(b) the amount to be expended for emergency services and the amount that needs to be raised by the levy under Division 1 of Part 3 of the Act were derived from existing forward estimates and adjusted to reflect additional initiatives and requirements identified in the strategic and business planning process and, following an assessment of risk, amounts were also included for contingencies in accordance with sound financial management practices.

Stephen Kelly
 Managing Director
 National Electricity Code Administrator
 Level 4, 41 Currie Street
 ADELAIDE, S.A. 5000

Dear Mr Kelly

*Applications for Authorisation of National Electricity Code
 Changes—VoLL, Capacity Mechanisms and Price Floor
 (A90711-A90713)*

On 27 September 1999, the Australian Competition and Consumer Commission (Commission) received applications for authorisation (Nos A90711, A90712 and A90713) of amendments to the National Electricity Code (NEC). Typographical amendments to the applications were received on 26 April 2000.

Enclosed is a copy of the Commission's draft determination in respect of these applications for authorisation. The Commission's draft determination outlines its analysis and views on the proposed Code changes. The Commission proposes to grant authorisation, conditional upon a number of amendments being made. A list of the conditions is outlined in section 5 of the draft determination.

The Commission now invites the applicant and other interested persons to notify it within 14 days from 21 June 2000, whether they wish the Commission to hold a conference in relation to this draft determination.

If the applicant or an interested party notify the Commission in writing that they want the Commission to hold a conference, the conference will be held in Melbourne on 18 July 2000. Details of the location of the conference will be sent shortly.

The applicant, interested parties who receive a copy of the draft determination, and any other interested parties whose presence the Commission considers appropriate are entitled to participate in any such conference.

Following the conference, the Commission will take into account issues raised at the conference, and any related submissions, and will issue a final determination. If no pre-determination conference is called then this draft determination will become the final determination.

A person dissatisfied with the final determination may apply to the Australian Competition Tribunal for its review.

I also refer to your request of 6 June 2000, that the Commission's 2 December 1999 interim authorisation of the price floor Code changes be revoked and a new interim authorisation issued covering the same provisions as that initial interim authorisation, but also covering the changes to the capacity mechanisms provisions. The Commission has considered this request and decided, pursuant to subsection 91 (2) of the Trade Practices Act, to revoke its 2 December 1999 interim authorisation and in its place grant interim authorisation to the proposed price floor and capacity mechanism Code changes of the application as amended on 26 April 2000 (clauses 3.3.17; 3.8.6; 3.8.7; 3.8.15; 3.9.2; 3.9.6 (a) and (b); 3.9.6A; 3.12; 3.13.4; 3.14; 3.15.7; 3.15.9; Schedule 3.4; Schedule 3.5 and Chapter 10 definitions). This interim authorisation will lapse when the Commission's final determination takes effect.

If you have any queries or require further information please contact me on (02) 6243 1249.

Yours sincerely,

M. RAWSTRON, General Manager, Regulatory
 Affairs—Electricity.

WORKCOVER CORPORATION ACT 1994
WORKERS REHABILITATION AND COMPENSATION ACT
1986

Determination of Board of WorkCover Corporation of South Australia

THE Board of the WorkCover Corporation of South Australia determines as follows, pursuant to section 17 of the *WorkCover Corporation Act 1994*, section 72 of the *Workers Rehabilitation and Compensation Act 1986* and all other enabling powers:

1. Date of commencement. This determination takes effect on 1 July 2000.

2. Establishment of WorkCover Levy Review Panel. The WorkCover Levy Review Panel ('the Panel') is hereby established.

3. Function and powers under section 72 of *Workers Rehabilitation and Compensation Act 1986*. The function of the Panel shall be to perform the functions of the Board under section 72 of the *Workers Rehabilitation and Compensation Act 1986* ('the Act') as delegate of the Board under that section and (subject to the succeeding clauses of this determination) all powers of the Board under that section, other than the power of delegation, are delegated to the Panel for that purpose.

4. Constitution of Panel.

(1) The Panel shall sit comprising three members appointed by the Board consisting of:

- (a) a President, who shall be a legal practitioner (wherever in Australia admitted), and who shall decide any questions of law;
- (b) a member with expertise in the interests of registered employers; and
- (c) a member with expertise in the interests of the Corporation.

(2) Where the unavailability of appointed members, or the volume of work necessitates, deputy members may be appointed by the Board.

(3) The President or a Deputy President may sit alone to determine procedural matters, such as listings, applications for adjournments, the promotion of conciliation, and the seeking of evidence, but otherwise the Panel shall sit as a Panel of three.

(4) A decision of a majority of members of the Panel, other than a decision as to a matter of law, shall be the decision of the Panel, but a member not agreeing with a decision of the majority may give reasons for not agreeing.

(5) If a member of the Panel becomes unavailable after the commencement of a hearing, the application must be heard again by the Panel properly constituted or (with the concurrence of the parties) adjourned until the absent member becomes available again, unless the decision of the remaining members is unanimous.

5. Indemnity of members. Any liability attaching to a member of the Panel for an act or omission by the member, or by the Panel, in good faith and in the exercise or purported exercise of a power or function, or in the discharge or purported exercise of a duty, of the member or the Panel is assumed by the Corporation.

6. Tenure of members. Members shall be appointed for a term of two years.

7. Conciliation as condition precedent to jurisdiction.

(1) Upon receipt of any application lodged under section 72 (1) of the Act, the registry of the Panel will forward a copy to the operating unit of the Corporation responsible for the disputed decision, which will reconsider the decision (disregarding any question of whether the application is out of time) and must inform the Panel and the applicant within 7 days of the result of the reconsideration (and its attitude to any question of an extension of time).

(2) If—

- (a) the Corporation, on reconsideration of a disputed decision, confirms the decision; or
- (b) the Corporation, on reconsideration of a disputed decision, varies the decision and the applicant expresses dissatisfaction with the variation,

the registry of the Panel must refer the dispute for conciliation by a conciliator who will use his or her best endeavours to bring the applicant and the operating unit of the Corporation that is responsible for the disputed decision to an agreed resolution of the matters referred to in the application, and the Panel may not hear and determine any application unless it is satisfied that conciliation has been attempted and failed or it is satisfied that such attempts have no realistic prospects of success.

(3) If, during the hearing of any matter, it appears to the Panel that there is a realistic prospect of a negotiated outcome being achieved, it may refer the matter back for further conciliation or the Panel may make such other attempts to promote conciliation as it thinks appropriate.

(4) In this clause, 'conciliation' includes—

- (a) counselling; and
- (b) mediation; and
- (c) neutral evaluation; and
- (d) case appraisal; and
- (e) conciliation; and
- (f) any combination of the above,

and the format of conciliation in any particular case shall be at the discretion of the conciliator in consultation with the parties, with the proviso that no confidential information provided during conciliation shall be divulged to the Panel unless the provider of that information agrees.

8. Principles of operation of Panel.

(1) The Panel shall be bound and is hereby directed to follow the principles of natural justice.

(2) Subject to sub-clause (1), the Panel:

- (a) shall act according to equity, good conscience and the substantial merits of the case, without regard to technicalities and legal forms; and
- (b) is not bound by the rules of evidence, but may inform itself by such material as it thinks fit; and
- (c) shall act as expeditiously as the circumstances of a particular case permit.

(3) The Panel must ascertain whether the parties to any proceedings desire to be heard by way of oral evidence or submissions and must in that event give at least 14 days notice of the date, time and place of hearing, but if both parties to particular proceedings wish to have the application determined on the documents the Panel need not hold a hearing but must give the parties at least 14 days notice to make final submissions before proceeding to make a determination.

(4) If only one party to proceedings desires to present oral evidence or submissions, the Panel must give the other party at least 14 days notice of the hearing and inform that party that there is a danger that at the hearing the Panel may hear things from the first party that the other party will be unable to respond to if it does not attend.

(5) A party may appear in person or (if a body corporate) by any proper officer or may be represented by counsel or by any duly appointed and authorised agent.

9. Powers of President of Panel. The President of the Panel, or a Deputy President acting in that office may, while so acting, exercise the powers of, and is hereby appointed as, an authorised officer under the Act. For the purposes of this clause, operating units of the Corporation and its agents are directed to comply with any requirements of the President or Deputy President as though they were subject to section 110 of the Act.

10. Reservation of Board's discretion to decide.

(1) The Panel is required to determine all applications that fail to resolve through reconsideration or at conciliation, unless the Corporation, within 14 days of receipt of the application, advises the Board that a particular dispute is of unusual significance and the Board or its relevant Board Committee, prior to the hearing of the application by the Panel, serves notice on the Panel and the applicant that the Panel is to make a recommendation only and refer the matter to the relevant Board Committee of the Board for:

- (a) advice;
- (b) exercise by the Board Committee of its delegation by unanimous decision; or
- (c) referral by the Board Committee to the Board for its determination.

11. Revocation. The determinations of the Board published in the *South Australian Government Gazette* on 25 September 1997 at pages 907 and 910, are revoked from the commencement of this determination.

12. Transitional. Where an application for review lodged before 1 July 2000 has not been determined at that date, the applicant may elect to have the matter completed under the procedures applying before that date, or to have the matter heard by the Panel constituted under this determination.

Confirmed as a true and correct record of the decision of the Board.

Dated 29 June 2000.

address, phone, fax nos.

- The Plaintiff intends to file a claim in this Court against you for the
sum of
\$

being for: (briefly describe the basis of the claim)

- This notice provides an opportunity for you both to voluntarily negotiate a
resolution without further involvement by the Court. This may save you
costs, time and court appearances.

Details of your options, what they mean and how they**work**

are on the reverse side of this Notice.

- If you are not able to reach a resolution within 21 days of service of this notice which is acceptable to you and the plaintiff, the plaintiff may file a Claim against you at the Court.

(Note to creditors- if you are willing to accept instalment payments you may send a Enforceable Payment Agreement (EPA), form 1B with this notice)

IGNORING THIS NOTICE

- If you ignore this notice the plaintiff may file a claim against you incurring court and other costs which you may have to pay if you lose the case. If the creditor obtains a judgment against you this will have a bad effect on your credit rating.

OPTIONS FOR PAYMENT IF YOU OWE THE FULL AMOUNT

- Pay the full amount claimed to the plaintiff (do not send money to Court).
- If you cannot afford to pay in full try to arrange instalment payments with the plaintiff. You can use an Enforceable Payment Agreement (EPA) where in return for you acknowledging the debt and making payments the creditor agrees not to commence a claim nor to report the debt to credit referencing agencies. You can obtain these from court offices. Keep a record of payments made.
- Negotiate with the Plaintiff for more time to pay in full.
- The plaintiff is not entitled to debt collecting costs unless you agreed to pay them in your credit or other agreement with the plaintiff.

OPTIONS FOR SETTLEMENT

- If the claim is in dispute, you can negotiate directly with the plaintiff to reach an agreement or, if the plaintiff agrees, you can use the free court mediation service (see 'Mediation') and/or a court appointed expert (see 'Experts').
- If you owe some of the money you could pay that to reduce the amount in dispute.

MEDIATION

- Court mediation is free and is an alternative way of resolving a dispute other than by court processes leading to a court trial. Mediation can only take place if both parties agree. You can choose either court mediation or other mediation services

EXPERTS

- In many areas an independent court expert can provide an opinion on technical issues.
