DETERMINATION OF THE REMUNERATION TRIBUNAL

NO. 5 OF 2015

*Reimbursement of Expenses Applicable to the Electorate of Finnis¹—Travel By Ferry*1. *Preamble*

The Tribunal received a submission from the member for Finnis concerning the expenses associated with travelling by ferry between Kangaroo Island and the mainland. The submission was considered as a part of the Tribunal's 2015 review of Electorate and Expenses Allowances for Ministers of the Crown and Officers and Members of Parliament. The Tribunal considered that the particular circumstances of the electorate of Finnis warranted a determination to address the requirements for expenses to be incurred uniquely for the purpose of sea travel. The Tribunal reported accordingly².

2. *Determination*

A member of the House of Assembly for the Electorate of Finnis shall be entitled to be reimbursed for expenses necessarily incurred travelling by ferry between Kangaroo Island, and the Fleurieu Peninsula, for electoral purposes, up to an amount for \$3 380 per annum, in addition to any other remuneration, allowance or entitlement.

3. *Date of Operation*

The provisions of this Determination shall operate on and from 21 August 2015.

Note:

¹ The Parliamentary Remuneration Act 1990 (SA) s 4 (5) provides that electorate allowances and other allowances, expenses and benefits determined by the Remuneration Tribunal for members of Parliament may vary according to the electorate represented by a member.

² The Remuneration Act 1990 (SA) s 8 (2) provides that The Tribunal must sit at least once in each year for the purpose of determining, or reviewing previous determinations of, remuneration under this Act.

Dated 26 October 2015.

REMUNERATION TRIBUNAL

REPORT RELATING TO DETERMINATION NO. 5 OF 2015

*2015 Review of Electorate and Expenses Allowances for Ministers of the Crown and Officers and Members of Parliament¹*1. *Introduction*

Section 4 (1) (c) of the Parliamentary Remuneration Act 1990, confers jurisdiction on the Remuneration Tribunal ('the Tribunal') to determine from time to time electorate allowances and other allowances payable to Members of the South Australian Parliament.

Section 3 of the Remuneration Act 1990 ('the Act') defines such allowances and expenses as remuneration, and Section 2 of the Act requires the Tribunal to review previous determinations of remuneration under this Act at least once in each year.

The last determination covering the matters of electorate and expenses allowances was Report 2 of 2014 and Determination 2 of 2014, issued on 7 March 2014.

Section 10 (2) of the Act, requires that before making a determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or persons of that class, a reasonable opportunity to make submissions.

On 22 June 2015, the Tribunal wrote to the Premier, the Leader and Deputy Leader of the Opposition, and each Member of Parliament advising that the Tribunal intended to review Determination 2 of 2014 and invited submissions for the Tribunal's consideration.

The Tribunal received a submission from the Member for Finnis and the Member for Napier.

2. *Discussion*

The Tribunal received written submissions from the Member for Finnis and the Member for Napier with regards to the electorate and expenses allowances.

2.1 *Member for Napier*

The Member for Napier submitted to the Tribunal that the electorate of Napier should be reviewed by the Tribunal and subsequently moved from a Category (a) to a Category (b), of Section 2.1.1—House of Assembly of DTR 2 of 2014, to bring it in line with other electorates Heysen, Kavel, Light and Taylor.

In reviewing the Member for Napier's submission the Tribunal considered an assortment of information including data provided by the South Australian Electoral Commission and the Department of Planning, Transport and Infrastructure, circumstances of electorates of similar size and locality.

Based on the information before it, the Tribunal has decided that an adjustment to the electorate category and subsequently the Member for Napier's allowance was not justified at this time.

2.2 *Member for Finnis*

The Member for Finnis submitted to the Tribunal concerns around the ability to claim costs incurred for travel by ferry within the electorate when conducting parliamentary and/or electorate related business.

In reviewing the Member for Finnis' circumstances, the Tribunal considered the circumstances of other electorates and associated travel requirements, noting differences in travel requirements of the Member for Finnis.

In acknowledging these differences, the Tribunal considers it would be appropriate to make a determination applicable only to the Electorate of Finnis (see: Remuneration Tribunal Determination No. 5 of 2015).

2.3 *Electorate and Expenses Allowances for Ministers of the Crown and Officers and Members of Parliament*

Having regard to recent increases in CPI being offset by a decrease in domestic holiday travel and accommodation by 5.4%, the Tribunal has decided that the allowances should remain as provided by Determination 2 of 2014.

Note:

¹ The Remuneration Act 1990 (SA) s 8 (2) provides that The Tribunal must sit at least once in each year for the purpose of determining, or reviewing previous determinations of, remuneration under this Act.

