DL 1744/1983

DEVELOPMENT ACT 1993, SECTION 48: DECISION BY
THE DEVELOPMENT ASSESSMENT COMMISSION AS
DELEGATE OF THE GOVERNOR*Preamble*

1. A proposal for a multi-purpose facility that conforms to international standards for soccer and that allows for the conduct of major sporting, entertainment and cultural events through the redevelopment of the Hindmarsh Soccer Stadium has been previously approved by the Governor under Division 2 of Part 4 of the Development Act 1993. (See *Gazette* 24 September 1998, pp. 933 and 934)

2. An amended proposal that includes temporary facilities for Olympic soccer matches to be held at the Stadium in September 2000 has been submitted for consideration and approval under section 48 of the Development Act 1993.

3. The development has been the subject of a Development Report and an Assessment Report under sections 46 and 46D of the Development Act 1993.

4. The Development Assessment Commission is empowered to act in relation to this matter by virtue of a delegation from the Governor.

5. The Development Assessment Commission is satisfied that an appropriate Development Report, and an Assessment Report

and an amendment to the Assessment Report, have been prepared in relation to the development in accordance with the requirement of Division 2 of Part 4 of the Development Act 1993.

6. The Development Assessment Commission has, in considering the application, had regard to all relevant matters under section 48(5) of the Development Act 1993.

Decision

PURSUANT to section 48 of the Development Act 1993, the Development Assessment Commission, as delegate of the Governor:

- (a) Grants development approval for the Redevelopment of Hindmarsh Soccer Stadium (part of Stage 2 subject to Major Development) as described in the application dated 18 September 1997, and amended by application dated 20 August 1998, including the following plans:

- P:/50283/A15/Drawing/Stage 250441/cd87—Stage 2 Site Plan
- P:/50283/A15/Drawings/Stage 25044/cd19—Concert Mode Plan

and amended by application dated 17 May 2000, including an amendment to the Development Report and the following plans:

- Hindmarsh Football Stadium Site Plan 1 FAD-DD-3012C
- Hindmarsh Football Stadium Site Plan 2 FAD-DD-3013C,

Subject to conditions and notes attached entitled 'Conditions (1-14) for Development Approval (Application dated 18 September 1997 and amended by application dated 20 August 1998 and subsequently amended by application dated 17 May 2000)—Redevelopment of Hindmarsh Soccer Stadium.'

- (b) Pursuant to section 48 (7) of the Development Act 1993, specifies the matters of car parking provision and the holding of concerts/special events relevant to this authorisation to be matters in relation to which the Governor (or the Development Assessment Commission as delegate) may vary or revoke conditions of this authorisation or attach new conditions to it.

G. HOLLAND-BOOKER, Secretary, Development Assessment Commission.

Conditions (1-14) for Development Approval (Application dated 18 September 1997 and amended by application dated 20 August 1998 and subsequently amended by application dated 17 May 2000)—Redevelopment of Hindmarsh Soccer Stadium

1. Concerts must conclude at 11.30 p.m. and the Stadium vacated by 12 a.m. on the evenings that concerts are held at the stadium.

2. There must be a maximum of three concerts within any 12 month period and a minimum of 8 weeks between each.

3. Site works, demolition work and primary construction work must be carried out only between Monday to Friday, inclusive, 7 a.m. to 7 p.m. and Saturday, 7 a.m. to 3 p.m.

4. A Construction Management Plan must be prepared prior to commencement of demolition or construction which addresses:

- traffic management;
- dust and mud control;
- noise control;
- stormwater management;
- management of contaminated material;
- truck washdown management; and
- site clean up.

The Construction Management Plan must include a scheme to receive complaints and endeavour to resolve any complaints in relation to the construction period.

The Construction Management Plan must be prepared to the reasonable satisfaction of the City of Charles Sturt and the Environment Protection Agency of the Department of Environment and Heritage.

5. 15 bicycle rails must be provided, with appropriate signage indicating the location of bicycle parking and routes.

6. The Automatic Level control of the Public Address System must be set at levels to the reasonable satisfaction of the

Environment Protection Agency of the Department of Environment and Heritage.

7. Light spill on adjacent residential dwellings must not be greater than 45 lux.

8. The Environment Protection Authority's Stormwater Pollution Prevention Code of Practice for Local, State and Federal Government must be complied with.

9. Any contaminated soil must be disposed of in compliance with the Environment Protection Authority's Technical Bulletin 5 Disposal Criteria for Contaminated Soil.

10. Noise from fixed plant and machinery must not in combination exceed 45db(A) at the nearest dwelling.

11. All temporary spectator stands and temporary buildings for Olympic soccer matches must be certified as complying with the Building Rules, prior to any work commencing. A copy of the certification must be forwarded to the Development Assessment Commission, prior to use and occupation of the stands and buildings.

12. All other buildings and structures must be certified as complying with the Building Rules prior to any building work commencing.

13. During the construction, operation and dismantling of temporary facilities for Olympic soccer matches, the following requirements apply with respect to buildings comprising the State Heritage Place:

- Except to the extent that it is not reasonably practicable, fittings for temporary cables and fittings must not be made onto face brick or stone walls. If such fittings must be made, they must be made into joints between bricks or stones. No attachments may be made to internal walls.
- Cable access to heritage buildings must not be made by penetrations through masonry. Where use is made of existing openings such as doors and windows, then the whole door/window must be removed and safely stored. A temporary replacement door/window, modified to accommodate the cable, must be installed for the duration of the event. The original fittings must then be re-installed.

