ATTACHMENT A

that constitutes solid waste disposal required to be licensed as a waste depot under the Environment Protection Act 1993

FISHERIES ACT 1982

MARINE MOLLUSC FARMING LICENCE FM00071
 (PREVIOUS LICENCE NO. F732)

Licence to Farm Fish under section 53 of the Fisheries Act 1982

WHEREAS the Director of Fisheries has, pursuant to section 50 (2) of the Fisheries Act 1982 (‘the Act’), issued a permit to the undermentioned licensee to release the fish specified in Item 1 of Schedule 2 of this licence (‘the permitted species’), the Minister for Primary Industries, Natural Resources and Regional Development (‘the Minister’) hereby grants to:

Smoky Bay Oyster Growers Pty Ltd (12194)
 Section 18, Hundred of Guthrie
 Mudamuckla, S.A. 5680

a non-exclusive licence to occupy and use the waters specified in Item 1 of Schedule 1 of this licence (‘the site’) for the purpose of farming and taking the permitted species (‘the permitted use’) for

the period commencing on 1 July 1999 and ending, subject to any earlier termination under this licence, on 30 June 2000 ('the term') subject to the following terms and conditions:

CONDITIONS OF THIS LICENCE

1. Licence

The parties acknowledge and agree that:

- 1.1 the rights, powers and privileges granted to or vested in the licensee under this licence are contractual only and shall not create or vest in the licensee any estate, interest or right of a proprietary nature in the site; and
- 1.2 that, subject to section 53A of the Fisheries Act 1982, this licence does not entitle the licensee to exclusive rights of entry to and occupation of the site and that the rights granted by this licence are exercisable by the licensee in common with any other occupiers of the site from time to time.

2. Marked-off Areas

For the purposes of section 53A of the Fisheries Act 1982, the marked-off areas within the site is that area or those areas marked-off or indicated in the manner set out in Item 2 of Schedule 1 of this licence.

3. Permitted Species

The licensee:

- 3.1 must not farm or introduce any species at the site other than the permitted species; and
- 3.2 must not take any wild fish from the site except for recreational purposes.

4. Permitted Use

The licensee must not use the site for any purpose other than the permitted use.

5. Permitted Methods

The licensee:

- 5.1 must not stock the permitted species at a rate greater than that specified in Schedule 2 of this licence;
- 5.2 must not use the anti-fouling chemical tributyltin (TBT) on any equipment used at the site;
- 5.3 must not use any chemical or drug for either therapeutic or prophylactic purpose except with the prior approval of the Minister;
- 5.4 must apply the permitted farming methods set out in Item 2 of Schedule 2 of this licence.

6. Marking and Maintaining the Site

The licensee:

- 6.1 must ensure that the site is maintained in a good, tidy and safe condition to the satisfaction of the Minister;
- 6.2 must remove and lawfully dispose of any waste or debris on the site as soon as is reasonably practicable and in particular must comply with any guidelines issued from time to time by the Minister in relation to the removal from the site of any unhealthy or dead fish;
- 6.3 must maintain all buoys, crosses, and markers on the site in good condition and in accordance with the colours specified in Schedule 1 of this licence; and
- 6.4 must mark the site boundary in accordance with the specifications in Schedule 1 of this licence.

7. Site Inspection and Supervision

The licensee:

- 7.1 must at all times permit the Minister, his employees, agents or contractors or any employees, agents or contractors of the Crown to enter the site for the purposes of inspecting the site, the sea floor and the flora and fauna on or in the vicinity of the site; and
- 7.2 must comply with all reasonable directions of any such person authorised by the Director of Fisheries to inspect the conduct of the licensee's activities at the site.

8. Fees and Returns

The licensee:

- 8.1 must pay to the Minister the licence fee in accordance with Item 1 of Schedule 3 of this licence;
- 8.2 must on or before 31 January and 31 July during the term, submit to the Minister a return supplying all of the information described in Schedule 4 of this licence.

9. Compliance With Relevant Laws

- 9.1 the licensee must at all times comply with all laws, by-laws or regulations in force which relate to the site or the activities conducted in the site and with all notices, orders or requirements lawfully given or made by any authority or authorities in respect of the site;
- 9.2 in particular, without derogating from the general requirement under condition 9 of this licence:
 - 9.2.1 the licensee must not do or permit to be done in upon or about the site anything which in the opinion of the Minister would cause or contribute to the degradation or pollution of any coastal land or the surrounding marine environment; and
 - 9.2.2 in the event that the Minister is satisfied, on reasonable grounds, that the fish taken from the waters are not fit for human consumption or that consumption of fish taken from the waters could present a danger to the health of the consumer, the licensee must, in accordance with a written notice from the Minister, cease or suspend the conduct of the permitted use or else conduct the permitted use as directed within the notice.

10. Public Risk Liability

The licensee must at all times indemnify the Minister, his officers, employees, contractors and agents from and against all claims, demands, actions, judgments, proceedings, damages, losses, costs, charges and expenses in respect of any loss of life, personal injury and/or damage to property caused or suffered in any manner in or about the site.

11. Release

The licensee must use and keep the site at the risk in all things of the licensee and the licensee must release to the full extent permitted by law the Minister, his agents, contractors and servants in the absence of any wilful act, omission, default or neglect on their part from all claims and demands of every kind resulting from any accident damage or injury to persons or property occurring at the site, including loss or damage to the licensee's fixtures or personal property of the licensee.

12. Public Risk Insurance

The licensee shall at its own cost and expense during the term effect and keep in full force and effect in respect of the site and the permitted use a policy of public risk insurance in the joint names of the licensee and the Minister in which the limits of public risk shall not be less than the amount specified in Item 2 of Schedule 3 of this licence, or such further amount as the Minister may from time to time reasonably require, as the amount which may be paid out in respect of any one single claim and a policy of insurance or copy thereof or a certificate of insurance shall be produced by the licensee to the Minister on request in writing being made by the Minister for its production.

13. Guarantee or Indemnity Scheme

The licensee must either:

- 13.1 provide a guarantee from its bankers; or
- 13.2 contribute to an indemnity scheme established for the aquaculture and fisheries industry and approved by the Minister,

to and in favour of and for the benefit of the Minister by way of security for the due and punctual performance by the licensee of the terms and conditions of this licence and in particular the obligations of the licensee to rehabilitate the site immediately prior to the expiration or sooner determination of the term of this licence. Such guarantee or indemnity scheme must have effect from the date of commencement of the term.

14. *No Assignment*

The licensee acknowledges that this licence is personal and it must not assign or sublet or deal in any other way with any interest in this licence.

