RETURN TO WORK CORPORATION OF SOUTH AUSTRALIA ACT 1994

RETURN TO WORK ACT 2014

Return to Work Premium Review Panel Determination 2017

THE Board of the Return to Work Corporation of South Australia ('the Corporation') determines as follows pursuant to Section 17 of the Return to Work Corporation of South Australia Act 1994, Section 157 of the Return to Work Act 2014 ('the Act') and all other enabling powers:

Part 1—Preliminary Matters

1. This determination may be cited as the Return to Work Premium Review Panel Determination 2017.
2. This determination commences on 1 July 2017 ('Commencement Date') and applies to an application for review lodged under Section 157 of the Act after the Commencement Date.

Return to Work Premium Review Panel

3. The Return to Work Premium Review Panel (the Panel) continued by the Board's determination of 4 April 2016 (see *South Australian Government Gazette*, 28 April 2016, page 1279) continues.

Functions and Powers under Section 157 of the Act

4. The function of the Panel shall be to perform the functions of the Board under Section 157 of the Act as delegate of the Board under that section in reviewing decisions of the Corporation pursuant to Section 140 (2), Sections 141 (2), 141 (3), and 141 (4), Section 145 (1), Sections 147 (1), 147 (2), 147 (3) (a), (b) and (c), Section 147 (4), Section 149 (3) (a), Section 150 (3), Section 151 (1), Section 152 (1), Section 154 (1), (2), (3) and (4), Section 155 (1) and 155 (3) of the Act and subject to the proceeding clauses of this determination, the powers of the Board under Section 157 of the Act (other than the power to review a decision of the Corporation on a matter of law going to the validity of that decision) are delegated to the Panel for that purpose.

Part 2—Constitution of Panel

5. The Panel shall comprise four members appointed by the Board consisting of:
 - 5.1 a President, who shall be a legal practitioner (wherever in Australia admitted), and who shall decide any questions of law falling within the delegated functions of the Panel; and
 - 5.2 a member with expertise in the interests of registered employers; and
 - 5.3 a member with expertise in the interests of workers; and
 - 5.4 a member with expertise in the interests of the Corporation.
6. Where the anticipated unavailability of appointed members or the anticipated volume of work necessitates, deputy members may be appointed by the Board.
7. A Deputy Member has the powers and duties of the position held by the Member respectively.
8. The President may sit alone:
 - 8.1 to give directions;
 - 8.2 to determine procedural matters;
 - 8.3 for the promotion of conciliation;
 - 8.4 to seek evidence; or
 - 8.5 to dispose of an application on a matter of law falling within the delegated functions of the Panel involving no disputes of fact and no exercise of discretion.
9. Except as provided for in Clause 8, the Panel shall sit as a panel of four.
10. A decision of a majority of members of the Panel, shall be the decision of the Panel, but a member not agreeing with a decision of the majority may give reasons for not agreeing.
11. In the event of the Panel being equally divided in opinion as to the decision to be made, the Panel's decision shall be in accordance with the opinion of the President or the person appointed under Clause 18 (as applicable).
12. A quorum of the Panel shall be three members, provided that members or deputy members representing each interest referred to in Clause 5 have been offered, in the opinion of the President, a reasonable opportunity to sit.
13. If a member of the Panel becomes unavailable after the commencement of a hearing, the application must be heard again by the Panel properly constituted or (with the concurrence of the parties) adjourned until the absent member becomes available again, unless the decision of the remaining members is unanimous.
14. However, no hearing may commence or continue without the President or a person appointed under Clause 18.

Part 3—Indemnity of Members

15. Any liability attaching to a member of the Panel (including a deputy member) for an act or omission by the member, or by the Panel, in good faith and in the exercise or purported exercise of a power or function, or in a discharge or purported exercise of a duty, of the member or the Panel is assumed by the Corporation.

Part 4—Tenure of Members

16. The President, members and deputy members shall be appointed on an ongoing basis terminable by notice in writing of 60 days and where appointed prior to this determination will continue on an ongoing basis terminable by notice in writing of 60 days.
17. A former member of the Panel may sit as a member of the Panel for the purpose of completing the hearing and determination of part-heard proceedings in which they were involved.
18. Should the President be unable to sit due to illness or some other reason, the Chairman of the Corporation may appoint some other person (who shall be a legal practitioner) to act in the place of the President for such hearing or hearings when the President is unavailable.

