2—Commencement

3—Goods left on premises

- (1) The following provisions apply if goods are left on residential premises after the end of a tenancy that has involved SAHT as landlord:
 - (a) SAHT may, when at least 2 days have passed after taking possession of the premises, remove, and destroy or dispose of, the goods if—
 - (i) they are perishable foodstuffs; or
 - (ii) they are left on residential premises that have been left in an insanitary or hazardous condition; or
 - (iii) their value is less than a fair estimate of the cost of their removal, storage and sale;
 - (b) SAHT must store the goods in a safe place and manner for at least 60 days if the goods are not liable to destruction or disposal under paragraph (a).
- (2) SAHT must, within 7 days after storing goods or having goods stored under this regulation—
 - (a) give notice of the storage of the goods to—
 - (i) if the tenant has left a forwarding address—the tenant; and
 - (ii) if another person has, to the knowledge of SAHT, an interest in the goods and the person's name and address are known to, or reasonably ascertainable by, SAHT—that person; and

- (b) publish notice of the storage of the goods in a newspaper circulating generally throughout the State.

- (6) On the sale of the goods by public auction, SAHT—

- (7) If goods are sold by public auction under this regulation, the purchaser acquires a good title to the goods which defeats—
 - (a) the tenant's interest in the goods; and
 - (b) the interests of others (apart from the tenant) unless the purchaser has actual notice of the interest before purchasing the goods.
- (8) In this regulation, residential premises are in an *insanitary or hazardous condition* if—
 - (a) the condition of the premises gives rise to a risk to health or safety; or
 - (b) the premises are so filthy or neglected that there is a risk of infestation by rodents or other pests; or