14. All of the temporary facilities established for Olympic soccer matches must be removed, and the land reinstated at the proponent's expense, by 27 October 2000.

Notes to Applicant

1. Bicycle parking spaces should be monitored to determine whether the installation of a further 15 rails is necessary.

2. Measures to increase public transport patronage should be adopted wherever possible e.g. public transport fee included in entrance ticket price, with options to be investigated with the Passenger Transport Board.

3. Every endeavour should be made to advise patrons of alternative parking facilities including promoting the use of bicycle facilities.

4. A binding commitment with the Entertainment Centre that it will provide its car parking facilities should be negotiated at the earliest possible time and also that every endeavour should be made to co-ordinate events to ensure maximum parking is available to the Hindmarsh Soccer Stadium.

5. In preparation for the temporary facilities for Olympic soccer matches at the stadium, Transport SA has requested that the proponent consult, at the earliest opportunity, with the Project Manager for Major Events in Transport SA on traffic management plans for the matches.

6. The City of Charles Sturt has requested further consultation with the proponent on the proposed encroachment of a temporary stand onto the Holden Street footpath and other matters associated with the construction of the temporary facilities.

DEVELOPMENT ACT 1993, SECTION 29 (2) (b): AMENDMENT TO THE CEDUNA (DC) DEVELOPMENT PLAN

Preamble

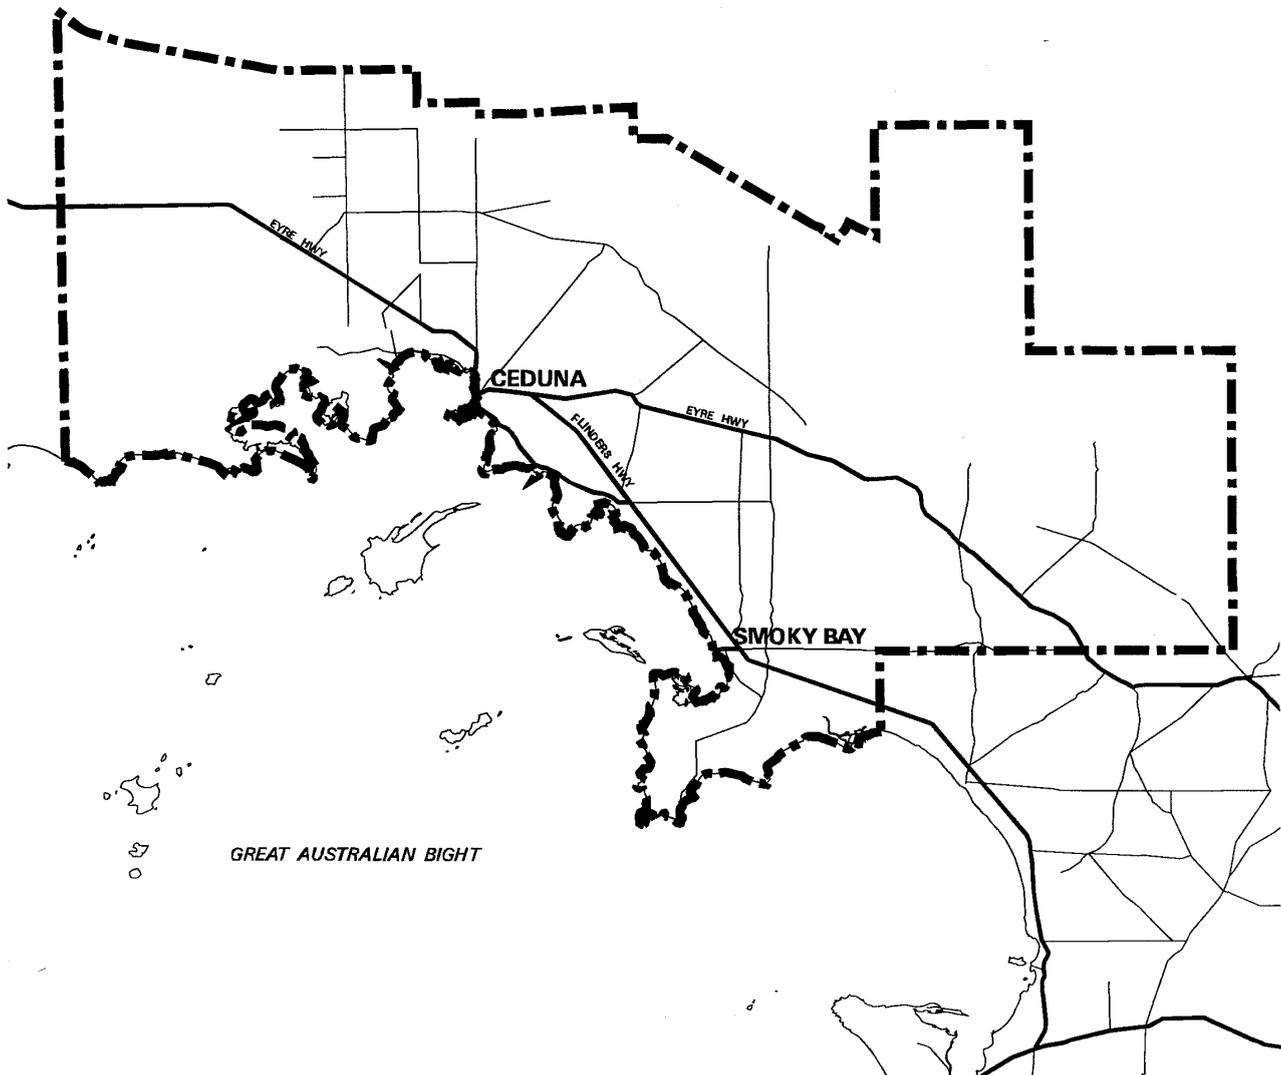

It is necessary to amend the Ceduna (DC) Development Plan dated 13 April 2000.

