Advance Care Directive

Information Statement

Your witness will ask you to read this Information Statement, and will then ask you a number of questions to make sure that you understand what you are doing by making an Advance Care Directive.

What is an Advance Care Directive?

An Advance Care Directive is a legal form that allows people over the age of 18 years to:

- write down their wishes, preferences and instructions for future health care, end of life, living arrangements and personal matters and/or
- appoint one or more Substitute Decision-Makers to make these decisions on their behalf when they are unable to do so themselves.

It cannot be used to make financial decisions.

If you have written a refusal of health care, it must be followed if relevant to the circumstances at the time. All other information written in your Advance Care Directive is advisory and should be used as a guide to decision-making by your Substitute Decision-Maker(s), your health practitioners or anyone else making decisions on your behalf.

It is your choice whether or not to have an Advance Care Directive. No one can force you to have one or to write things you do not want. These are offences under the law.

You can change your Advance Care Directive at any time while you are still able by completing a new Advance Care Directive Form.

Your new Advance Care Directive Form will replace all other documents you may have completed previously, for example an Enduring Power of Guardianship, Medical Power of Attorney or Anticipatory Direction.

When will it be used?

Your Advance Care Directive only takes effect (can only be used) if you are unable to make your own decisions, whether temporarily or permanently.

If you cannot:

- understand information about the decision
- understand and appreciate the risks and benefits of the choices
- remember the information for a short time; and
- tell someone what the decision is and why you have made the decision.

It means you are unable to make the decision (sometimes called impaired decision-making capacity) and someone else will need to make the decision for you.

Advance Care Directive

Information Statement

Who will make decisions for you when you cannot?

It is your choice whether you appoint one or more Substitute Decision-Makers. If you have appointed one or more Substitute Decision-Makers, they will be legally able to make decisions for you about your health care, living arrangements and other personal matters when you are unable to. You can specify the types of decisions you want them to make in the Conditions of Appointment Part 2b of your Advance Care Directive.

If you do not appoint any Substitute Decision-Makers others close to you may be asked to make decisions for you if you are unable to (Person Responsible). They must follow any relevant wishes or instructions you have written in your Advance Care Directive.

Anyone making a decision for you will need to make a decision they think you would have made in the same circumstances.

Refusals of health care

You may have written in your Advance Care Directive that you do not want certain types of health care, also known as a refusal of health care. It is important to make sure you have written down when or under what circumstances any refusals of health care apply.

If you have refused specific health care in your Advance Care Directive, your Substitute Decision-Maker(s) (Person Responsible) and your health practitioner must follow that refusal if it is relevant to the current circumstances.

This means that your health practitioner will not be able to give health care treatment you have refused.

If you refuse health care but do not write down when the refusal applies, it will apply at all times.

A health practitioner can only override a refusal of health care if there is evidence to suggest you have changed your mind but did not update your Advance Care Directive, or the health practitioner believes you didn't mean the refusal of health care to apply in the current circumstance.

If this happens they will need consent from your Substitute Decision-Makers, if you have any, or a Person Responsible, to provide any health care.

You cannot refuse compulsory mental health treatment as listed in a community or involuntary treatment order if you have one.

More information

If you would like further information please read the Advance Care Directives Guide provided with this Form or online at www.advancecaredirectives.sa.gov.au

Advance Care Directive

Substitute Decision-Maker Guidelines

Read these guidelines before you agree to be appointed as a Substitute Decision-Maker.

By signing the Advance Care Directive Form you are stating that you agree to be the person's Substitute Decision-Maker and that you understand your role and responsibilities.

Before you sign, make sure you understand what types of decisions you will be able to make and how the person wants you to make those decisions for them.

After you are appointed you should keep a certified copy of the completed, signed Advance Care Directive where you can easily find it.

You should try to have regular discussions with the person in case circumstances change for them.

What is the role of a Substitute Decision-Maker?

As a Substitute Decision-Maker you must try to make a decision you believe the person would have made for themselves in the same situation.

