THE CPA AUSTRALIA LIMITED (South Australia) SCHEME

1. Occupational Association

1.1 The CPA Australia Limited (South Australia) Scheme (the **'Scheme'**) is a scheme under the *Professional Standards Act 2004 (SA)* (**'the Act'**) of CPA Australia Limited (**'CPA Australia'**), Level 28, 385 Bourke Street, Melbourne VIC 3000.

1.2 Definitions of terms used in the Scheme appear in the Scheme, including in Part 4.

2. Persons to Whom the Scheme Applies

2.1 This Scheme applies to participating members, being those CPA Australia members referred to in Clauses 2.2 and 2.3 of the Scheme, and to all persons to whom the Scheme applied at the time of the relevant act or omission on which a cause of action for damages for occupational

liability is founded.¹ Each such participating member and person is referred to in the Scheme as a 'participant'.

2.2 All members who hold a current Public Practice Certificate issued by CPA Australia and affiliate members of CPA Australia other than financial services licensees.

2.3 All practice entity members other than financial services licensees.²

2.4 No person to whom the Scheme applies may choose not to be subject to the Scheme, provided that CPA Australia may, on application by a person, exempt the person from the Scheme if CPA Australia is satisfied that he or she would suffer financial hardship in obtaining professional indemnity insurance to the levels set out in Clause 3.1 below.

3. **Limitation of Liability**

3.1 This Scheme only affects the liability of a participant for damages³ arising from a single cause of action to the extent to which the liability results in damages exceeding:

(a) \$500 000 where the act or omission giving rise to the cause of action occurred on or before 30 June 2008;

(b) \$750 000 where the act or omission giving rise to the cause of action occurred between 1 July 2008 and 30 June 2009;

(c) \$1 million where the act or omission giving rise to the cause of action occurred after 1 July 2009.

3.2 Where a participant against whom a proceeding is brought relating to occupational liability in connection with Category 1 services is able to satisfy the court of (a), (b) or (c) below, the

¹ Sections 20 and 21 of the Act provide that if the Scheme applies to a body corporate, the Scheme also applies to each officer of the body corporate and if the Scheme applies to a person, the Scheme also applies to each partner of a person, and if the Scheme applies to a person, the Scheme also applies to each employee of that person, provided that if such officer of the corporation or partner of the person or employee of the person is entitled to be a member of the same occupational association, such officer, partner or employee is a member of the occupational association. Section 22 provides that the Scheme may also apply to other persons as specified in that section. Sections 20 and 21 do not expressly extend the application of a scheme to employees of a body corporate although that would logically be the intention.

² A practice entity member is a practice entity which has been admitted to membership of CPA Australia. This category of membership is available for practice entities which are entitled to use the CPA Australia description, having satisfied the necessary requirements.

³ Damages as defined in Section 4 of the Act means:

- (a) damages awarded in respect of a claim or counter-claim or by way of set-off; and
- (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant); and
- (c) any interest payable in respect of those damages or costs.

participant is not liable in damages in relation to that cause of action above the lesser of the Category 1 limitation amount determined under Clause 3.4 and the Category 1 monetary ceiling specified in Clause 3.3:

(a) the participant has the benefit of an insurance policy insuring the participant against the occupational liability and the amount payable under the insurance policy in respect of the occupational liability relating to the cause of action (including any amount payable by the person by way of excess under or in relation to the policy) is not less than the amount of the Category 1 monetary ceiling or the Category 1 limitation amount;

OR

(b) the participant has business assets the net current market value of which is not less than the amount of the Category 1 monetary ceiling or Category 1 limitation amount;

OR

(c) the participant has business assets and the benefit of an insurance policy insuring the participant against that occupational liability, and the net current market value of the business assets and the amount payable under the insurance policy in respect of that occupational liability relating to that cause of action (including any amount payable by the participant by way of excess under or in relation to the policy), if combined, is not less than the amount of the Category 1 monetary ceiling or Category 1 limitation amount.

3.3 The Category 1 monetary ceiling is \$75 million.

3.4 The Category 1 limitation amount is an amount equal to a reasonable charge for the Category 1 services provided by the participant or which the participant failed to provide and to which the cause of action relates, multiplied by the multiplier specified in Clause 3.4.2 below.

3.4.1 In determining the amount of a reasonable charge a court is to have regard to any amount actually charged and to:

(a) the amount that would ordinarily be charged in accordance with a scale of charges prescribed or accepted by CPA Australia; or

- (b) if there is no such scale, the amount that a competent person of the same qualifications and experience as the participant would be likely to charge in the same circumstances.