15. *Default by Licensee and Termination*

The Minister may terminate this licence immediately by notice in writing served on the licensee if:

- 15.1 the licensee commits or permits any breach or default of the obligations imposed on the licensee by this licence, and following the giving by the Minister of written notice of such breach or default, the licensee either fails to rectify such breach or default within one calendar month of the date of such notice (or earlier if the circumstances require) or fails to make diligent progress towards rectifying any such breach which is incapable of rectification within the time so limited; or
- 15.2 the licensee commits or permits any further breach or default of the obligations imposed on the licensee by this licence for which the Minister has previously given notice in writing of such breach or default pursuant to paragraph 1 of condition 15.1 notwithstanding rectification of the previous breach or default; or
- 15.3 the licence fee referred to in condition 8 is unpaid for a period of 14 days after notice has been given to the licensee that it is outstanding; or
- 15.4 if the licensee is a body corporate, any of the following occur:
 - 15.4.1 the licensee is unable to pay its debts as and when they fall due or is otherwise insolvent;
 - 15.4.2 an order is made for the winding up or liquidation of the licensee;
 - 15.4.3 the licensee enters into a scheme of arrangement, compromise, moratorium or other form of composition with its creditors or any class of its creditors;
 - 15.4.4 a receiver, a manager or a receiver and manager, a company administrator or other insolvency administrator is appointed to the licensee; or
 - 15.4.5 a mortgagee, chargee or other encumbrancee is appointed over or takes possession of or appoints an agent to take possession of all or any of the licensee's assets; or
- 15.5 if the licensee is an individual, the licensee:
 - 15.5.1 becomes bankrupt or assigns its estate or enters into a deed of arrangement or other form of composition for the benefit of the licensee's creditors; or
 - 15.5.2 is convicted of an indictable offence.

Termination of this licence by the Minister shall be without prejudice to any rights, remedies or actions that the Minister may have against the licensee in respect of any antecedent breach by the licensee of the terms and conditions contained in this licence.

16. *Interpretation*

Subject to any inconsistency of subject or context, the following rules of construction shall be used in the interpretation of this licence:

- 16.1 any word importing the plural includes the singular and *vice versa*;
- 16.2 any wording importing a gender shall include all other genders;
- 16.3 a reference to a body corporate shall include a natural person and *vice versa*;
- 16.4 a reference to a recital, party, clause, Schedule or Annexure is a reference to a recital, party, clause, Schedule or Annexure of this licence;

16.5 the captions, headings, section numbers and clause numbers appearing in this licence are inserted only as a matter of convenience and in no way affect the construction of this licence;

16.6 a reference to a statute shall include all statutes amending, consolidating or replacing the statutes referred to;

16.7 where two or more persons are named as licensees, this licence shall bind the licensees jointly and each of them severally; and

16.8 time is of the essence in respect of any obligation relating to time in this licence.

17. *Delegation*

Any consent, notice, any consultation or any other thing which is pursuant to the terms of this licence either required to be given, done or performed or which may be given, done or performed by the Minister may for the purposes of this licence be properly given, done or performed by any duly authorised agent or employee of the Minister.

18. *Severance*

If any term or condition of this licence should be for any reason unlawful, void, invalid or unenforceable then the offending term or condition shall be severed from this licence without affecting the validity or enforceability of the remainder of this licence.

19. *Modification*

No variation of or addition to any provision of this licence shall be binding upon the Minister and the licensee unless such variation or addition is made in writing, signed by both the Minister and the licensee and expressed to be either supplemental to or in substitution for the whole or a part of this licence.

20. *Waiver*

20.1 A waiver of any provision of this licence by the Minister must both be in writing and be signed by the Minister or by persons duly authorised to execute such a document on the Minister's part.

20.2 No waiver by the Minister of a breach of a term or condition contained in this licence shall operate as a waiver of any breach of the same or any other term or condition contained in this licence.

20.3 No forbearance, delay or indulgence by the Minister in enforcing the provisions of this licence shall prejudice or restrict the rights of the Minister.

21. *Notices*

21.1 Notices may be served by delivering the same personally, by mail or facsimile transmission and shall be:

FISHERIES ACT 1982

MARINE MOLLUSC FARMING LICENCE FM00334

Licence to Farm Fish under section 53 of the Fisheries Act 1982

WHEREAS the Director of Fisheries has, pursuant to section 50 (2) of the Fisheries Act 1982 ('the Act'), issued a permit to the undermentioned licensee to release the fish specified in Item 1 of Schedule 2 of this licence ('the permitted species'), the Minister for Primary Industries, ('the Minister') hereby grants to:

Mary Evans (14792)
Smoky Bay, S.A. 5680

a non-exclusive licence to occupy and use the waters specified in Item 1 of Schedule 1 of this licence ('the site') for the purpose of farming and taking the permitted species ('the permitted use') for the period commencing on 1 February 2000 and ending, subject to any earlier termination under this licence, on 30 June 2000 ('the term') subject to the following terms and conditions:

CONDITIONS OF THIS LICENCE

1. Licence

The parties acknowledge and agree that:

- 1.1 the rights, powers and privileges granted to or vested in the licensee under this licence are contractual only and shall not create or vest in the licensee any estate, interest or right of a proprietary nature in the site; and
- 1.2 that, subject to section 53A of the Fisheries Act 1982, this licence does not entitle the licensee to exclusive rights of entry to and occupation of the site and that the rights granted by this licence are exercisable by the

licensee in common with any other occupiers of the site from time to time.

2. Marked-off Areas

For the purposes of section 53A of the Fisheries Act 1982, the marked-off areas within the site is that area or those areas marked-off or indicated in the manner set out in Item 2 of Schedule 1 of this licence.

3. Permitted Species

The licensee:

- 3.1 must not farm or introduce any species at the site other than the permitted species; and
- 3.2 must not take any wild fish from the site except for recreational purposes.

4. Permitted Use

The licensee must not use the site for any purpose other than the permitted use.

5. Permitted Methods

The licensee:

- 5.1 must not stock the permitted species at a rate greater than that specified in Schedule 2 of this licence;
- 5.2 must not use the anti-fouling chemical tributyltin (TBT) on any equipment used at the site;
- 5.3 must not use any chemical or drug for either therapeutic or prophylactic purpose except with the prior approval of the Minister;
- 5.4 must apply the permitted farming methods set out in Item 2 of Schedule 2 of this licence.

6. Marking and Maintaining the Site

The licensee:

- 6.1 must ensure that the site is maintained in a good, tidy and safe condition to the satisfaction of the Minister;
- 6.2 must remove and lawfully dispose of any waste or debris on the site as soon as is reasonably practicable and in particular must comply with any guidelines issued from time to time by the Minister in relation to the removal from the site of any unhealthy or dead fish;
- 6.3 must maintain all buoys, crosses, and markers on the site in good condition and in accordance with the colours specified in Schedule 1 of this licence; and
- 6.4 must mark the site boundary in accordance with the specifications in Schedule 1 of this licence.

7. Site Inspection and Supervision

The licensee:

- 7.1 must at all times permit the Minister, his employees, agents or contractors or any employees, agents or contractors of the Crown to enter the site for the purposes of inspecting the site, the sea floor and the flora and fauna on or in the vicinity of the site; and
- 7.2 must comply with all reasonable directions of any such person authorised by the Director of Fisheries to inspect the conduct of the licensee's activities at the site.

8. Fees and Returns

The licensee:

- 8.1 must pay to the Minister the licence fee in accordance with Item 1 of Schedule 3 of this licence;
- 8.2 must on or before 31 January and 31 July during the term, submit to the Minister a return supplying all of the information described in Schedule 4 of this licence.