Dated 26 October 2015.

DEVELOPMENT ACT 1993: SECTION 48

*Decision by the Presiding Member of the Development Assessment Commission**Preamble*

1. On 5 June 2003, a major development declaration was made for the subdivision and development of land at Buckland Park near Virginia north of Adelaide ('the declaration'). The Minister for Urban Development and Planning ('the Minister') gave notice in the *Government Gazette* that he was of the opinion that it was appropriate for the proper assessment of the development of major environmental, social or economic importance that Section 46 of the Development Act 1993 ('the Act') applied to any development of a kind listed in Schedule 1 of that notice in parts of the State listed in Schedule 2 of that notice.

2. The declaration was varied by notice in the *Government Gazette* on 4 January 2007 to, amongst other things, expand the major development declaration.

3. A proposal from Walker Corporation Pty Ltd ('the proponent') to develop a substantial staged residential and commercial development at Buckland Park was the subject of a development application lodged in May 2007 ('the major development').

4. The declaration was varied again by notice in the *Government Gazette* on 12 June 2008 to include some extra land parcels within the major development declaration.

5. The major development was the subject of an Environmental Impact Statement ('EIS'), which was completed and put on public display on 19 September 2007, and an Assessment Report was produced, and was assessed in accordance with Section 46 and Section 46B of the Act. By notice in the *Government Gazette* on 4 February 2010, the Governor:

- (a) granted provisional development authorisation subject to conditions (in Part B of the notice), with specified reserved matters (in Part A of the notice), for the following components:
 - (i) land division, creating 8 super lots which include the 5 residential land division stages, employment lands, recreation/water management and transport infrastructure areas shown in plans 19000p01-r3, r5 and r6, 5 November 2009 (Fyfe Engineers Surveyors);
 - (ii) Stage 1 land division (Super Lot 1 under the land division application) which comprised 614 residential allotments, a school site, display centre and shopping /community centre over 62.23 hectares;
 - (iii) proposed partial closure of Legoe Road under Part 7A (Section 34C (2) (a) (ii)) of the Roads (Opening and Closing) Act 1991 (to take effect on a day to be fixed by subsequent order of the Governor or Minister published in the *Gazette*);
 - (iv) construction of a Neighbourhood Centre as set out in the detailed drawings;
 - (v) construction of a display village as detailed by the proponent.
- (b) specified the period up until 1 February 2012 as the time within which substantial work must be commenced on site, failing which the Governor may cancel the authorisation.

Future stages of the major development (2-5) will be determined when detailed land division applications are lodged.

6. The proponent requested modifications to the provisional development authorisation to allow more practicality in implementing the proposal and satisfying the reserved matters and conditions of the authorisation. In summary, the matters related to:

- (a) the requirement for a scheme description;
- (b) affordable housing requirements;
- (c) the requirement for a construction environment management plan;
- (d) signage associated with the proposed neighbourhood centre; and
- (e) various elements of the Schedule of Commitments.

7. In response to the request, by notice in the *Government Gazette* on 21 October 2010, the Minister for Urban Development and Planning (under delegation) varied the provisional development authorisation by:

- (a) removing specified reserved matters entirely from the authorisation;
- (b) revoking and varying specified conditions;
- (c) attaching new conditions;
- (d) reserving remaining specific matters for further assessment;
- (e) specifying that the reserved matters must be completed by 31 October 2011; and
- (f) specifying the period up until 31 October 2013 as the time within which substantial work must be commenced on site, failing which the Governor may cancel the authorisation.

8. On 23 December 2010 a Development Plan Amendment ('DPA') was authorised by the Minister which provides policy guidance for the residential, commercial and other uses of Buckland Park as expressed in the provisional development authorisation for the major development.

9. The proponent requested further modifications to satisfy the reserved matters related to employment of a Community Worker (d) (4) (letter dated 8 November 2010), provision of power through an electricity provider (d) (9) (letter dated 8 November 2010), negotiation with DECS/Virginia Primary School on the need for demountable class rooms (d) (11) (letter dated 10 November 2010) and liaison with the City of Playford in relation to provisions of library services (d) (6) (letter dated 2 December 2010). By notice in the *Government Gazette* on 10 March 2011, the Presiding Member of the Development Assessment Commission (under delegation) varied the provisional development authorisation by:

- (a) moving reserved matters (d) (4) and (d) (9) to conditions; and
- (b) removing reserved matters (d) (6) and (d) (11) entirely from the provisional development authorisation as they were assessed as having been satisfied.