DEVELOPMENT ACT 1993: SECTION 29 (2) (b): AMENDMENT TO THE STREAKY BAY (DC) DEVELOPMENT PLAN

Preamble

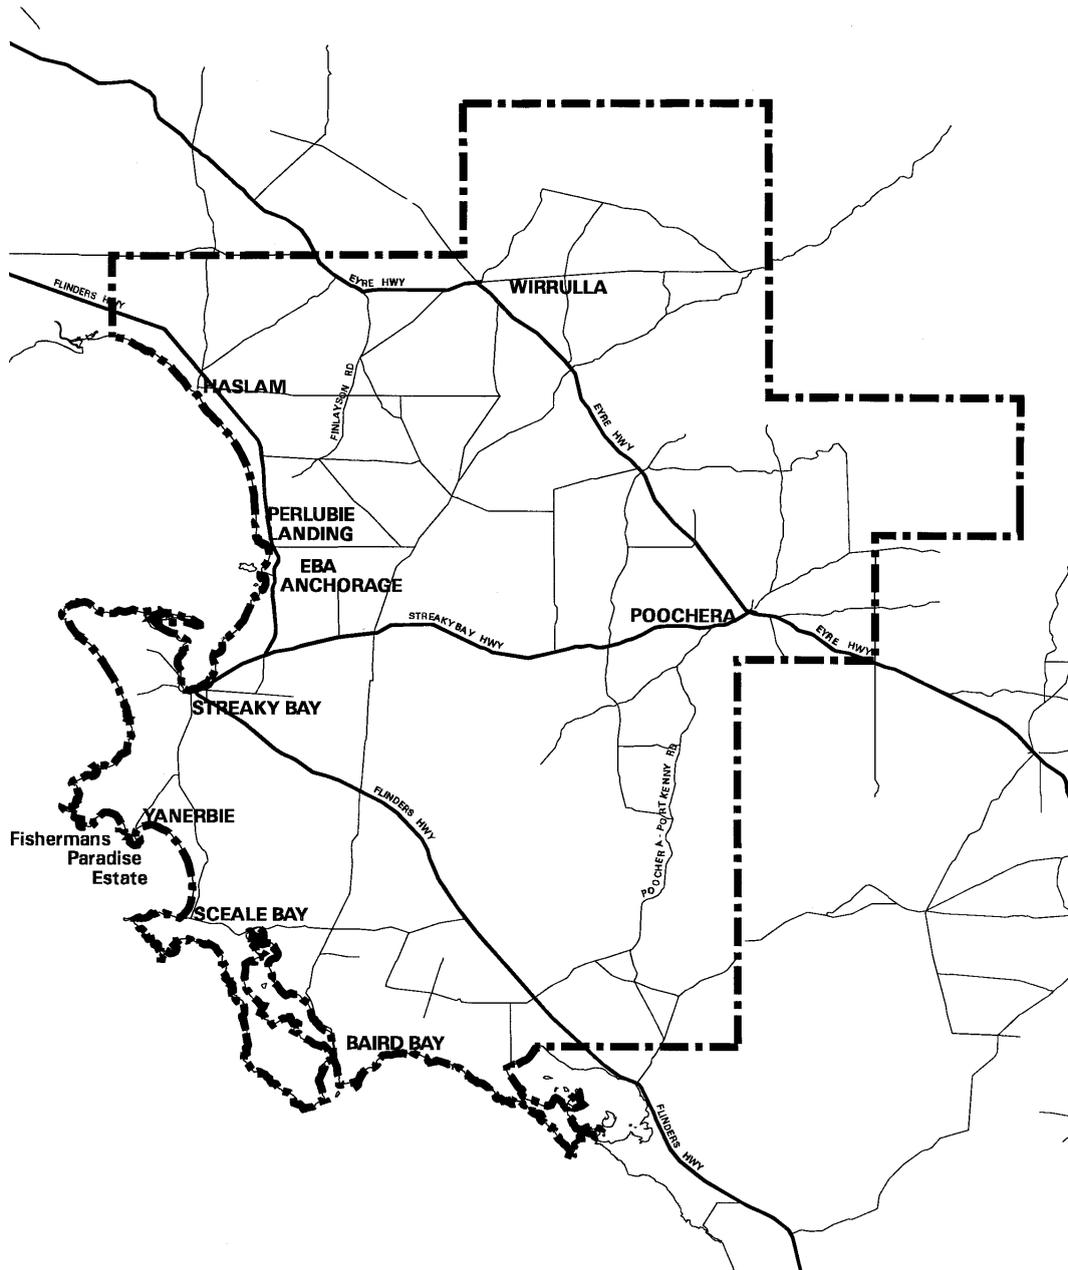

It is necessary to amend the Streaky Bay (DC) Development Plan dated 18 November 1999.