9. Compliance With Relevant Laws

- 9.1 the licensee must at all times comply with all laws, by-laws or regulations in force which relate to the site or the activities conducted in the site and with all notices, orders or requirements lawfully given or made by any authority or authorities in respect of the site;
- 9.2 in particular, without derogating from the general requirement under condition 9 of this licence:
 - 9.2.1 the licensee must not do or permit to be done in upon or about the site anything which in the opinion of the Minister would cause or contribute to the degradation or pollution of any coastal land or the surrounding marine environment; and

9.2.2 in the event that the Minister is satisfied, on reasonable grounds, that the fish taken from the waters are not fit for human consumption or that consumption of fish taken from the waters could present a danger to the health of the consumer, the licensee must, in accordance with a written notice from the Minister, cease or suspend the conduct of the permitted use or else conduct the permitted use as directed within the notice.

10. Public Risk Liability

The licensee must at all times indemnify the Minister, his officers, employees, contractors and agents from and against all claims, demands, actions, judgments, proceedings, damages, losses, costs, charges and expenses in respect of any loss of life, personal injury and/or damage to property caused or suffered in any manner in or about the site.

11. Release

The licensee must use and keep the site at the risk in all things of the licensee and the licensee must release to the full extent permitted by law the Minister, his agents, contractors and servants in the absence of any wilful act, omission, default or neglect on their part from all claims and demands of every kind resulting from any accident damage or injury to persons or property occurring at the site, including loss or damage to the licensee's fixtures or personal property of the licensee.

12. Public Risk Insurance

The licensee shall at its own cost and expense during the term effect and keep in full force and effect in respect of the site and the permitted use a policy of public risk insurance in the joint names of the licensee and the Minister in which the limits of public risk shall not be less than the amount specified in Item 2 of Schedule 3 of this licence, or such further amount as the Minister may from time to time reasonably require, as the amount which may be paid out in respect of any one single claim and a policy of insurance or copy thereof or a certificate of insurance shall be produced by the licensee to the Minister on request in writing being made by the Minister for its production.

13. Guarantee or Indemnity Scheme

The licensee must either:

- 13.1 provide a guarantee from its bankers; or
- 13.2 contribute to an indemnity scheme established for the aquaculture and fisheries industry and approved by the Minister,

to and in favour of and for the benefit of the Minister by way of security for the due and punctual performance by the licensee of the terms and conditions of this licence and in particular the obligations of the licensee to rehabilitate the site immediately prior to the expiration or sooner determination of the term of this licence. Such guarantee or indemnity scheme must have effect from the date of commencement of the term.

14. No Assignment

The licensee acknowledges that this licence is personal and it must not assign or sublet or deal in any other way with any interest in this licence.

15. Default by Licensee and Termination

The Minister may terminate this licence immediately by notice in writing served on the licensee if:

- 15.1 the licensee commits or permits any breach or default of the obligations imposed on the licensee by this licence, and following the giving by the Minister of written notice of such breach or default, the licensee either fails to rectify such breach or default within one calendar month of the date of such notice (or

earlier if the circumstances require) or fails to make diligent progress towards rectifying any such breach which is incapable of rectification within the time so limited; or

- 15.2 the licensee commits or permits any further breach or default of the obligations imposed on the licensee by this licence for which the Minister has previously given notice in writing of such breach or default pursuant to paragraph 1 of condition 15.1 notwithstanding rectification of the previous breach or default; or
- 15.3 the licence fee referred to in condition 8 is unpaid for a period of 14 days after notice has been given to the licensee that it is outstanding; or
- 15.4 if the licensee is a body corporate, any of the following occur:
 - 15.4.1 the licensee is unable to pay its debts as and when they fall due or is otherwise insolvent;
 - 15.4.2 an order is made for the winding up or liquidation of the licensee;
 - 15.4.3 the licensee enters into a scheme of arrangement, compromise, moratorium or other form of composition with its creditors or any class of its creditors;
 - 15.4.4 a receiver, a manager or a receiver and manager, a company administrator or other insolvency administrator is appointed to the licensee; or
 - 15.4.5 a mortgagee, chargee or other encumbrancee is appointed over or takes possession of or appoints an agent to take possession of all or any of the licensee's assets; or
- 15.5 if the licensee is an individual, the licensee:
 - 15.5.1 becomes bankrupt or assigns its estate or enters into a deed of arrangement or other form of composition for the benefit of the licensee's creditors; or
 - 15.5.2 is convicted of an indictable offence.

Termination of this licence by the Minister shall be without prejudice to any rights, remedies or actions that the Minister may have against the licensee in respect of any antecedent breach by the licensee of the terms and conditions contained in this licence.

16. Interpretation

Subject to any inconsistency of subject or context, the following rules of construction shall be used in the interpretation of this licence:

- 16.1 any word importing the plural includes the singular and *vice versa*;
- 16.2 any wording importing a gender shall include all other genders;
- 16.3 a reference to a body corporate shall include a natural person and *vice versa*;
- 16.4 a reference to a recital, party, clause, Schedule or Annexure is a reference to a recital, party, clause, Schedule or Annexure of this licence;
- 16.5 the captions, headings, section numbers and clause numbers appearing in this licence are inserted only as a matter of convenience and in no way affect the construction of this licence;
- 16.6 a reference to a statute shall include all statutes amending, consolidating or replacing the statutes referred to;
- 16.7 where two or more persons are named as licensees, this licence shall bind the licensees jointly and each of them severally; and
- 16.8 time is of the essence in respect of any obligation relating to time in this licence.

17. *Delegation*

Any consent, notice, any consultation or any other thing which is pursuant to the terms of this licence either required to be given, done or performed or which may be given, done or performed by the Minister may for the purposes of this licence be properly given, done or performed by any duly authorised agent or employee of the Minister.

18. *Severance*

If any term or condition of this licence should be for any reason unlawful, void, invalid or unenforceable then the offending term or condition shall be severed from this licence without affecting the validity or enforceability of the remainder of this licence.

19. *Modification*

No variation of or addition to any provision of this licence shall be binding upon the Minister and the licensee unless such variation or addition is made in writing, signed by both the Minister and the licensee and expressed to be either supplemental to or in substitution for the whole or a part of this licence.

20. *Waiver*

- 20.1 A waiver of any provision of this licence by the Minister must both be in writing and be signed by the Minister or by persons duly authorised to execute such a document on the Minister's part.
- 20.2 No waiver by the Minister of a breach of a term or condition contained in this licence shall operate as a waiver of any breach of the same or any other term or condition contained in this licence.
- 20.3 No forbearance, delay or indulgence by the Minister in enforcing the provisions of this licence shall prejudice or restrict the rights of the Minister.

