RESIDENTIAL (FIELD RIVER VALLEY) ZONE

Introduction

The objectives and principles of development control apply in the Residential (Field River Valley) Zone shown on Map Mar/16. They are additional to those expressed for the whole of the council area.

OBJECTIVES

- Objective 1: A zone accommodating dwellings of various styles.
- Objective 2: A high standard of residential amenity and a pleasant living environment.
- Objective 3: Land division which:
- (a) contains a range of allotment sizes suitable for different types of dwellings; and
 - (b) promotes innovation in design and layout.
- Objective 4: A zone containing a number of dwellings appropriate to the capacity of the adjoining road system.

Development potential of the zone should be limited to approximately 350 dwellings.

PRINCIPLES OF DEVELOPMENT CONTROL

1. Development should be in accordance with the Structure Plan shown on Map Mar/1 (Overlay 1) Enlargement B.
2. Development should proceed in an orderly and continuous sequence, from the northern portion adjacent to St Vincent Avenue.
3. Access to Field River Valley residential area should be from St Vincent Avenue, as shown on Map Mar/1 (Overlay 1) Enlargement B and Meyer Road.
4. Access to development within D3657/500, D43657/502 and the northern portion of D43657/504 should be facilitated by a grade separated crossing which links into Meyer Road shown in the Structure Plan, Map Mar/1 (Overlay 1) Enlargement B.
5. Allotments should be orientated so that dwellings can be sited on them:
 - (a) to gain maximum advantage of coastal views; and
 - (b) minimize the amount of cut and fill on the land.
6. Development should provide a range of dwelling types and should comprise:
 - (a) a high standard of building design and site layout;
 - (b) a development potential commensurate with the capacity of the adjoining road system;
 - (c) a high standard of residential amenity; and
 - (d) buildings which are of a height and bulk which will not have a significant detrimental effect on the amenity of adjoining residents.
7. Development should provide for:
 - (a) a reserve within a minimum width of 30 metres on each side of the Field River, in order to establish a link from the upper Field River to the sea, as shown on Map Mar/1 (Overlay 1) Enlargement B; and
 - (b) a coastal reserve as shown on Map Mar/1 (Overlay 1) Enlargement B in order to protect geological features and to preserve the amenity of the coastline.
8. Development should not be undertaken where it will create or aggravate cliff erosion nor where it would be placed at risk by such erosion, unless suitable measures are taken to minimize that impact.
9. Development should provide for a range of allotment sizes, in order to facilitate housing mix.
10. Development should provide for pedestrian and cycle links to Hallett Cove.
11. Development should make suitable provision for the safe and efficient disposal of all waste, including effluent, stormwater and hard rubbish.
12. Development should incorporate a stormwater management scheme that:
 - (a) encourage on-site water harvesting to maintain garden and lawn areas;
 - (b) provides sufficient land in drainage reserves and floodways for the construction of appropriate structural controls, such as flow retardation basins, wet retention basins, wetlands and trash racks;
 - (c) maintains the volume and rate of run-off from newly-developed areas at levels as near as possible to those which existed prior to the development;
 - (d) takes into consideration the impacts the development will have on existing watercourses and downstream storm water control facilities;
 - (e) includes an engineering design which aims to preserve rather than eliminate natural, drainage systems; and
 - (f) avoids discharge into the marine environment.
13. Development should be set-back a suitable distance from the cliffs to minimize impact on the coastal landscape.
14. Sufficient cliff top reserve should be provided to allow for pedestrian access between private property and the cliff edge.
15. The following kinds of development are complying in the Residential (Field River Valley) Zone subject to compliance with the conditions comprising, where applicable:
 - (a) no building will be erected, altered or added to, nearer than eight meters to the existing boundary of a road, or the boundary of any land shown as being required for road widening on the Plan deposited under the provisions of the Metropolitan Adelaide Road Widening Plan Act, 1972 to 1976; and
 - (b) the conditions prescribed in Table Mar/1:

Detached Dwelling
Domestic Outbuilding

Non-complying Development

16. The following kinds of development are non-complying in the Residential (Field River Valley) Zone:

Abattoir

Advertisement or Advertising Display:

ATTACHMENT C

LANDSCAPE (BUFFER) ZONE

Introduction

The objectives, proposal and principles of development control apply in the Landscape (Buffer) Zone shown on Map Mar/16. They are additional to those expressed for the whole of the council area.

