption holder must contact PIRSA Fishwatch on 1800 065 522 at least 24 hours prior to commencing the exempted activity and advise of the time and date of departure of the *JAG* and the estimated time of return to port.

6. While engaged in the exempted activity the principal exemption holder must have in their possession a copy of this notice. Such notice must be produced to a PIRSA Fisheries Officer if requested.

7. The exemption holders must not contravene or fail to comply with the Fisheries Act 1982, or any regulations made under that Act except where specifically exempted by this notice.

Dated 12 November 2004.

W. ZACHARIN, Director of Fisheries

Two dive torches

SCHEDULE 3

1. All fish of the family *Gadopsidae* and *Percichthyidae* collected pursuant to this notice must be returned to the water on completion of scientific evaluation.

2. All other native fish must be either returned to the water on completion of scientific evaluation or lodged with the South Australian Museum.

3. The exemption holders must provide a report in writing detailing the outcomes of the research and the collection of organisms pursuant to this notice to the Director of Fisheries, (G.P.O. Box 1625, Adelaide, S.A. 5001) within three months of the expiry of this notice, giving the following details:

- the date, soak time and location of collection;
- the number of nets used
- the description of all species collected (fish, invertebrates, turtles);
- the number of each species collected; and
- any other information regarding size, breeding or anything deemed relevant or of interest that is able to be volunteered.

4. Before collecting any specimens pursuant to this notice, the exemption holder must advise the PIRSA Fisheries Compliance Unit on 1800 065 522 with details of the proposed locations, the names of the persons undertaking the activity, and the dates on which the collections are to be made.

5. While engaged in the exempted activity, the exemption holder must be in possession of a copy of this notice. Such notice must be produced to a PIRSA Fisheries Compliance Officer if requested.

6. The exemption holder must not contravene or fail to comply with the Fisheries Act 1982 or any regulations made under that Act, except where specifically exempted by this notice.

Dated 12 November 2004.

W. ZACHARIN, Director of Fisheries

FISHERIES ACT 1982: SECTION 59

TAKE notice that pursuant to section 59 of the Fisheries Act 1982, Ian Fuller, holder of Western Zone Abalone Fishery Licence No. W18, P.O. Box 199, Glenelg, S.A. 5045 (the 'exemption holder'), is exempt from regulation 11A of the Fisheries (Scheme of Management—Abalone Fisheries) Regulations 1991 but only insofar as the exemption holder may permit two registered masters to undertake fishing activity pursuant to licence number W18 (the 'exempted activity'), subject to the conditions set out in Schedule 1, from 1 January 2005 until 31 December 2005, unless varied or revoked earlier.

SCHEDULE 1

1. The exempted activity may only be conducted from a boat registered on Western Zone Abalone Fishery Licence No. W18.

2. The exemption holder must not permit more than two registered masters from engaging in the exempted activity on any one day.

3. If more than one registered master is engaged in the exempted activity on any one day, one of the registered masters must be a designated trainee diver.

4. For the purposes of the exemption, the 'designated trainee diver' may only be Ry Ian Fuller, P.O. Box 2115, Port Lincoln, S.A. 5067.

5. The exemption holder may engage in the exempted activity for a maximum of 10 days during the period commencing from 1 January 2005 until 31 December 2005.

6. Prior to conducting the exempted activity the exemption holder must advise the PIRSA Fishwatch duty officer on 1800 065 522 of the following information:

- Name of licence holder;
- Licence number;
- Name of registered master undertaking the exempted activity for the day;
- Name of trainee diver;

EXTRACTIVE AREAS REHABILITATION FUND (EARF)

Lifting of Temporary Suspension of New Approvals for Expenditure

FOLLOWING the completion of the review of funding arrangements for rehabilitation of extractive mines in South Australia, the Minister for Mineral Resources Development has approved new funding arrangements.

These arrangements are described in 'EARF Guidelines for Operation' dated November 2004. These guidelines are now available on the internet at www.pir.sa.gov.au.

Copies will be sent to all holders of Extractive Mineral Leases and Private Mine owners in the near future and details for a series of information sessions on the new arrangements will be circulated.

With the approval of the new guidelines, the temporary suspension on new applications for EARF funding has now been lifted.

PETROLEUM ACT 2000

SECTION 25 (5) (b)

Variation of Petroleum Exploration Licence—PEL 82

NOTICE is hereby given that under the provisions of the Petroleum Act 2000, pursuant to delegated powers dated 28 March 2002, *Gazetted* 11 April 2002, page 1573, the conditions of the abovementioned Exploration Licence have been varied as follows:

Condition 1 of the licence is omitted and the following substituted:

1. During the term of the licence, the Licensee shall carry out or cause to be carried out exploratory operations on the area comprised in the licence in accordance with such work programs as are approved by the Minister from time to time. Year one exploratory operations are guaranteed. These exploratory operations shall include but not necessarily be limited to:

Year of Term of Licence	Minimum Work Requirements
One	85 km seismic reprocessing; geological and geophysical studies
Two	Geological and geophysical studies
Three	Geological and geophysical studies
Four	High resolution gravity survey and/or 30 km seismic
Five	1 well

This variation removes the originally programmed wells in Years 3 and 4. The revised work program as a result of this variation would not have altered the outcome of the original competitive tender process.