10. The proponent requested further modifications on 28 February 2011 (as altered by a letter dated 11 July 2011) for an amended land division plan for Stage 1 (including a further 5 sub stages). The number of allotments was reduced from 614 to 609 (for the entire Stage 1), with an increase in open space of 7.4 hectares. The road hierarchy and lot layout was also amended following discussions with the City of Playford and other agencies. A request to increase the number of display homes from 32 to 45 was also dated 11 March 2011. By notice in the *Government Gazette* on 15 September 2011, the Presiding Member of the Development Assessment Commission (under delegation) varied the provisional development authorisation by:

- (a) moving the following from reserved matters to conditions:
- (i) draft Residential Guidelines and Encumbrance [reserved matter (a) from Schedule 1] (letter dated 11 April 2011);
 - (ii) provision of an Affordable Housing Plan, in relation to the land division for Stage 1 [reserved matter (b) from Schedule 1] (letter dated 15 April 2011);
 - (iii) Community Bus timetabling and staffing (Playford Council) [reserved matter D3] (letter dated 1 June 2011);

 - (vi) proponent to prepare a Recreation Facilities Strategy for Stage 1 in collaboration with the City of Playford's Buckland Park Project Control Group [reserved matter D4] (letter dated 6 July 2011); and
 - (vii) final design drawings for the signalised intersection of Legoe Road with Port Wakefield Road to the satisfaction of Department for Transport, Energy and Infrastructure ('DTEI') [reserved matter D1] (letter from DTEI to proponent dated 29 June 2011).
- (b) removing the following reserved matter entirely from the provisional development authorisation as it was assessed as having been satisfied:
- (i) a reconfigured land division plan to create a 40 m buffer between the SA Potato grower's horticultural activity (on the southern side of Stage 1 land division) and the outer boundary of the subdivision area [reserved matter (c)] (Amended Stage 1 plan was submitted by proponent on 28 February 2011);
 - (ii) attaching a new reserved matter requiring the proponent to prepare a concept design of the ultimate grade separated intersection with Legoe Road and Port Wakefield Road (D9); and
 - (iii) granting an extension of time until 31 December 2011 to satisfy the remaining reserved matters (D2, D5 and D8) (in response to a request by letter dated 5 August 2011).
11. By notice in the *Government Gazette* on 22 December 2011, the Presiding Member of the Development Assessment Commission (under delegation) varied the development authorisation (no longer a provisional development authorisation as all reserved matters were deemed to be satisfied or moved to conditions) by moving the following reserved matters to conditions:
- (a) reserved matter D(2) regarding emergency access and D(8) regarding the flood access plan for Port Wakefield Road (letter from proponent dated 15 November 2011 approved by the relevant authorities) were deemed to be satisfied and made conditions;
 - (b) reserved matter D(5) regarding Maintenance schedules and handover and defects liability periods was deemed to be satisfied (letters received from the proponent and the City of Playford dated 16 August 2011) and made a condition (included in the Landscape and engineering designs information);
 - (c) reserved matter D(9) (letter from proponent dated 7 December 2011) regarding the grade separated intersection of Legoe Road and Port Wakefield Road was approved by DTEI (minute of 8 December 2011 from Director, Road Transport Policy and Planning of DTEI to Director, Planning and Assessment at DPLG) was deemed to be satisfied and made a condition; and
 - (d) reserved matters (e), (f) and (g) regarding building rules assessment and display village design were removed as reserved matters and made conditions to provide consistency with other recent prior decisions under Section 48 of the Act.
12. In response to a request by the proponent (letters dated 15 December 2011 and 3 July 2012), by notice in the *Government Gazette* on 24 January 2013, I (under delegation varied the development authorisation by:
- (a) removing the obligation to provide recycled water (purple pipes) to individual homes (letter dated 13 July 2012 Section 4 only, with attached letters from SA Water dated 14 May 2012 and email dated 7 November 2012 (specifying that the removal of the obligation shall be limited to individual homes only), a letter from the Corporation of the City of Playford dated 21 November 2012 and an email dated 26 November 2012); and
 - (b) delaying the obligation to handover the substation site to ETSA Utilities (now known as SA Power Networks) from prior to electrification of Stage 1 to December 2014 (letter dated 13 July 2012 Section 5 only with attached letter from ETSA dated 15 June 2012).
13. In response to a request by the proponent, by notice in the *Government Gazette* on 23 December 2013, the Governor varied the development authorisation to:
- (a) provide a permanent pump station, temporary tanks for the storage of waste water for up to 350 allotments (in Stage 1) and associated infrastructure to be located within the proposed 'Stage 5' of the Superlot area (letter and report dated 2 May 2013); and
 - (b) provide an allotment for the proposed pump station and holding tanks within the proposed 'Stage 5' (application for land division (292/D079/12) dated 17 October 2012)—('the proposed amended major development').
14. The proponent sought to vary the development authorisation (Report dated August 2013 Revision B) for Stage 1 (which has been renamed 'Precinct 1' by the Proponent) by amending:
- (a) Land Division and residential mix;
 - (b) Neighbourhood centre location/design and timing (temporary to permanent);
 - (c) Display village location; and
 - (d) Primary School location.
15. The proponent also requested the removal of the need for separate (DAC) approval of the display village as the City of Playford has authority to make decisions on dwellings at Buckland Park and is able to make decisions about the display homes. The following would be removed from the existing decision notice:
- (a) Paragraph 1 (a) delete the wording 'Display Village';
 - (b) Remove listed drawing titled 'Precinct 1 Display Plan';
 - (c) Removal of conditions 47 and 48; and
 - (d) Amendment of Part B, note 1 (a) to remove the reference to display village.
 - (ii) This was approved in the decision notice of 3 July 2014.