As a Substitute Decision-Maker you can make all the decisions the person wanted you to make, but **you cannot:**

- Make a decision which would be illegal, such as requesting voluntary euthanasia.
- Refuse food and water to be given to them by mouth.
- Refuse medicine for pain or distress (for example palliative care).

- Make legal or financial decisions (unless you have also been appointed as an Enduring Power of Attorney for financial matters).

When contacted and asked to make a decision, you must:

- Support that person to make their own decision if they are able to.
- Produce an original or certified copy of the person's Advance Care Directive Form or advise if it can be accessed in an electronic record.
- Only make decisions which you have been appointed to make under Part 2b Conditions of Appointment.
- Try to contact any other Substitute Decision-Maker appointed to make the same types of decisions as you.
- Only make a decision on your own if no other Substitute Decision-Maker with the same decision-making responsibility as you cannot be contacted, or the decision is urgent.
- Inform any other Substitute Decision-Maker(s) of the decisions you make.
- Try to make a decision you believe the person would have made in the same circumstance. For guidance when making decisions, consult the Decision-Making Pathway at www.advancecaredirectives.sa.gov.au

Advance Care Directive

Information for Witnesses

Authorised witnesses include Justices of the Peace, lawyers, doctors, nurses, pharmacists, teachers and public servants (more than five years). A full list is available in the Advance Care Directives Guide and on the Advance Care Directives website.

It is your choice whether or not you witness a person's Advance Care Directive.

Check that you fit one of the authorised witness categories. The full list is available at the end of this Guide.

- You must be **independent** of the person you are witnessing for, and cannot be:
 - a beneficiary in their Will – for example a family member
 - appointed as their Substitute Decision-Maker or
 - their health practitioner or paid professional carer.

If there is a chance you will be the person's health practitioner in the future you should not witness their Advance Care Directive.

- To be valid, an Advance Care Directive must be completed on the official Advance Care Directive Form. It may be completed in handwriting or electronic text.
- Do not witness the Advance Care Directive until it has been finalised, including signed by you, and any Substitute Decision-Makers (you do not need to witness this).

- It is not your role to check the content of the person's Advance Care Directive.
- If you think the person is not competent to complete an Advance Care Directive, you can request they provide medical documentation which states that they are.

To fulfil your witness obligations you must:

- Make sure the person has a copy of the Advance Care Directive Information Statement. You may need to read it to the person if they are visually impaired.
- Certify that the person appeared to understand the Advance Care Directive Information Statement and that they did not appear to be acting under any form of duress or coercion.
- If you are an interpreter, see the Information for Interpreters.

Penalties

The *Advance Care Directives Act 2013* (SA) contains penalties for making false or misleading statements, as well as penalties for dishonesty, undue influence, or inducing another to give an Advance Care Directive. Maximum penalties are \$20 000 or imprisonment for two years.

Advance Care Directive

Information for Witnesses

Process for correct witnessing

- Confirm that the identity of the person giving the Advance Care Directive matches the details on the Form.
- Speak with the person alone so you can assess if they are voluntarily giving the Advance Care Directive and to limit the possibility of coercion by others.
- Give the person the Advance Care Directive Information Statement.
- Once the person has read the Advance Care Directive Information Statement you can ask questions to make sure that you are satisfied that the person appears to understand the Advance Care Directive Information Statement and that they do not appear to be acting under duress or coercion.
 - What is an Advance Care Directive?
 - When will your Advance Care Directive be used?
 - What types of decisions will it cover?
 - Who will have to follow your Advance Care Directive?
 - Why have you decided to complete an Advance Care Directive?
 - Have you appointed any Substitute Decision-Makers? Why did you choose them? What decisions will they be able to make? When will they be able to make decisions for you?
- If you haven't appointed any Substitute Decision-Makers, who will make decisions for you when you cannot?
- Check whether there are any alterations to the Advance Care Directive (including white-out). You and the person completing the Advance Care Directive should initial and date any alterations. Make sure any blank sections have a diagonal line across them.
- If you are satisfied that the person appears to understand the Advance Care Directive Information Statement and that they do not appear to be acting under duress or coercion, ask the person to sign the Advance Care Directive in front of you. If they are physically unable to sign, your representative can sign this on their behalf.
- Fill in the Witness Statement in Part 4 of the Advance Care Directive Form. Record your name, occupation and contact details and then sign the form.
- Both you and the person **must initial each page of the Advance Care Directive in the boxes provided.**

Advance Care Directive

Information for Interpreters

You are reading this because you have been asked to help someone complete an Advance Care Directive and English is their second language.