NOTICE

PURSUANT to Section 29 (2) (b) of the Development Act 1993, I, Diana Laidlaw, being the Minister administering the Act, amend The Streaky Bay (DC) Development Plan, dated 18 November 1999 as follows:

- (a) Delete Maps StB/1 to StB/22 dated 18 November 1999;
- (b) insert the contents of Attachment A; and
- (c) adjust the mapping references in the Streaky Bay (DC) Development Plan text accordingly.

ATTACHMENT A

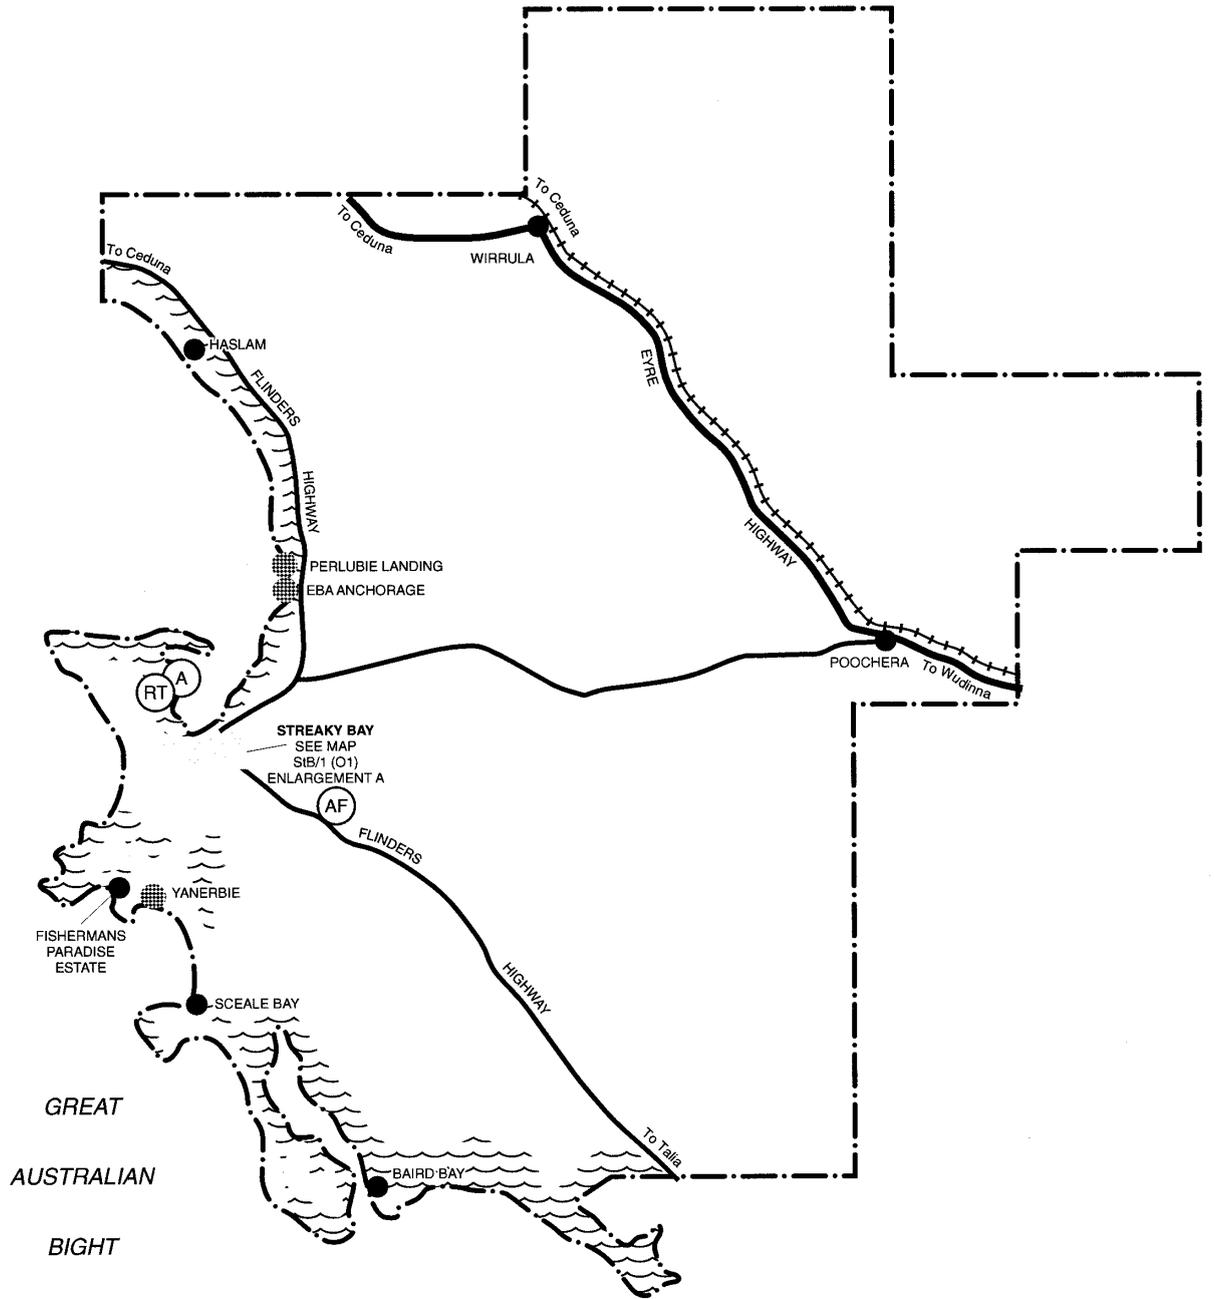

To identify the precise location of the Development Plan boundary refer to Map StB/2A and 2B then select the relevant Zone Map

CREMATION MEMORIALS

The cost of a cremation memorial is separated into two price components:

1. Grant Fee: This charge covers the 'right to use' the allocated ground and the maintenance of the site for the period of tenure.
2. Memorial Fee: This is a charge to arrange the memorial, manufacture and instal the same on site.
3. Double Site: If a double site cannot be paid in full then payment by instalment for the second site is acceptable. The Grant will then be issued.
4. Renewable Tenure: 25 years from date of expiry.