16. The proponent sought (letter of 17 December 2014) further minor amendment of Precinct 1. The proposed changes were to its sequencing of stages. The existing Stage 5 is now identified as Stage 3 and existing Stage 3 is now identified as Stage 5. A small area was added to Stage 1 from Stage 4 (all of Stage 1 is now east of the drainage channel). Some lots increased in size and some medium density lots were removed, resulting in a reduction of total lots from 556 to 525.

17. There have also been 2 minor road alignment changes.

18. Modified plans were provided and have replaced 5 existing approved plans.

19. More than five years have elapsed since the EIS was completed and put on public display. As required by Section 48 (4) of the Act, it has been reviewed to see if it should be amended under Section 47 and no amendment was found to be necessary. I am satisfied, for the purposes of Section 48B of the Act, that the proposed amended major development (and associated documents) is within the ambit of the EIS and Assessment Report as originally prepared under Division 2 of Part 4 of the Act.

20. I am satisfied that an appropriate EIS and Assessment Report that encompass the proposed amended major development have previously been prepared (in accordance with Section 46B, Division 2 of Part 4 of the Act) as required by Section 48 (3) (b) of the Act, and have had regard, when considering the proposed amended major development, to all relevant matters under Section 48 (5) of the Act.

21. I have decided to grant development authorisation to the proposed amended major development under Section 48 (7a) of the Act, subject to conditions as provided for in Section 48 (7) of the Act, as well as 48 (2) (b) (i).

22. For ease of reference, I have decided in this notice to number the documents incorporated in the entire major development authorisation and have reproduced the development authorisation in its entirety herein with the conditions pertaining to this amended major development authorisation in bold and italics.

23. —

Where Stage 1 has been referred to the amended reference Precinct 1 is also included.

No new conditions or notes are attached.

‘Substantial Commencement’ it is intended to extend the time for substantial commencement (which is the completion of the road intersection with Port Wakefield Road—at Grade) to 31 October 2016.

South Australia

Supreme Court Civil Rules 2006 (Amendment No. 30)

BY virtue and in pursuance of Section 72 of the Supreme Court Act 1935 and all other enabling powers, We, Judges of the Supreme Court of South Australia, make the following Supreme Court Civil Rules 2006 (Amendment No. 30).

1. These Rules may be cited as the Supreme Court Civil Rules 2006 (Amendment No. 30).

2. Subject to rule 3, the amendments made by these Rules come into effect on 1 December 2015 or the date of their gazettal, whichever is later (*'the commencement date'*).

3. (1) Rules 187 to 188I as introduced by rule 8 hereof apply to proceedings commenced after the commencement date and to existing proceedings in which no formal offer of settlement has been filed by any party as at the commencement date.

(2) Subject to subrule (3), rules 187 and 188 as they stood before the commencement date continue to apply thereafter to proceedings in which a formal offer of settlement had been filed by any party as at the commencement date.

(3) The Court may order on such terms as it thinks fit that rules 187 to 188I as introduced by rule 8 hereof apply to existing proceedings in which a formal offer of settlement had been filed by any party as at the commencement date.

4. The Supreme Court Civil Rules 2006 are amended as set out below.

5. Rule 6 is amended by deleting subrule (2) including the example and substituting the following:

'(2) These Rules do not apply to proceedings for which special rules have been made except to the extent that those special rules so provide.'