The person may have already completed an Advance Care Directive in their own language. If they have, you will need another blank Advance Care Directive Form (available on the website) and to translate their words into English on the new Form.

The official copy of the person's Advance Care Directive must be in English so others, especially those providing health care, can read it.

As the interpreter, you must fill in Part 5 of the Advance Care Directive Form.

Important

By signing your name you are certifying that:

- You gave them the Advance Care Directive Information Statement (you may have to read it to them) and in your opinion, they appeared to understand the information given. The Information Statement is available in a number of different languages on the Advance Care Directives website.

- Your translation, what you have written on the Advance Care Directive Form, accurately reproduces in English the information and instructions of the person.

There are penalties for writing false or misleading statements on an Advance Care Directive or forcing someone to write information in an Advance Care Directive that they do not want to write.

You must explain to the person that they need to sign their Advance Care Directive in front of an authorised independent witness.

An **independent** witness means you are:

- not a beneficiary in their Will
- not appointed as their Substitute Decision-Maker and
- not the person's health practitioner or paid professional carer.

You may also be able to witness their Advance Care Directive, provided that you are also an authorised witness as specified in this Guide or on the Advance Care Directives website.

NOTICE OF ENTRY ON LAND**APPENDIX A: FURTHER INFORMATION FOR THE OWNER OF LAND**

Ⓢ The following information is provided as a guide only. You may wish to seek further advice on this notice.

Glossary of terms used in this document

The Act –	the current version of the <i>Mining Act 1971</i>
Mining operator –	the party who served the notice to you. They may already hold, or be applying for, a mining tenement under the Act (including exploration licence or mineral claim)
Mining operations –	any operations carried out in the course of prospecting, exploring or mining for minerals
Owner of Land –	see Section A of this form for a definition

Purpose of this form

You have received Form 21 (Notice of Entry) because the mining operator intends to enter your land to undertake the mining operations described in Section D of the notice.

The notice is intended to provide you with sufficient information about the proposed mining operations, to ensure that you as the owner of land can make informed decisions regarding entry on land.

After receiving this notice, you have a number of options-

- If you are agreeable to the mining operations described on the notice, no action is required. The mining operator must wait 21 days after the date of service before entering your land. Retain this notice for your records.
- If you require further information about the mining operations, contact the mining operator via the person named in Section B to discuss this notice.
- You may negotiate specific conditions to entry on the land (such as the timing or location of mining operations) by entering into an agreement with the mining operator.
- Some owners of land may have the right to object to entry on the land under section 58A of the Act (see 'Rights of objection' below).
- If you feel that the mining operations may cause you loss, hardship or inconvenience, you may be entitled to seek compensation from the mining operator under section 61 of the Act (see 'Rights of compensation' below).

Some land is exempt from mining operations under section 9 of the Act (see 'Land exempt from mining operations' and 'Waiver of exemption' below).

Rights of objection – holders of exclusive possession of the land

If you hold the land under freehold title, or hold a native title determination that provides exclusive possession, you have the right to object to entry on the land under section 58A of the Act, by lodging a notice of objection.

Within 3 months after service of the notice of entry, you may lodge a notice of objection with the Warden's Court, the Environment, Resources and Development (ERD) Court or the Supreme Court objecting–

- to entry on the land by the mining operator; or
- to the use, or the unconditional use, of the land, or a portion of the land, for mining operations.

Further information about lodging an objection is available from the relevant court.

If the court is satisfied that the conduct of the mining operations on the land would be likely to result in substantial hardship or substantial damage to the land, the court may–

- determine that the land, or a particular part of the land, should not be used by the mining operator for the purpose of mining operations; or
- determine conditions on which operations may be carried out on the land by the mining operator with least detriment to the interest of the owner and least damage to the land.