STATE LOTTERIES ACT 1966

LOTTERIES (KENO) RULES

1. *Preliminary*

- 1.1 These Rules may be cited as the Lotteries (Keno) Amendment Rules 2004 (No. 1).
- 1.2 The Lotteries (Keno) Rules made under the State Lotteries Act 1966 and published in the *Government Gazette* on 19 July 1999, as amended, by the amendments published in the *Government Gazette* on 22 February 2001 and 27 March 2003 are hereinafter referred to as the “Principal Rules”.
- 1.3 The Principal Rules are hereby amended effective from midnight on Thursday, 18 November 2004 and these Rules will take effect immediately thereafter, except as provided in these Rules.

2. *Amendment to Rule 7*

Rule 7 of the Principal Rules is deleted and the following is to be substituted therefor:

“7. *Prize Pool Allocation*

- 7.1 Only one prize can be won by any one selection of numbers.
- 7.2 The prizes payable will be as designated in Schedule 1, subject to Rules 7.3, 7.4 and 7.5.
- 7.3 The prize for 10 hits in a Spot 10 entry:
- 7.3.1 if there is 1 winner, will be the amount designated in Schedule 1;
- 7.3.2 if there is more than 1 winner, will be apportioned between such winners in accordance with the following formula:

$$W = \frac{E_w}{E_t} \times (Ga + J) \quad (\text{where } W \text{ is the amount payable to a particular winner; } E_w \text{ is the entry fee paid by the particular winner for the winning selection of numbers; } E_t \text{ is the total of all entry fees paid by all winners in respect of winning selections of numbers). } Ga \text{ is the guaranteed amount – see Rule 7.4 } J \text{ is the jackpot – see Rule 7.4.)$$

7.4 From time to time, the Commission may set aside a proportion of the total amount received from Spot 10 entry fees to any draw or series of draws. The amounts set aside will be accumulated by the Commission to constitute the guaranteed amount and the jackpot and be applied as follows:

7.4.1 The jackpot will be distributed from time to time as additional or increased prize money to Spot 10 winners together with the guaranteed amount in such draws and in such amounts as the Commission determines.

7.4.2 If there is no Spot 10 winner in any draw in which the jackpot is offered, the jackpot will be added to the jackpot in the next draw in which the jackpot is offered and this jackpotting will continue until there is a Spot 10 winner.

7.5 Other than prizes for 10 hits in a Spot 10 entry, if:

7.5.1. the total amount of the prizes in any draw exceeds \$500 000; and

7.5.2. a prize is equal to or greater than \$1 001 other than by reason of the fact that the permitted multiple of the entry was greater than 1,

the prize will be reduced (scaled) to an amount calculated in accordance with the following formula:

$$P = \frac{W \times \$500\,000}{W_t} \quad (\text{where } P \text{ is the scaled prize; } W \text{ is the amount payable to a particular winner under Schedule 1; and } W_t \text{ is the total of all prizes payable to all winners under Schedule 1.)$$

The Common Seal of the Lotteries Commission of South Australia was affixed pursuant to a resolution of the Commission in the presence of:

Dated 24 August 2004.

1—Short title

These regulations may be cited as the *Superannuation Variation Regulations 2004*.

2—Commencement

These regulations come into operation on the day on which they are made.

3—Variation provisions

In these regulations, a provision under a heading referring to the variation of specified regulations varies the regulations so specified.

Part 2—Variation of *Superannuation Regulations 2001*

4—Substitution of heading

Part 4 Division 3—delete the heading and substitute:

Division 3—Related provisions

5—Variation of regulation 29—Salary in relation to fixed term appointments

Regulation 29—after subregulation (11) insert:

- (11a) Any determination of salary under this regulation must, if relevant, take into account, and operate subject to, the provisions of regulation 29A.

6—Insertion of regulation 29A

After regulation 29 insert:

29A—Special provision relating to certain TEC contracts without tenure

- (1) Despite any other regulation, but subject to subregulation (2), if a contributor employed pursuant to a TEC contract without tenure has, at any time before he or she entered into that contract, been employed pursuant to a TEC contract with tenure (including such a contract at a lower position and including such a contract entered into before the commencement of this regulation), then, during the first 12 months of employment pursuant to the TEC contract without tenure, 86.9565% of the proportion of the value of the total remuneration package specified in the contract that applies under regulation 28 will be taken to be the contributor's salary for the purpose of determining contributions and benefits with respect to the contributor's membership of the Scheme.
- (2) Subregulation (1) does not apply—
- (a) in respect of a contributor who has been previously employed pursuant to another TEC contract without tenure, other than where the contributor, at any time after the end of that TEC contract without tenure, was employed pursuant to a TEC contract with tenure or was employed in a position with permanency; or
 - (b) for the purpose of determining benefits with respect to a contributor's membership of the Scheme in a case involving—
 - (i) the invalidity of the contributor (irrespective of the age of the contributor); or
 - (ii) the termination of the relevant contract by an act of the employer (including a retrenchment); or
 - (iii) the death of the contributor.
- (3) In this regulation—
- TEC contract with tenure**, in relation to a contributor, means a TEC contract—
- (a) that provides that the contributor will be entitled to some other specified appointment as an employee (without any requirement for selection processes to be conducted) in the event that he or she is not reappointed to the position held under the contract at the end of a term of appointment or employment or in other circumstances specified in the contract (whether or not the contract is under Part 7 of the *Public Sector Management Act 1995*); or

- (b) that is under Part 7 of the *Public Sector Management Act 1995* and does not exclude the operation of subsection (5) of section 34 of the *Public Sector Management Act 1995* (being a contract under section 34 of that Act that does not make provision for an appointment in the manner and circumstances contemplated by subsection (4) of that section);

TEC contract without tenure, in relation to a contributor, means a TEC contract that is not a TEC contract with tenure.

Note—

As required by section 10AA(2) of the *Subordinate Legislation Act 1978*, the Minister has certified that, in the Minister's opinion, it is necessary or appropriate that these regulations come into operation as set out in these regulations.

CITY OF ADELAIDE
DEVELOPMENT ACT 1993

*Adelaide (City) Development Plan—Central West Precinct
Strategic Urban Renewal Plan Amendment Report—
Draft for Concurrent Public and Agency Consultation*

NOTICE is hereby given that the Adelaide City Council has prepared the Central West Precinct Strategic Urban Renewal Plan Amendment Report (PAR) to amend the Adelaide (City) Development Plan.

The PAR affects:

- The area bound by Franklin, Morphett, Waymouth and Elizabeth Streets (part of this area being the former Balfours Bakery site);
- The area bound by Franklin, Morphett and Grote Streets extending east to include the whole of the existing City of Adelaide public carpark to the east of the Church of Christ on Grote Street extending through to Franklin Street (part of this area being the Franklin Street Bus Station and Council carpark sites).

The PAR proposes to amend the Development Plan to address the particular design aspects of the Council endorsed concept scheme by the West Central Consortium and to ensure suitable integration with nearby land. The PAR proposes policy to:

- Allow a significant increase in housing and population, including a mix of affordable housing.
- Achieve landmark urban design, with multi-level towers centrally located behind podium buildings along street frontages.
- Seek best practice energy efficient design.
- Require high quality public spaces, pedestrian links and public art.
- Integrate the Balfours red brick facade into a pedestrian space.
- Facilitate an upgraded bus station and new structured public car park.
- Ensure higher buildings maintain adequate sunlight to nearby footpath spaces.

The proposed changes are a further step in the process to deliver significant benefits in the revitalisation of this portion of the city and by so doing foster residential, business, student and visitor growth in line with the council's strategic goals.

An information session will be held on Tuesday, 7 December 2004, from 6.30-9 p.m., at the D'Vine Function Centre, 121-139 Grote Street. Please contact Liz Caris on (08) 8203 7445 if you wish to attend the information session.

The PAR is available for inspection and at no charge on CD from the following locations:

- Adelaide City Council Customer Centre, Ground Floor, Colonel Light Centre, 25 Pirie Street, Adelaide (hard copy is also available at no charge from this location);
- North Terrace Branch, State Library Building (cnr North Terrace and Kintore Avenue);
- City of Adelaide Library, North Adelaide Branch, 176 Tynte Street;
- City of Adelaide Library, Hutt Street Branch, 235 Hutt Street;
- City of Adelaide Library, Grote Street Branch, 18 Grote Street.

The PAR can be viewed on www.adelaidecitycouncil.com under 'Highlights'.

Comments on the PAR can be submitted in writing to the Chief Executive Officer, Adelaide City Council (Central West Precinct Strategic Urban Renewal PAR), G.P.O. Box 2252, Adelaide, S.A. 5001.

Or through email by selecting www.adelaidecitycouncil.com under 'Highlights'.

All submissions should be received by 5 p.m. on Friday, 28 January 2005, and should clearly indicate whether you wish to be heard at the public hearing in support of your submission.

A public hearing will be held in the Adelaide Town Hall at 6 p.m. on Wednesday, 9 February 2005. Interested persons may be heard in relation to the PAR and/or the submissions. The public hearing will not be held if no submissions are received or if no submission makes a request to be heard.

Copies of all submissions received will be available for inspection by interested persons at the Adelaide City Council Customer Centre, 25 Pirie Street, from Monday, 31 January 2005, until the public hearing.

M. HEMMERLING, Chief Executive Officer
