ADELAIDE, FRIDAY, 20 JULY 2001

FISHERIES ACT 1982: SECTION 43

TAKE notice that pursuant to section 43 of the Fisheries Act 1982, it is hereby unlawful for the period specified in Schedule 1 for:

- (a) any holder of a licence with respect to the marine scalefish fishery to engage in a fishing activity using a registered boat with more than two agents on board a registered boat at any one time, unless otherwise authorised by the Director of Fisheries by notice in writing which notice must be carried on the registered boat at all times when the boat is engaged in a fishing activity;
- (b) any holder of a licence with respect to a rock lobster fishery to engage in a fishing activity other than the taking of rock lobster ('specified class'), using a registered boat with more than two agents on board a registered boat at any one time, unless otherwise authorised by the Director of Fisheries by notice in writing which notice must be carried on the registered boat at all times when the boat is engaged in a fishing activity of the specified class.

SCHEDULE 1

From 19 July 2001 to 1 January 2002 inclusive, unless this notice is revoked earlier.

Dated 18 July 2001.

W. ZACHARIN, Director of Fisheries
