DEVELOPMENT ACT 1993, SECTION 48: DECISION BY
THE DEVELOPMENT ASSESSMENT COMMISSION AS
DELEGATE OF THE GOVERNOR

Preamble

1. The decision of the Governor under section 48 of the Development Act 1993, to approve the development of Holdfast Shores Stage 2B development located adjacent to Colley Terrace, Glenelg was published in the *Gazette* on 19 February 2004.

2. On 8 June 2000 and pursuant to section 48 of the Development Act 1993, the Governor granted a development approval for the Holdfast Shores 2A development, comprising a hotel, car parking, landscaping and associated works, adjacent to Chappell Drive, Glenelg. The development was subject to a Development Report and an Assessment Report, pursuant to section 46 of the Development Act 1993. Amendments to the

Holdfast Shores Stage 2A proposal relating primarily to design, car parking, land division, signage issues and Building Rules, were subsequently granted approval by the Development Assessment Commission (as the Governor's delegate) on 7 December 2000; 1 March 2001; 17 May 2001; 28 February 2002; 3 October 2002; 20 March 2003, and Stage 2B amendments dated 4 March 2004, 15 July 2004 and 26 August 2004.

3. A proposal for the development of the Holdfast Shores 2B proposal at Glenelg, comprising the construction of the Glenelg Surf Life Saving Club, demolition of the existing GSLSC building; the Magic Mountain building and the construction of a rock seawall, an apartment building, and an entertainment and retail precinct, has been considered under Division 2, Part 4 of the Development Act 1993.

4. A number of amendments have been approved since the original decision date of 19 February 2004. The most recent amendments are contained in the following documents and drawings:

- Letter from Woodhead International dated 10 February 2006.
- Drawing No. 02-0473-01AR SK559—Pier Hotel Proposed Landscaping.
- Drawing No. 02-0473-01AR W402A—Level B2 Basement Plan/Exhaust Riser—Revision A.
- Drawing No. 02-0473-01AR W401A—Carpark Exhaust Level—Revision A.
- Letter from Woodhead International dated 23 March 2006 and accompanying plans and Building Rules documentation for Amendment No. 10.
- Letter from Woodhead International dated 23 March 2006 and accompanying plans and Building Rules documentation for Amendment No. 5.

5. The Governor was satisfied that an appropriate Amended Development Report and an Amended Assessment Report have been prepared in relation to the development, in accordance with the requirements of Division 2 of Part 4 of the Development Act 1993.

6. The Governor had, in considering the application, regard to all relevant matters under section 48 (5) of the Development Act 1993.

7. Application has now been made to the Development Assessment Commission as delegate of the Governor under section 48 of the Development Act 1993, to grant an approval for a variation to relocate the Platinum Apartment Building car park exhaust stack (Amendment No. 10) and for the Building Rules Certification for Amendments No. 5 and 10.

8. The amendments to the development are contained in the letter received from Woodhead International dated 10 February 2006. Subsequent letters, both dated 23 March 2006, contain accompanying Building Rules documentation from Katnich Dodd. The letters contain the signed approval by Katnich Dodd of the Building Rules Certification for Amendments No. 5 and 10, respectively.

9. The Development Assessment Commission has in considering the application had regard to all relevant matters under section 48 (5) of the Development Act 1993.

10. The Development Assessment Commission is satisfied that the variations do not require the preparation of a further amended Development Report.

Decision

Pursuant to section 48 of the Development Act 1993, the Development Assessment Commission as delegate of the Governor, in relation to a proposal submitted by Holdfast Shores Consortium to develop the Holdfast Shores Stage 2B at Glenelg:

2. A Construction Environmental Management Plan (CEMP) shall be prepared, in consultation with the Environment Protection Authority, Coast Protection Board and the City of Holdfast Bay, to address the management issues during construction. Matters to be addressed in the CEMP must include:
- traffic management during construction, including transport beyond the site;
 - control and management of construction noise;
 - dust and mud control;
 - working hours;
 - stormwater and groundwater management during construction;
 - site security and fencing;
 - disposal of building waste and refuse;
 - protection and cleaning of roads and pathways;
 - site clean-up;
 - adherence to all relevant Environment Protection Authority policies and codes of practice for construction sites;
 - identification and management of potential and actual acid sulphate soils (should these be encountered); and
 - identification and management of contaminated soils and groundwater (should these be encountered).
3. The applicant shall submit further information and application(s) in relation to the matters that have been reserved for further decision-making by the Governor (or her delegate).
4. No building works shall commence on subsequent stages of the development until a decision has been made by the Governor (or her delegate), involving matters relating to the Building Rules assessment and certification requirements and any other reserved matters that are subject to further development application.
5. No works shall commence unless, and until, legal rights to develop the Magic Mountain site have been secured.
6. The car parking areas shall be designed in accordance with Australian Standards 2890 1-1993 and line markings shall be maintained in good and substantial condition at all times.
7. Access for service deliveries and waste disposal vehicles at the Holdfast Promenade shall only be allowed between 7 a.m. and 10 a.m. daily.
8. Stormwater from the Holdfast Shores Stage 2B site shall not be disposed of by way of a pipe or similar structure that conveys the stormwater to the beach.
9. Site works, construction work and truck movements to and from the site shall only be carried out between 7 a.m. and 6 p.m., Monday to Saturday, inclusive.
10. Pedestrian access ways, from Moseley Square to the Entertainment Plaza and from Hope Street through the 'air lock', shall remain open to the public at all times.
11. Landscaping shall be provided in accordance with the authorised plans and shall be maintained and nurtured, with any diseased or dying plants being replaced.
12. The waste storage and service area at the rear of the buildings shall be kept in a neat, tidy and healthy condition at all times and the service area access door shall remain closed at all times, other than when loading or unloading is taking place.
13. Machinery, plant operating equipment, lighting or sound devices shall not impair or impinge upon the enjoyment of adjoining properties or occupiers thereof.
14. All drainage, finished floor levels, and public works associated with the development, including the disposal of stormwater, shall be carried out in accordance with accepted engineering standards and to the reasonable satisfaction of the City of Holdfast Bay.
15. The period of time for which the building (the Police Station building) shall be used as clubrooms shall be 18 months from the date of Development Authorisation of 15 July 2004, after which period the building shall be vacated.
16. The clubrooms (in the Police Station building) will not be used as a nightclub or discotheque or the like.
17. The door to the accessible male toilet (in the Police Station building) shall be handed to provide latch side clearance in accordance with Fig. 12 of AS1428.1. BCA-Part D3.2.
18. The levels of any openings to the basement car park, including ventilation outlets, inlets and the like shall be in accord with those previously proposed in section 4.1Q of the Amended Development Report for Stage 2B dated 18 September 2003.
19. The fit-out of the public toilets shall be to the reasonable satisfaction of the City of Holdfast Bay.
20. Service plant/machinery associated with the Entertainment Building shall be appropriately concealed from public view.
21. The proposed transformer located on the southern elevation of the Entertainment Building shall be appropriately screened to minimise its visual impact on the public realm.
22. The applicant shall place outdoor showers along the back of the beach to the reasonable satisfaction of the City of Holdfast Bay.
23. The southern most waterslide shall not project over the walkway space located between the Town Hall and Entertainment Building and in any event, should not be located within 5 m of the Town Hall.
24. Structures or ornaments in the mini-golf course shall be arranged and sited to ensure that:
- (a) no individual structure or ornament exceeds a height of 1.5 m within the southern section of the mini-golf course so as to obscure western and north-western views from the Town Hall and

- (b) structures or ornaments are not grouped in a manner that creates visual bulk to the southern or western elevations of the Entertainment Building or obscures western and north-western views from the Town Hall.

25. The modifications to the Glenelg Town Hall access shall be executed with minimum intervention to the historic fabric of the building.

26. The encumbrance dated 16 February 2006, shall be registered on the five Torrens titles, facing Moseley Square as soon as practicable after the land division No. 110/D052/05 is implemented.

Fire precautions must be taken during construction in accordance with BCA-E1.9. The builder must ensure once the method of construction has been determined, that the design of the building/structure adequately accommodates the anticipated construction activity actions.

The person proposing to undertake building work on land (or who is in charge of such work) is warned of their obligation to give the Council notice at stages prescribed in Regulation 74.

