*Criteria for Assessment of Applications*

The winning bidder will be selected on the basis of the five year work program bid. The work program must include a statement of exploratory operations the applicant proposes to carry out in each year of the first five-year licence term. The aim of the work program is to evaluate the prospectivity of the licence area and discover regulated resources. It is expected that at least one petroleum exploration well would be included in the five-year work program.

Bids will be assessed taking account of the criteria listed below. It is important to note that the timing of well drilling and seismic acquisition will be taken into account. The most important criteria for assessment of CO 2009-A, B, C, D or E work programs are:

- the number of exploration wells to be drilled in the licence area (development wells are not considered);
- the number of years the applicant is prepared to guarantee the program;
- the extent to which proposed wells are supported by seismic data;
- the amount and nature of seismic surveying to be carried out and its timing;
- other data acquisition (e.g. gravity, aeromagnetic or geochemical surveys);
- seismic reprocessing to be carried out;
- adequacy of financial resources and technical expertise available to the applicant; and
- the applicant's past performance in fulfilling work program commitments elsewhere in Australia.

The Minister will announce the winning bidder, together with details of the work program.

DISTRICT COUNCIL OF TUMBY BAY  
DEVELOPMENT ACT 1993

*General and Coastal Development Plan Amendment—Draft for Public Consultation and Interim Operation*

NOTICE is hereby given that the District Council of Tumby Bay has prepared a draft Development Plan Amendment (DPA) to amend its current Development Plan. The Development Plan Amendment will amend the Development Plan by:

- Converting the existing Development Plan to the Better Development Plan format which includes the replacement of general and Council-wide policy with a range of general policy modules and the replacement of existing zone names and zone policy with new zone names and policy suitably amended to meet local circumstances.
- Redefining the boundary of the Coastal Conservation Zone to ensure that the outcomes sought in the Eyre Peninsula Coastal Development Strategy are more readily achieved.
- Introduction of more proscriptive provisions related to any form of development within the Coastal Conservation Zone including the listing of dwellings as non-complying development within the newly defined zone, new restrictions upon small scale tourist development while allowing for the development of 'iconic' tourist developments to occur as long as they are located at least 25 km from similar development.
- Creation of a Deferred Urban Zone to the south of the Tumby Bay township to include the area locally known as the 'Island'.
- Minor modification to the boundary of the Caravan Park Zone (formerly Tourist Accommodation Zone) in Tumby Bay and introduction of restrictions upon any form of land division within the zone whereas previously land division was allowed as long as no additional lots were created.
- The inclusion of 'dwelling' except for a caretaker's dwelling in the non-complying list for the Tumby Bay Commercial Zone.
- Introduction of more suitable set-back requirements for dwellings in the Cape Burr, Mottled Cover and Elfrida Policy Areas of the Residential Zone.
- Introduction of prohibition concerning the cultivation of olives in the Primary Production Zone (formerly Rural Zone) within 500 m of parks and native vegetation.
- Minor changes to lists of non-complying development in various zones.
- Revision of policy within the Water Protection Zone to now restrict subdivision where this might relate to the provision of an allotment for a relative or employee or a retiree upon the land.

In order to prevent inappropriate development and promote orderly planning, the draft DPA has been granted 'interim authorisation' by the Minister, giving the amendment immediate effect.

The draft DPA will be available for public inspection and purchase during normal office hours at the Council Offices, Mortlock Street, Tumby Bay and will be available on Council's website at [www.tumbybay.sa.gov.au](http://www.tumbybay.sa.gov.au) from Thursday, 12 February 2009 to Thursday, 16 April 2009.