OBJECTIVES

Objective 1: A zone which provides spatial, visual and auditory separation between incompatible land uses.

Objective 2: A zone which integrates landscaped screening techniques with usable open space for recreational purposes.

The Landscape (Buffer) Zone provides an opportunity to create a usable green belt area which will separate the existing general areas of Lonsdale from residential growth south from Hallett Cove.

Furthermore, the zone will improve the aesthetics of a prominent entry vista to the City of Noarlunga thereby ensuring a high degree of residential amenity for the locality which it abuts.

Portion of the land in the zone adjacent to the coast is a large "break-away" area of natural erosion similar to that in the Hallett Cove Conservation Park and it has scientific value. It needs to be protected from any induced erosion.

The Landscape (Buffer) Zone should develop as a densely planted but functional open space assessable to workers and residents alike.

PROPOSAL

Council proposes to negotiate with the major land holders to ensure that an appropriate landscape design, layout and maintenance scheme is instigated and achieved expeditiously, with special attention being given to the interface between the southern boundary of the zone and the Industry Zone.

PRINCIPLES OF DEVELOPMENT CONTROL

1. Development undertaken in the Landscape (Buffer) Zone should primarily comprise active and passive recreation facilities, integrated with but secondary to landscaper buffer treatment.

2. Buildings constructed for community uses within the zone should be located on the northern edge of the zone adjacent to the Residential (Field River Valley) Zone.

3. Development undertaken within the zone should not hinder access to or use of recreation facilities located within the zone.

4. No development is complying absolutely or conditionally in the Landscape (Buffer) Zone.

Non-complying Development

5. The following kinds of development are non-complying in the Residential (Field River Valley) Zone:

Abattoir	Dog Track
Amusement Machine Centre	Drive-in Theatre
Auction Room	Dwelling

NOTICE TO MARINERS

NO. 26 OF 2002

*South Australia—Gulf of St. Vincent—Investigator Strait
Defence Trials*

MARITIME operations Division of Defence, Science and Technology are conducting a buoy based Radio Telemetry trial in the local waters of the Investigator Strait from 3 June to 14 June 2002.

The trials comprise laying of cables and electronic canisters and tethering 2 catamaran type surface buoys to the sea floor, approximately 5 nautical miles off Cape Borda in 100 m depth of water. The buoys will radiate RF signals to a shore based site based at Cape Borda in the 2400 MHz to 2463 MHz frequency band.

The buoys will be located as follows:

Buoy No. 1: 35°42'20"S, 136°31'34"E.

Buoy No. 2: 35°40'20"S, 136°35'00"E.

They will be fitted with twin yellow cross/marker reflectors and 2 non synchronised yellow flashing lights flashing 4-6 seconds.

A surface craft MRV *Ngerin* will be used as a buoy tender as well as a deployment and recovery vessel and will remain in attendance at the trial site for the full trial period.

Mariners are advised to keep well clear of the site when navigating in the area.

Navy charts affected: Aus 343, 345, 346 and 444.

CITY OF ONKAPARINGA

Review of Elector Representation—Public Consultation

NOTICE is hereby given pursuant to the provisions of section 12 (9) of the Local Government Act 1999, that the second and final phase of public consultation relating to the Review of Elector Representation for the City of Onkaparinga is now underway. Members of the public and groups are invited to provide written comments or submissions to council on their views of the proposals for the future structure of wards and elected representatives which have been selected for consultation.

The final structure, once approved would become effective at the next Periodical Elections in May 2002.

An information pack containing a report which details the background to the Elector Representation Review, the process followed by council to date and the three proposals for the future representation of electors has been prepared. Information packs will be available from Wednesday, 29 May 2002 from all council offices and libraries from council's internet site at www.onkaparingacity.com or by telephoning a Council Customer Service Officer on 8384 0666.