Notes on Building Rules Certification (for the Entertainment Building Superstructure and Surf Life Saving Club)

The certified drawings/documents will be issued by the Council with the notification of development approval.

The proprietary type materials and products as specified either on the architectural plans or specifications are to be selected and installed in accordance with the manufacturers' recommendations and relevant standards.

Fire precautions must be taken during construction in accordance with BCA-E1.9. The builder must also ensure, once the method of construction has been determined, that the design of the building/structure adequately accommodates the anticipated construction activity actions.

The person proposing to undertake building work on land (or who is in charge of such work) is warned of their obligation to give the Council notice at stages prescribed in Regulation 74.

SCHEDULE OF ESSENTIAL SAFETY PROVISIONS: Regulation 76 requires that the relevant authority on granting provisional building rules consent, issue a schedule that specifies the essential safety provisions for the building and the standards or requirements for the maintenance and testing in respect of each of those essential safety provisions set out in Minister's Specification SA 76. The items to be inspected or tested will be detailed on a Schedule attached to the Building Rules Consent for the superstructures.

For building work prescribed in Regulation 75, the building owner must, at least 28 days before the building work is commenced cause to be served on the owner of the affected land or premises a notice of intention to perform the building work and the nature of that work as required by section 60.

Pursuant to section 53A of the Development Act 1993, the relevant authority must form an opinion as to whether the existing building is unsafe or structurally unsound. It is considered that although there are/may be items or matters that are not in strict conformity with the Building Rules, or other matters of non-compliance that cannot be identified from the information supplied by the applicant, that the proposed upgrading measures will render the building safe.

Wet areas details including floor grades, set-downs and impervious surfaces shall comply with Minister's Specification SA F1.7 including provision of drainage flanges.

Existing glass in doors, side panels and other human impact areas shall be assessed by the glazier for compliance with section 5 of AS 1288-1994 Glass in Buildings. The applicant is advised that to comply with the Occupational Health, Safety and Welfare Act 1986, any glass that does not meet current requirements should be replaced.

IMPORTANT: The Building Rules Certification does not imply compliance with the Electricity Act 1996, (building within prescribed distances of adjacent power lines) or Occupational Health, Safety and Welfare Act 1986, the (State) Equal Opportunity Act 1984, or with the Commonwealth Disability Discrimination Act as amended or any of the regulations under those Acts. It is the responsibility of the owner and the person erecting the building to ensure compliance with same.

Proof of maintenance must be provided to Council each calendar year by the building owner.

CERTIFICATE OF OCCUPANCY: A new Certificate of Occupancy is required to be issued in relation to the proposed development. Katnich Dodd, will before granting a certificate of occupancy, require:

1. A *Statement of Compliance* from the licensed building work contractor who carried out the relevant work or who was in charge of carrying out the relevant work or if there is no such licensed building work contractor—from a registered building work supervisor or private certifier all in accordance with the *pro forma* attached to the building rules consent for Packages 5 and 6 which must also be signed by the owner of the relevant land, or by someone acting on his or her behalf.

2. A certificate of compliance for each essential provision, in the appropriate form under Schedule 16, signed by the installer of the safety provision, or where the installer is a company, signed by the manager responsible for the installation work.

3. Where a building is required by the Building Rules to be equipped with a booster assembly for use by fire-fighters or to have installed a fire alarm that transmits a signal to a fire station and facilities for fire detection, fire-fighting or the control of smoke must be installed in the building pursuant to an approval under the Act, the 'wet' and/or 'dry' report(s) from the fire authority as to whether those facilities have been installed and operate satisfactorily.

For building work prescribed in Regulation 75, the building owner, must, at least 28 days before the building work is commenced cause to be served on the owner of the affected land or premises a notice of intention to perform the building work and the nature of that work, as required by section 60.

Pursuant to the Local Government Act 1999, the builder may be required to erect and maintain hoardings and platforms for the protection of the public on adjoining streets and footpaths as directed by the City of Holdfast Bay.

Wet area details including floor grades, set downs, and water resistant surfaces shall comply with Minister's Specification SA F1.7-2004 and AS3740 Waterproofing of wet areas within residential buildings including provision of drainage flanges.

A person must not fill the pool with water unless the pool is enclosed by a fence that complies with Part 3.9.3 of the BCA.