21. *Notices*

- 21.1 Notices may be served by delivering the same personally, by mail or facsimile transmission and shall be:
- 21.1.1 in writing addressed to the Director of Fisheries, PIRSA, 16th Floor, 25 Grenfell Street, Adelaide, S.A. 5000 (in the case of the Minister) and to the address of the licensee set out above (in the case of the licensee);
- 21.1.2 signed by or on behalf of the sender or by a person duly authorised in that regard by the sender;
- 21.1.3 deemed to be duly served or made in the following circumstances:
- (a) if delivered, upon delivery;
- (b) if sending by mail, upon posting;
- (c) if sent by facsimile transmission, upon the sender's facsimile producing a transmission report that the facsimile was satisfactorily sent in its entirety to the addressee's facsimile number,
- but if delivery is not made before 5 p.m. on any day it shall be deemed to be received at 9 a.m. on the next day in that place.
- 21.2 The Minister and the licensee may each vary their address or facsimile number at any time by written notice.

The parties acknowledge and agree that:

- 1.1 the rights, powers and privileges granted to or vested in the licensee under this licence are contractual only and shall not create or vest in the licensee any estate, interest or right of a proprietary nature in the site; and
- 1.2 that, subject to section 53A of the Fisheries Act 1982, this licence does not entitle the licensee to exclusive rights of entry to and occupation of the site and that the rights granted by this licence are exercisable by the

licensee in common with any other occupiers of the site from time to time.

2. *Marked-off Areas*

For the purposes of section 53A of the Fisheries Act 1982, the marked-off areas within the site is that area or those areas marked-off or indicated in the manner set out in Item 2 of Schedule 1 of this licence.

3. *Permitted Species*

The licensee:

- 3.1 must not farm or introduce any species at the site other than the permitted species; and
- 3.2 must not take any wild fish from the site except for recreational purposes.

4. *Permitted Use*

The licensee must not use the site for any purpose other than the permitted use.

5. *Permitted Methods*

The licensee:

- 5.1 must not stock the permitted species at a rate greater than that specified in Schedule 2 of this licence;
- 5.2 must not use the anti-fouling chemical tributyltin (TBT) on any equipment used at the site;
- 5.3 must not use any chemical or drug for either therapeutic or prophylactic purpose except with the prior approval of the Minister;
- 5.4 must apply the permitted farming methods set out in Item 2 of Schedule 2 of this licence.

6. *Marking and Maintaining the Site*

The licensee:

- 6.1 must ensure that the site is maintained in a good, tidy and safe condition to the satisfaction of the Minister;
- 6.2 must remove and lawfully dispose of any waste or debris on the site as soon as is reasonably practicable and in particular must comply with any guidelines issued from time to time by the Minister in relation to the removal from the site of any unhealthy or dead fish;
- 6.3 must maintain all buoys, crosses, and markers on the site in good condition and in accordance with the colours specified in Schedule 1 of this licence; and
- 6.4 must mark the site boundary in accordance with the specifications in Schedule 1 of this licence.

7. *Site Inspection and Supervision*

The licensee:

- 7.1 must at all times permit the Minister, his employees, agents or contractors or any employees, agents or contractors of the Crown to enter the site for the purposes of inspecting the site, the sea floor and the flora and fauna on or in the vicinity of the site; and
- 7.2 must comply with all reasonable directions of any such person authorised by the Director of Fisheries to inspect the conduct of the licensee's activities at the site.

8. *Fees and Returns*

The licensee:

- 8.1 must pay to the Minister the licence fee in accordance with Item 1 of Schedule 3 of this licence;
- 8.2 must on or before 31 January and 31 July during the term, submit to the Minister a return supplying all of the information described in Schedule 4 of this licence.

9. *Compliance With Relevant Laws*

9.1 the licensee must at all times comply with all laws, by-laws or regulations in force which relate to the site or the activities conducted in the site and with all notices, orders or requirements lawfully given or made by any authority or authorities in respect of the site;

9.2 in particular, without derogating from the general requirement under condition 9 of this licence:

9.2.1 the licensee must not do or permit to be done in upon or about the site anything which in the opinion of the Minister would cause or contribute to the degradation or pollution of any coastal land or the surrounding marine environment; and

9.2.2 in the event that the Minister is satisfied, on reasonable grounds, that the fish taken from the waters are not fit for human consumption or that consumption of fish taken from the waters could present a danger to the health of the consumer, the licensee must, in accordance with a written notice from the Minister, cease or suspend the conduct of the permitted use or else conduct the permitted use as directed within the notice.

10. *Public Risk Liability*

The licensee must at all times indemnify the Minister, his officers, employees, contractors and agents from and against all claims, demands, actions, judgments, proceedings, damages, losses, costs, charges and expenses in respect of any loss of life, personal injury and/or damage to property caused or suffered in any manner in or about the site.

11. *Release*

The licensee must use and keep the site at the risk in all things of the licensee and the licensee must release to the full extent permitted by law the Minister, his agents, contractors and servants in the absence of any wilful act, omission, default or neglect on their part from all claims and demands of every kind resulting from any accident damage or injury to persons or property occurring at the site, including loss or damage to the licensee's fixtures or personal property of the licensee.

12. *Public Risk Insurance*

The licensee shall at its own cost and expense during the term effect and keep in full force and effect in respect of the site and the permitted use a policy of public risk insurance in the joint names of the licensee and the Minister in which the limits of public risk shall not be less than the amount specified in Item 2 of Schedule 3 of this licence, or such further amount as the Minister may from time to time reasonably require, as the amount which may be paid out in respect of any one single claim and a policy of insurance or copy thereof or a certificate of insurance shall be produced by the licensee to the Minister on request in writing being made by the Minister for its production.

13. *Guarantee or Indemnity Scheme*

The licensee must either:

- 13.1 provide a guarantee from its bankers; or
- 13.2 contribute to an indemnity scheme established for the aquaculture and fisheries industry and approved by the Minister,

to and in favour of and for the benefit of the Minister by way of security for the due and punctual performance by the licensee of the terms and conditions of this licence and in particular the obligations of the licensee to rehabilitate the site immediately prior to the expiration or sooner determination of the term of this licence. Such guarantee or indemnity scheme must have effect from the date of commencement of the term.

14. *No Assignment*

The licensee acknowledges that this licence is personal and it must not assign or sublet or deal in any other way with any interest in this licence.

15. *Default by Licensee and Termination*

The Minister may terminate this licence immediately by notice in writing served on the licensee if:

- 15.1 the licensee commits or permits any breach or default of the obligations imposed on the licensee by this licence, and following the giving by the Minister of written notice of such breach or default, the licensee either fails to rectify such breach or default within one calendar month of the date of such notice (or earlier if the circumstances require) or fails to make diligent progress towards rectifying any such breach which is incapable of rectification within the time so limited; or
- 15.2 the licensee commits or permits any further breach or default of the obligations imposed on the licensee by this licence for which the Minister has previously given notice in writing of such breach or default pursuant to paragraph 1 of condition 15.1 notwithstanding rectification of the previous breach or default; or
- 15.3 the licence fee referred to in condition 8 is unpaid for a period of 14 days after notice has been given to the licensee that it is outstanding; or
- 15.4 if the licensee is a body corporate, any of the following occur:
 - 15.4.1 the licensee is unable to pay its debts as and when they fall due or is otherwise insolvent;
 - 15.4.2 an order is made for the winding up or liquidation of the licensee;
 - 15.4.3 the licensee enters into a scheme of arrangement, compromise, moratorium or other form of composition with its creditors or any class of its creditors;
 - 15.4.4 a receiver, a manager or a receiver and manager, a company administrator or other insolvency administrator is appointed to the licensee; or
 - 15.4.5 a mortgagee, chargee or other encumbrancee is appointed over or takes possession of or appoints an agent to take possession of all or any of the licensee's assets; or
- 15.5 if the licensee is an individual, the licensee:
 - 15.5.1 becomes bankrupt or assigns its estate or enters into a deed of arrangement or other form of composition for the benefit of the licensee's creditors; or
 - 15.5.2 is convicted of an indictable offence.