Pre-purchase

Provision for future use may be made. However, it must be pointed out that the period of tenure commences from the date of purchase.

Transfers

All applications for transfer must be made in writing to the Trust.

Memorial Work

Authority to establish a memorial will only be accepted from the deceased representative/grantee of an existing memorial site.

Memorials without Cremated Remains

Memorials may be established without cremated remains.

Applications

Applications lodged under section 20 of the Petroleum (Submerged Lands) Act 1967, are required to be made in the approved form and should be accompanied by:

(a) Details of:

- (i) the applicant's technical assessment of the petroleum potential of the area, including the concepts underlying its proposed exploration program, with sufficient detail to support that program;
- (ii) the applicant's minimum guaranteed proposal (including indicative minimum expenditure) for exploration wells to be drilled, 3D and 2D seismic and other surveying activities, data evaluation and other work, for each year of the first three years of the permit term. This proposal, to be known as the minimum guaranteed work program should comprise work expected to involve a substantial exploration component—normally, appraisal work should not be included;
- (iii) the applicant's proposal (including indicative minimum expenditure) for exploration wells to be drilled, 3D and 2D seismic and other surveying activities, data evaluation and other work, for each of the three remaining years of the permit term. This proposal, to be known as the secondary work program, should comprise work expected to involve a substantial exploration component—normally, appraisal work should not be included.

(b) Particulars of:

- (i) the technical qualifications of the applicant and of its key employees;
- (ii) the technical advice available to the applicant;
- (iii) the financial resources available to the applicant, including evidence of the applicant's ability to fund the work program proposed, a statement of other exploration commitments over the next six years, and a copy of the latest annual report and quarterly reports for each applicant company;
- (iv) where relevant, the viability of the consortium lodging the application, including evidence that a satisfactory settlement has been, or can be, reached on the Joint Operating Agreement (a copy of a signed Heads of Agreement Dealing will generally suffice); and
- (v) the percentage participation interest of each party to the application.

(c) Such other information as the applicant wishes to be taken into account in consideration of the application.

(d) Each application must be accompanied by a fee of \$A3 000, payable to the Commonwealth of Australia through an Australian bank or bank cheque.

Further details of the work program bidding system outlined above, including the criteria for assessment of applications and the conditions to apply following the award of a permit, are available from the Director, Petroleum, Department of Primary Industries and Resources in Adelaide and from the Petroleum Exploration and Development Branch, Department of Industry, Science and Resources in Canberra.

It should be noted that any income derived in the future from the recovery of petroleum from this area will be subject to the Commonwealth Government's Resource Rent Tax.

Applications together with relevant data should be submitted in the following manner to the Chief Executive, Department of Primary Industries and Resources SA, Level 7, 101 Grenfell Street, Adelaide, S.A. 5000. Applications close at 4 p.m., Thursday, 2 November 2000.