Information sessions to enable the dissemination of information and documents relating to the Review will be held as follows:

- Hub Library, Hub Drive, Aberfoyle Park on Tuesday, 11 June 2002 from 7 p.m.
- Civic Area at Council's Noarlunga Office, Ramsay Place, Noarlunga Centre on Wednesday, 12 June 2002 from 7 p.m.
- The Willunga Hub, Corner St Peters Terrace, Willunga on Thursday, 13 June from 7 p.m.

For further information, contact Jacqui Vandenbroek on 8384 0598.

All submissions must be received by 5 p.m. on Wednesday, 26 June 2002 and should be addressed to City Manager, City of Onkaparinga, P.O. Box 1, Noarlunga Centre, S.A. 5168.

Submissions may also be e-mailed to the following address:

mail@onkaparinga.sa.gov.au

Any person making a written submission will also be invited to appear before a meeting of the City of Onkaparinga Representation Review Public Submissions Group to be heard in respect of their submission.

Revocation of Land from Classification as Community Land

NOTICE is hereby given pursuant to section 194 (2) of the Local Government Act 1999, that public comment is being invited on a council proposal to revoke the following property from Classification as Community Land, pursuant to section 194 (1):

C.T. Vol. 5387 Folio 64, Lot 702 in Deposited Plan 22894, Adelaide Road, Victor Harbor.

This land is an undeveloped reserve. The revocation is proposed with a view to exchange of this parcel of land for portion of Allotment 49 in Deposited Plan 22894 and portion of Allotment 1004 in Deposited Plan 26066, Agnes Gillespie Drive, Victor Harbor, incorporating the current vehicle access to the Encounter Lutheran School.

Exclusion of Land from Classification as Community Land

Notice is hereby given pursuant to section 193 (2) of the Local Government Act 1999, that public comment is being invited on a Council proposal to exclude the following property from classification as Community Land, pursuant to section 193 (1):

C.T. Vol. 5683 Folio 482, Allotment 92 in Filed Plan 207138, 38-44 Maude Street, Victor Harbor.

This land is predominantly vacant but contains the remains of a derelict building. The revocation is proposed with a view to exchange portion of this land with portion of Allotment 4 in Deposited Plan 269 and portion of Allotment 91 in Filed Plan 207137, Mayfield Terrace, Victor Harbor to provide for development of a drainage basin and wetlands.

Written comments on the revocation/exclusion of either of these two parcels of land from community classification should be forwarded to:

City Manager
City of Victor Harbor
P.O. Box 11
Victor Harbor, S.A. 5211.

Closing date for submissions is Friday, 28 June 2002.

DISTRICT COUNCIL OF YORKE PENINSULA

ROADS (OPENING AND CLOSING) ACT 1991

Portion of Centenary Avenue, Maitland

NOTICE is hereby given, pursuant to section 10 of the Roads (Opening and Closing) Act 1991, that the District Council of Yorke Peninsula proposes to make a Road Process Order to close a portion of public road adjacent to the eastern boundary of section 138, Hundred of Maitland (being portion of Centenary Avenue, Maitland), more particularly delineated and marked 'A' in Preliminary Plan No. PP02/0045. The portion marked 'A' is to be transferred to the adjacent owner and merged with section 138 held in certificate of title 5835/816.

A copy of the Preliminary Plan and statement of persons affected is available for public inspection at the Council Office, 8 Elizabeth Street, Maitland, S.A. 5573 or at the Adelaide office of the Surveyor-General, during normal office hours.

Any person affected may object to the proposed road process, or apply for an easement to be granted in the person's favour over land subject to the proposed road closure. Such objection, or application for an easement, must set out the full name and address of the person, and reason for making the objection or application. Any application for an easement must give full particulars of the nature and location of the easement and, where made by a person as the owner of adjoining or nearby land, specify the land to which the easement is to be annexed.

An objection, or application for an easement, must be lodged in writing to the District Council of Yorke Peninsula, 8 Elizabeth Street, Maitland, S.A. 5573 and a copy lodged with the Surveyor-General, Department of Administrative and Information Services, G.P.O. Box 1354, Adelaide, S.A. 5001, within 28 days of this notice.

Where an objection or application for an easement is made, the council will give notification of a meeting at which the matter will be considered, so that the person making the objection or application may attend, if desired, personally or by a representative.
