5.11.1 The Authority will have a common seal, which may be affixed to documents requiring execution under seal and where affixed must be witnessed by two Board Members or where authority has been conferred by instrument executed under the common seal of the Authority, by the Chair of the Board and the Executive Officer.

5.11.2 The common seal must not be affixed to a document except to give effect to a resolution of the Board.

5.11.4 The Board may by instrument under seal authorise a person to execute documents on behalf of the Authority.

**5.12 Constituent Council Undertakings**

5.12.1 Each of the Constituent Councils has made certain undertakings to the Authority and to the other Constituent Councils, based on which, the Constituent Councils have each resolved to form the Authority and support the execution by the Authority of the Funding Deed.

5.12.2 Those undertakings are reflected in the undertakings of the Authority contained and referenced in the Funding Deed.

- 5.12.3 Without limiting the above, the Authority also relies on the performance and conduct of each of the Constituent Councils in order to meet its obligations under the Funding Deed. Each Constituent Council has considered and understands the obligations of the Authority under the Funding Deed and accordingly, each Constituent Council further undertakes that it will:
- 5.12.3.1 not do anything which results in the Authority breaching its obligations under the Funding Deed; and
  - 5.12.3.2 maintain and provide such reports and information, in a form required by the Authority in order that the Authority can meet its obligations under the Funding Deed.
- The above undertakings are, in the case of each Constituent Council, referred to as that Council's 'Undertakings'.
- 5.12.4 Each Constituent Council acknowledges that a failure on its part to meet its Undertakings could result in loss to the Authority and the other Constituent Councils.
- 5.12.5 A Constituent Council that defaults in meeting its Undertakings (the 'Defaulting Council') indemnifies the Authority and the other Constituent Councils (the 'Indemnified Parties') in respect of loss suffered by them arising from a breach by the Defaulting Council of its Undertakings.
- 5.12.6 The liability of the Defaulting Council to an Indemnified Party is reduced proportionately to the extent that the loss suffered by the Indemnified Party caused or contributed to the event giving rise to the loss.
- 5.12.7 Without limiting the application of applicable law, each of the Constituent Councils and the Authority must act reasonably to seek to reduce or mitigate any loss suffered through a breach by a Defaulting Council of its Undertakings.

#### 5.13 **Circumstances Not Provided For**

If any circumstances arise about which this Charter is silent, incapable of taking effect or being implemented according to its strict provisions, the Board has the power to consider the circumstance and determine the action to be taken.
