Chapter 16—Sheriff's duties

317—Interpretation

In this Chapter, unless the contrary intention appears—

Act means the *Enforcement of Judgments Act 1991*;

fees means the fees under the *Sheriff's Act 1978* or the *District Court Act 1991*;

judgment creditor and *judgment debtor* have the same meanings as in the Act;

sheriff includes—

- (a) the sheriff, a deputy sheriff and a sheriff's officer appointed under the *Courts Administration Act 1993*; and
- (b) a person appointed to be a deputy sheriff or sheriff's officer under section 6 (3) of the *Sheriff's Act 1978*;

warrant of execution or *warrant* means a warrant under the Act.

318—Service of process

- (1) The sheriff must, if requested to do so by a party to a proceeding or the party's solicitor, serve in the State any originating process or other document issued or prepared in relation to the proceeding in respect of which personal service is required by statute, these rules or the practice of the Court.
- (2) A request for service by the sheriff must be in writing and contain instructions for service.
- (3) Service by the sheriff may be proved by the affidavit of the person effecting service (and a subpoena may not be issued to compel the attendance of the person in respect of any matter arising out of such service except with the Court's permission).

319—Execution of process at a distance

The sheriff may not charge any more for the cost of execution of process at a distance from Adelaide than the cost of transmitting the document by the least expensive mode to and from the office or residence of the nearest sheriff's officer to the place where execution of process is to be made (and allowance for travelling expenses is to be stated in the officer's return, calculated and paid accordingly).

320—Sale of property

- (1) Subject to subrule (4), before property is sold under a warrant, at least 14 days' notice of the intended sale must be given—
 - (a) by notice in writing sent by ordinary prepaid post to the judgment debtor; and
 - (b) by an advertisement in a newspaper circulating generally throughout the State; and

- (c) if the property is real property, by an advertisement published in the *Gazette*; and
 - (d) by such other means as the sheriff considers desirable in the circumstances.
- (2) The publication of an advertisement in the *Gazette* under this rule constitutes seizure of land to which the advertisement relates and actual seizure of the land by the sheriff is not necessary.
- (3) The sheriff must cause any real or personal property seized under a warrant to be sold at a place that is, in the opinion of the sheriff, most advantageous.
- (4) If perishable goods are seized under a warrant, the sheriff must give such notice of the intended sale of the goods as may be reasonable in the circumstances.
- (5) Property may be sold in one lot or several lots and, unless the Court directs otherwise, each sale will be for cash on delivery, conveyance, assignment or transfer.
- (6) A sale under a warrant or execution will be of the estate, right, title or interest only of the party against whom the warrant has been issued in the real or personal property for sale.
- (7) Subject to subrule (8), the sheriff may, with the consent in writing of another person having estate, right, title or interest in property for sale under a warrant, sell the other person's estate, right, title or interest if of the opinion that to do so would obtain a more satisfactory sale.
- (8) Before a sale may take place under subrule (7), the judgment creditor, judgment debtor and the other person involved in the sale must agree in writing as to the proportions in which the net proceeds of the sale will be divided.
- (9) If property seized by the sheriff in execution is sold through an auctioneer or agent, the gross proceeds of the sale must (if the sheriff so requires) be given to the sheriff who will pay to the auctioneer or agent the proper charges and expenses due in connection with the sale.

321—Adverse claims to money held by sheriff

- (1) If the sheriff has received money by virtue of a warrant directed to the sheriff and a person claiming an interest in the money serves the sheriff with a notice requiring the sheriff not to pay over the money, the sheriff may retain the money until the claim is resolved.
- (2) If—
 - (a) the claim is not disputed by the relevant judgment creditor or judgment debtor; or
 - (b) the court that issued the warrant directs the sheriff to recognise the validity of the claim,

the sheriff must pay to the person a sufficient amount to satisfy the person's claim.

322—Payment out by sheriff

- (1) Subject to the provisions of any Act of the Commonwealth relating to bankruptcy and rule 321, when the sheriff receives money by virtue of a warrant directed to the sheriff, he or she must, after making all lawful deductions, pay it on demand to the party entitled to the money or the party's solicitor (whether the warrant is returnable or not).
- (2) The sheriff may deduct from the proceeds of a warrant and pay to the judgment creditor interest accrued on the judgment debt under these rules from the time of the issue of the warrant to when the sheriff makes payment to the judgment creditor (but if the sheriff receives payment of the judgment debt instead of effecting a sale, the sheriff need not account to the judgment creditor for interest accrued after the date on which the sheriff receives payment of the debt).

323—Suspension of execution

- (1) The sheriff may only suspend the execution of a process on—
 - (a) an order of the Court; or
 - (b) an instruction in writing to that effect filed with the sheriff by the judgment creditor.
- (2) Subject to an order of the Court, a judgment creditor who has filed an instruction to suspend the execution of a process may withdraw the instruction by filing with the sheriff a further instruction to execute the process.

324—Claims based on unregistered interests

- (1) A person claiming to have an unregistered interest in property to be sold by authority of the Court must give notice of the claim under section 16 (2) of the Act in writing to the sheriff or the sheriff's officer holding a warrant for the sale of the property.
- (2) On receipt of such notice, the sheriff must send a copy of it by prepaid post to the judgment creditor at his or her address for service.
- (3) If the judgment creditor does not recognise the validity of the claim made in the notice, the judgment creditor must, within 7 days after the posting of the notice, make an application seeking an order that the sheriff not recognise the validity of the claim.
- (4) An application under subrule (3) must be served immediately on the sheriff and on the person making the claim by prepaid post to the person's address for service.
- (5) If the sheriff—
 - (a) is not served with an application under subrule (3), the sheriff is entitled to act under section 16 of the Act on the basis that the claim is not disputed;
 - (b) is served with an application under subrule (3), the sheriff may only act under the warrant from then on in accordance with the directions of the Court.

325—Fees

- (1) Fees payable to the sheriff may be taxed if there is a dispute between the sheriff and the person liable to pay the fees.
- (2) If an execution is withdrawn, satisfied or stopped, the fees payable in respect of the execution must be paid by the person on whose application the warrant of execution was issued or the person on whose application the execution was stopped (as the case may be).
- (3) If the sheriff has, on request, withdrawn from property taken under execution, the fees in respect of the full amount the sheriff has been required to charge under the warrant will become payable by the execution creditor or his or her solicitor unless—
 - (a) an arrangement that makes the sale unnecessary is reached between the execution creditor and execution debtor; and
 - (b) full particulars of the arrangement are filed with the sheriff within 14 days of the making of the arrangement.
- (4) If a solicitor who requests the service or execution of process, or any other work for which the sheriff may charge a fee, is in default of payment of a fee for a period of 7 days after demand in writing by the sheriff, the sheriff may report the name of the solicitor in default to the Court.
- (5) The Court may make an order for the enforcement of fees in respect of a solicitor in default and the sheriff may, with the consent of the Attorney-General, commit the conduct of the matter to the Crown Solicitor.

326—Place of detention on arrest

If a person is arrested by the sheriff on a civil process of the Court, the person must, where practicable, be taken and detained in the prison nearest to the place of arrest until the Court orders the person's discharge.

327—Sheriff liable as if in contempt

If the sheriff does not properly execute a process, the sheriff is liable to punishment as if in contempt of the Court.

328—Sheriff may be directed by Court

The sheriff may, on the sheriff's own initiative or on application by a party to proceedings, refer a question relating to the performance of the sheriff's duties in relation to the proceedings for the direction of the Court.