IMPORTANT: The Building Rules Certification for Packages 5, 6 and 7 is for compliance with the Development Act 1993 and does not imply compliance with the Swimming Pools (Safety) Act 1972, as amended, or any of the regulations under this Act. It is the responsibility of the owner and the person erecting the building/structure to ensure compliance with same.

NOTES TO APPLICANT

- A decision on the reserved matters relating to Building Rules assessment and certification requirements for further stages will only be made by the Governor (or her delegate) after a Building Rules assessment and certification has been undertaken and issued by the City of Holdfast Bay, or a private certifier, as required by the Development Act 1993 and after

the Minister for Urban Development and Planning receives a copy of all relevant certification documentation, as outlined in Regulation 64 of the Development Regulations 1993.

- If the Building Rules assessment process demonstrates that the Holdfast Shores Stage 2B development complies with the Building Rules pursuant to the Development Act 1993 and Development Regulations 1993, the City of Holdfast Bay, or a private certifier conducting the Building Rules assessment, must:
 - (a) provide to the Minister the certification in the form set out in Schedule 12A of the Development Regulations 1993; and
 - (b) to the extent that may be relevant and appropriate:
 - (i) issue a schedule of essential safety provisions under Division 4 of Part 12;
 - (ii) assign a classification of the building under these regulations; and
 - (iii) ensure that the appropriate levy has been paid under the Construction Industry Training Fund 1993.

Regulation 64 of the Development Regulations 1993, provides further information about the type and quantity of all building certification documentation required for referral to the Minister:

- The City of Holdfast Bay, or a private certifier undertaking the Building Rules assessment and certification for the Holdfast Shores Stage 2B development, must ensure that any assessment and certification is consistent with this provisional development authorisation (including any conditions or notes that apply in relation to this provisional development authorisation).
- Should the applicant wish to vary the application or the staging of any reserved matters, as outlined in this provisional development authorisation, a variation to the application may be submitted, pursuant to section 48B of the Development Act 1993, provided that the development application variation remains within the ambit of the Amended Development Report and Amendment Assessment Report referred to in this provisional development authorisation.
- The applicant is advised of the requirement to comply with the Environment Protection Authority's (EPA) 'Stormwater Pollution Prevention Code of Practice for the Building and Construction Industry' during demolition and construction of the development.
- Noise emissions from the Holdfast Shores Stage 2B development will be subject to the Environment Protection (Industrial Noise) Policy 1994 and the Environment Protection Authority (EPA) Guidelines and the Environment Protection Act 1993.
- Prior to any construction, the applicant should consult with Adelaide Airport Ltd, about crane operations.
- The Heritage Branch of the Department for Environment and Heritage, should be consulted if there is to be any physical intervention to the structures on the adjacent State Heritage place (Glenelg Town Hall). Any such work must be executed in accordance with advice arising from such consultation.
- The proponent is reminded of the General Environmental Duty under section 25 of the Environment Protection Act 1993, which requires that a person must not undertake any activity, which pollutes, or may pollute, without taking all reasonable and practical measures to prevent or minimise harm to the environment.
- If the Holdfast Shores 2B development is not substantially commenced within two years of the date of any reserved matter decisions, the Governor may cancel this provisional development authorisation and any subsequent decisions on reserved matters (where relevant).
- The Minister has a specific power to require testing, monitoring and auditing under section 48C of the Development Act 1993.
- Final details on the size and construction of the beach tower and confirmation that ownership and maintenance is to be by the Surf Life Saving Club to be provided to the satisfaction of the City of Holdfast Bay.

- The precise location of the beach tower needs to allow for future volleyball courts and be to the satisfaction of Council's Holdfast Shores Stage 2B Project Board Steering Committee.
- Visually attractive options, such as the incorporation of public art, should be considered for the screening of the proposed transformer located on the southern elevation of the Entertainment Building.
- Further details shall be provided to the City of Holdfast Bay regarding the waterslides and their support structures to ensure that:
 - (a) the proposed support structures do not dominate the built form and western and south-western face of the Entertainment Building; and
 - (b) adequate visual permeability is retained between the waterslide tubes.
- All land division documentation, including easement plans should be forwarded to Council for execution under the Real Property Act 1886.
- Variation No. 5 to the Retail Tenancy will be subject to meeting the requirements of the Building Code of Australia, particularly in terms of fire safety.
- External advertising and proposed colour schemes of the buildings adjacent to the former Town Hall shall be the subject of a separate approval.
- Applicants for Retail Tenancies which sell food and beverages (including the applicant for Retail Tenancy T05) are required to lodge a formal application for the internal fitout with Council's Environmental Health Unit for assessment against the Food Act 2001 and Environmental Health Act 1987.
- Applicants for Retail Tenancies which incorporate outdoor dining areas (including the applicant for Retail Tenancy T05) are required to lodge a separate application for an Outdoor Dining Permit with Council for any proposed Outdoor Dining areas. (NB: this will be assessed in accordance with Councils adopted Moseley Square Outdoor Dining Guidelines).
- Following completion of the retail buildings and associated balconies, an Encroachment Permit and invoice for the annual encroachment fee will be forwarded to the building owner/s by Council. (NB: the annual fee is based on a valuation of the size of the encroachment and its use).

Dated 1 June 2006.

FISHERIES ACT 1982: SECTION 59

TAKE notice that, pursuant to section 59 of the Fisheries Act 1982, the persons listed in Schedule 1 (the 'exemption holders') of Southern Australian Seafoods Pty Ltd, P.O. Box 2516, Port Lincoln, S.A. 5607, are exempt from sections 34 and 41 of the Fisheries Act 1982 and the Fisheries (Scheme of Management—Abalone Fisheries) Regulations 1991, but only insofar as they may take greenlip abalone, blacklip abalone and Roe's abalone for the purpose of aquaculture broodstock (the 'exempted activity') in the waters specified in Schedule 2, subject to the conditions in Schedule 3 from 1 July 2006 until 30 June 2007.

SCHEDULE 1

Andrew Christian, Misha Anderson and Douglas Graske.

SCHEDULE 2

Area 1: South Australian coastal waters south and east of a line drawn due south through Point Brown (latitude 32°32.6'S, longitude 133°50.8'E) and west of the meridian of longitude 136°30'E.

Area 2: South Australian coastal waters between the meridians of longitude 136°30'E and 139°E but does not include the waters of the Coorong or any other waters inside the Murray Mouth (this includes the area known as Tiperra Reef).

SCHEDULE 3

1. The exemption holder may take a maximum of 100 greenlip, 25 blacklip abalone and 25 Roe's abalone from Area 1 as described in Schedule 2.

2. The exemption holder may take a maximum of 100 greenlip abalone from Area 2 as described in Schedule 2.

3. The exemption holder is exempt from the size limit prescribed in Schedule 6 of the Fisheries (General) Regulations 2000, when undertaking the exempt activity in relation to the taking of Roe's abalone.

4. All abalone taken pursuant to this notice must not be sold or transferred to another party.

5. All abalone taken pursuant to this notice must be delivered to and retained on the registered aquaculture site of Landbased Aquaculture Licence No. FT00620.

6. The exemption holder must notify PIRSA Fisheries Compliance on 1800 065 522 at least two hours prior to conducting the exempted activity and answer a series of questions about the exempted activity. The exemption holder will need to have a copy of the exemption notice at the time of making the call, and be able to provide information about the area and time of the exempted activity, the vehicles and boats involved, the number of agents undertaking the exempted activity and other related questions. Exemption No. 9901875.

7. The exemption holder must, within 50 m of the point of landing of any abalone taken pursuant to this notice, complete the PIRSA form 'Abalone Broodstock Collection Statement'. Immediately upon arrival at the exemption holders registered aquaculture site, this form must be faxed to PIRSA Fisheries on (08) 8226 0434. Prior to release into the registered aquaculture site, all abalone taken pursuant to this notice must be tagged so as to be clearly identified as wild broodstock.

8. PIRSA Fishwatch retains the right for a Fisheries Officer to accompany the exemption holder at any time during the exempted activity.

9. While engaged in the exempted activity the exemption holder must carry or have about or near his person a copy of this notice. Such notice must be produced to a PIRSA Fisheries Officer if requested.

10. The exemption holder must not contravene or fail to comply with the Fisheries Act 1982, or any regulations made under that Act, except where specifically exempted by this notice.

Dated 25 May 2006.

- (1) Regulation 3A.5.3(3)(c)(ii)—delete subparagraph (ii) and substitute:
 - (ii) a signed statement from a professional engineer—
 - (A) that states the classification of the amusement structure, as determined by the professional engineer or adopted by the professional engineer after taking into account any determination that has been made by the designer or manufacturer of the amusement structure, and that states that the professional engineer has inspected the amusement structure on the basis of that classification; and
 - (B) that reports on the extent to which the inspections required by the maintenance and inspection program for the amusement structure have been undertaken; and
 - (C) that confirms that the critical components of the amusement structure have been identified and inspected, and that a record of this inspection has been recorded in the log book; and
 - (D) that states that the professional engineer considers that the amusement structure is safe to use or operate; and
- (2) Regulation 3A.5.3—after subregulation (3) insert:
 - (3a) The professional engineer engaged to provide the statement required under subregulation (3)(c)(ii) must—
 - (a) —
 - (i) check whether the amusement structure has an up-to-date log book that complies with the requirements of this Part; and
 - (ii) check whether any other information required under this Part is available or recorded (as the case requires); and
 - (iii) check whether any work required to be carried out by a competent person has been so carried out; and

- (b) if any check under paragraph (a) reveals a failure to comply with a requirement under this Part—ensure that the statement is not issued unless or until the matter is addressed.
- (3b) The statement under subregulation (3) must also be accompanied by a report from the professional engineer that provides details about the actual inspection of the amusement structure that has been undertaken by the professional engineer and about any matter that needed to be addressed under subregulation (3a)(b).
- (3) Regulation 3A.5.3(5)(a)—delete "an amount recommended to the proprietor by a professional insurance risk assessor" and substitute:
 - a reasonable amount of cover
- (4) Regulation 3A.5.3—after subregulation (10) insert:
 - (10a) Despite subregulation (10), the Director may, in relation to the initial registration of an amusement structure under this Part, register the amusement structure for a period, not exceeding 18 months, determined by the Director and specified in the instrument of registration.

19—Variation of regulation 3A.5.6—Display of registration details

Regulation 3A.5.6—delete "marked with its registration number" and substitute:

and permanently marked with its registration number in accordance with the following requirements:

- (a) each digit making up the number must be at least 50mm in height; and
- (b) the number must be easily visible to a person who is standing at the front of the amusement structure; and

DEVELOPMENT ACT 1993

*Light Regional Council Development Plan
Kapunda Residential Zone Plan Amendment Report—
Draft for Public Consultation*

THE LIGHT REGIONAL COUNCIL has prepared a draft Kapunda Residential Plan Amendment Report (PAR) to amend the Light Regional Council Development Plan.

The Kapunda Residential Zone PAR will amend the Light Regional Council Development Plan by: amending the policy framework relating to residential development within the greater township of Kapunda and its surrounds. The area to the north-west of the township will undergo the majority of the changes resulting from this PAR. The rezoning will reflect the desired future character of the region which has been defined through Council's Strategic Township Review.

The draft Plan Amendment Report will be available for public inspection and purchase during normal office hours at the Council Offices being the Principal Office, 93 Main Street, Kapunda, or the Branch Office, 12 Hanson Street, Freeling. The draft Plan Amendment Report is also available at Council's library and on Council's website www.light.sa.gov.au from Thursday, 1 June 2006 to Wednesday, 2 August 2006.

A copy of the Plan Amendment Report can be purchased from the Council Office at \$30 each.

Written submissions regarding the draft amendment will be accepted by Council until Wednesday, 2 August 2006. Written submission should also clearly indicate whether you wish to speak at the public hearing on your submission. All submissions should be addressed to the Chief Executive Officer of the Light Regional Council with mailing address P.O. Box 72, Kapunda, S.A. 5373.

Copies of all submissions received will be available for inspection by interested persons at the Light Regional Council Offices from Wednesday, 2 August 2006 until the date of the public hearing.

A public hearing will be held at 7.30 p.m. at the Council Chamber, 93 Main Street, Kapunda, S.A. 5373 on Wednesday, 16 August 2006.

A public hearing may not be held if submissions indicate no interest in speaking at the public hearing.

Dated 1 June 2006.