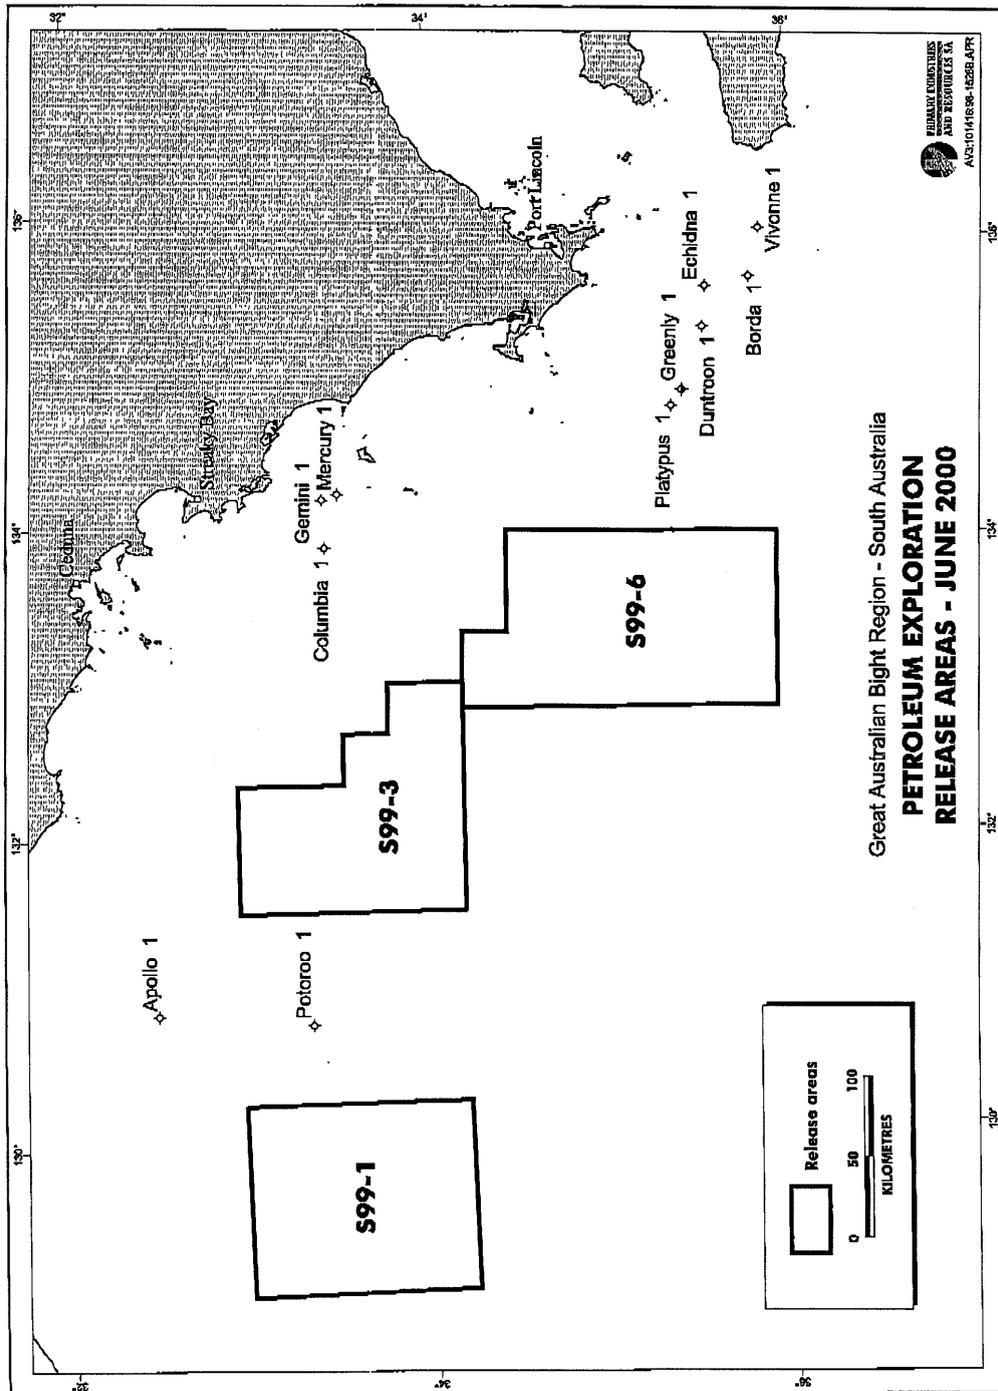

The following special instructions should be observed:

- two copies of the applications and supporting data, together with a fee of \$3 000, payable to the Commonwealth of Australia through an Australian Bank or by bank cheque, should be enclosed in an envelope or package;
- the application should then be sealed and clearly marked as 'Application for Area S99.....—Commercial-in-Confidence';
- this envelope or package should then be enclosed in a plain covering envelope or package and delivered by hand or posted to the relevant address above.

Copies of the basic exploration data pertaining to the blocks comprising this notice may be purchased from the Petroleum Group of the Department of Primary Industries and Resources SA. Verbal inquiries may be directed to R. Laws, Director, Petroleum Group (Telephone (08) 8463 3200).

Dated 13 June 2000.

Made under the Petroleum (Submerged Lands) Act 1967, of the Commonwealth of Australia.

R. A. LAWS, Director Petroleum, Delegate of the Designated Authority for and on behalf of the Commonwealth-South Australia Offshore Petroleum Joint Authority.

PUBLIC SECTOR MANAGEMENT ACT 1995

Equal Employment Opportunity

WHEREAS the Premier, being the Minister responsible for the Public Sector Management Act 1995, may publish in the *Gazette* an equal employment opportunity program designed to ensure that persons of a defined class have equal opportunities in relation to employment in the public sector with persons not of that class, and whereas the Premier may make special provision for persons of a defined class employed in the public sector with a view to enabling them to compete for other positions or pursue careers in the public sector as effectively as persons not of that class, I, John Olsen, Premier, do hereby publish the equal employment opportunity program set out in the Schedule.

SCHEDULE

*Equal Employment Opportunity Program—Trainee Employment Register**Object*

To provide temporary employment and training and development opportunities for young people in the South Australian public sector.

Special provision

Pursuant to section 67 (2) (a) and (b) of the Public Sector Management Act 1995. I make special provisions to achieve the object as follows:

(1) Participants of the South Australian Government Youth Training Scheme currently undertaking a traineeship are eligible to apply for all positions advertised on the 'Notice of Vacancies', and to compete for such positions on the basis of merit, in accordance with processes agreed by the Commissioner for Public Employment.

(2) The Department of Education, Training and Employment may establish a Trainee Employment Register for participants of the South Australian Youth Training Scheme who have satisfactorily completed their traineeships and received satisfactory work reports, in accordance with processes agreed by the Commissioner for Public Employment.

(3) Persons on the Trainee Employment Register may be provided with temporary employment opportunities in positions for periods up to 12 months duration in public sector agencies, in accordance with processes agreed by the Commissioner for Public Employment; and

(4) Persons on the Trainee Employment Register who are not currently employed within the public sector will be eligible to apply for all positions advertised in the 'Notice of Vacancies', and to compete for such positions on the basis of merit, in accordance with processes agreed by the Commissioner for Public Employment.

Dated 29 May 2000.

JOHN OLSEN, Premier

Grant to Envestra (SA) Limited an easement for gas supply purposes over portion of the land.

Grant to The Corporation of the City of Campbelltown an easement for drainage purposes over portion of the land.

On 29 November 1999, that order was confirmed by the Minister for Administrative Services conditionally on approval and deposit of the survey plan by the Registrar-General. The condition has now been fulfilled.

Pursuant to section 24(5) of the Roads (Opening and Closing) Act 1991, NOTICE of the order referred to above and its confirmation is hereby given.

Dated 15 June 2000.

P. M. KENTISH, Surveyor-General

ROADS (OPENING AND CLOSING) ACT 1991:

Section 37

NOTICE is hereby given pursuant to section 37(1) of the Roads (Opening and Closing) Act 1991 that:

WHEREAS it is considered that JOHN BARRATT of Inman Valley was entitled to a Certificate of Title over the closed road 'A' in exchange for portion of section 293, Hundred of Encounter Bay, opened as road and marked '1' in Road Plan No. 2182, deposited in the Office of the Surveyor-General at Adelaide *vide* notice of confirmation of road order published in the *Government Gazette* of 18 August 1859 at pages 744 and 745:

AND whereas no Certificate of Title was issued in respect of the said closed road and the said JOHN BARRATT is believed to be dead or unknown:

AND whereas application is made by LLOYD JAMES HUTCHINSON of Fuller Road, Victor Harbor, S.A. 5211 and FRANK WILLIS HUTCHINSON of 4 Oxford Avenue, Victor Harbor, S.A. 5211 for the issue of a Certificate of Title over the said closed road by virtue of possession:

AND whereas I am satisfied that the applicants are in possession of the said closed road and that there is apparently no other known person entitled to possession thereof:

TAKE NOTICE that unless objection by any person claiming any interest in the said land is made in writing to me within one month from the date of this notice, I propose to issue a Certificate of Title for the said land to the said applicants.

Objections should be addressed to the Surveyor-General, Department for Administrative and Information Services, G.P.O. Box 1354, Adelaide, S.A. 5001.

Dated 15 June 2000.

Citation

1. The *Livestock Regulations 1998* (see *Gazette* 22 January 1998 p. 288), as varied, are referred to in these regulations as "the principal regulations".

Commencement

2. These regulations will come into operation on 1 July 2000.

Variation of reg. 4—Interpretation

3. Regulation 4 of the principal regulations is varied—

(a) by striking out the definition of "**HGP free tag**" and substituting the following definition:

"**HGP free tag**" means a transaction tag of a colour, and conforming to any other requirements, specified by the Chief Inspector for the purposes of indicating that cattle or buffalo to which such tags are attached have not been treated with hormonal growth promotants;;

(b) by inserting after the definition of "**lice infested sheep**" the following definition:

"**transaction tag**" means a tail or ear tag obtained from an authorised manufacturer (see Part 6);.

Insertion of reg. 5A

4. The following regulation is inserted in Part 1 of the principal regulations after regulation 5:

Authorisations

5A. (1) An authorisation of the Chief Inspector under these regulations—

- (a) must be in writing; and
- (b) may be given to a particular person or to a class of persons or may apply generally; and
- (c) may be subject to conditions; and
- (d) may be varied or revoked by the Chief Inspector at any time.

(2) An authorisation of the Chief Inspector under these regulations or the variation or revocation of such an authorisation takes effect—

- (a) if the authorisation is given to a particular person—when written notice of the authorisation or of the variation or revocation (as the case may be) is served on the person; or
- (b) if the authorisation is given to a class of persons or applies generally—when notice of the authorisation or of the variation or revocation (as the case may be) is published in the *Gazette*.

Substitution of Part 6

5. Part 6 of the principal regulations is revoked and the following Part is substituted:

PART 6 LIVESTOCK IDENTIFICATION

Interpretation

26. In this Part—

"**authorised manufacturer**" means a person authorised by the Chief Inspector under regulation 29A to manufacture transaction tags or permanent identification devices;

"**authorised recycler**" means a person authorised by the Chief Inspector under regulation 29A to recycle permanent identification devices;

"**bobby calf**" means a calf that is of or under six weeks of age;

"**livestock**" means cattle and buffalo;

"**owner**" of land—

- (a) in relation to land alienated from the Crown in fee simple—means the owner of an estate in fee simple in the land;
- (b) in relation to land held from the Crown by lease, licence or agreement to purchase—means the lessee, licensee or purchaser;

"permanent identification device" means a device obtained from an authorised manufacturer or an authorised recycler for the permanent and individual identification of livestock;

"property identification code" means a code allotted to land by the Chief Inspector in accordance with regulation 29.

Identification of livestock

27. (1) Subject to subregulation (3), an owner of livestock must not, for the purpose of their slaughter or public sale, remove the livestock or permit the livestock to be removed from land on which they are pastured, unless—

- (a) attached to the tail or an ear of each animal is a transaction tag that bears the property identification code of the land; or
- (b) attached to or inserted in each animal is a permanent identification device that bears the property identification code of the land or otherwise enables that land to be identified; or
- (c) the livestock have been pastured on that land for not more than seven days and—
 - (i) attached to the tail or an ear of each animal is a transaction tag that bears the property identification code of the land on which they were pastured immediately before being pastured on that land; or
 - (ii) attached to or inserted in each animal is a permanent identification device that bears the property identification code of the land on which they were pastured immediately before being pastured on that land or that otherwise enables that land to be identified; or
- (d) the prior written approval of an inspector has been obtained.

