2. The South Australian Water Corporation Act 1994 is committed to the Minister for Water and the River Murray (the Minister) by way of Gazettal notice dated 21 October 2011 (p. 4289).

3. The Water Industry Act 2012 provides for the regulation of prices for water and sewerage retail services by declaring the water industry to constitute a regulated industry for the purposes of the Essential Services Commission Act 2002 and providing for the Essential Services Commission of South Australia (the Commission) to make a determination under the Essential Services Commission Act 2002 regulating prices, conditions relating to prices, and price-fixing factors for such retail services.

4. In making such a determination, the Commission must comply with the requirements of any pricing order issued by the Treasurer under Section 35 of the Water Industry Act 2012.

5. The Treasurer has, on 24 September 2012, issued such a pricing order (the Initial Pricing Order) which applies to, amongst other things, a determination in respect of drinking water and sewerage retail services provided by SA Water for the three year period commencing 1 July 2013 (the initial regulatory period).

6. As part of the Initial Pricing Order, the Treasurer has required that any determination of the Commission in respect of such services allow SA Water to recover:

- (b) the costs of externalities (including water planning and management) as are attributable to and payable by SA Water in accordance with the law, including a direction under Section 6 of the Public Corporations Act 1993; and
- (c) such costs (less any relevant contributions to such costs that it receives) that are attributable to activities that SA Water is required to provide in accordance with a direction under Section 6 of the Public Corporations Act 1993, and are either:
 - (i) specified in the relevant direction, or if not so specified,
 - (ii) determined by the Commission to be efficient.

7. The Minister considers it appropriate, in the interests of transparency, to direct SA Water to:

- (a) provide certain services, in addition to the services it is required to provide pursuant to Section 7 of the South Australian Water Corporation Act 1994 and the Charter for SA Water;
- (b) purchase renewable energy certificates or carbon offsets for the purpose of operating the Adelaide Desalination Plant;
- (c) maintain State-wide pricing in respect of the drinking water and sewerage retail services it provides to customers;
- (d) continue to contribute to water planning and management charges; and
- (e) continue to annually reimburse the Minister in respect of fees paid to the Valuer-General for copies of the valuation roll,

the costs of which may be recovered by SA Water in accordance with the terms of the Initial Pricing Order.

8. The Minister intends that this Direction revoke and replace the previous Direction made to SA Water pursuant to Section 6 of the Public Corporations Act 1993 on 25 February 2013 and published in the *Gazette* on 7 May 2013.