Rights of compensation

Under section 61 of the Act, as the owner of land (including a pastoral lease holder) you may have the right to compensation for any economic loss, hardship and inconvenience suffered as a result of mining operations.

In determining the compensation payable, the following matters are considered:

- any damage caused to the land by the mining operator; and
- any loss of productivity or profits as a result of the mining operations; and
- any other relevant matters.

The compensation may include an additional component to cover costs reasonably incurred by the owner of land in connection with negotiations or dispute related to –

- the licensee gaining access to the land
- the activities to be carried out on the land
- the compensation to be paid

The compensation can be negotiated between the owner of land and the mining operator, or determined by the appropriate court (upon application by the owner of land or the mining operator).

In determining compensation, the court will take the rehabilitation of the land into consideration. The court may order a mining operator to carry out any work to rehabilitate the land that the court thinks fit.

In assessing compensation for costs in connection with any negotiation or dispute, the court will not consider costs that arise during a period where a reasonable offer of compensation is open to the owner of land.

Land exempt from mining operations

Under section 9 of the Act the following land is exempt from mining operations-

- (a) land that is lawfully and genuinely used –
 - (i) as a yard, garden, cultivated field, plantation, orchard or vineyard;
 - (ii) as an airfield, railway or tramway;
 - (iii) as the grounds of a church, chapel, school, hospital or institution; or
- (b) land that constitutes any parklands or recreation grounds under the control of a council; or
- (ba) land –
 - (i) that is dedicated or reserved, pursuant to statute, for the purpose of waterworks; or
 - (ii) that is vested in the Minister of Public Works for the purpose of waterworks; or
 - (iii) that is comprised within an easement in favour of the Minister of Public Works;
 or
- (bb) land that constitutes a forest reserve under the Forestry Act 1950; or
- (c) any separate parcel of land of less than 2 000 square metres within any city, town or township; or
- (d) land that is situated –
 - (i) within 400 metres of a building or structure used as a place of residence (except a building or structure of a class excluded by regulation from the ambit of this paragraph); or
 - (ii) within 150 metres of –
 - (A) a building or structure, with a value of \$200 or more, used for an industrial or commercial purpose; or
 - (B) a spring, well, reservoir or dam,

The land is not exempt land if a mining tenement (claim, lease or licence) is pegged or granted before the land falls into one of the above categories. For example, land will not be classed as exempt land if a dwelling or structure is built after a mining tenement is pegged or granted.

In regard to the holder of the benefit of the exemption, the following persons shall be regarded as the 'benefit holder':

- (a) The owner of the exempt land; and
- (b) The owner of nearby land that is exempt land by reason of its proximity to the mining operations.

Waiver of exemption

The benefit of an exemption under the Act may be waived by written agreement between the mining operator and the benefit holder, or by an ERD Court order if an agreement cannot be reached.

Mining operations cannot commence until after the exemption has been waived (through an agreement or court order), however the mining operator may enter the land and/or peg a claim before the exemption has been waived.

To initiate the negotiation process, the mining operator requests that the benefit holder enters into an agreement, by serving Form 23A (Waiver of Exemption - Request) on those persons. Further information is available on that form.

The service of this notice does not satisfy the requirements under Part 9B of the Act in relation to authorisation to conduct mining operations on native title land.

Persons who hold native title in land that specifies exclusive possession of the land have the right to object to entry on land under section 58A of the Act.

NOTICE OF USE OF DECLARED EQUIPMENT**APPENDIX A: FURTHER INFORMATION FOR THE OWNER OF LAND**

Ⓜ The following information is provided as a guide only. You may wish to seek further advice on this matter.

Glossary of terms used in this document

The Act – the current version of the *Mining Act 1971*

Declared equipment – see Section B of this form for a definition

Mining operator – the proponent who served the notice to you. They may already hold, or be applying for, a tenement (including exploration licence or mineral claim)

Mining operations – any operations carried out in the course of prospecting, exploring or mining for minerals

Owner of Land – see Section A of this form for a definition

Purpose of this form

You have received Form 22 (Notice of Use of Declared Equipment) because the mining operator intends to use equipment on your land that is classed as *declared equipment* under the Act.

