TRADE STANDARDS ACT 1979

Declaration of Dangerous Goods

I, GAIL GAGO, Minister for Consumer Affairs, pursuant to section 25 (1) (a) of the Trade Standards Act 1979, declare that the goods specified in the Schedule are dangerous goods. Further, pursuant to sections 25 (2) (a) and 25 (2) (b) of the Trade Standards Act 1979, I am satisfied that this declaration is necessary in order to avert risk of injury or impairment of health and that it is not appropriate in the circumstances to deal with the matter by the prescription of safety standards.

The goods specified in the Schedule pose a risk of injury or impairment of health as the liquid confection is intended to be licked by the user from the rolling plastic ball which can become dislodged if the sides of container are squeezed causing an ingestion and inhalation hazard.

A person must not, in the course of a trade or business, manufacture or supply goods listed and described in the Schedule. This notice will remain in effect until varied or revoked.

SCHEDULE

Sweetmans 'Wicked Fizz' Sour Head Lickers 60 millilitre liquid confection consisting of a clear plastic cylinder with a rolling ball fitted on top (similar to a roll-on deodorant container).

Dated 19 October 2010.