Termination of this licence by the Minister shall be without prejudice to any rights, remedies or actions that the Minister may have against the licensee in respect of any antecedent breach by the licensee of the terms and conditions contained in this licence.

16. *Interpretation*

Subject to any inconsistency of subject or context, the following rules of construction shall be used in the interpretation of this licence:

- 16.1 any word importing the plural includes the singular and *vice versa*;
- 16.2 any wording importing a gender shall include all other genders;
- 16.3 a reference to a body corporate shall include a natural person and *vice versa*;
- 16.4 a reference to a recital, party, clause, Schedule or Annexure is a reference to a recital, party, clause, Schedule or Annexure of this licence;
- 16.5 the captions, headings, section numbers and clause numbers appearing in this licence are inserted only as a matter of convenience and in no way affect the construction of this licence;

16.6 a reference to a statute shall include all statutes amending, consolidating or replacing the statutes referred to;

16.7 where two or more persons are named as licensees, this licence shall bind the licensees jointly and each of them severally; and

16.8 time is of the essence in respect of any obligation relating to time in this licence.

17. *Delegation*

Any consent, notice, any consultation or any other thing which is pursuant to the terms of this licence either required to be given, done or performed or which may be given, done or performed by the Minister may for the purposes of this licence be properly given, done or performed by any duly authorised agent or employee of the Minister.

18. *Severance*

If any term or condition of this licence should be for any reason unlawful, void, invalid or unenforceable then the offending term or condition shall be severed from this licence without affecting the validity or enforceability of the remainder of this licence.

19. *Modification*

No variation of or addition to any provision of this licence shall be binding upon the Minister and the licensee unless such variation or addition is made in writing, signed by both the Minister and the licensee and expressed to be either supplemental to or in substitution for the whole or a part of this licence.

20. *Waiver*

20.1 A waiver of any provision of this licence by the Minister must both be in writing and be signed by the Minister or by persons duly authorised to execute such a document on the Minister's part.

20.2 No waiver by the Minister of a breach of a term or condition contained in this licence shall operate as a waiver of any breach of the same or any other term or condition contained in this licence.

20.3 No forbearance, delay or indulgence by the Minister in enforcing the provisions of this licence shall prejudice or restrict the rights of the Minister.

21. *Notices*

21.1 Notices may be served by delivering the same personally, by mail or facsimile transmission and shall be:

21.1.1 in writing addressed to the Director of Fisheries, PIRSA, 16th Floor, 25 Grenfell Street, Adelaide, S.A. 5000 (in the case of the Minister) and to the address of the licensee set out above (in the case of the licensee);

21.1.3 deemed to be duly served or made in the following circumstances:

(a) if delivered, upon delivery;

(b) if sending by mail, upon posting;

(c) if sent by facsimile transmission, upon the sender's facsimile producing a transmission report that the facsimile was satisfactorily sent in its entirety to the addressee's facsimile number,

but if delivery is not made before 5 p.m. on any day it shall be deemed to be received at 9 a.m. on the next day in that place.

21.2 The Minister and the licensee may each vary their address or facsimile number at any time by written notice.

22. SASQAP

- 22.1 The licensee:
 - 22.1.1 must submit to the Manager, South Australian Shellfish Quality Assurance Program ('SASQAP') for testing such sample as the Manager, SASQAP requires of the fish farmed at the site and specified in Item 1.1 of Schedule 2;
 - 22.1.2 must comply with all reasonable requirements of the Manager, SASQAP in relation to such testing; and
 - 22.1.3 must obtain the written consent of the Manager, SASQAP, prior to making any of the fish farmed at the site and specified in Item 1.1 of Schedule 2, available for human consumption.

Granted by the General Manager, Aquaculture, delegate of the Minister, on 3 March 2000.

I. NIGHTINGALE, General Manager, Aquaculture

The licensee hereby acknowledges and agrees to the terms and conditions of this licence.

FISHERIES ACT 1982

MARINE FINFISH FARMING LICENCE FF00021
(PREVIOUS LICENCE NO. F1534)

Licence to Farm Fish under section 53 of the Fisheries Act 1982

WHEREAS the Director of Fisheries has, pursuant to section 50 (2) of the Fisheries Act 1982 ('the Act'), issued a permit to the undermentioned licensee to release the fish specified in Schedule 2 of this licence ('the permitted species'), the Minister for Primary Industries, Natural Resources and Regional Development ('the Minister') hereby grants to:

Navajo Pty Ltd (13006)
2/11 Flinders Highway,
Port Lincoln, S.A. 5606,

a non-exclusive licence to occupy and use the waters specified in Item 1 of Schedule 1 of this licence ('the site') for the purpose of farming and taking the permitted species ('the permitted use') for the period commencing on 1 July 1999 and ending, subject to any earlier termination under this licence, on 30 June 2000 ('the term') subject to the following terms and conditions:

CONDITIONS OF THIS LICENCE

1. Licence

The parties acknowledge and agree that:

- 1.1 the rights, powers and privileges granted to or vested in the licensee under this licence are contractual only and shall not create or vest in the licensee any estate, interest or right of a proprietary nature in the site; and
- 1.2 that, subject to section 53A of the Fisheries Act 1982, this licence does not entitle the licensee to exclusive rights of entry to and occupation of the site and that the rights granted by this licence are exercisable by the licensee in common with any other occupiers of the site from time to time.

2. Marked-off Areas

For the purposes of section 53A of the Fisheries Act 1982, the marked-off areas within the site is that area or those areas marked-off or indicated in the manner set out in Item 2 of Schedule 1 of this licence.

3. Permitted Species

The licensee:

- 3.1 must not farm or introduce any species at the site other than the permitted species; and

- 3.2 must not take any wild fish from the site except for recreational purposes.

4. Permitted Use

The licensee must not use the site for any purpose other than the permitted use.

5. Permitted Methods

The licensee:

- 5.1 must not stock the permitted species at a rate greater than that specified in Schedule 2 of this licence;
- 5.2 must not use the anti-fouling chemical tributyltin (TBT) on any equipment used at the site;
- 5.3 must not use any chemical or drug for either therapeutic or prophylactic purpose except with the prior approval of the Minister;
- 5.4 must apply the permitted farming methods set out in Schedule 2 of this licence.
- 5.5 must conduct an environmental monitoring program as set out in Schedule 5 of this licence.

