HIS Excellency the Governor in Executive Council has been pleased to issue directions to the State Emergency Relief Fund Committee to administer the fund as set out below, pursuant to Section 37 (4) of the Emergency Management Act 2004.

GOVERNOR'S DIRECTIONS

TO THE MEMBERS OF THE COMMITTEE APPOINTED
TO ADMINISTER THE STATE EMERGENCY RELIEF FUND

*Directions in Relation to the Emergency arising from the
Sampson Flat Bushfires*

THE State Emergency Relief Fund ('the Fund') provides a publicly accountable mechanism for the disbursement of donated funds following an emergency. The Fund is an administered item under the Department for Communities and Social Inclusion. The Department for Communities and Social Inclusion provides administrative and policy support to the Fund.

The committee to administer the State Emergency Relief Fund is appointed by the Minister under Section 37 (3) of the Emergency Management Act 2004 ('the Act') and is subject to broad directions by the Governor. The term 'emergency' in these directions has the meaning given to it under the Act.

Certain members are appointed for a term of three years ('ongoing members'). Other members may be appointed for a period of six months from the date of gazettal to provide knowledge and judgment in relation to administration of the fund in response to a particular emergency ('particular members').

One of the ongoing members of the committee is appointed as Funds Administrator (the 'administrator') and will chair meetings of the committee, unless a direction given in relation to a particular emergency provides otherwise.

A quorum of the committee will constitute the chairperson and four of the members of the committee appointed.

Where possible the committee should reach decisions by consensus. However, if a vote is required, and the results are tied, the chairperson will have a deliberative and casting vote. Ongoing members, and those particular members appointed in relation to the bushfires, may vote in connection with matters relating to the administration and distribution of the fund in response to that emergency.

Members of the committee are obliged to maintain confidentiality in relation to the deliberations of the committee and in relation to personal information that may be made available to the committee by or about potential recipients of monies from the Fund.

Any member who thinks they may have a conflict of interest in relation to their duties as a committee member must declare that interest.

Pursuant to the Act and these directions, the committee is responsible for the appropriate disbursement of the monies in the fund to persons who suffered significant loss or damage as result of the bushfires. Priority will be given to those most in need.

The committee may adopt any fair and reasonable assessment scheme for prioritising the disbursement of monies to those most in need, whether of its own design or a design that has been developed wholly or in part by any government or non-government agency.

The committee may consult with individuals, organisations or groups (including local councils), as appropriate, on the impacts of the bushfires and the resulting needs of persons affected by the bushfires.

The committee will be responsible for ensuring that:

- monies received by the fund are disbursed equitably for the relief of persons whose land or property has been affected by bushfires and who have suffered significant loss or damage as a result. Priority will be given to those most in need. Monies are to be paid directly to such persons;
- administrative processes developed for the management and disbursement of the monies are transparent and meet all appropriate legal, probity and procedural requirements;
- appropriate information is provided to affected parties and to the community on the availability of relief, on eligibility and disbursement and on any other matters that the committee determines should be communicated in order to assist the proper administration of the Fund;

- a written report is provided to the Minister when the committee is satisfied that it has appropriately disbursed the available monies. The written report should include an audit of all monies disbursed, an evaluation of the effectiveness of the Fund in meeting identified need and recommendations on any issues that should be addressed in a future use of the Fund following an emergency.
 - monies are allocated in an equitable, fair and culturally appropriate manner, and may take into account the following principles:
 - priority is given to those most in need;
 - available monies can be used to provide relief as determined by the committee over the short-term or long-term for persons who suffered significant loss or damage as result of the bushfires;
 - monies provided to persons are gifts from the community in recognition of personal loss or damage arising from the bushfires and not a form of compensation;
 - monies provided may complement and recognise other forms of assistance received by those affected by the bushfires including, any insurance payments, government grants, other gifts from public donations or other sources of known tangible support;
 - where the committee is of the opinion that a person who suffered significant loss or damage as a result of the bushfires has been overcompensated for that loss or damage by reason of being paid money from the Fund and damages for compensation from another source the committee may, by notice in writing given personally or by post to the person, require the person to pay the Fund the amount of the overcompensation as determined by the committee and specified in the notice;
 - priority is given in the allocation of monies to persons whose primary place of residence at the time of the bushfires was within the bushfire areas as defined by the Chief Officer of the SA Country Fire Service.
 - monies may be provided irrespective of the insurance status of the recipient;
- and,
- there will be a maximum and minimum amount that any recipient can receive from the fund, which will be determined by the committee.

By command,

JOHN JAMES SNELLING, for Premier

Part 2—Yumbarra Conservation Park Co-management Board

4—Establishment of co-management board

The *Yumbarra Conservation Park Co-management Board* is established as the co-management board for the Park.

5—Composition of Board

- (1) Subject to subregulation (2), the Board consists of 8 members appointed by the Minister of whom—
 - (a) 4 must be Far West Coast persons appointed on the nomination of FWCAC; and
 - (b) 3 must be officers of the Department; and
 - (c) 1 must be a person nominated by the Minister who has qualifications or experience that may, in the opinion of the Minister, be of benefit to the Board.
- (2) If FWCAC refuses or fails to nominate a Far West Coast person in relation to a particular office under subregulation (1)(a) the Minister may appoint a suitable Far West Coast person to fill the office.
- (3) The Minister may appoint a person to be a deputy of a member of the Board appointed under subregulation (1) and a person so appointed may act as a member of the Board in the absence of the member.
- (4) A requirement or qualification specified by this regulation in relation to an appointment of a member of the Board extends to an appointment of a deputy of that member.

6—Gender balance

In nominating and appointing the members of the Board, FWCAC and the Minister should each, as far as is reasonably practicable, endeavour to achieve a gender balance on the Board.

7—Terms and conditions

- (1) A member of the Board will be appointed on conditions determined by the Minister and for a term, not exceeding 4 years, specified in the instrument of appointment and, at the expiration of a term of appointment, is eligible for reappointment.

- (3) The Minister may remove a member of the Board from office—
 - (a) for breach of, or non-compliance with, a condition of appointment; or

 - (c) for failure or incapacity to carry out official duties satisfactorily.
- (4) However, the Minister may only remove a member of the Board who is a Far West Coast person after consultation with FWCAC.
- (5) The office of a member of the Board becomes vacant if the member—
 - (a) dies; or
 - (b) completes a term of office and is not reappointed; or
 - (c) resigns by written notice to the Minister; or
 - (d) ceases to satisfy the qualification by virtue of which the member was eligible for appointment to the Board; or
 - (e) is removed from office under subregulation (3).
- (6) If a casual vacancy occurs in the office of a member of the Board, the Minister may appoint a suitable person (including, to avoid doubt, a person who was a deputy to the member) to fill the vacancy, and that person will hold office for the balance of the term of his or her predecessor.

Note—

This subregulation does not, however, prevent the Minister from instead appointing a new member to the Board.

8—Chairperson and Deputy Chairperson

The Minister must, in accordance with any requirements in the co-management agreement, appoint 2 of the members of the Board as Chairperson and Deputy Chairperson of the Board respectively.

9—Functions and powers of Board

10—Procedures of Board

- (2) The Board must meet at least 2 times in each financial year.
- (3) A meeting of the Board will be chaired by the Chairperson or, in the absence of the Chairperson, by the Deputy Chairperson or, in the absence of both, the members present at a meeting of the Board must choose 1 of their number to preside at the meeting.
- (4) Subject to this regulation, a decision carried by a majority of the votes cast by members of the Board at a meeting is a decision of the Board.
- (5) Each member present at a meeting of the Board has 1 vote on any question arising for decision.
- (6) If the Board is unable to decide a question arising for decision, the question must be referred to the Minister for decision (and the decision of the Minister will be taken to be a decision of the Board).
- (7) In making a decision under subregulation (6), the Minister—
 - (a) must have regard to any written submission made by FWCAC that is received by the Minister not more than 30 days after the date of the meeting at which the Board was unable to decide the question; and
 - (b) may have regard to any other matter the Minister thinks fit.
- (8) The Minister may direct the Board to implement, or cause to be implemented, a decision of the Minister under subregulation (6).
- (9) A conference by telephone or other electronic means between the members of the Board will, for the purposes of this regulation, be taken to be a meeting of the Board at which the participating members are present if—
 - (a) notice of the conference is given to all members in the manner determined by the Board for the purpose; and
 - (b) each participating member is capable of communicating with every other participating member during the conference.
- (10) A proposed resolution of the Board becomes a valid decision of the Board despite the fact that it is not voted on at a meeting of the Board if—

 - (b) a majority comprised of not less than 6 members (of whom at least 3 must be Far West Coast people and at least 3 must be members appointed under regulation 5(1)(b) or (c)) express concurrence in the proposed resolution by letter, fax, email or other written communication setting out the terms of the resolution.

- (11) The Board must have accurate minutes kept of its meetings.
- (12) Subject to these regulations, the Board may determine its own procedures.

11—Conflict of interest

- (1) A member of the Board who has a direct or indirect personal or pecuniary interest in a matter decided or under consideration by the Board—
 - (a) must, as soon as reasonably practicable, disclose in writing to the Board full and accurate details of the interest; and
 - (b) must not take part in any discussion by the Board relating to that matter; and
 - (c) must not vote in relation to that matter; and
 - (d) must be absent from the meeting room when any such discussion or voting is taking place.