6. Rule 95 is amended by deleting subrule (3).

7. Rule 130F is amended by deleting 'between two or more businesses' from paragraph (a) of subrule (1).

8. Existing rules 187 and 188 are deleted. The following rules 187 to 188I are inserted in their place:

187—Making of a formal offer

(1) A party (*the offeror*) may, by notice in writing, make an offer to any other party (*the offeree*) to compromise any claim in the proceeding, either in whole or in part, on specified terms (a *formal offer*).

Note—

A claim is defined by rule 30. A single action may include multiple claims. A formal offer may be made by a plaintiff or defendant in the principal action or a plaintiff or defendant in a cross action (including a counterclaim or contribution claim) or a plaintiff or defendant in a third party action. A formal offer might relate to one or more but not all claims in an action or it might relate to all claims in the action. A formal offer might relate to one action only in a proceeding (e.g. a cross action but not to the principal action) or it might relate to all actions in the proceeding.

(2) A formal offer is to be expressed—

(a) in terms of a judgment to be entered upon acceptance (a *judgment offer*); or

(b) in terms of a contract to come into existence upon acceptance including terms for the disposition of the claim the subject of the offer (by discontinuance, judgment or otherwise) (a *contract offer*).

Note—

The judgment the subject of a judgment offer might be expressed as a money judgment; a judgment for or for a proportion of damages to be assessed; for declaratory, injunctive or other special relief; for costs in a fixed amount or to be adjudicated; for a combination of such matters or any other judgment which the Court could enter.

- (3) A formal offer that does not comply with subrule (2) is incapable of acceptance for the purposes of this Part and is void for the purposes of this Part.
- (4) A formal offer is to—
 - (a) be in an approved form;
 - (b) state that it is made in accordance with this rule;
 - (c) if there is more than one action in the proceeding, state the action to which it relates; and
 - (d) if it relates to some, but not all, claims in the action to which it relates—state to which claims it relates.
- (5) A formal offer is to be—
 - (a) filed at Court in an envelope marked ‘formal offer—not to be opened except in accordance with an order of a Judge or Master’ unless it is expressed to be an open offer in which case it is to be filed in the usual way; and
 - (b) served on all other parties to the proceeding immediately upon being filed.
- (6) A formal offer—
 - (a) may be expressed to be an open offer but if silent will be taken to be made on the basis that it is without prejudice save as to costs;
 - (b) may include any terms as to costs (including that the offer is inclusive of costs or that the parties will submit to any order the Court may make in the exercise of its discretion) but if silent will be taken to include a term that the defendant to the relevant claim is to pay the plaintiff’s costs of the relevant claim on a party and party basis up to the time of acceptance;
 - (c) may be expressed to lapse after the expiration of a stipulated time, being not less than 14 days after service of the offer, but if silent will be taken to remain open until it lapses or is withdrawn in accordance with rule 188;
 - (d) if a contract offer involving payment of money, may stipulate time for payment but if silent will be taken to include a term that payment be made within 28 days of acceptance;
 - (e) may include any terms as to principal relief whether or not sought or obtainable in the proceeding;
 - (f) may annex reasons why it would be unreasonable for the offer not to be accepted.

188—Time for making, withdrawing and accepting a formal offer

- (1) If no time for acceptance is stipulated and the offer has not been withdrawn, a formal offer cannot be accepted after 7 clear calendar days before the commencement of the trial of the claim to which it relates.

Note—

If the trial is vacated or adjourned without being part heard, the original trial date the subject of the vacation or adjournment order is to be ignored for the purpose of subrule (1).

- (2) A party may make more than one formal offer.
- (3) Provided that it has not been accepted, a party may withdraw a formal offer at any time by filing and serving on each party to the proceeding a notice of withdrawal in an approved form.

- (4) If a party withdraws a formal offer within 14 days after it has been served, the formal offer is to be treated as if it never existed.

188A—Response to offer

- (1) A party to whom a formal offer has been made is to respond to the offer within 14 days of service by a response (a *formal response*)—
- (a) accepting the offer; or
 - (b) not accepting the offer; or
 - (c) contending that the offer does not comply with rule 187 and explaining why.
- (2) An offeree who contends that the offeree cannot reasonably decide whether to accept the offer within 14 days is to include in the formal response a statement to that effect, identify how long the offeree reasonably needs to decide whether to accept the offer and explain why such additional time is required.
- (3) The making of a formal response that does not accept the formal offer does not prevent later acceptance of the offer by the offeree.
- (4) A formal response is to—
- (a) be in an approved form;
 - (b) state that it is made in accordance with this rule;
 - (c) be filed at Court in an envelope marked ‘formal response—not to be opened except in accordance with an order of a Judge or Master’ unless it is expressed to be an open response and is in response to an open offer in which case it is to be filed in the usual way; and
 - (d) be served on all other parties to the proceeding immediately upon being filed.
- (5) Unless the Court otherwise orders in exceptional circumstances, an offeree is not entitled on an application for costs under rule 188F, 188G, 188H or 188I to contend that an offer does not comply with rule 187 or did not give the offeree a reasonable time decide whether to accept the offer other than on any grounds identified in a formal response served in compliance with subrule (1).

