1. LEGISLATION

The Parliamentary Superannuation Scheme operates under the Parliamentary Superannuation Act 1974. The Parliamentary Superannuation (New Scheme) Amendment Act 1995 came into operation on 24 August 1995 and established the New Scheme division of the Parliamentary Superannuation Scheme.

The Old Scheme division of the Parliamentary Superannuation Scheme was closed to new members from 24 August 1995. Members of Parliament elected after this date automatically become members of the New Scheme. The exception is where a previous member of the Old Scheme is subsequently re-elected. In this case the member is re-instated as an Old Scheme Member.

Productivity contributions of 3 per cent are paid into the Southern State Superannuation (Triple S) Scheme for 44 Old Scheme members, and 6 New Scheme members who chose to transfer from the Old Scheme prior to the October 1997 State Government election.

Compliance with the Heads of Government Agreement

The South Australian and Commonwealth Governments have entered into a Heads of Government Agreement to enable certain public sector schemes to be exempt from the Commonwealth's Superannuation Industry Supervision (SIS) Act 1993.

As a result of the Heads of Government Agreement, the scheme established under the Parliamentary Superannuation Act 1974 is an exempt public sector scheme for the purpose of the Commonwealth's SIS Act. The scheme is, however, a regulated fund in terms of the SIS Act.

The South Australian Government has made a commitment to ensure that all exempt South Australian public sector schemes conform with the principles of the Commonwealth's retirement income policy objectives.

2. THE BOARD

There are 3 Members of the Parliamentary Superannuation Board. They are the Members of Parliament holding the office of President of the Legislative Council, Speaker of the House of Assembly and a third person appointed by the Governor on the nomination of the Treasurer.

The Members of the Board are:

- Chairman—Hon. J. C. Irwin—President of the Legislative Council
- Member—Hon. J. K. G. Oswald—Speaker of the House of Assembly
- Member—J. T. Hill—Deputy Under Treasurer

3. ADMINISTRATION

The Department of Treasury and Finance provides the staff and resources required to administer the scheme. John O'Flaherty, General Manager, State Superannuation Office, is the Executive Officer to the Board.

The costs of administering the scheme are met from the Parliamentary Superannuation Fund. For the 1999-2000 year administration costs were \$143 091.

4. FINANCE

Under the Parliamentary Superannuation Act 1974, any money required for the purpose of paying benefits is provided from the Parliamentary Superannuation Fund. The scheme's financial statements will be audited later in the year in accordance with the Auditor-General's schedule.

The cost to the Fund of benefits paid under the Act during 1999-2000 was as follows:

Pensions :	\$3.93m
Lump Sums :	<u>\$0.05m</u>
	\$3.98m

During the year members contributed \$786 000 towards the cost of their accruing benefits. As required under the Act, these contributions were paid to the Treasurer for crediting to the Parliamentary Superannuation Fund.

An assessment of the Government's liability under the scheme was carried out in respect of members and existing pensioners as at 30 June 2000. The liability was assessed as being \$55.3m in respect of existing pensioners, which has varied slightly since June 1999. The liability in respect of members was \$43.7m, which compares to \$35.4m as at 30 June 1999. The increase reflects assumed salary increases of 1 per cent above the Adelaide Consumer Price Index (CPI) used in calculating expected future benefit payments.

Each year the Board is required by legislation to declare the rate of interest to be credited to member accounts. The crediting rate for the 1999-2000 financial year is 16.99 per cent per annum.

Interest credited to the scheme is now based on the earnings achieved by Funds SA.

Crediting rates for the last 2 years are:

YEAR	RATES (p.a.)
1999-2000	16.99%
1998-99	9.55%

Prior to the 1997-98 financial year, interest was calculated using the 10 year bond rate declared by the South Australian Government Financing Authority in respect of investments made on the first day of the financial year in respect of which interest was calculated.

The application of the crediting rate to member accounts in this scheme is only relevant where a member leaves Parliament with less than 6 years service.

