**WORKCOVER CORPORATION ACT 1994**  
**WORKERS REHABILITATION AND COMPENSATION ACT 1986**

*Determination of Board of WorkCover Corporation of South Australia*

THE Board of the WorkCover Corporation of South Australia determines as follows, pursuant to section 17 of the *WorkCover Corporation Act 1994*, section 72 of the *Workers Rehabilitation and Compensation Act 1986*, and all other enabling powers:

**1. Citation and Date of Commencement**

- (1) This determination may be cited as the *WorkCover Levy Review Determination 2002*.
- (2) This determination takes effect on 1 July 2002.

**2. Continuation of WorkCover Levy Review Panel.** The WorkCover Levy Review Panel ('the Panel') established by the Board's determination of 29 June 2000 (see *South Australian Government Gazette*, 29 June 2000, page 3472) is hereby continued.

**3. Function and powers under section 72 of *Workers Rehabilitation and Compensation Act 1986*.** The function of the Panel shall be to perform the functions of the Board under section 72 of the *Workers Rehabilitation and Compensation Act 1986* ('the Act') as delegate of the Board under that section in reviewing decisions of the Corporation pursuant to subsections 66 (4), 66 (5), 66 (6), 67 (1), 67 (2), 67 (3), 67 (4), 70 (1), 70 (2), 70 (3), 70 (4), 71 (1), 71 (2) of the Act and (subject to the succeeding clauses of this determination) the powers of the Board under section 72 of the Act (other than the power to review a decision of the Corporation on a matter of law going to the validity of that decision) are delegated to the Panel for that purpose.

**4. Constitution of Panel**

- (1) Subject to Clause 4 (2B), the Panel shall sit comprising four members appointed by the Board consisting of:
  - (a) a President, who shall be a legal practitioner (wherever in Australia admitted), and who shall decide any questions of law falling within the delegated functions of the Panel;
  - (b) a member with expertise in the interests of registered employers;
  - (c) a member with expertise in the interests of workers; and
  - (d) a member with expertise in the interests of the Corporation.
- (2) Where the anticipated unavailability of appointed members or the anticipated volume of work necessitates, Deputy Members may be appointed by the Board.
- (2A) A Deputy President or other Deputy Member has the powers and duties of the position held by the person for whom he or she deposes.
- (2B) Where the Panel is reviewing a decision of the Corporation pursuant to section 67 (1) of the Act to impose a Balancing Payment (as defined in the Levy Adjustment Scheme determined by the Corporation or its delegate from time to time) on an employer, the President sitting alone may, after hearing from the parties to the review on the matter, appoint a person with appropriate technical expertise (e.g. an actuary) as a temporary member of the Panel for the purposes of reviewing that decision. Such temporary member would sit on the Panel in substitution for the member ordinarily sitting pursuant to Clause 4 (1) (d) of this Determination.
- (3) The President may sit alone:
  - (a) to give directions (including as to the composition of the Panel under clause 4 (2B));
  - (b) to determine procedural matters;
  - (c) for the promotion of conciliation;
  - (d) to seek evidence; or
  - (e) to dispose of an application on a matter of law falling within the delegated functions of the Panel involving no disputes of fact and no exercise of discretion, but (subject to this clause) the Panel shall otherwise sit as a Panel of four.
- (4) A decision of a majority of members of the Panel, other than a decision as to a matter of law falling within the delegation functions of the Panel, shall be the decision of the Panel, but a member not agreeing with a decision of the majority may give reasons for not agreeing.
- (4A) In the event of the Panel being equally divided in opinion as to the decision to be made, the Panel's decision shall be in accordance with the opinion of the President or Deputy President.
- (4B) A quorum of the Panel shall be three members, provided that members representing each interest referred to in sub-clause (1) or (where applicable) deputies thereof have been offered, in the opinion of the President, a reasonable opportunity to sit.
- (5) If a member of the Panel becomes unavailable after the commencement of a hearing, the application must be heard again by the Panel properly constituted or (with the concurrence of the parties) adjourned until the absent member becomes available again, unless the decision of the remaining members is unanimous.
- (6) However, no hearing may commence or continue without the President or a Deputy President.

**5. Indemnity of Members.** Any liability attaching to a member of the Panel (including a temporary member appointed pursuant to Clause 4 (2B) for an act or omission by the member, or by the Panel, in good faith and in the exercise or purported exercise of a power or function, or in the discharge or purported exercise of a duty, of the member or the Panel is assumed by the Corporation.

**6. Tenure of Members**

- (1) Members shall be appointed for a term of two years, except in the event of a casual vacancy, where a member may be appointed for two years or for the balance of the term of the former member at the option of the Board.
- (2) A deputy of a member shall be appointed for a term specified by the Board in the instrument of appointment, not exceeding the balance of the term of the member for whom the deputy is to depute.

**7. Conciliation as Condition Precedent to Jurisdiction**

- (1) Upon receipt of any application lodged under section 72 (1) of the Act, the registry of the Panel will forward a copy to the operating unit of the Corporation responsible for the disputed decision, which will reconsider the decision (disregarding any question of whether the application is out of time) and must inform the Panel and the applicant within seven days of the result of the reconsideration (and its attitude to any question of an extension of time).

- (2) If—
- (a) the Corporation, on reconsideration of a disputed decision, confirms the decision; or
  - (b) the Corporation, on reconsideration of a disputed decision, varies the decision and the applicant expresses dissatisfaction with the variation,
- the registry of the Panel must refer the dispute for conciliation by a conciliator who will use his or her best endeavours to bring the applicant and the operating unit of the Corporation that is responsible for the disputed decision to an agreed resolution of the matters referred to in the application and the Panel may not hear and determine any application unless it is satisfied that conciliation has been attempted and failed or it is satisfied that such attempts have no realistic prospects of success.
- (3) If, during the hearing of any matter, it appears to the Panel that there is a realistic prospect of a negotiated outcome being achieved, it may refer the matter back for further conciliation or the Panel may make such other attempts to promote conciliation as it thinks appropriate.
- (4) In this clause, 'conciliation' includes:
- (a) counselling;
  - (b) mediation;
  - (c) neutral evaluation;
  - (d) case appraisal;
  - (e) conciliation; and
  - (f) any combination of the above,
- and the format of conciliation in any particular case shall be at the discretion of the conciliator in consultation with the parties, with the proviso that any confidential information provided during conciliation may be withheld from the Panel if the provider of that information requests.

#### 8. Principles of Operation of Panel

- (1) The Panel shall be bound by and is hereby directed to follow the principles of natural justice.
- (2) Subject to subclause (1), the Panel:
- (a) shall act according to equity, good conscience and the substantial merits of the case, without regard to technicalities and legal forms;
  - (b) is not bound by the rules of evidence, but may inform itself by such means and such material as it thinks fit; and
  - (c) shall act as expeditiously as the circumstances of a particular case permit.
- (3) The Panel must ascertain whether the parties to any proceedings desire to be heard by way of oral evidence or submissions and must in that event give at least 14 days notice of the date, time and place of hearing, but if both parties to particular proceedings wish to have the application determined on the documents the Panel need not hold a hearing but must give the parties at least 14 days notice to make final written submissions before proceeding to make a determination.
- (4) If only one party to proceedings desires to present oral evidence or submissions, the Panel must give the other party at least 14 days notice of the hearing and inform that party that there is a danger that at the hearing the Panel may hear things from the first party that the other party will be unable to respond to if it does not attend.
- (5) A party may appear in person or (if a body corporate) by any proper officer or may be represented by counsel or by any duly appointed and authorised agent.
- (6) A party engaging representation must do so at its own cost.

**9. Powers of President of Panel.** The President of the Panel, or a Deputy President acting in that office may, while so acting, exercise the powers of, and is hereby appointed as, an authorised officer under the Act. For the purposes of this clause, operating units of the Corporation and its agents are directed to comply with any requirements of the President or Deputy President as though they were subject to section 110 of the Act.

**10. Reservation of Board's Discretion to Decide.** The Panel is required to determine all applications that fail to resolve through reconsideration or at conciliation, unless the Corporation, within 14 days of receipt of any application, advises the Board that the particular dispute is of unusual significance and the Board or its relevant Board Committee, prior to the hearing of the application by the Panel, serves notice on the Panel and the applicant that the Panel is to make a recommendation only and refer the matter to the relevant Board Committee of the Board for:

- (a) advice;
- (b) exercise by the Board Committee of its delegation by unanimous decision; or
- (c) referral by the Board Committee to the Board for its determination.

**11. Revocation.** The determination of the Board published in the *South Australian Government Gazette* on 29 June 2000 at pages 3472-3473, is revoked from the commencement of this determination.

**12. Transitional.** Where an application for review lodged before 1 July 2002 is part-heard at that date, the hearing will be completed by the Panel as constituted before that date. The amendment to this Determination made by the Board on 29 November 2007, will operate immediately.

Dated 29 November 2007.

## DEVELOPMENT ACT 1993

*Wakefield Regional Council Development Plan Better Development Plan (BDP) and General Development Plan Amendment—Draft for Public Consultation*

NOTICE is hereby given that the Wakefield Regional Council has prepared a draft Development Plan Amendment (DPA) to amend the existing Wakefield Regional Council Development Plan.

The DPA converts existing Development Plan policy by adopting the relevant planning policy modules, structure and format of the Better Development Plan (BDP) project promoted by

Planning SA. The PAR will, as a result, be easier to navigate and comprehend and thereby help improve the clarity and understanding of Development Plan policy. The DPA also deals with several zoning boundary changes, principally around Balaklava township and affecting largely the existing Residential and Light Industry Zones, to better reflect existing or anticipated development opportunities. It will introduce as well tighter restrictions over dwellings being allowed in the proposed Primary Production Zone where located in proximity to intensive animal keeping enterprises such as piggeries.

The draft Development Plan Amendment and Investigations will be available for public inspection and purchase during normal office hours at the Wakefield Regional Council Offices, Scotland Place, Balaklava and is available on Council's website at [www.wakefieldrc.sa.gov.au](http://www.wakefieldrc.sa.gov.au) from Thursday, 17 January 2008 until 5 p.m. on Friday, 21 March 2008. A copy of the Development Plan Amendment can be downloaded free from the website, a hard copy purchased on request from Council for \$150 (full colour) or for \$50 (black-and-white only), or a CD-ROM copy purchased for \$5.

Written submissions regarding the draft amendment will be accepted by the Wakefield Regional Council until 5 p.m. on Friday, 21 March 2008. All submissions should be addressed to the Chief Executive Officer, Wakefield Regional Council, P.O. Box 167, Balaklava, S.A. 5461. The written submission should clearly indicate whether you will wish to speak at the public hearing on your submission.

Copies of all written submissions received will be available for inspection by interested persons at Council's offices from Monday, 24 March 2008 until the date of the public hearing. A public hearing may be held if required at the Council Chambers, Scotland Place, Balaklava on Wednesday, 26 March 2008, commencing at 5 p.m.