188B—Communication of offer and response

- (1) Unless expressed to be an open offer and subject to subrule (3)—
- (a) no reference to the terms of a formal offer is to be made in any pleading, affidavit or other document filed or lodged with the Court;
 - (b) a formal offer will be kept by the Court in a suppressed file and the terms of a formal offer are not to be disclosed to the trial Judge.
- (2) Unless expressed to be an open response in response to an open offer and subject to subrule (3)—
- (a) no reference to the terms of a formal response is to be made in any pleading, affidavit or other document filed or lodged with the Court;
 - (b) a formal response will be kept by the Court in a suppressed file and the terms of a formal response are not to be disclosed to the trial Judge.
- (3) Subrules (1) and (2) do not apply—
- (a) after the offer is accepted in accordance with rule 188C; or
 - (b) after all questions to which the offer is relevant have been determined; or
 - (c) if the Court permits or requires disclosure.

188C—Acceptance of offer

- (1) A party to whom a formal offer has been made, which offer remains open for acceptance, may accept the offer or, where the offer contains alternatives, an alternative contained in the offer.

- (2) A party may accept an offer which remains open for acceptance notwithstanding the existence of a concurrent offer by the offeror or offeree in different terms.
- (3) The acceptance of a formal offer is to be in an approved form.
- (4) When a judgment offer is accepted, judgment reflecting the terms of the offer may be entered by consent. The offeror is to—
 - (a) lodge with the Court for settling a draft judgment within 14 days of acceptance of the offer; or
 - (b) file a notice of discontinuance; or
 - (c) apply for an appropriate order.
- (5) When a contract offer is accepted, either party may apply to the Court for appropriate orders in light of the terms of the contract constituted by the offer and acceptance.
- (6) When a formal offer is accepted which is expressed to include payment of a party's costs of action up to the time of acceptance or any other time specified in the offer, the party whose costs are to be paid is entitled to an adjudication of costs up to that time on the relevant basis.

188D—Party under disability

A person under disability may make or accept a formal offer, but no acceptance of an offer made by that person and no acceptance by that person of an offer is binding until the Court has approved the compromise.

188E—Failure to comply with accepted offer

- (1) If a party to an accepted judgment offer fails to comply with the terms of the offer, the Court may on the application of another party to the accepted offer—
 - (a) enter judgment to give effect to the terms of the accepted offer;
 - (b) stay or dismiss the claim the subject of the accepted offer if the plaintiff is in default or strike out the defendant's defence to the claim the subject of the accepted offer if the defendant is in default;
 - (c) set aside the acceptance of the offer and make directions for the claim the subject of the accepted offer to proceed to trial; or
 - (d) make such other order as the Court thinks fit.
- (2) If a party to an accepted contract offer fails to comply with the terms of the contract constituted on acceptance of the offer, the Court may on the application of another party to the accepted offer—
 - (a) make orders to give effect to the terms of the accepted offer; or
 - (b) stay or dismiss the claim the subject of the accepted offer if the plaintiff is in default or strike out the defendant's defence to the claim the subject of the accepted offer if the defendant is in default;
 - (c) set aside the acceptance of the offer and make directions for the claim the subject of the accepted offer to proceed to trial; or
 - (d) make such other order as the Court thinks fit.

188F—Costs where complying offer not accepted

- (1) In this Part
complying offer means a formal offer that—
 - (a) complies with rule 187;
 - (b) involves a genuine compromise;
 - (c) contains a term either that the defendant on the relevant claim is to pay the costs of the plaintiff on the relevant claim on a party and party basis or that the parties will submit to any order the Court may make in the exercise of its discretion;

- (d) if a contract offer—
 - (i) is a monetary offer; and
 - (ii) if made by the party who is to pay the money, the money is payable under the terms of the offer within not more than 28 days after acceptance of the offer and the party is ready, willing and able to pay the money in accordance with the terms of the offer; and
- (e) was filed at least 21 clear calendar days before the commencement of the trial of the claim to which it relates or such later date as may be specified by the Court on application for an extension of time made before the formal offer is made.