The notice is intended to provide you with sufficient information about the proposed use of declared equipment, to ensure that you as the owner of land can make informed decisions about operations conducted on your land.

After receiving this notice, you have a number of options–

- If you are agreeable to the use of declared equipment described on the notice, no action is required. The mining operator must wait 21 days after the date of service before using the equipment. Retain this notice for your records.
- If you require further information about the use of declared equipment, contact the mining operator via the person named in Section B to discuss this notice.
- You may negotiate specific conditions to the use of declared equipment (such as the timing or location of use) by entering into an agreement with the mining operator.
- Some owners of land may have the right to object to use of declared equipment under section 59 of the Act (see 'Rights of objection' below).
- If you feel that the use of declared equipment may cause you loss, hardship or damage to land, you may be entitled to seek compensation from the mining operator under section 61 of the Act (see 'Rights of compensation' below).

Rights of objection – all owners of land

You as the owner of land (including the holder of a pastoral lease, or a licence under the *Petroleum and Geothermal Energy Act 2000*) have the right to object to the use of declared equipment on the land under section 59 of the Act, by lodging a notice of objection.

You must establish to the court that the use of declared equipment on the land would be likely to result in substantial hardship or substantial damage to the land.

Within 3 months after service of the notice, you may lodge a notice of objection with the Warden's Court objecting–

- to the use of declared equipment by the mining operator; or
- to the unconditional use of declared equipment by the mining operator.

Further information about lodging an objection is available from the Warden's Court.

If the court is satisfied that the use of declared equipment on the land would be likely to result in substantial hardship or substantial damage to the land, the court may–

- determine that declared equipment should not be used by the mining operator in the course of mining operations; or
- determine conditions upon which declared equipment may be used on the land by the mining operator with least detriment to the interest of the owner and least damage to the land.

Rights of compensation

Under section 61 of the Act, as the owner of land (including a pastoral lease holder) you may have the right to compensation for any economic loss, hardship and inconvenience suffered as a result of mining operations.

In determining the compensation payable, the following matters are considered:

- any damage caused to the land by the mining operator; and
- any loss of productivity or profits as a result of the mining operations; and
- any other relevant matters.

The compensation may include an additional component to cover costs reasonably incurred by the owner of land in connection with negotiations or dispute related to –

- the mining operator gaining access to the land
- the activities to be carried out on the land
- the compensation to be paid

The compensation can be negotiated between the owner of land and the mining operator, or determined by the appropriate court (upon application by the owner of land or the mining operator).

In determining compensation, the court will take the rehabilitation of the land into consideration. The court may order a mining operator to carry out any work to rehabilitate the land that the court thinks fit.

In assessing compensation for costs in connection with any negotiation or dispute, the court will not consider costs that arise during a period where a reasonable offer of compensation is open to the owner of land.

WAIVER OF EXEMPTION - REQUEST**APPENDIX A: FURTHER INFORMATION FOR THE OWNER OF LAND**

Ⓢ The following information is provided as a guide only. You may wish to seek further advice on this notice.

Glossary of terms used in this document

The Act –	the <i>Mining Act 1971</i>
Mining operator –	the party who served the notice to you. They may already hold, or be applying for, a mining tenement under the Act (including exploration licence or mineral claim)
Mining operations –	any operations carried out in the course of prospecting, exploring or mining for minerals
Owner of land –	see Section A of this form for a definition
Benefit holder –	the owner of the exempt land, or the owner of nearby land that is exempt land by reason of its proximity to the mining operations

Purpose of this form

You have received Form 23A (Waiver of Exemption – Request) because the mining operator is requesting that you enter into an agreement to allow mining operations on your land, and your land is considered to be 'exempt land'.

