DEVELOPMENT ACT 1993: SECTION 48

Preamble

1. The decision of the Governor under section 51 of the Planning Act 1982 to approve the development of the Marina Goolwa including a marina extension and stages of waterfront development situated on the south-western end of Hindmarsh Island was made on 12 April 1990.

2. Following various amendments to the proposal for the development of a marina extension and stages of waterfront development, approval for Stages 2-6 of the Marina Goolwa, now known as The Marina Hindmarsh Island, was granted by the Governor on 1 July 1993.

3. Application to amend the design of the original proposal was approved by the Governor as a Major Development, pursuant to section 48 of the Development Act 1993, on 21 December 2000. The proposal was the subject of an amended Environmental Impact Statement and an amended Assessment Report, pursuant to section 47 of the Act.

4. Further applications for amendments to The Marina Hindmarsh Island were approved by the Development Assessment Commission, as delegate of the Governor, pursuant to section 48 of the Development Act 1993, on 10 July 2003, 28 April 2005 and 9 February 2006 and 16 August 2007.

5. Application has now been made to the Development Assessment Commission, as delegate of the Governor, pursuant to section 48 of the Development Act 1993, for approval of further amendments to The Marina Hindmarsh Island.

6. The proposed amendments are for changes to the approved layout plans and conceptual building designs for the proposed Convention Centre and Hotel and plans for an upgrade and expansion of the existing Waste Water Treatment Plant.

7. The proposed amendments to the development are contained in letters from The Marina Hindmarsh Island to Planning SA dated 11 December 2006 and 3 October 2007.

8. The Development Assessment Commission is satisfied that the amended development does not require the preparation of a further or amended Environmental Impact Statement, and that the amended proposal does not change the essential nature of the development.

9. The Development Assessment Commission has, in considering the application, had regard to all relevant matters under section 48 (5) of the Development Act 1993.

Decision

PURSUANT to section 48 of the Development Act 1993, the Development Assessment Commission, as delegate of the Governor:
