- (a) the product which each class of containers shall contain;
- (b) the size of the containers;
- (c) the type of containers; and
- (d) the name of the holders of these approvals.

(1) That containers of the class to which the approval relates must bear the refund marking specified by the Authority for containers of that class. The Authority specifies the following refund markings for Category B Containers:

- (a) '10c refund at collection depots when sold in SA', or
- (b) '10c refund at SA/NT collection depots in State/Territory of purchase'.

(2) The holder of the approval must have in place an effective and appropriate waste management arrangement in relation to containers of that class. For the purpose of this approval notice the company named in Column 5 of Schedule 1 of this Notice is the nominated super collector.

(3) In the case of an approval in relation to Category B Containers that the waste management arrangement must require the holder of the approval to provide specified super collectors with a declaration in the form determined by the Authority in relation to each sale of such containers by the holder of the approval as soon as practicable after the sale.

(4) The holder of these approvals must ensure that if a sticker bearing the refund marking has been approved, and is applied to the container, then the sticker must not be placed on any portion of the opening mechanism or in any other place that would require complete or partial removal of the sticker before the contents may be consumed.

CITY OF HOLDFAST BAY

DEVELOPMENT ACT 1993

*Heritage and Character Development Plan Amendment—
Public Consultation*

THE City of Holdfast Bay has prepared a Heritage and Character Development Plan Amendment (DPA) to amend the Holdfast Bay (City) Development Plan to propose additional local heritage places and make minor amendments in the Streetscape Character Policy Areas of the Residential Zone. The DPAs affects the whole Council area by virtue of places being dispersed across the Council area.

The Heritage and Character DPA is subject to interim authorisation, to avoid development contrary to new policy, making it immediately operational while Council conducts consultation and review for permanent authorisation. The proposed changes include:

- Adding 24 Local Heritage Places.

- Making minor changes to policy for garage design to better support the desired character sought in the Residential Zone Policy Areas 7 and 8.
- Refining and updating Council-Wide Heritage policies, and the policies in Policy Areas 7 and 8, using the Better Development Plans (BDP) Policy Library.