Part 5—Reconsideration and Conciliation

19. Upon receipt of any application lodged under Section 157 (1) of the Act, the registry of the Panel will forward a copy to the Corporation, which will reconsider the decision (disregarding any question of whether the application is out of time) and must inform the Panel and the applicant within 14 days of the result of the reconsideration (and its attitude to any question of an extension of time).
20. Where:
 - 20.1 the applicant has sought an extension of time for the making of the application or, in the opinion of the Corporation, the application for review is out of time; and
 - 20.2 the Corporation intends to oppose an extension of time, and
 - 20.3 the Corporation considers proper reason exists for considering the extension of time before undertaking reconsideration, the Corporation may request the application to be referred to the President of the Panel to consider the extension of time.
21. Neither the President nor the Panel will consider an extension of time made in respect of a decision made more than three years after the employer was given notice of that decision.
22. If an application is referred to the President under Clause 20, the President may grant a provisional extension of time and make such other procedural directions as the President thinks appropriate, but only if the President agrees that proper reason exists for departing from the usual practice under Clause 19. A provisional extension of time does not prevent the Panel from refusing an extension of time, if appropriate, when dealing with the application for review on the merits.
23. If the President refuses a provisional extension of time, the applicant may request that the extension of time be referred to the Panel for final determination. A finding by the President that proper reason does not exist for departing from the usual practice under Clause 19 is not a refusal.
24. In this Part, consideration of an extension of time includes consideration of the question whether an application is in fact out of time.
25. Where the Corporation considers it impracticable to complete reconsideration within 14 days (and gives the registry of the Panel appropriate reasons for so considering), the registry may grant an extension of time for the reconsideration.
26. Before granting an extension of time for reconsideration that exceeds seven days, the registry must invite the applicant to indicate whether it has any objections to the proposed extension of time for reconsideration and the reasons for any objections. If there is any such objection, the registry must refer the question to the president of the Panel to determine.
27. If:
 - 27.1 the Corporation, on reconsideration of a disputed decision, confirms the decision; or
 - 27.2 the Corporation, on reconsideration of a disputed decision, varies the decision and the applicant expresses dissatisfaction with the variation,the registry of the Panel must refer the dispute for conciliation by a conciliator who will use his or her best endeavours to bring the applicant and the Corporation to an agreed resolution of the matters referred to in the application, and the Panel may not hear and determine any application unless it is satisfied that conciliation has been attempted and failed or it is satisfied that such attempts have no realistic prospects of success.
28. If, during the hearing of any matter, it appears to the Panel that there is a realistic prospect of a negotiated outcome being achieved, it may refer the matter back for further conciliation or the Panel may make such other attempts to promote conciliation as it thinks appropriate.
29. In this Part ‘conciliation’ includes counselling, mediation, neutral evaluation, case appraisal, conciliation or any combination and the format of conciliation in any particular case shall be at the discretion of the conciliator in consultation with the parties.
30. Any information provided during conciliation will be withheld from the Panel if the provider of that information so requests.

Part 6—Principles of Operation of Panel

31. The Panel shall be bound by and is hereby directed to follow the principles of natural justice.
32. Subject to Clause 31, the Panel:
 - 32.1 shall act according to equity, good conscience and the substantial merits of the case, without regard to technicalities and legal forms; and
 - 32.2 is not bound by the rules of evidence, but may inform itself by such means and such material as it thinks fit; and
 - 32.3 shall act as expeditiously as the circumstances of a particular case permit.
33. The Panel must ascertain whether the parties to any proceedings desire to be heard by way of oral evidence or submissions and must in that event give at least 14 days’ notice of the date, time and place of hearing, but if both parties to particular proceedings wish to have the application determined on the documents, the Panel need not hold a hearing but must give the parties at least 14 days’ notice to make final written submissions before proceeding to make it a determination.
34. If only one party to proceedings desires to submit oral evidence or submissions, the Panel must give the other party at least 14 days’ notice of the hearing and inform that party that, there is a danger that at the hearing the Panel may hear things from the first party that the other party will be unable to respond to if it does not attend.
35. A party may appear at a conciliation or hearing (including a directions hearing).
 - 35.1 if the party is a natural person or partnership, in person or by one or more of the parties or by an employee of that party who has the authority to make binding decisions on behalf of the party; or
 - 35.2 if the party is an incorporated body, by a proper officer or by an employee who has the authority to make binding decisions on behalf of the party;and may be represented by a legal practitioner or by a duly appointed and authorised agent, but a person described in Clause 35.1 or 35.2 must also appear unless the person presiding over the conciliation conference or hearing (as the case may be) has agreed in advance to dispense with this requirement.
36. A party engaging representation must do so at its own cost.

Part 7—Powers of President of Panel

37. The President of the Panel, or a person appointed under Clause 18 acting in that office may, while so acting, exercise the powers of, and is hereby appointed as, an authorised officer under the Act. For the purposes of this Part, operating units of the Corporation and its agents are directed to comply with any requirements of the President or a person appointed under Clause 18 as though they were subject to Section 183 of the Act.

Part 8—Reservation of Board's Discretion to Decide

38. Subject to the terms of this determination the Panel is required to determine all applications that fail to resolve through reconsideration or at conciliation, unless the Corporation, advises the Board that the particular dispute is of unusual significance and the Board or its relevant Board Committee, prior to the hearing of the application by the Panel, serves notice on the Panel and the applicant that the Panel is to make a recommendation only and refer the matter to the Board or relevant Board Committee.

Part 9—Revocation and Transitional Provision

39. The Return to Work Premium Review Panel Determination 2016 (the Revoked Determination) as published in the *South Australian Government Gazette* on 28 April 2016 at pages 1279 is revoked, but an Application for Review lodged before the Commencement Date will be dealt with under the Revoked Determination.

I confirm that this is a true and correct record of the decision of the Board of the Corporation made on 29 May 2017.

Dated 29 May 2017.

J. YUILE, Board Chairman

² Section 253 of the Act provides that the revocation of a by-law by another by-law that contains substantially the same provisions, does not affect certain resolutions such as those applying a by-law to a part or parts of the Council area.

³ Pursuant to Section 251 of the Act, a by-law will expire on 1 January following the seventh anniversary of the gazettal of the by-law.

5. *Application*

- 8.4 The Council (or such other person authorised by the Council) may suspend or revoke a grant of permission at any time by notice in writing to the person granted permission.

9. Offences and Penalties

- 9.1 A person who commits a breach of any by-law of the Council is guilty of an offence and may be liable to pay:
