ESSENTIAL SERVICES COMMISSION ACT 2002

Price Determination

NOTICE is hereby given that:

1. On 16 March 2005 the Essential Services Commission made a price determination under the Essential Services Commission Act 2002, as authorised by section 33 (1) (c) of the Gas Act 1997, varying a price determination made on 1 July 2004 concerning prices for the provision of retail market administrator services in the gas market in South Australia.
2. The price determination, as varied, regulates price-fixing factors and conditions relating to prices that may be charged for the provision of retail market administrator services in the gas market in South Australia.
3. The price determination as varied, was made pursuant to the direction issued by the Minister for Energy on 16 June 2004. This direction required the Commission to ensure that the retail market administrator (REMCo) issued a single market share charge that was the same for each delivery point for which a retailer is responsible. The direction from the Minister for Energy did not relate to registration fees or annual service charges.
4. The price determination, as varied, permits a retail market administrator to charge up to the 'price caps' set out in the determination without the prior approval of the Commission.
5. The price determination, as varied, also sets out how these price caps change over time.
6. The variations to the price determination take effect from the date of publication of this notice in the *South Australian Government Gazette*.
7. A copy of the price determination and statement of reasons may be inspected or obtained from the Essential Services Commission, 8th Floor, 50 Pirie Street, Adelaide and is also available at www.escosa.sa.gov.au.
8. Queries in relation to the price determination may be directed to the Essential Services Commission, 8th Floor, 50 Pirie Street, Adelaide. Telephone (08) 8463 4444 or Freecall 1800 633 592 (mobiles and SA only).

Execution: The seal of the Essential Services Commission was affixed with due Authority by the Chairperson of the Essential Services Commission.

Dated 16 March 2005.

LEWIS W. OWENS, Chairperson, Essential Services Commission of SA

FISHERIES ACT 1982: SECTION 59

TAKE notice that pursuant to section 59 of the Fisheries Act 1982, William Ritter, (the 'exemption holder') is exempted from Regulations 4 and 5 of the Fisheries (Vessel Monitoring Scheme) Regulations 2003, insofar as he is permitted to undertake fishing activity pursuant to the licence using a tender boat that is registered and endorsed on the licence, without having an operational VMS fitted on the registered boat, provided that the boat is one of two registered boats endorsed on the licence, and the other registered boat does have an operational VMS unit fitted to it in accordance with the Regulations (the 'exempted activity').

This exemption is granted subject to the conditions set out in the Schedule, and has effect from 24 March 2005 until 31 May 2005, unless this notice is varied or revoked earlier.

SCHEDULE

1. The exempted activity may only be undertaken when fishing pursuant to Northern Zone Rock Lobster Fishery Licence No. N077.

2. Prior to conducting the exempted activity, the exemption holder must contact the PIRSA Fisheries Compliance Unit on 1800 065 522 and answer a series of questions about the exempted activity. The exemption holder will need to have a copy of the exemption at the time of making the call and be able to provide information about the area and time of the exempted activity, the vehicles and/or boats involved, the number of agents undertaking the exempted activity and other related questions.

3. The exemption holder must ensure that all commercial rock lobster pots are secured in a place that is not within the vicinity of any registered boat endorsed on the licence, being a place where a Fisheries Officer can inspect those pots.

4. No rock lobster pots may be on board the tender boat during the exempted activity.

5. No rock lobster may be taken, or be on board the boat, during the exempted activity.

6. While engaged in the exempted activity the exemption holder must have in his possession a copy of this notice and produce a copy of the notice if required by a PIRSA Fisheries Compliance Officer.

7. An exemption holder must not contravene or fail to comply with the Fisheries Act 1982, or any other regulations made under that Act except where specifically exempted by this notice.

Dated 17 March 2005.

W. ZACHARIN, Director of Fisheries

FISHERIES ACT 1982: SECTION 59

TAKE notice that pursuant to section 59 of the Fisheries Act 1982, Mark Moody, 18 Compton Street, Port MacDonnell, S.A. 5291 (the 'principal exemption holder'), and the class of persons specified in Schedule 1 (the 'other exemption holders'), are exempt from clauses 66, of Schedule 1 of the Fisheries (General) Regulations 2000, but only insofar as the exemption holders may exceed the prescribed boat limits during a chartered fishing trip on the *Remarkable* in accordance with the allowable limits specified in Schedule 2 (the 'exempted activity'), subject to the conditions specified in Schedule 3, from 24 March 2005 until 30 June 2005, unless varied or revoked earlier.

SCHEDULE 1

Any person or persons who charter the boat *Remarkable* from Mark Moody for the purpose of recreational fishing.

SCHEDULE 2

1. Where the number of 'other exemption holders' exceeds six, all of the 'other exemption holders' on board the boat are each restricted to taking no more than one half of the daily bag limit (rounded up to nearest whole number if necessary) for those species of scalefish (except King George whiting) subject to a limit as specified in the Fisheries (General) Regulations 2000, in any one day.

2. Where the number of 'other exemption holders' exceeds three, all of the 'other exemption holders' on board the boat are each restricted to taking no more than 10 King George whiting in any one day.

SCHEDULE 3

1. The principal exemption holder, its employees or agents must not take any fish during the chartered fishing trip.

2. The principal exemption holder must not use any boat other than the *Remarkable* for the purpose of engaging in the exempted activity.

3. Neither the principal exemption holder nor the other exemption holders may sell any fish taken pursuant to this notice.

4. The principal exemption holder must not accept any fish taken by the other exemption holders as all or part of the consideration for the charter agreement.

5. The principal exemption holder must contact PIRSA Fish-watch on 1800 065 522 at least 2 hours prior to commencing the exempted activity and advise the time and date of departure of the *Remarkable* and the estimated time of return to port.

6. While engaged in the exempted activity the principal exemption holder must have in their possession a copy of this notice. Such notice must be produced to a PIRSA Fisheries Officer if requested.

7. The exemption holders must not contravene or fail to comply with the Fisheries Act 1982, or any regulations made under that Act except where specifically exempted by this notice.

Dated 23 March 2005.

W. ZACHARIN, Director of Fisheries

FISHERIES ACT 1982: SECTION 59

TAKE notice that pursuant to section 59 of the Fisheries Act 1982, Bronwyn Gillanders, School of Earth and Environmental Sciences, University of Adelaide, North Terrace, Adelaide, S.A. 5005 (the 'exemption holder') or a person acting as her agent is exempt from the Fisheries Act 1982, but only insofar as they may engage in the activities specified in Schedule 1 using the gear specified in Schedule 2 (the 'exempted activity'), subject to the conditions specified in Schedule 3, from 24 March 2005 until 31 December 2005, unless varied or revoked earlier.

SCHEDULE 1

The collection of aquatic organisms from all waters of South Australia including intertidal 'rocky' reefs, aquatic reserves and the Whyalla cuttlefish closure area.

SCHEDULE 2

- Plankton net (40 cm diameter x 1.5 m long).
- Fish traps (maximum size of 1.5 m x 2 m).

SCHEDULE 3

1. The specimens collected by the exemption holder are for scientific and research purposes only and must not be sold. Any unwanted specimens must be returned to the water immediately.

2. Any specimens not returned to the water must be lodged with the SA Museum as voucher specimens.

3. Only the following groups of animals must be collected pursuant to this exemption:

- Fish (including chondrichthyans and teleosts)
- Cephalopods
- Crustaceans
- Molluscs

4. Before collecting any specimens pursuant to this notice, the exemption holder must contact the PIRSA Fisheries Compliance Unit on 1800 065 522 and answer a series of questions about the exempted activity. The exemption holder will need to have a copy of the exemption at the time of making the call and be able to provide information about the area and time of the exempted activity, the vehicles and/or boats involved, the number of agents undertaking the exempted activity and other related questions.

5. The exemption holder must submit the attached reporting sheet by 31 January 2006 to the Director of Fisheries, marked (Attention: Alex Chalupa, G.P.O. Box 1625, Adelaide, S.A. 5001).

6. While engaging in the exempted activity, the exemption holders must be in possession of a copy of this notice. Such notice must be produced to a PIRSA Fisheries Compliance Officer if requested.

7. A person acting as an agent must have on him/her a signed letter from the exemption holder stating that they are acting as an agent during the exempted activity.

8. The exemption holders must not contravene or fail to comply with the Fisheries Act 1982, or any regulations made under that Act, except where specifically exempted by this notice.

Dated 23 March 2005.

RADIATION PROTECTION AND CONTROL ACT 1982

Notice by Delegate of the Minister for Environment and Conservation

PURSUANT to section 44 of the Radiation Protection and Control Act 1982, I, Keith Baldry, Director of the Radiation Protection Division of the Environment Protection Authority, being a person to whom the powers of the Minister under that section have been delegated under the Act, exempt any person who has been authorised to conduct *in vivo* research involving the use of ionising radiation on a human being at The Queen Elizabeth Hospital and the Lyell McEwin Health Service ('the Hospital') from Regulation 45 of the Radiation Protection and Control (Ionising Radiation) Regulations 2000, subject to the conditions appearing in the Schedule.

THE SCHEDULE

1. Such person shall only be exempted if the Ethics of Human Research Committee ('the Committee') of the Hospital has considered and approved such research, and the exemption is limited to the extent specifically approved by the Committee.
2. Such person so exempted shall have provided the following written details to the Committee for consideration at the time of making an application for approval of such research:
 - (a) full details of the research that the applicant intends to undertake;
 - (b) the reasons why it is necessary to expose a person to ionising radiation for the purposes of the research;
 - (c) the number of persons who may be exposed to ionising radiation in the course of research;
 - (d) the extent to which the persons may be exposed;
 - (e) the possible benefits of the research to the community;
 - (f) the steps the applicant intends to take to monitor the levels of ionising radiation to which persons may be exposed; and
 - (g) the precautions that the applicant will be taking to keep such exposure to a minimum.
3. In considering whether or not to approve an application of research by a person seeking exemption under this notice, the Committee shall have regard to:
 - (a) the levels of ionising radiation to which any person may be exposed;
 - (b) the number of persons who may be exposed;
 - (c) the steps to be taken by the applicant to monitor radiation levels;
 - (d) the steps to be taken by the applicant to keep such exposure to a minimum;
 - (e) the purpose of the research;
 - (f) the possible benefits of the research to the community;
 - (g) the risk, if any, to the health of the community that may be caused by the research;
 - (h) the general objective as specified in section 23 of the Radiation Protection and Control Act 1982; and
 - (i) the National Health and Medical Research Council's statement 'Administration of Ionising Radiation to Human Subjects in Medical Research (1984)', published as Appendix XXXIX to the Report of the 98th Session of the Council, October 1984, and as subsequently amended from time to time.
4. At any meeting of the Committee that has approved an application for research, by a person seeking exemption under this notice, Dr Leighton Reginald Barnden, Hospital Radiation Safety Officer, or another medical physicist who has the appropriate knowledge and experience to perform the necessary dosimetric calculations, shall have been present either as a member of, or as an adviser to, the Committee.
5. The Hospital shall notify the Radiation Protection Division of the Environment Protection Authority in writing of its approval of any such application. Such notification shall be made within 7 days of the approval being given and shall contain full details of the research to be undertaken.
6. Any research undertaken by a person exempted under this notice shall be conducted so as to ensure that estimates of the effective dose to any individual subject in any one year shall not exceed the following values:
 - (a) in the case of a person whose age is less than 2 years—0.1 millisievert;

- (b) in the case of a person whose age is between 2 years and 18 years—0.5 millisievert; and
 (c) in any other case—5 millisieverts.

NOTICE TO MARINERS

NO. 5 OF 2005

(Formerly notice No. 40 of 2004)

South Australia—Warning—Access Past River Murray Mouth

MARINERS are advised to exercise extreme caution as restrictions on access through the Murray Mouth dredging Exclusion Zone will be temporarily lifted during daylight hours from 8 a.m. on Saturday, 26 March 2005 until 5.30 p.m. on Monday, 28 March 2005.

Boat operators should be aware of the possibility of varying water depths, strong tidal currents, waves, shifting sandbars and shallow water. Existing channels may shift or close in the course of a single day making return passage impossible. Dangerous conditions may prevail.

Dredging of the Murray Mouth area has been undertaken to protect the Coorong ecosystem and NOT to facilitate navigation. The dredges have been moved to one side of the dredged area for this period and must be avoided. Dredging may have caused parts of the area to have different depths and may have created steeply shelved sections.

Mariners are further advised that anchoring is prohibited in the area, and will be strictly enforced, non-compliance will result in a prosecution, in accordance with Harbors and Navigation Act Regulations 1994. A speed limit of 4 knots and restrictions on boating activities, apply in accordance with the Harbors and Navigation Regulations 1994.

CITY OF CAMPBELLTOWN

Periodical Review of Elector Representation

NOTICE is hereby given that pursuant to the provisions of section 12 (5) of the Local Government Act 1999, the City of Campbelltown is to carry out a review to determine whether a change of arrangements in respect of elector representation (altering the composition of the Council, or to divide, or redivide, the area of the Council into wards, alter the division of the area of the Council into wards, or abolish the division of the area of a Council into wards) will result in the electors of the area being more adequately and fairly represented.

Information regarding the nature of the periodical review is available from the Campbelltown Library, 171 Montacute Road, Newton, on the Council website at www.campbelltown.sa.gov.au or by contacting Jan Franklin on 8366 9239.

Interested persons are invited to make written submissions, directed to the Chief Executive Officer, P.O. Box 1, Campbelltown, S.A. 5074. Submissions must be received by 5 p.m. on 12 May 2005.

Any person making a written submission will also be invited to appear before a meeting of the Council to be heard in respect of their submission.

P. VLATKO, Chief Executive Officer

CITY OF HOLDFAST BAY

ROADS (OPENING AND CLOSING) ACT 1991

Opening and Closing of Roads

NOTICE is hereby given that in accordance with section 10 of the Roads (Opening and Closing) Act 1991, the City of Holdfast Bay proposes to make a Road Process Order to close the following road in the Hundred of Noarlunga, being a strip of Bristol Place, Glenelg South, generally situate firstly intersecting the north-eastern corner of Allotment 26 in Deposited Plan 60629 and secondly dividing Allotment 84 in Filed Plan 14344 from said Allotment 26 in Deposited Plan 60629 and marked 'A' and 'B' in Preliminary Plan No. 05/0014.

It is proposed that the portion of road to be closed marked 'A' be transferred to P. M. Ryan and merged with said Allotment 26 in Deposited Plan 60629 and the portion marked 'B' be transferred to E. M. A. P. and R. T. B. Palmer and M. A. Walter and merged with said Allotment 84 in Filed Plan 14344 subject to a free and unrestricted right of way appurtenant to Allotment 26 in Deposited Plan 60629.

A preliminary plan of the proposal and a statement, are available for public inspection at the Holdfast Bay Council Office, 24 Jetty Road, Brighton between the hours of 9 a.m. and 4.45 p.m., Monday to Friday or at the Adelaide office of the Surveyor-General during normal office hours.

Any person may object to the proposal (and any adjoining land owner or other person substantially affected by the proposed road closure may apply for an easement relative to the closure). Such objection (or application for an easement) must be made in writing to the City of Holdfast Bay within 28 days of the date of this notice. If a submission is made, the City of Holdfast Bay is required to give notice of a time and place at which a meeting will be held to consider the matter, so that the person making the submission (or a representative) may attend to support the submission, if desired. Any submission must set out the full name and address of the person making the submission and must be fully supported by reasons (and any application for the grant of an easement must give full particulars of the nature and location of the easement and where made by a person as the owner of adjoining or nearby land, specify the land to which the easement is to be annexed). A copy of the submission must be forwarded to the Surveyor-General at Adelaide.

Dated 24 March 2005.

DISTRICT COUNCIL OF LOWER EYRE PENINSULA

DEVELOPMENT ACT 1993

*Lower Eyre Peninsula (DC) Development Plan
Point Boston Amendment Report—
Draft for Public Consultation*

NOTICE is hereby given that the District Council of Lower Eyre Peninsula has prepared a draft Plan Amendment Report to amend its current Development Plan as it affects the area known as Point Boston including sections 109, 110 and 111, Hundred of Lincoln, plus the adjacent coastal reserve.

The Plan Amendment Report will amend the Development Plan by the following means:

- Zoning: the Rural Residential (Point Boston) Zone will be repealed and replaced with a new Mixed Use (Point Boston) Zone. The new Mixed Use (Point Boston) Zone will contain objectives and principles of development control applying only to Point Boston, focusing on natural resource conservation in balance with appropriate forms of residential and aquaculture development exhibiting a high degree of environmentally sustainable development principles.

The Coastal Zone boundaries will be amended to protect identified significant coastal features where new residential policies areas are proposed and realigned to correspond with the boundary of the coastal reserve at the tip of section 109. Zones Map LEP/24 will be amended as a consequence of these amendments.

- Structure Plan: the Point Boston Structure Plan will be repealed and replaced with a new Structure Plan that reflects the preferred distribution of land uses and roads, and identifies those parts of the peninsula to be protected from development, such as significant stands of native vegetation, the coastal dunes and the coastline.

The draft Plan Amendment Report and statement will be available for public inspection and purchase during normal office hours at the Council Offices, Railway Terrace, Cummins and 38 Washington Street, Port Lincoln from Thursday, 24 March 2005 to Friday, 27 May 2005. A copy of the Plan Amendment Report can be purchased from the council in a hard copy form for \$20 each or a CD version for \$10 each.

Written submissions regarding the draft amendment will be accepted by the District Council of Lower Eyre Peninsula until Friday, 27 May 2005. The written submission should also clearly indicate whether you will wish to speak at the public hearing regarding your submission. All submissions should be addressed to the Chief Executive Officer of the District Council of Lower Eyre Peninsula, P.O. Box 41, Cummins, S.A. 5631.

Copies of all submissions received will be available for inspection by interested persons at Railway Terrace, Cummins and 38 Washington Street, Port Lincoln from Monday, 30 May 2005 until the date of public hearings.

Public hearings will be held in the Council Chamber, Railway Terrace, Cummins at 9 a.m. on Friday, 10 June 2005. The public hearing may not be held if no submission indicates an interest in speaking at the public hearing.

Dated 24 March 2005.