Exempt land

Under section 9 of the Act the following land is exempt from mining operations-

- (a) land that is lawfully and genuinely used –
 - (i) as a yard, garden, cultivated field, plantation, orchard or vineyard;
 - (ii) as an airfield, railway or tramway;
 - (iii) as the grounds of a church, chapel, school, hospital or institution; or
- (b) land that constitutes any parklands or recreation grounds under the control of a council; or
- (ba) land –
 - (i) that is dedicated or reserved, pursuant to statute, for the purpose of waterworks; or
 - (ii) that is vested in the Minister of Public Works for the purpose of waterworks; or
 - (iii) that is comprised within an easement in favour of the Minister of Public Works;
 or
- (bb) land that constitutes a forest reserve under the Forestry Act 1950; or
- (c) any separate parcel of land of less than 2 000 square metres within any city, town or township; or
- (d) land that is situated –
 - (i) within 400 metres of a building or structure used as a place of residence (except a building or structure of a class excluded by regulation from the ambit of this paragraph); or
 - (ii) within 150 metres of –
 - (A) a building or structure, with a value of \$200 or more, used for an industrial or commercial purpose; or
 - (B) a spring, well, reservoir or dam

The land is not exempt land if a mining tenement (claim, lease or licence) is pegged or granted before the land falls into one of the above categories. For example, land will not be classed as exempt land if a dwelling or structure is built after a mining tenement is pegged or granted.

Waiver of exemption

The benefit of an exemption under the Act may be waived by a written agreement between the mining operator and the benefit holder, or by an ERD Court order if an agreement cannot be reached.

Mining operations cannot commence until after the exemption has been waived (through an agreement or court order), however the mining operator may enter the exempt land and/or peg a claim before the exemption has been waived.

Section 9AA of the Act outlines a two-step process whereby the operator must first serve a Waiver of Exemption – Request (Form 23A) to the benefit holder, and secondly enter into an agreement with that person to waive the exemption.

If the benefit holder consents to enter into an agreement, the Waiver of Exemption agreement document must comply with section 9AA of the Act and regulation 6(1) of the *Mining Regulations 2011*.

Form 23A (Waiver of Exemption – Request) and 23B (Waiver of Exemption – Agreement) together, when completed correctly, will meet these requirements and may be lodged together for registration with the Mining Registrar as the Waiver of Exemption agreement.

Alternatively the operator and the benefit holder may enter into a written Waiver of Exemption agreement, in accordance with the requirements listed above. The mining operator **must** still serve Form 23A on the benefit holder to request an agreement.

In accordance with section 9AA of the Act, a benefit holder may rescind the Waiver of Exemption agreement, by giving the mining operator written notice before the expiration of the cooling off period (five clear business days after the day on which the agreement is made).

If an agreement cannot be reached between the mining operator and the benefit holder, the mining operator may apply to the Environment, Resource and Development (ERD) Court for an order waiving the benefit of the exemption.

If the mining operator satisfies the ERD Court that adverse effects from mining operations can be addressed by imposing conditions, the Court may make an order waiving the benefit of the exemption (including conditions and compensation). If the Court is not satisfied it may refuse the application.

The Court may not make an order for costs against the benefit holder unless the person has obstructed or delayed the proceedings or the person has failed to attend any proceedings or failed to comply with a rule, order or direction of the Court.

If the benefit of an exemption is waived by agreement or Court order, the land ceases to be exempt land until mining operations have been completed, or such time as stipulated in the agreement or Court order, whichever comes first.

An agreement or order to waive the benefit of exemption under the Act is binding on and carries forward to –

- (a) successors in title to those owners of the land who had the benefit of the former exemption; and
- (b) the holders from time to time of any mining tenement under which mining operations are carried out.

The mining operator who gives notice under this section is liable to pay to the benefit holder reasonable costs of obtaining legal assistance up to \$500, or some other amount as prescribed. The benefit holder must provide a copy of an account or other reasonable evidence relating to the cost of obtaining that assistance.

Section H: Owner of exempt land consent

I hereby waive the exemption in relation to the location identified in Section D above and subject to the conditions stated above –

from Start Date	/ /	to End Date	/ /	② The agreement ceases when operations are complete.
The exemption will cease when mining operations are completed, or at the end date of this agreement, whichever comes first.				