3.4.2 The multiplier is 10.

3.5 Where a participant against whom a proceeding is brought relating to occupational liability in connection with Category 2 services is able to satisfy the court of (a), (b) or (c) below, the participant is not liable in damages in relation to that cause of action above the monetary ceiling specified in Clause 3.6:

- (a) the participant has the benefit of an insurance policy insuring the participant against the occupational liability, and the amount payable under the insurance policy in respect of the occupational liability relating to that cause of action (including any amount payable by the person by way of excess under or in relation to the policy) is not less than the amount of the Category 2 monetary ceiling;

OR

- (b) the participant has business assets the net current market value of which is not less than the amount of the Category 2 monetary ceiling;

OR

- (c) the participant has business assets and the benefit of an insurance policy insuring the participant against that occupational liability, and the net current market value of the business assets and the amount payable under the insurance policy in respect of that occupational liability relating to that cause of action (including any amount payable by the participant by way of excess under or in relation to the policy), if combined, would total an amount that is not less than the amount of the Category 2 monetary ceiling.

3.6 The Category 2 monetary ceiling is the lesser of:

- (a) \$20 million; and
- (b) the highest fee (or the highest total of fees) billed by a participant or if the participant is a member of a practice entity (whether a practice entity member of CPA Australia or not), by all participants who are members of or part of the practice entity, in a single financial year for a Category 2 engagement:

- (i) over the three (3) full financial years immediately prior to the financial year in which the participant commences to provide the Category 2 services which are the subject of the proceeding against the participant;
or
- (ii) if the participant has less than three (3) full financial years' Category 2 services fee history immediately prior to the financial year in which the participant commences to provide the Category 2 services which are the subject of the proceeding against the participant, over the two (2) full financial years or that full financial year immediately prior to the financial services year in which the participant commences to provide the Category 2 services which are the subject of the proceeding,

multiplied by 10;

OR

- (c) if the participant has no, or less than one full financial year's Category 2 services fee history immediately prior to the financial year in which the participant commences to provide the Category 2 services which are the subject of the proceeding against the participant, the applicable amount specified in Clause 3.6 (a) above.

3.7 Where a participant against whom a proceeding is brought relating to occupational liability in connection with Category 3 services is able to satisfy the court of (a), (b) or (c) below, the participant is not liable in damages in relation to that cause of action above the lesser of the Category 3 limitation amount determined under Clause 3.9 and the amount of the Category 3 monetary ceiling specified in Clause 3.8:

- (a) the participant has the benefit of an insurance policy insuring the participant against the occupational liability, and the amount payable under the insurance policy in respect of the occupational liability relating to that cause of action (including any amount payable by the person by way of excess under or in relation to the policy) is not less than the amount of the Category 3 monetary ceiling or the Category 3 limitation amount;

OR

(b) the participant has business assets the net current market value of which is not less than the amount of the Category 3 monetary ceiling or Category 3 limitation amount;

OR

(c) the participant has business assets and the benefit of an insurance policy insuring the participant against that occupational liability, and the net current market value of the business assets and the amount payable under the insurance policy in respect of that occupational liability relating to that cause of action (including any amount payable by the participant by way of excess under or in relation to the policy), if combined, would total an amount that is not less than the amount of the Category 3 monetary ceiling or Category 3 limitation amount.

3.8 The Category 3 monetary ceiling is \$20 million.

3.9 The Category 3 limitation amount is an amount equal to a reasonable charge for the Category 3 services provided by the participant or which the participant failed to provide and to which the cause of action relates, multiplied by the multiplier specified in Clause 3.9.2 below.

3.9.1 In determining the amount of a reasonable charge a court is to have regard to any amount actually charged and to:

- (a) the amount that would ordinarily be charged in accordance with a scale of charges prescribed or accepted by CPA Australia; or
- (b) if there is no such scale, the amount that a competent person of the same qualifications and experience as the participant would be likely to charge in the same circumstances.

3.9.2 The multiplier is 10.

3.10 Pursuant to Section 26 of the Act, this Scheme confers on CPA Australia a discretionary authority to specify, on application by a participant, a higher maximum amount of liability not exceeding \$75 million than would otherwise apply under the Scheme in respect of any specified case or class of case of Category 2 services or Category 3 services, where the fee for the service or services is, or is reasonably expected to be, \$2 million or greater. The higher maximum amount of liability will apply if CPA Australia exercises its discretion and approves the higher maximum amount of liability prior to the participant beginning to provide the relevant services.

3.11 In circumstances where the services provided by a participant comprise a combination of Category 1 services and any of:

- (a) Category 2 services;
- (b) Category 3 services;
- (c) Category 2 services and Category 3 services,

the participant's liability under this Scheme for damages in respect of a proceeding in relation to occupational liability in excess of the applicable amount specified in Clause 3.1 brought against it will be determined in accordance with those provisions of the Scheme relating to Category 1 services only, that is, Clauses 3.2 to 3.4.

3.12 In circumstances where the services provided by a participant comprise a combination of Category 2 services and Category 3 services, the participant's liability under this Scheme for damages in respect of a proceeding in relation to occupational liability in excess of the applicable amount specified in Clause 3.1 brought against it will be determined (subject to Clause 3.10) in accordance with those provisions of the Scheme relating to Category 2 services only, that is Clauses 3.5 and 3.6.

