ROAD TRAFFIC (ROAD RULES—ANCILLARY AND  
MISCELLANEOUS PROVISIONS) REGULATIONS 1999

*Notice of Exemption*

I, DIANA LAIDLAW, Minister for Transport and Urban Planning, grant the following exemption, pursuant to Regulation 7 of the Road Traffic (Road Rules—Ancillary and Miscellaneous Provisions) Regulations 1999.

I exempt the rider of a bicycle from complying with Rule 248 [prohibition on riding across a crossing] or subrule 250 (1) [prohibition on riding on a footpath] or both if she or he:

- is carrying a certificate (defined below); and
- is complying with the certificate and with the conditions (if any) stated in the certificate.

For the purposes of this exemption:

- a certificate is defined as a certificate issued by a medical practitioner stating that the person named in the certificate should be permitted to ride a bicycle on a footpath and/or across a pedestrian, children's or marked foot crossing, on the ground of physical disability or any medical ground. A certificate is valid indefinitely or for a specified period; and
- a bicycle is defined as a vehicle with one or more wheels that is built to be propelled by human power through a belt, chain or gears (whether or not it has an auxiliary motor), and:
  - (a) includes a pedicab, penny-farthing, scooter, tricycle and unicycle; but
  - (b) does not include a wheelchair, wheeled recreational device, wheeled toy, or any vehicle with an auxiliary motor capable of generating a power output over 200 W (whether or not the motor is operating).

This exemption is effective immediately and may be revoked by further notice.

All other provisions contained in the Road Traffic Act 1961 and the Australian Road Rules continue to have full force and effect. For example, a person acting pursuant to this exemption must comply with:

- subrule 250 (2), which requires the rider of a bicycle riding on a footpath or shared path to keep to the left of the path unless it is impracticable to do so and to give way to any pedestrian on the path; and
- subrule 252 (1), which prohibits the rider of a bicycle from riding on a length of road or footpath to which a *no bicycles sign*, or no bicycles road marking, applies.