6. Sea Cages

The licensee:

- 6.1 must ensure that all sea cages on the site have anti-predator protection satisfactory to the Minister at all times during the term; and
- 6.2 must immediately inform an officer of PIRSA (Fisheries) on 1800 065 522 or such other officer as the Minister from time to time notifies to the licensee in writing if any marine animal, other than the permitted species, is caught in any sea cage or other farm structure used by the licensee on the site.

7. Location of Sea Cages

The licensee must not erect or use any sea cages in any location on the site where stocked sea cages have been used in the immediately preceding two year period.

8. Marking and Maintaining the Site

The licensee:

- 8.1 must ensure that the site is maintained in a good, tidy and safe condition to the satisfaction of the Minister;
- 8.2 must remove and lawfully dispose of any waste or debris on the site as soon as is reasonably practicable and in particular must comply with any guidelines issued from time to time by the Minister in relation to the removal from the site of any unhealthy or dead fish;
- 8.3 must maintain all buoys, crosses, and markers on the site in good condition and in accordance with the colours specified in Schedule 1 of this licence; and
- 8.4 must mark the site boundary in accordance with the specifications in Schedule 1 of this licence.

9. Site Inspection and Supervision

The licensee:

- 9.1 must at all times permit the Minister, his employees, agents or contractors or any employees, agents or contractors of the Crown to enter the site for the purposes of inspecting the site, the sea floor and the flora and fauna on or in the vicinity of the site; and
- 9.2 must comply with all reasonable directions of any such person authorised by the Director of Fisheries to inspect the conduct of the licensee's activities at the site.

10. Fees and Returns

The licensee:

- 10.1 must pay to the Minister the licence fee in accordance with Item 1 of Schedule 3 of this licence;
- 10.2 must on or before 31 January and 31 July during the term, submit to the Minister a return supplying all of the information described in Schedule 4 of this licence.

11. Compliance With Relevant Laws

- 11.1 the licensee must at all times comply with all laws, by-laws or regulations in force which relate to the site or the activities conducted in the site and with all notices, orders or requirements lawfully given or made by any authority or authorities in respect of the site;
- 11.2 in particular, without derogating from the general requirement under condition 11 of this licence:
- 11.2.1 the licensee must not do or permit to be done in upon or about the site anything which in the opinion of the Minister would cause or contribute to the degradation or pollution of any coastal land or the surrounding marine environment; and
- 11.2.2 in the event that the Minister is satisfied, on reasonable grounds, that the fish taken from the waters are not fit for human consumption or that consumption of fish taken from the waters could present a danger to the health of the consumer, the licensee must, in accordance with a written notice from the Minister, cease or suspend the conduct of the permitted use or else conduct the permitted use as directed within the notice.

12. Public Risk Indemnity

The licensee must at all times indemnify the Minister, his officers, employees, contractors and agents from and against all claims, demands, actions, judgments, proceedings, damages, losses, costs, charges and expenses in respect of any loss of life, personal injury and/or damage to property caused or suffered in any manner in or about the site.

13. Release

The licensee must use and keep the site at the risk in all things of the licensee and the licensee must release to the full extent permitted by law the Minister, his agents, contractors and servants in the absence of any wilful act, omission, default or neglect on their part from all claims and demands of every kind resulting from any accident damage or injury to persons or property occurring at the site, including loss or damage to the licensee's fixtures or personal property of the licensee.

14. Public Risk Insurance

The licensee shall at its own cost and expense during the term effect and keep in full force and effect in respect of the site and the permitted use a policy of public risk insurance in the joint names of the licensee and the Minister in which the limits of public risk shall not be less than the amount specified in Item 2 of Schedule 3 of this licence, or such further amount as the Minister may from time to time reasonably require, as the amount which may be paid out in respect of any one single claim and a policy of insurance or copy thereof or a certificate of insurance shall be produced by the licensee to the Minister on request in writing being made by the Minister for its production.

15. Guarantee or Indemnity Scheme

The licensee must either:

- 15.1 provide a guarantee from its bankers; or
- 15.2 contribute to an indemnity scheme established for the aquaculture and fisheries industry and approved by the Minister,

to and in favour of and for the benefit of the Minister by way of security for the due and punctual performance by the licensee of the terms and conditions of this licence and in particular the obligations of the licensee to rehabilitate the site immediately prior to the expiration or sooner determination of the term of this licence. Such guarantee or indemnity scheme must have effect from the date of commencement of the term.

16. No Assignment

The licensee acknowledges that this licence is personal and it must not assign or sublet or deal in any other way with any interest in this licence.

17. Default by Licensee and Termination

The Minister may terminate this licence immediately by notice in writing served on the licensee if:

- 17.1 the licensee commits or permits any breach or default of the obligations imposed on the licensee by this licence, and following the giving by the Minister of written notice of such breach or default, the licensee either fails to rectify such breach or default within one calendar month of the date of such notice (or earlier if the circumstances require) or fails to make diligent progress towards rectifying any such breach which is incapable of rectification within the time so limited; or
- 17.2 the licensee commits or permits any further breach or default of the obligations imposed on the licensee by this licence for which the Minister has previously given notice in writing of such breach or default pursuant to paragraph 1 of condition 17.1 notwithstanding rectification of the previous breach or default; or
- 17.3 the licence fee referred to in condition 10 is unpaid for a period of 14 days after notice has been given to the licensee that it is outstanding; or
- 17.4 if the licensee is a body corporate, any of the following occur:
- 17.4.1 the licensee is unable to pay its debts as and when they fall due or is otherwise insolvent;
- 17.4.2 an order is made for the winding up or liquidation of the licensee;
- 17.4.3 the licensee enters into a scheme of arrangement, compromise, moratorium or other form of composition with its creditors or any class of its creditors;
- 17.4.4 a receiver, a manager or a receiver and manager, a company administrator or other insolvency administrator is appointed to the licensee; or
- 17.4.5 a mortgagee, chargee or other encumbrancee is appointed over or takes possession of or appoints an agent to take possession of all or any of the licensee's assets; or
- 17.5 if the licensee is an individual, the licensee:
- 17.5.1 becomes bankrupt or assigns its estate or enters into a deed of arrangement or other form of composition for the benefit of the licensee's creditors; or
- 17.5.2 is convicted of an indictable offence.

Termination of this licence by the Minister shall be without prejudice to any rights, remedies or actions that the Minister may have against the licensee in respect of any antecedent breach by the licensee of the terms and conditions contained in this licence.

18. Interpretation

Subject to any inconsistency of subject or context, the following rules of construction shall be used in the interpretation of this licence:

- 18.1 any word importing the plural includes the singular and *vice versa*;
- 18.2 any wording importing a gender shall include all other genders;
- 18.3 a reference to a body corporate shall include a natural person and *vice versa*;
- 18.4 a reference to a recital, party, clause, Schedule or Annexure is a reference to a recital, party, clause, Schedule or Annexure of this licence;
- 18.5 the captions, headings, section numbers and clause numbers appearing in this licence are inserted only as a matter of convenience and in no way affect the construction of this licence;

18.6 a reference to a statute shall include all statutes amending, consolidating or replacing the statutes referred to;

(L.S.) T. R. BRYANT, Director
L. BRYANT, Secretary

18.7 where two or more persons are named as licensees, this licence shall bind the licensees jointly and each of them severally; and

SCHEDULE 1

Item 1—The Site

18.8 time is of the essence in respect of any obligation relating to time in this licence.

and Urban Planning.