Cooling off period – In accordance with section 9AA(5) of the Act, the owner of exempt land may rescind this agreement by giving written notice to the mining operator before the expiry of the cooling off period (five clear business days after the day on which the agreement is made).

ORDER BY THE MINISTER FOR BUSINESS SERVICES AND CONSUMERS

PURSUANT to Section 24 of the *Prices Act 1948*, I, Hon Gail Gago MLC, Minister for Business Services and Consumers, do hereby make the following order.

Citation

1. This order may be cited as *Prices Order No. 1135 (S.A.)*.

Commencement

2. This order will come into operation on the 1st day of July 2014.

Order No. 1134 (S.A.) Superseded

3. This order supersedes *Prices Order No. 1134 (S.A.)* (see *Gazette 27 June 2013 pp 2721-2723*).

Interpretation

4. (1) In this order:

'GST' means the tax payable under the GST law;

'GST law' means:

- (a) *A New Tax System (Goods and Services Tax) Act 1999* (Commonwealth); and
- (b) the related legislation of the Commonwealth dealing with the imposition of a tax on the supply of goods, services and other things;

'motor car' means a motor vehicle (as defined in Section 5 of the *Motor Vehicles Act 1959*):

- (a) designed for the principal purpose of carrying passengers; and
- (b) designed to carry not more than 8 adult persons (including the driver), and includes a motor vehicle of the type commonly known as a utility, station sedan or panel van;

'normal hours' means the hours between 7.30 a.m. and 5.00 p.m. on any day other than a Saturday, Sunday or public holiday;

'prescribed motor vehicle' means a motor car, motor bike, caravan or trailer;

'running kilometres', in relation to the distance travelled for the purposes of supplying a service to which this order applies, means the number of kilometres travelled from the registered premises of the person supplying the service to the scene of the accident, from the scene of the accident to the place of repair or storage of the prescribed motor vehicle to which the services relate and from the place of repair or storage of the vehicle to those registered premises.

(2) In this order the expressions **'accident'**, **'caravan'**, **'declared area'**, **'motor bike'**, **'quotation for repair'**, **'registered premises'**, **'tow'**, **'towtruck'** and **'trailer'** have the same meaning as in the *Motor Vehicles Act 1959*.

Services to Which Order Applies

5. This order applies to the following services:

- (a) the recovery and towing at or from the scene of an accident occurring within the declared area of a prescribed motor vehicle damaged in the accident;

- (c) the quotation for repair of a prescribed motor vehicle damaged in an accident occurring within the declared area.

Declaration of Maximum Prices

6. (1) Subject to this clause, I declare that the maximum price (inclusive of GST component) at which a service specified in the first column of the table in the Schedule may be supplied is -

- (a) in the case of a service provided during normal hours - the amount specified opposite in the second column of the table;
- (b) in the case of a service provided outside normal hours - the amount specified opposite in the third column of the table.

(2) If the work involved in supplying a service to which this order applies is carried out partly during normal hours and partly outside normal hours, the maximum price that may be charged for providing the service must be calculated according to the maximum price specified in the Schedule for providing the service during the time of the day at which the work is actually carried out.

(3) The maximum price that may be charged for supplying a service for which the Schedule specifies a maximum price per hour is to be calculated in accordance with the following formula:

$$A = \frac{B}{20} \times C$$

where -

- A is the maximum amount that may be charged for the service;
- B is the maximum price per hour for the service specified in the Schedule;
- C is the number of complete 6 minute periods spent in providing the service.

(4) If the use of more than one towtruck is necessary to supply a service to which this order applies, the maximum price specified in the Schedule may be charged in respect of each towtruck used in supplying the service.

Order Not to Apply to Supply of Services by Certain Persons

7. This order does not apply in relation to a person who supplies a service referred to in Clause 5 while there is in force an order under Section 24 of the *Prices Act 1948* fixing a maximum price for the supply of that service by that particular person.

