RULE TWENTY - UNFAIR DISMISSAL PROCEEDINGS

(Formally operational 21 August 2006, but proceedings dealt with in manner consistent with this Rule from 24 April 2006 - see Practice Direction 21)

- (1) Except for referrals from other authorities which are governed by sub-rule (25), an application pursuant to Section 106 shall be made in accordance with Form 3 and shall be lodged in the Registry personally or by post, facsimile transmission or email.
- (2) Unless otherwise directed by the President and subject to sub-rule (26), the Registrar must provide a copy of the Section 106 application to the respondent as identified in the application by any means contemplated by Rule 13.
- (3) The respondent named in a Section 106 application must, within 10 days of being provided with a copy of the application, file a response in accordance with Form 4. This response is to be lodged in the Registry personally or by post, facsimile transmission or email.
- (4) The Registrar must cause to be provided to the applicant at his or her address for service a copy of any Form 4 lodged in accordance with these Rules.
- (5) Where the respondent objects to the jurisdiction of the Commission based upon alleged inconsistency with the Workplace Relations Act 1996 (Cth) and does not consent to conciliation, the jurisdictional objection is to be heard at a time and location determined by the Member assigned to initially deal with the application.
- (6) Subject to sub-rule 5 the Commission will fix a time and place for the conference required by Section 155B of the Act and provide the applicant and respondent with a notice confirming the hearing.
- (7) Where the Commission has determined that the conference will be conducted outside of the metropolitan area of Adelaide, the proceedings will be conducted at a place that is as far as practicable within reasonable proximity of the location where the employment of the applicant was based.
- (8) The conference conducted for the purposes of Section 155B may be held by utilising video and/or telephone facilities if directed by the Member who is to preside over the conference.
- (9) The Commission may direct that additional documentation as it considers necessary, must accompany the notices provided to the parties under this Rule.
- (10) All parties to the proceedings shall attend a conference pursuant to Section 155B to be presided over by a Member of the Commission at a date, time and place specified in the notice of sitting for the purpose of:
 - (a) exploring the possibility of resolving the matters in issue by conciliation;
 - (b) ensuring that the parties are fully informed of the possible consequences of taking the proceedings further; and
 - (c) if the proceedings are to progress further and the parties are involved in two or more sets of proceedings under the Act, exploring the possibility of hearing and determining some or all of the proceedings concurrently.
- (11) If a respondent is a body corporate, or the State of South Australia, or the Commissioner for Public Employment, it shall be represented at the conference by a duly authorised employee or officer who is familiar with the matters in issue and who has the authority to bind the respondent to any agreement.
- (12) The Commission Member presiding at the conference will determine the manner in which the proceedings are to be conducted and in so doing may give directions as to the conduct of the parties and their representatives. The Member may also adjourn the conference to other times and places as the needs of the matter require.

- (13) Subject to sub-rules (15), (16), (20) and (21) nothing said or done at the conference by either party or any other person attending is admissible on the hearing of the arbitration except by the consent of the parties; save that it will become admissible in relation to any application for costs in respect of the proceedings.
- (14) If the conference resolves some or all of the matters in issue between the parties, the Member of the Commission may make and sign a written memorandum of the terms of settlement which shall be filed in the Registry and may be received in evidence in any proceedings.
- (15) If the application is not discontinued or settled and the Member of the Commission presiding at the conference considers that further conciliation would not be appropriate, then the Member will conclude the conference by issuing a written memorandum in accordance with Form 5 which may also contain:
- (a) an order requiring the parties to confirm the assertions and the basis of their positions as outlined in the Form 3 and Form 4 as lodged;
 - (b) an order requiring the applicant to provide better particulars concerning the Section 106 application or as to an application pursuant to Section 167 of the Act, a copy of which shall be filed in the Registry;
 - (c) an order that the respondent employer provide better particulars including written reasons for the dismissal of the employee, given at the time, or to be relied upon to the applicant if not already given, or if there is a denial of a dismissal then the grounds upon which the dismissal is denied, a copy of which shall be filed in the Registry;
 - (d) an order requiring the respondent employer to confirm the basis of any jurisdictional challenge to the application being heard and determined, a copy of which shall be filed in the Registry;
 - (e) a statement confirming the relevant costs provisions under the Act;
 - (f) an order that all parties provide discovery in accordance with Rule 25.
- (16) Before, or not more than three business days after the conclusion of the conference, the Member of the Commission must prepare a memorandum:
- (a) which will include a preliminary assessment of the merits of the claim (or, if there is more than one claim, of each claim) and any defence of the claim (or claims); and
 - (b) recommending to the parties how best to proceed to resolution of the questions in issue between them (or, if in the Member's opinion the application patently lacks merit, recommending that the claim be withdrawn),
- and forward it to the parties, provided that any memorandum so prepared is subject to sub-rule (13).
- (17) Upon the filing of Form 5, the Commission will give directions as to the date, time and place of the hearing and determination of the application and the parties will be given notice.
- (18) Nothing in this Rule shall prevent the Commission making procedural and interlocutory orders as are reasonable for the effective conduct of proceedings.
- (19) Nothing in this Rule shall derogate from the power of the President to direct that the application be heard forthwith or at some other time or before some other Member of the Commission.
- (20) The application lodged pursuant to sub-rule (1) and the response lodged pursuant to sub-rule (3) will not be taken to be formal pleadings. The Commission may where appropriate, including during proceedings conducted pursuant to Section 155B of the Act, grant leave to amend an application or a response lodged pursuant to the relevant sub-rule. This may include for example the alteration of particulars and with the consent of the parties, the name of the respondent so as to cite the correct employer of the applicant.

- (21) A breach of either the terms of a memorandum to which sub-rule (14) applies or any other written agreement reached between the parties in consequence of the Section 155B conference, will allow the aggrieved party to approach the Commission for further and other relief by lodging an application for directions.
 - (22) Where an applicant in a proceeding relating to a Section 106 application fails to attend the proceeding in person or by a representative, the Commission may, if satisfied that the applicant had reasonable notice and a reasonable opportunity to be heard, dismiss the application.
 - (23) Nothing in this Rule will prevent the Commission from waiving compliance with the Rule or making directions for the processing of an application in a manner not contemplated in the relevant Rule where the circumstances warrant.
 - (24) For the purposes of Section 155B proceedings under this Rule, reference to the Commission will where appropriate include the Court or a Stipendiary Magistrate where the President so directs.
 - (25) Where an authority under another Act purports to refer a matter to the Commission pursuant to Chapter 3 Part 6 of the Act, the proceedings will be commenced by the filing of a statement by the authority setting out the nature of the matter and the parties said to be involved. Any such matter will then be conducted in a manner as directed by the Commission including where appropriate, as otherwise contemplated by this Rule.
 - (26) Where an applicant lodges an application under this Rule and in response to any clarification sought by the Registrar or a Member regarding their intention to proceed does not confirm such an intention within 10 days, the matter may be deemed to be discontinued without further notice.