ROAD TRAFFIC ACT 1961

ROAD TRAFFIC (DRIVING HOURS) REGULATIONS 1999

Driving Hours and Records for Heavy Vehicles carrying live farm animals as their primary load

PURSUANT to Regulation 5 (4) of the Road Traffic (Driving Hours) Regulations 1999 ('the Regulations'), I, Diana Vivienne Laidlaw, Minister for Transport and Urban Planning, HEREBY DECLARE that the following specified regulations:

- Regulation 19 (1) (b) maximum driving times;
- Regulation 20 (1) (b) maximum work times; and
- Regulation 21 (1) (b) minimum rest times,

with respect to any relevant Period 2 (as defined in Regulation 18) do not apply to the use of vehicles of the following class, subject to the conditions listed below:

- heavy vehicles (as defined in Regulation 8), carrying live farm animals namely, cattle, sheep, goats or pigs as their primary load whilst undertaking local or non-local work.

Conditions:

1. This declaration applies only in extenuating circumstances, where the welfare of the farm animals is at risk as a result of unforeseen delays.

Records of the reason for exceeding the regulated hours of driving and working are to be kept in the drivers log book and presented to an authorised person on request.

(Note: Drivers must be able to demonstrate that their trip schedule would have allowed for completion of the journey within the driving, working and resting hours limits described in the Regulations, had the unforeseen delay not occurred).

2. This declaration is only valid for travel entirely within the State of South Australia.

3. This declaration is only valid so long as the minimum rest times (as stipulated in Regulation 21) of any relevant Period 1 of the Regulations are adhered to.

4. Subject to condition 3, under this declaration the maximum working time of 16 hours, including a maximum driving time of up to 14 hours, shall apply in lieu of the limits described in Regulations 19 and 20 for any relevant Period 2 of the Regulations.

5. Subject to condition 3, under this declaration rest times totalling a minimum of 10 hours including one continuous period of 7.5 hours, which must be spent away from the vehicle, unless it is equipped with a sleeper berth complying to Australian Design Rule 42, shall apply, in lieu of the minimum rest times described in Regulation 21 for any relevant Period 2.

6. The maximum driving times, maximum working times and minimum rest times must be complied with in full for any relevant Periods 3 and 4 of the Regulations.

7. This declaration shall take effect from the date of this publication and shall expire on the date six months following the date of publication of this notice.

This notice may be varied or revoked by further notice published in the *Gazette*.

Dated 9 March 2000.

DIANA LAIDLAW, Minister for Transport
and Urban Planning.

ROAD TRAFFIC ACT 1961

Operation of Road Train Vehicles in South Australia

PURSUANT to the provisions of Section 161A of the Road Traffic Act 1961, as amended, and Regulation 35 of the Road Traffic (Miscellaneous) Regulations 1999, I, T. N. Argent, Executive Director, Transport SA, as an authorised delegate of the Minister for Transport and Urban Planning hereby approve road trains to operate on routes specified by this Notice and in accordance with the document titled *Operation of Road Train Vehicles in South Australia, Edition No. 1* (Part 1 clauses 1-6, 8-10 and Part 2 clauses 11-17 only), issued by Transport SA; and

PURSUANT to the provisions of Sections 163AA of the Road Traffic Act 1961, as amended, I, T. N. Argent, Executive Director, Transport SA, as an authorised delegate of the Minister for Transport and Urban Planning, hereby exempt Road Trains transporting baled wool or motor cars from Rule 72 Height and for Road Trains transporting Indivisible Items from Rule 66 Width of the Road Traffic (Vehicle Standards) Regulations 1999.

Both the exemption and approval are subject to the following conditions:

1. *Special Conditions*

- 1.1 This Notice, the Notice titled "Operation of Road Train Vehicles in South Australia" dated 17 February 2000 and the document titled 'Operation of Road Train Vehicles in South Australia' Edition 1 (Part 1 clauses 1-6, 8-10 and Part 2 clauses 11-17 only), issued by Transport SA or a legible copy of each shall be carried by the driver of the vehicle at all times when operating under this approval and exemption and be produced when requested by an Inspector appointed under the Road Traffic Act 1961, or a Police Officer.
- 1.2 Drivers of road trains when operating under this approval and exemption shall carry their medical certificate or legible copy and shall produce the certificate or legible copy when requested by an Inspector appointed under the Road Traffic Act 1961 or a Police Officer. (refer to Section 5 of this Notice).
- 1.3 This Notice can only be read in conjunction with the Notice titled "Operation of Road Train Vehicles in South Australia" dated 17 February 2000.
- 1.4 The vehicle is not under 'Notice of Suspension to Operate as a Road Train' issued by the Minister for Transport and Urban Planning.

2. *Definitions*

For the purpose of this Notice the following definitions shall apply:

- 2.1 'Articulated Vehicle Towing a Converter Dolly' means a prime mover towing a semi-trailer and a converter dolly.
- 2.2 'Converter Dolly' means a trailer with one axle group or single axle and fifth wheel coupling, designed to convert a semi-trailer into a dog trailer.
- 2.3 'Double Road Train' means a combination of vehicles, other than a B-Double, consisting of a motor vehicle towing two trailers (counting as one trailer a converter dolly supporting a semi-trailer).
- 2.4 'Maintenance Management Scheme' means a scheme that is recognised by Transport SA as meeting the requirements of the maintenance management module (including audit requirements) of the National Heavy Vehicle Accreditation Scheme (NHVAS).
- 2.5 'National Heavy Vehicle Accreditation Scheme' (NHVAS) means the comprehensive alternative compliance package developed by the National Road Transport commission and approved by the Australian Transport Council on 14 November 1997.

- 2.7 'Route' means the sealed portion of the carriageway between kerbing and/or including formed shoulder on either side of the sealed portion.
- 2.8 'Triple Road Train' means a combination of vehicles, other than a B-Double, consisting of a motor vehicle towing three trailers (counting as one trailer a converter dolly supporting a semi-trailer).

3. *General Conditions for Road Trains*

- 3.1 Road Trains as defined in this Notice are operated in accordance with the specifications and conditions specified in the document titled 'Operation of Road Train Vehicles in South Australia', Edition 1 (Part 1 clauses 1-6, 8-10 and Part 2 clauses 11-17 only), issued by Transport SA as amended by this Notice.
- 3.2 Road Trains shall not exceed 90 km/h or any posted speed limit whichever is the lesser. Engine management systems should be set to limit the speed of the road train to 90 km/h. (refer to Section 14 of this notice).
- 3.3 The headlights of the prime mover are to be alight at all times.
- 3.4 For travel on the routes detailed in this Notice:
 - (a) All South Australian and Victorian registered vehicle units in a Road Train (prime movers, converter dollies and semi-trailers) shall be inspected and display a current inspection label as detailed in the document titled 'Operation of Road Train Vehicles in South Australia', Edition 1, issued by Transport SA, or be accredited under a Maintenance Management Scheme and display a label that identifies scheme membership.
 - (b) Vehicles registered in New South Wales, Queensland, Western Australia and the Australian Capital Territory are not required to display South Australian labels or undergo inspections which are additional to those required in their home states.
 - (c) Vehicles registered in the Northern Territory are required to display either South Australian inspection labels or Northern Territory inspection and rating labels or be accredited under a Maintenance Management Scheme and display a label that identifies scheme membership.