Note—

If the trial is vacated or adjourned without being part heard, the original trial date the subject of the vacation or adjournment order is to be ignored for the purpose of paragraph (e).

monetary offer means a formal offer under which the principal consideration payable by one party to the other (disregarding costs) is the payment of money.

- (2) The provisions of this rule are subject to the overriding discretion of the Court.
- (3) When a complying offer is made by a plaintiff and not accepted by a defendant and the plaintiff obtains judgment on the claim to which the offer relates no less favourable to the plaintiff than the terms of the offer—
 - (a) the costs incurred in respect of the claim up to 14 days after service of the formal offer are unaffected by the making of the formal offer;
 - (b) the plaintiff is entitled to an order against the defendant for the plaintiff's costs of action in respect of the claim to which the complying offer relates thereafter on an indemnity basis.
- (4) When a complying offer is made by a defendant and not accepted by a plaintiff and the defendant obtains judgment on the claim to which the offer relates—
 - (a) the costs incurred in respect of the claim up to 14 days after service of the formal offer are unaffected by the making of the formal offer;
 - (b) the defendant is entitled to an order against the plaintiff for the defendant's costs of action in respect of the claim to which the complying offer relates thereafter on an indemnity basis.
- (5) When a complying offer is made by a defendant and not accepted by a plaintiff and the plaintiff obtains judgment in respect of the claim to which the offer relates less favourable to the plaintiff than the terms of the offer—
 - (a) the costs incurred in the action up to 14 days after service of the formal offer are unaffected by the making of the formal offer;
 - (b) the defendant is entitled to an order against the plaintiff for the defendant's costs of action in respect of the claim to which the complying offer relates thereafter on a party and party basis.
- (6) When a party makes a complying offer for a proportion of damages to be assessed, the provisions of this rule do not apply to costs incurred in relation to the quantum of damages unless the Court specifically orders.

188G—Costs in other cases

- (1) This rule applies in cases to which rule 188F does not apply.
- (2) When—
 - (a) a party has made a formal offer;
 - (b) the offer was not accepted; and

(c) judgment is granted in respect of the claim the subject of the offer on terms no less favourable to the offeror than the terms of the offer—

the Court is to take those matters into account in determining what order for costs to make.

- (3) Without affecting the generality of the discretion of the Court, in exercising its discretion as to costs in accordance with subrule (2), if the Court considers that a party unreasonably rejected a formal offer, the Court may—
- (a) order that the offeree pay the costs of the offeror in respect of the claim the subject of the offer after 14 days after service of the formal offer on an party and party basis or some other basis; or
- (b) order that the offeree bear its own costs in respect of the claim the subject of the offer after 14 days after service of the formal offer; or
- (c) make such other order as to costs as it thinks appropriate.

188H—Costs on appeals

- (1) In this Part—
- appeal* includes a review standing in the stead of or analogous to an appeal—
- (2) A party (*the offeror*) may, by notice in writing, make an offer to any other party (*the offeree*) to compromise an appeal, either in whole or in part, on specified terms (an *appeal offer*).
- (3) The provisions of rules 187, 188 and 188B to 188E apply *mutatis mutandis* to an appeal offer as if it were a formal offer in a proceeding at first instance.
- (4) An appeal offer may be on terms that take into account any cross-appeal.
- (5) Where on an appeal—
- (a) a party has made an appeal offer;
- (b) the offer was not accepted; and
- (c) the offeror obtains an order on the appeal no less favourable to that party than the terms of the offer—
- the Court is to take those matters, and also the stage of the appeal at which the offer was made, into account in determining what order for costs to make in respect of the appeal or in respect of the appeal and the proceeding more generally.
- (6) Without affecting the generality of the discretion of the Court, in exercising its discretion under subrule (5), the Court may order that the offeree pay the costs of the offeror on a solicitor/client basis or a party and party basis or not recover that party's costs from the time the offer was served or from any other time that the Court thinks fit.

188I—Costs on adjudication of costs

- (1) In this Part—
- adjudication* means the process of adjudicating costs under Chapter 12 Part 3 and includes all stages of the adjudication from commencement to final conclusion.
- (2) A party (*the offeror*) may, by notice in writing, make an offer to any other party (*the offeree*) to compromise an adjudication, either in whole or in part, on specified terms (an *adjudication offer*).
- (3) The provisions of rules 187, 188 and 188B to 188E apply *mutatis mutandis* to an adjudication offer as if it were a formal offer in a proceeding at first instance.
- (4) Where on an adjudication—
- (a) a party has made an adjudication offer;
- (b) the offer was not accepted; and

(c) the offeror obtains an order on the adjudication no less favourable to that party than the terms of the offer—

the Court is to take those matters, and also the stage of the adjudication at which the offer was made, into account in determining what order for costs to make in respect of the adjudication.