SCHEDULE

South Australian Water Corporation

*Workers Rehabilitation and Compensation Act 1986***Publication of forms and manners****Preamble**

This Notice is given in accordance with the powers delegated to me, Greg McCarthy, Chief Executive Officer, by the WorkCover Corporation of South Australia (the Corporation) under the Corporation's Instrument of Delegation.

Sections 3(13) and 3(14) of the *Workers Rehabilitation and Compensation Act 1986* (the Act) provide that the Corporation may, by notice in the Gazette, designate manners and forms for the purposes of the Act.

NoticeForms1. Form for notification of injury

The form previously determined for the purposes of section 51(5) of the Act, published in the South Australian Government Gazette on 20 December 2012 at page 5718, is rescinded.

2. Form for making a claim for compensation

Pursuant to section 52(1)(a) of the Act, I give notice that from 1 July 2014, the *Claim form* at Attachment 1 is the 'form approved by the Corporation' for the purposes of this section to be completed jointly or separately by a worker (or a person on behalf of a worker) and their employer.

This form supersedes the corresponding form previously approved for the purposes of section 52(1)(a) of the Act, published in the South Australian Government Gazette on 20 December 2012 at page 5718.

3. Employer report form

Pursuant to section 52(5)(b) of the Act, I give notice that from 1 July 2014, the *Claim form* at Attachment 1 is the 'designated form' for the purposes of this section to be completed jointly or separately by an employer and the worker (or a person on behalf of a worker).

This form supersedes the corresponding form previously designated for the purposes of section 52(5)(b) of the Act, published in the South Australian Government Gazette on 20 December 2012 at page 5730.

4. Form to apply for provisional payment of medical expenses

Pursuant to section 32A(1) of the Act, I give notice that from 1 July 2014, the *Claim form* at Attachment 1 is the 'designated form' for the purposes of this section.

This form supersedes the corresponding form previously designated for the purposes of section 32A(1) of the Act, published in the South Australian Government Gazette on 20 December 2012 at page 5723.

5. Form to provide initial notification for provisional weekly payments

Section 50A of the Act states that initial notification means a notification of an injury given in the form required by the Provisional Payment Guidelines. Clause 1.4 of the Provisional Payment Guidelines published by the Minister for Workers' Rehabilitation in the Government Gazette on 20 December 2012 state that initial notification must be by the form approved by the Corporation for the purposes of section 52 of the Act for a claim for compensation. From 1 July 2014, the *Claim form* at Attachment 1 is therefore the required form for the purposes of section 50A of the Act.

Workers compensation claim form

South Australians with a work-related injury can lodge a claim for workers compensation and may be entitled to income maintenance payments and/or reimbursement of medical expenses paid.

Before making a claim, workers need to:

- > notify their employer about the injury
- > see a doctor and get a WorkCover Medical Certificate.

How to make a claim for compensation:

Step 1

Complete this form

Wherever possible, the worker and the employer should complete this form together. A representative, such as a treating doctor, a worker's friend or a rehabilitation and return to work coordinator can assist the worker by completing information in the form with the worker's consent.

Step 2

Sign the Medical Authority and declarations (page 4)

Step 3

Lodge this form

South Australian businesses registered under the WorkCover Scheme and their worker must ensure this completed and signed form and WorkCover Medical Certificate are sent to the employer's claims agent, either:

Self Insured / Crown Employers

Most of South Australia's largest private and public sector organisations are self-insured, managing their own workers compensation claims. Workers of self-insured businesses with a work-related injury should speak to their employer about lodging a claim.

Important information for workers

- > Report any work-related injury to your employer as soon as possible and talk to them about a plan to stay at or return to work.
- > Talk to your doctor about work tasks you can still do and obtain a WorkCover Medical Certificate.
- > Be actively involved in your treatment, rehabilitation and return to work, or stay at work plans.

Important information for employers

- > This form must be submitted to your claims agent within five business days of you receiving it.
- > There are financial incentives for employers who forward the workers compensation claim form together with the WorkCover Medical Certificate (if you have been given one) within five calendar days of receiving the form from the worker. For more information on financial incentives visit www.workcover.com.
- > **Immediately notifiable incidents**