4. *Vehicle Maintenance Management Accreditation*

- 4.1 For travel from Port Augusta West, on National Highway 1 to northern Adelaide on the route and to the depots described in this Notice in the maps Route Network for Road Train Vehicles in SA, all vehicle units in a Double Road Train (prime movers, converter dollies and semi-trailers) are required to be accredited under a Maintenance Management Scheme and display a label that identifies scheme membership.

5. *Driver Health*

- 5.1 As from 1 September 1998, all Road Train drivers when operating under this approval and exemption on the routes described in 4.1 shall carry a recognised medical certificate or legible copy which certifies that the driver has passed a medical examination in accordance with the document titled 'Medical Examination of Commercial Vehicle Drivers (revised version 1997)' published by the Federal Office of Road Safety and the National Road Transport Commission.
- 5.2 The certificate is valid subject to there being no significant change in medical condition for a period not exceeding 3 years for drivers up to the age of 49 and annually thereafter.

6. *General Conditions for Articulated Vehicles Towing Converter Dollies*

- 6.1 Articulated vehicles towing converter dollies are operated on the routes detailed in this Notice in accordance with the maps Route Network for Road Train Vehicles in SA and Additional Converter Dolly Routes and in accordance with conditions specified in (Part 2 clause 11-17) of the document titled 'Operation of Road Train Vehicles in South Australia', Edition 1 issued by Transport SA.
- 6.2 Articulated vehicles towing converter dollies shall comply with the Road Traffic Act 1961, and Regulations and the Road Transport Reform (Heavy Vehicle Standards) 1995 No. 55.
- 6.3 All South Australia registered vehicles units in an articulated vehicle and converter dolly combination shall be inspected and display a current inspection label as detailed in document titled 'Operation of Road Train Vehicles in South Australia' Edition 1 (Part 1 clause 6.3), issued by Transport SA or be accredited under a Maintenance Management Scheme and display a label that identifies scheme membership.
- 6.4 Vehicles registered in New South Wales, Queensland, Victoria and Western Australia are not required to display South Australian labels or undergo inspections which are additional to those required in their home states.
- 6.5 Vehicles registered in the Northern Territory are required to display either South Australian inspection labels or Northern Territory inspection and rating labels in accordance with the Mutual Recognition Agreement between South Australian and the Northern Territory or be accredited under a Maintenance Management Scheme and display a label that identifies scheme membership.

7. *Registration Categories*

- 7.1 Vehicles operating under this notice shall be registered in accordance with the Charge Codes shown in Table 1.

Table 1

Vehicle Configuration	Charge Code
Long Combination Prime Mover (Type 1) (Double Road Train only)	1LP3
Long Combination Prime Mover (Type 2) (Triple Road Train)	2LP3

Note: A prime mover registered with a charge code of 2LP3 may operate as a Double Road Train.

8. *Height*

- 8.1 The overall height of the vehicle and any load shall not exceed 4.3 m except where specified in this notice or in the document titled 'Operation of Road Train Vehicles in South Australia' Edition 1, issued by Transport SA.

9. *Transport of Baled Wool*

- 9.1 Baled wool may be carried subject to the following:
- 9.1.1 The baled wool shall not be loaded more than four layers high.
- 9.1.2 The maximum overall vehicle height including the baled wool shall not exceed 4.6 m.
- 9.1.3 The overall width of all axles or axle groups of the vehicle carrying the load, excluding the front axle or axle group, when measured between two vertical parallel plains located at the outer extremities of the tyres, shall be not less than 2.1 m.
- 9.1.4 Hauliers operating under the provisions of this notice should be aware that some bridges, signs overhead wires, trees and signals may not provide sufficient clearance for the passage of 4.6 m high vehicles.

10. *Transport of indivisible Items*

- 10.1 For the purpose of this exemption an 'Indivisible Item' shall be an item which cannot without disproportionate effort, expense or risk of damage, be divided into two or more items for road transport.
- 10.2 Indivisible items may be carried on a Road Train subject to the following:
- 10.2.1 Travel is only permitted between Port Augusta West and the SA/NT border via Old Woomera Road, Madland Street, Stuart Highway and from the Stuart Highway to Olympic Dam mine via the Pimba/Olympic Dam Road and Olympic Way.
- 10.2.2 The maximum width of an item carried on a Triple Road Train shall not exceed 3.1 m.
- 10.2.3 The maximum width of an item carried on a Double Road Train shall not exceed 3.5 m.
- 10.2.4 The overall height of the vehicle and load shall not exceed 4.6 m.
- 10.2.5 If the load consists of transportable building the overall height of the vehicle and transportable building shall not exceed 4.85 m.
- 10.2.6 Travel is only permitted between the hours of sunrise and sunset as specified in the Proof of Sunrise and Sunset Act 1923, as amended, and published in the *South Australian Government Gazette*.
- 10.2.7 Travel is not permitted during periods of low visibility.
- 10.2.8 The Road Train shall display an 'OVERSIZE' sign at the front and rear of the vehicle combination in addition to the normally required 'ROAD TRAIN' signs.

- 10.2.9 The specification of the 'OVERSIZE' sign shall be in accordance with the specifications detailed in the document titled 'OVER DIMENSION AND EXCESS MASS PERMIT GUIDELINES' dated July 1995.
- 10.2.10 The wider of any load shall always be carried on the most forward trailer if the road train is carrying loads of varying widths.
- 10.2.11 The rear vision mirrors fitted to the prime mover shall be extended sufficiently to ensure that the driver has a clear reflected view of traffic to the sides and rear of the road train.

11. Routes

- 11.1 Road Trains operating in accordance with this Notice shall operate only on the approved routes specified in the maps Route Network for Road Train Vehicles in SA as included in this Notice and the Notice titled "Operation of Road Train Vehicles in South Australia" dated 17 February 2000.
- 11.2 Articulated vehicles towing converter dollies operating in accordance with this Notice shall operate only on the approved routes specified in the maps Route Network for Road Train Vehicles in SA and Additional Converter Dolly Routes as included in this Notice and the Notice titled "Operation of Road Train Vehicles in South Australia" dated 17 February 2000.
- 11.3 Approval to operate Road Trains and articulated vehicles towing converter dollies in accordance with the route maps 'Road Train Vehicle Route Network' and 'Converter Dolly Route Network' included in the document 'Operation of Road Train Vehicles in South Australia', Edition 1 issued by Transport SA, is revoked.

Note: Routes specified in this Notice are only available for vehicle combinations carrying general freight. This approval does not include the cartage of dangerous goods (in bulk) on these specified routes.

12. Route Restrictions