- (5) Without affecting the generality of the discretion of the Court, in exercising its discretion under subrule (4), the Court may order that the offeree pay the costs of the offeror on a solicitor/client basis or a party and party basis or not recover that party's costs from the time the offer was served or from any other time that the Court thinks fit.'

8. Rule 264 (5) is amended by:

- (1) deleting from paragraph (a) the word 'reasonably' and inserting at the end of that paragraph immediately before the closing parenthesis 'to the extent that the party entitled to the costs shows them to have been reasonably incurred';
- (2) inserting the following note at the end of paragraph (b):

Note—

The difference between solicitor and client costs and indemnity costs is as to the onus of proof and persuasion: that onus lies on the party entitled to costs when solicitor and client costs are ordered and lies on the party liable for costs when indemnity costs are ordered.'

6—Insertion of regulation 14A

Before regulation 15 insert:

14A—Requirements for domestic building work contracts that contain a charging clause

- (1) For the purposes of section 28(1)(d) of the Act, a domestic building work contract that contains a charging clause must include the following information:
 - (a) that the clause seeks to establish an interest in the property to which the contract relates for which a right to lodge a caveat over the property will exist;
 - (b) that, in the event that a caveat is lodged over the property, the rights of the owner of the property to deal with the property and have such dealings registered in the Lands Titles Office will be restricted;
 - (c) that the interest in the property created by the clause entitles the building work contractor to apply to a court for the sale of the property for the purposes of recovering any debt that may be outstanding in relation to the contract;
 - (d) that the person entering into the contract is advised to seek independent legal advice in relation to the clause.

- (2) In this regulation—

7—Variation of Schedule 1—Fees

- (1) Schedule 1, item 5—delete "vary or revoke a licence condition (section 7(2)(b) of the Act)" and substitute:

8—Variation of Schedule 3—Forms

- (1) Schedule 3, Form 1—after clause 8 insert:

9—What is a charging clause?

A charging clause in a building work contract is a clause that gives your building work contractor the right to lodge a caveat over the property on which the building work contractor is performing building work under the contract. If a caveat is lodged over the property, you (as owner of the property) may be restricted from dealing with and registering dealings with the property at the Land Titles Office.

The interest created by the clause would entitle your building work contractor to apply to the court for the sale of the property to recover any debt owed by you for building work performed under the contract.

Check your contract carefully, and, if you are not certain about whether your building work contract contains a charging clause or the implications of a charging clause, you should seek independent legal advice.

- (2) Schedule 3, Form 1, clauses 9, 10, 11, 12, 13, 14 and 15—redesignate clauses 9, 10, 11, 12, 13, 14 and 15 as clauses 10, 11, 12, 13, 14, 15 and 16 respectively.

12A—Requirements for contracts for domestic plumbing, gas fitting or electrical work that contain a charging clause

- (1) For the purposes of section 33B(1)(d) of the Act, a contract entered into to perform plumbing, gas fitting or electrical work on domestic property that contains a charging clause must include the following information:
 - (a) that the clause seeks to establish an interest in the property to which the contract relates for which a right to lodge a caveat over the property will exist;
 - (b) that, in the event that a caveat is lodged over the property, the rights of the owner of the property to deal with the property and have such dealings registered in the Lands Titles Office will be restricted;
 - (c) that the interest in the property created by the clause entitles the contractor to apply to a court for the sale of the property for the purposes of recovering any debt that may be outstanding in relation to the contract;

Schedule 2—Forms

Notice of charging clause—section 33B(1)(f) of *Plumbers, Gas Fitters and Electricians Act 1995*

This notice contains important information about the charging clause contained in the contract entered into to perform plumbing, gas fitting or electrical work on your domestic property by a contractor. You should read it carefully and keep it for future reference.

A charging clause in a contract gives your contractor the right to lodge a caveat over the property on which the contractor is performing work under the contract. If a caveat is lodged over the property, you (as owner of the property) may be restricted from dealing with and registering dealings with the property at the Land Titles Office.

The interest created by the clause would entitle your contractor to apply to the court for the sale of the property to recover any debt owed by you for work performed under the contract.

Check your contract carefully, and, if you are not certain about the implications of a charging clause, you should seek independent legal advice.

Note—

As required by section 10AA(2) of the *Subordinate Legislation Act 1978*, the Minister has certified that, in the Minister's opinion, it is necessary or appropriate that these regulations come into operation as set out in these regulations.
