*ACCC Letter of Authorisation*

6 January 1999  
 Mr Stephen Kelly  
 Managing Director  
 National Electricity Code Administrator  
 Level 4, 41 Currie Street  
 ADELAIDE SA 5000

Attention: Alex Cruickshank

Dear Mr Kelly

*National Electricity Code—Applications for Authorisation Nos:  
 A90671, A90672 and A90673*

I refer to your applications for authorisation of the National Electricity Code, as submitted to the Commission on 28 August 1998 and amended on 16 September, 22 September, 2 October, 6 October, 20 October, 26 October, 5 November and 20 November 1998.

The Commission has been made aware that the condition C3.2 imposed on the interim authorisation granted on 25 November 1998 is unlikely to be met. The South Australian Government has requested that the condition be removed. The Commission has agreed to remove the condition.

Pursuant to subsection 91 (2) of the Act, the Commission now revokes the interim authorisation dated 25 November 1998 and hereby grants interim authorisation for the applications A90671, A90672 and A90673.

This interim authorisation applies to:

- (a) The National Electricity Code in the form granted interim authorisation on 25 November 1998; and
- (b) all conduct to be engaged in under the National Electricity Code.

These interim authorisations take effect from Wednesday, 6 January 1999 and will lapse when the Commission reaches a final determination in regard to each application.

The Commission will endeavour to commence its statutory public consultation process regarding the applications as soon as possible, and hopes to release its draft determination in early 1999. Please note that under subsection 91 (2) of the Trade Practices Act, the Commission may revoke an interim authorisation at any time.

If you have any queries about any issue raised in this letter, please contact myself on (02) 6243 1256 or Kaye Johnston on (02) 6243 1258.

Yours sincerely,

M. RAWSTRON, Senior Assistant Commissioner