Maximum penalty: \$2 000.

- (2) This regulation does not apply to a member of the Board—
 - (a) in respect of an interest that is shared in common with Far West Coast people generally, or a substantial section of Far West Coast people; and
 - (b) in relation to a matter in which the member has an interest while the member remains unaware that he or she has an interest in the matter (but in any proceedings against the member the burden will lie on the member to prove that he or she was not, at the material time, aware of his or her interest).
- (3) The Minister may, by notice published in the Gazette, exempt a member of the Board (conditionally or unconditionally) from the application of a provision of this regulation, and may, by further notice published in the Gazette, vary or revoke such an exemption.
- (4) Non-compliance by a member of the Board with a duty imposed by this regulation constitutes a ground for removal of the member from office.
- (5) If a member of the Board or former member of the Board is convicted of an offence for a contravention of this regulation, the court by which the person is convicted may, in addition to imposing a penalty, order the convicted person to pay to the Minister—
 - (a) if the court is satisfied that the person or any other person made a profit as a result of the contravention—an amount equal to the profit; and

CITY OF SALISBURY

DEVELOPMENT ACT 1993

*Globe Derby Park Surplus Lands Development Plan
Amendment—Public Consultation*

NOTICE is hereby given that the City of Salisbury, pursuant to Sections 24 and 25 of the Development Act 1993, has prepared a Development Plan Amendment (DPA) to amend its Development Plan.

The affected areas:

The area that is directly affected by the proposed DPA is located east of the Globe Derby Park harness racing track, fronting Port Wakefield Road and between Globe Derby Drive on the south and Daniel Avenue to the north.

A minor zone boundary adjustment is also being made through this DPA to correct a zone boundary anomaly between the current Rural Living Zone and Open Space Zone along properties on Whites Road.

The Amendment will change the Development Plan by proposing:

- For the Globe Derby Park area adjacent Port Wakefield Road:
 - Rezone all of the Affected Area from Community Zone to Commercial Zone, with local policy additions;
 - Include the whole of the Affected Area as a separate precinct (Precinct 20) within the Commercial Zone;
 - Amend Concept Plan Map Sal/4—Globe Derby Park so it excludes the Affected Area; and
 - Introduce new Concept Plan Map Sal/30 which relates to the Affected Area and indicatively identify the alignment of the Northern Connector.

As a consequence of these recommended changes, the following uses are identified as being desired within the Affected Area:

- bulky goods outlet;
- consulting room;
- light industry;
- motor vehicle related business, other than wrecking yard;
- office;
- petrol filling station;
- service trade premises;
- shop (subject to floor space limitations);
- store; and
- warehouse.

A floor space threshold of 2 500 m² will apply for shops (other than bulky goods) to ensure that the rezoning effectively integrates with the existing centres hierarchy within the City of Salisbury.

For the Zone boundary adjustment along Whites Road:

Realign the Rural Living/Open Space zone boundary at Globe Derby to reflect allotment boundaries (affecting Development Plan Zone and Policy Area maps Sal/31, Sal/38, Sal/39).

The DPA will be on public consultation from Thursday, 22 January 2015 until Friday, 20 March 2015.

Copies of the DPA are available for review during normal office hours at:

- City of Salisbury offices, 12 James Street, Salisbury; or
- Polaris Centre, Innovation House, Park Way, Mawson Lakes.

Alternatively, the DPA can be viewed on the internet on the City of Salisbury website: www.salisbury.sa.gov.au/globederby.

Drop-in information sessions where staff will be available to answer questions about the DPA will be held at the Polaris Centre in Innovation House, Park Way, Mawson Lakes at the following times:

- 3 to 5 p.m. on Tuesday, 17 February; and
- 5 to 7 p.m. on Monday, 23 February.

Written submissions regarding the DPA should be submitted no later than 5 p.m. on Friday, 20 March 2015. All submissions should be addressed to John Harry, Chief Executive Officer, City of Salisbury, P.O. Box 8, Salisbury, S.A. 5108 and should clearly indicate whether you wish to be heard in support of your submission at the public hearing. If you wish to lodge your submission electronically, please email it to city@salisbury.sa.gov.au.

A public hearing will be held on Tuesday, 21 April 2015 at 6.30 p.m. at the City of Salisbury Council offices, 12 James Street, Salisbury at which time interested persons may be heard in relation to the DPA and submissions. The public meeting will not be held if no submissions are received or if no submissions request to be heard.

Copies of submissions will be available for inspection at the City of Salisbury Council offices, 12 James Street, Salisbury and online on the Council website from Friday, 23 March 2015 until the conclusion of the public meeting on Tuesday, 21 April 2015.

If you would like further information about the DPA, contact Amanda Berry on (08) 8260 8163.

Dated 22 January 2015.