Maximum penalty: \$5 000.

Expiation fee: \$315.

(2) For the purposes of subregulation (1), an animal will not be taken to have a permanent identification device attached to or inserted in it unless—

- (a) the device is attached to an ear of the animal; or
- (b) attached to an ear of the animal is a tag indicating that the animal has a permanent identification device attached to or inserted in it.

(3) Subregulation (1) does not apply in relation to—

- (a) bobby calves that are accompanied by their dams; or

- (b) stud animals (unless they are removed for slaughtering); or
- (c) the removal of animals from land to which a property identification code applies to land to which the same code applies.

(4) If an inspector suspects on reasonable grounds that a person has removed, or is about to remove, livestock in contravention of subregulation (1), the inspector may—

- (a) require the owner or person in charge of the animals to—
 - (i) muster them at or take them to a specified place convenient for inspecting or attaching transaction tags to the animals; and
 - (ii) attach transaction tags to animals found not to be tagged or otherwise identified in accordance with this regulation; and
 - (iii) detain the animals at a specified place, or return the animals to the place from which they have been removed, until they are tagged or otherwise identified in accordance with this regulation; and
- (b) if the owner or person in charge refuses or fails to comply with such a requirement, take the action required to be taken, with or without assistance.

(5) The Minister may recover costs and expenses reasonably incurred by an inspector under subregulation (4) by action in a court of competent jurisdiction as a debt owed by the person of whom the requirement was made.

(6) In this regulation—

"stud animal" means an animal that is registered with a society of breeders of animals of the same breed.

Types of tags and devices

28. (1) A person must only attach to, or insert in, an animal a permanent identification device of the following kind:

- (a) if the device is to be attached to or inserted in the animal on the property on which the animal was born—a device of a kind approved by the Chief Inspector as a breeder device; or
- (b) in any other case—a device of a kind approved by the Chief Inspector as a post-breeder device.

Maximum penalty: \$5 000.
Expiation fee: \$315.

(2) A person must only attach to a bobby calf a transaction tag of a kind approved by the Chief Inspector as a bobby calf tag.

Maximum penalty: \$5 000.
Expiation fee: \$315.

Property identification codes

29. (1) The Chief Inspector may allot a property identification code to land—

- (a) at the request of the owner of the land; or
- (b) at the request of the owner of livestock pastured on the land.

(2) The Chief Inspector may cancel a property identification code allotted to land—

- (a) at the request or with the consent of the owner of the land; or
- (b) if satisfied that no transaction tags or permanent identification devices bearing the property identification code of the land have been ordered in the preceding three years.

(3) The Chief Inspector must give notice of any cancellation of a property identification code under subregulation (2)(b) to the last known owner of the land at his or her last known address.

(4) Within 30 days after the sale of land to which a property identification code has been allotted under this regulation, the vendor must provide the Chief Inspector with the following information in writing:

- (a) the date of the sale; and
- (b) the name and address of the purchaser.

Maximum penalty: \$2 500.

Expiation fee: \$210.

Authorisation of manufacturers and recyclers

29A. The Chief Inspector may authorise a person—

- (a) to manufacture transaction tags or permanent identification devices for the purposes of this Part; or
- (b) to recycle permanent identification devices for the purposes of this Part.

Supply of tags and devices

29B. An authorised manufacturer or authorised recycler—

- (a) may only supply transaction tags or permanent identification devices to persons on receipt of an order form validated in a manner approved by the Chief Inspector; and
- (b) must—
 - (i) keep records of the persons to whom the tags or devices are supplied and the number and type of tags or devices supplied in respect of each property identification code; and
 - (ii) at the request of an inspector or other person authorised in writing by the Chief Inspector, produce the records for inspection.

Maximum penalty: \$5 000.
Expiation fee: \$315.

Animal must not have more than one permanent identification device

29C. A person must not, without the authorisation of the Chief Inspector, attach to or insert in an animal a permanent identification device if the animal already has a permanent identification device attached to or inserted in it.

Maximum penalty: \$2 500.
Expiation fee: \$210.

Removal of permanent identification devices

29D. (1) Subject to this regulation, a person must not remove a permanent identification device from an animal unless authorised to do so by the Chief Inspector.

Maximum penalty: \$5 000.
Expiation fee: \$315.

(2) Subregulation (1) does not apply to an inspector or a person acting in the course of his or her duties at an abattoir.

(3) The operator of an abattoir must ensure that all permanent identification devices removed from animals at the abattoir are, on a regular basis and in any event at least monthly—

- (a) destroyed; or
- (b) sent to an authorised recycler.

Maximum penalty: \$5 000.
Expiation fee: \$315.

Replacement of lost devices

29E. (1) If—

- (a) an animal has a permanent identification device attached to or inserted in it; and
- (b) the device is subsequently lost; and
- (c) a replacement permanent identification device is then attached to or inserted in the animal,

the person who attaches or inserts the replacement device must keep records which will enable the replacement device to be identified and must, at the request of an inspector, produce the records for inspection.

Maximum penalty: \$2 500.
Expiation fee: \$210.

(2) A person must keep records required under subregulation (1) in relation to an animal for not less than two years after the date on which the animal dies or is otherwise disposed of by the person.

Offence to alter or deface tags and devices

29F. A person must not, without the authorisation of the Chief Inspector, alter or deface a transaction tag or permanent identification device that is attached to or inserted in an animal.

Maximum penalty: \$5 000.

Expiation fee: \$315.
