Full Time Tertiary Student concession cards are issued by the Department for Transport, Energy and Infrastructure (DTEI) and are also administered by individual training organisations approved by DTEI, who are Registered Training Organisations as listed in the nationally recognised database provided by the National Training Information Service (www.ntis.gov.au).

Full Time Tertiary Student concession cards can be either a laminated cardboard insert or a plastic credit card style card. Both cards feature the same design (as per the above image) except that the plastic credit card style card may not feature a serial number.

FULL TIME SECONDARY STUDENT CONCESSION CARD issued by the Department for Transport, Energy and Infrastructure, South Australian Government, and approved South Australian Secondary schools

Full time students under 15 years of age travel at the STUDENT RATE on all Adelaide Metro services. They are not required to hold identification cards but most Secondary schools do issue the above cards to students.

Full time South Australian Secondary students aged 15 years and over are eligible to travel at student rate if they are the holder of an approved secondary student identification card.

Students over the age of 15 years must be able to produce their photographic identification card immediately when requested by an authorised person. Failure to do so may result in the issue of an Expiation Notice (an "on the spot" fine).

Secondary Student concession cards can be either a laminated cardboard insert or a plastic credit card style card. Both cards feature the same design (as per the above image) except that the plastic credit card style card does not feature a serial number.
