ENVIRONMENT PROTECTION ACT 1993

Approval of Category B Containers

I, STEPHEN RICHARD SMITH, Senior Adviser, Container Deposit Legislation and Delegate of the Environment Protection Authority ('the Authority'), pursuant to section 69 of the Environment Protection Act 1993 (SA) ('the Act') hereby:

Approval of Category B Containers:

Approve as Category B Containers, subject to the conditions in subclauses (i) and (ii) below, each of the classes of containers identified by reference to the following matters described in the first 4 columns of Schedule 1 of this Notice which are sold in South Australia:

- (a) the product which each class of containers shall contain;
- (b) the size of the containers;
- (c) the type of containers;
- (d) the name of the holders of these approvals.

(i) *Subsection 69 (3) Arrangements:*

The holders of these approvals must ensure that the empty containers which belong to their respective class of containers hereby approved as Category B Containers are collected from collection depots approved under section 69 of the Act by the party named in Column 5 of Schedule 1 of this Notice; and

(ii) *Approved Refund Markings:*

- (a) The holders of these approvals must ensure that each container which belongs to their respective class of containers hereby approved as Category B Containers bears the refund marking approved by the Authority in respect of that class of containers.
- (b) The refund marking that appears on each container that belongs to the class of containers hereby approved, must be a minimum 1.5 mm for the smallest letter in the statement and a minimum 3 mm for the numeric ('5') in the statement.
- (c) The holder of these approvals must ensure that if a sticker bearing the refund marking has been approved, and is applied to the container, then the sticker must not be placed on any portion of the opening mechanism or in any other place that would require complete or partial removal of the sticker before the contents may be consumed.

PETROLEUM ACT 2000

Application for Variation of Pipeline Licence—PL 13

PURSUANT to section 65 (6) of the Petroleum Act 2000 (the Act) and Delegation dated 28 March 2002, *Gazetted*, 11 April 2002, page 1573, notice is hereby given that an application has been received for a variation to Pipeline Licence PL 13.

Description of Application

South East Australia Gas Pty Ltd has applied for a variation to Pipeline Licence PL 13 to accommodate an extension in the form of a 1.5 km long lateral pipeline near Naracoorte.

Description of the Area

A 15 m wide corridor between the following pairs of coordinates (GDA 94) adjacent to, and to the North of a disused railway line:

From		To

PETROLEUM ACT 2000

SECTION 25 (5) (b)

Variation of Petroleum Exploration Licence—PEL 102

NOTICE is hereby given that under the provisions of the Petroleum Act 2000, pursuant to delegated powers dated 28 March 2002, *Gazetted* 11 April 2002, page 1573, the conditions of the abovementioned Exploration Licence have been varied as follows:

Condition 1 of the licence is omitted and the following substituted:

"1. During the term of the licence, the Licensee shall carry out or cause to be carried out exploratory operations on the area comprised in the licence in accordance with such work programs as are approved by the Minister from time to time. Years one to three exploratory operations are guaranteed. These exploratory operations shall include but not necessarily be limited to:

Year of Term of Licence	Minimum Work Requirements
One	150 km seismic; geological and geophysical studies
Two	Geological and geophysical studies;
Three	4 wells; 100 km seismic
Four	2 wells; 100 km seismic
Five	1 well

This variation provides some flexibility in the timing of drilling wells. The revised work requirements as a result of this variation would not have altered the outcome of the original competitive tender process."

RADIATION PROTECTION AND CONTROL ACT 1982

Notice by Delegate of the Minister for Environment and Conservation

PURSUANT to section 44 of the Radiation Protection and Control Act 1982, I, Graeme Palmer, Acting Director of the Radiation Protection Division of the Environment Protection Authority, being a person to whom the powers of the Minister under that section have been delegated under the Act, exempt diagnostic radiographers from the requirements of Regulation 40 of the Radiation Protection and Control (Ionising Radiation) Regulations 2000, subject to the following conditions:

1. This exemption only applies where the person who is to be exposed to ionizing radiation has been classified by the Registered Nurse referred to in Condition 2 as triage Categories 3, 4 or 5 presenting with isolated extremity injuries.
2. Before the exposure takes place, the exposure must be directed by a Registered Nurse who works in the Emergency Department of one of the health units listed in Column 1 and has been approved for this purpose by the person holding, or acting in, the position listed in Column 2, following training for this purpose.
3. The direction referred to in Condition 2 must comply with the following requirements:
 - (a) it must be in writing;
 - (b) it must contain details of the examination or treatment being undertaken;
 - (c) it must contain the clinical indications for the examination or treatment;
 - (d) it must contain a statement by the Registered Nurse making the direction that the person is classified as triage Categories 3, 4 or 5 presenting with isolated extremity injuries;
 - (e) it must contain a statement by the Registered Nurse making the direction that he or she has due authority to give the direction;
 - (f) it must be signed by the Registered Nurse making the direction; and
 - (g) it must be signed by the radiographer who is performing the treatment.

4. The Director of each Emergency Department must, when directed to do so by the Radiation Protection Division, provide the Radiation Protection Division with a written report on diagnostic radiography authorised by the Registered Nurses during a period specified by the Radiation Protection Division. The Report must contain statistics of diagnostic radiography authorised by the registered nurses and details of any radiation safety issues associated with the examinations during the specified period.

5. The exemption shall take effect commencing on the date of publication of this notice in the *Government Gazette*.

1—Short title

These regulations may be cited as the *Volunteers Protection Regulations 2004*.

2—Commencement

These regulations come into operation on the day on which they are made.

3—Interpretation

In these regulations, unless the contrary intention appears—

Act means the *Volunteers Protection Act 2001*.

4—Definition of *voluntary basis*

- (1) A person works on a voluntary basis for the purposes of the definition of *voluntary basis* in section 3 of the Act if the person is remunerated within the following limits:
- (a) the person is reimbursed for any expenses incurred during the course of carrying out the work;
 - (b) the person is given a true honorarium in respect of the work.

- (2) In this regulation—

true honorarium means a monetary gift made to a person in recognition of the person's work as a volunteer.

Note—

It follows that a true honorarium is not—

- (a) subject to pay-as-you-go withholding or instalment tax; or
- (b) paid as a consequence of the person's employment; or
- (c) legally required to be paid to the person; or
- (d) an amount that is relied on or expected by the person as a source of income.

Note—

As required by section 10AA(2) of the *Subordinate Legislation Act 1978*, the Minister has certified that, in the Minister's opinion, it is necessary or appropriate that these regulations come into operation as set out in these regulations.