3.13 Nothing in this scheme is intended to increase, or has the effect of increasing, a participant's liability for damages to a person beyond the amount that, other than for the existence of this Scheme, the participant would be liable in law.

3.14 This Scheme only limits the amount of damages for which a participant is liable if and to the extent that the damages exceed the applicable amount specified in Clause 3.1. Where the amount of damages in relation to a cause of action exceeds the applicable amount specified in Clause 3.1 but the damages which may be awarded as determined by this Scheme are equal to or less than the applicable amount specified in Clause 3.1, liability for those damages will instead be limited to the applicable amount specified in Clause 3.1.

4. **Definitions**

4.1 In this Scheme, the following words and phrases have the following meanings:

DEVELOPMENT ACT 1993

Strategic Directions Report—Public Consultation

NOTICE is hereby given that the Town of Gawler, pursuant to Section 30 of the Development Act 1993, has prepared a Strategic Directions Report.

A Strategic Directions Report is a formal document that identifies the strategic planning issues of relevance to the Council as outlined in the State Planning Strategy (the 30-Year Plan for Greater Adelaide), Council's Strategic Plan and any other relevant policy documents.

The purpose of a Strategic Directions Report is to provide the community and the Minister for Planning with a clear indication of the development issues affecting the council area and how such issues can be addressed by future amendments to the Gawler Development Plan. The review may also identify the need to introduce new planning policies and may suggest amendments or deletion of existing Development Plan Policies.

The Strategic Directions Report will be on public consultation from Wednesday, 10 April 2013 until Wednesday, 12 June 2013.

Community information sessions are to be held on:

- Monday, 22 April 2013 (Town Centre and Retail Areas) in the Youth Shack Gawler Sport and Community Centre, Nixon Terrace from 6.30 p.m. to 7.30 p.m.
- Wednesday, 24 April 2013 (Rural Areas) in the Rotary Room, Gawler Sport and Community Centre, Nixon Terrace from 6.30 p.m. to 7.30 p.m.
- Tuesday, 30 April 2013 (Residential and Heritage Areas) in the Rotary Room, Gawler Sport and Community Centre, Nixon Terrace from 6.30 p.m. to 7.30 p.m.

Copies of the Strategic Directions Report are available to view or purchase during normal office hours at the Town of Gawler Council offices, 89-91 Murray Street, Gawler. Alternatively the Strategic Directions Report can be viewed on the Internet at www.gawler.sa.gov.au.

LIGHT REGIONAL COUNCIL
DEVELOPMENT ACT 1993

Better Development Plan (BDP) Conversion Development Plan Amendment—Draft for Public Consultation

THE Light Regional Council has prepared a draft 'Better Development Plan (BDP) Conversion' Development Plan Amendment (DPA).

This DPA reformats the Council's current Development Plan into the 'Better Development Plan' format developed by the State Government and has been developed with the aim of achieving:

- State-wide consistency in Development Plan structure and broader consistency in policy content and expression;
- Limitation of content to matters that require approval under the Development Act 1993; and
- Plans that describe the appropriate forms of development using clearly expressed objectives and principles.

The draft DPA comprises modules selected from the State Government's BDP Policy Library as its basis with 'local additions' used from the existing Council Development Plan to add value and maintain consistency with the current Plan. The BDP version of the Plan does not fundamentally change any existing policy content and improves the document by:

- Making it easier for members of the public to navigate the Development Plan.
- Emphasising use of 'plain English' expression for easy interpretation and understanding; and
- Collating policy under specific topic headings (modules) to remove as much of the duplicated content as possible.

The process also adds new features to the Plan, including alphabetical listing of general and zone policy modules and the introduction of new colour mapping collated in one section of the document.

From 11 April 2013 to 7 June 2013 the draft will be available for public inspection during office hours (9 a.m. to 5 p.m.) at Council's offices, 93 Main Street, Kapunda or 12 Hanson Street, Freeling. The draft DPA can also be viewed at Council's library and its website: www.light.sa.gov.au.

Written submissions regarding the draft amendment will be accepted by Council until 5 p.m. on Friday, 7 June 2013. Written submissions should also clearly indicate whether you wish to speak at a public hearing. All submissions should be addressed to the Chief Executive Officer of Light Regional Council (and marked to the attention of Craig Doyle, Manager, Strategy) and either mailed to P.O. Box 72, Kapunda, S.A. 5373 or sent electronically to light@light.sa.gov.au.

Copies of all submissions received will be available for inspection by interested persons at the Light Regional Council offices until the date of the public hearing.

A public hearing will be held at 7.30 p.m. at the Kapunda Council Chambers, 93 Main Street, Kapunda on Wednesday, 19 June 2013. A public hearing may not be held if submissions indicate no interest in speaking at the public hearing.

Dated 8 April 2013.