5. CONTRIBUTORS AND CONTRIBUTIONS

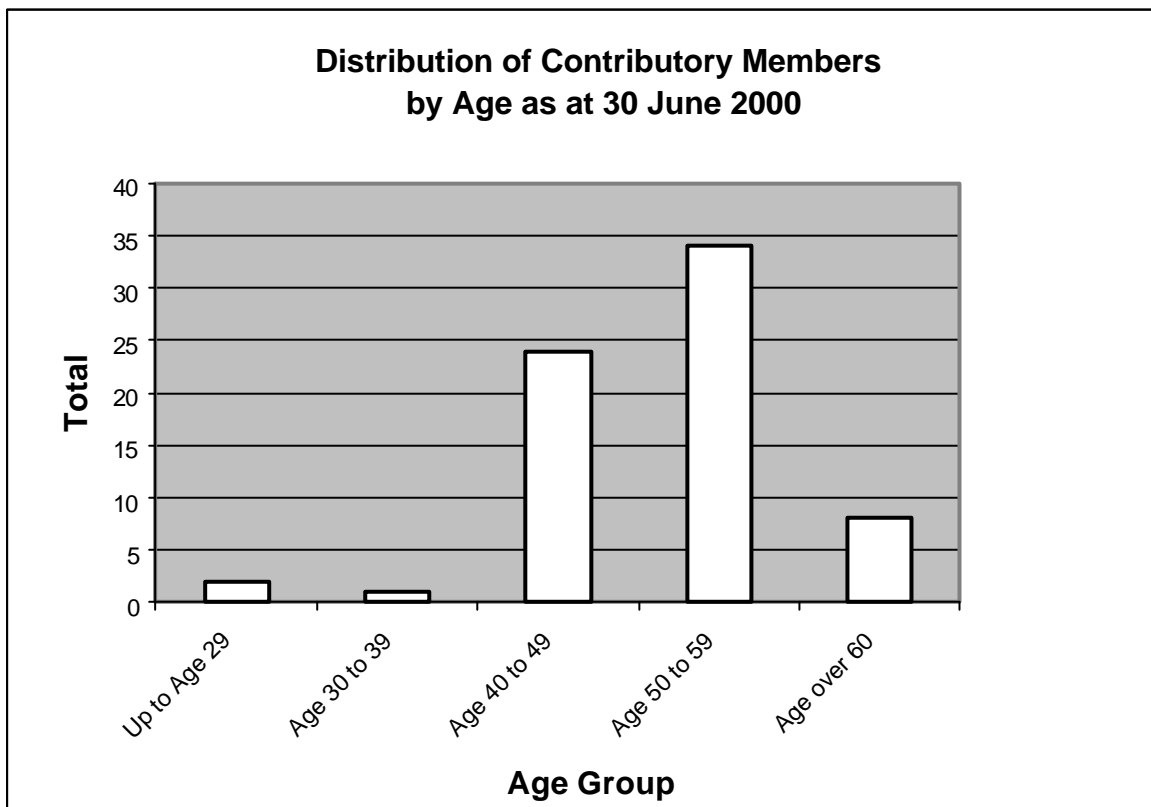

In terms of the Parliamentary Superannuation Act, all members of the Parliament with less than 20 years and 1 month's service are required to contribute 11.5 per cent of their base and additional salary to the Treasurer. Those members with service exceeding 20 years and 1 month pay contributions of 5.75 per cent of their base salary and 11.5 per cent of their additional salary.

There are currently 44 members in the Old Scheme and 25 members in the New Scheme.

In addition there are 3 members who have preserved a lump sum entitlement in the scheme.

Two pensions are suspended under Section 19 of the Parliamentary Superannuation Act 1974, because the former members concerned currently hold a seat in another Parliament.

Commutation

In terms of Section 21 of the Act, a former member of the scheme may, within 3 months of becoming entitled to a pension, elect to convert prescribed proportions of the pension to a lump sum.

No commutation payments were made to former members during the year.

In terms of Section 26AA of the Act, a spouse of a deceased member or deceased member pensioner may elect to convert the whole or a specified proportion of the pension to a lump sum, by notice in writing to the Board within 6 months after first becoming entitled to a pension.

No commutations of spouse pensions were made.

In terms of Section 21AA of the Act, a former member of the scheme, who is eligible for a pension and who is liable for a deferred superannuation contributions surcharge, may commute so much of the pension as is required to provide a lump sum equivalent to the amount of the surcharge.

There were 2 commutations for surcharge purposes amounting to \$8 574.

7. REPORTING TO MEMBERS

It is the Board's policy to keep the members informed of their entitlements and accrued benefits in the scheme. Benefit statements relating to the 1998-99 financial year were forwarded to members in March 2000. Benefit statements relating to the 1999-2000 year will be forwarded by the end of October 2000.

Surchargeable employer contributions relating to the 1998-99 financial year were reported to the Australian Taxation Office (ATO) in June 2000. 1999-2000 reporting will be completed by December 2000.

The ATO subsequently advises members directly of their surcharge debt. Members were advised of their 1996-97 and 1997-98 debts in February 2000. It is expected that the ATO will remit assessments in relation to 1998-99 by February 2001.
