#### BUILDING WORK CONTRACTORS ACT 1995

##### *Exemption*

TAKE notice that pursuant to section 45 of the Building Work Contractors Act 1995, I, David Green, Commissioner for Consumer Affairs, do hereby exempt the licensee named in Schedule 1 from the application of Division 3 of Part 5 of the above Act in relation to domestic building work described in Schedule 2 and subject to the conditions specified in Schedule 3.

#### SCHEDULE 1

Candco Pty Ltd (BLD 180584).

#### SCHEDULE 2

Construction of an extension to the family home of Craig Desmond Andrae, the director of Candco Pty Ltd and Caroline Anita Andrae on land situated at Lot 16, McCormick Road, O.B. Flat, S.A. 5291 (certificate of title volume 5351, folio 612).

#### SCHEDULE 3

1. This exemption is limited to the domestic building work personally performed by the licensee in relation to an extension to the family home of Craig Desmond Andrae, Director of Candco Pty Ltd and Carline Anita Andrae, on land situated at Lot 16, McCormick Road, O.B. Flat, S.A. 5291 (certificate of title volume 5351, folio 612).

2. This exemption does not apply to any domestic building work the licensee sub-contracts to another building work contractor, for which that contractor is required by law to hold building indemnity insurance.

3. That Craig Desmond Andrae, Director of Candco Pty Ltd, does not transfer his interest in the land prior to five years from the date of completion of the building work the subject of this exemption, without the prior authorisation of the Commissioner for Consumer Affairs. Before giving such authorisation, the Commissioner for Consumer Affairs may require the licensee to take any reasonable steps to protect the future purchaser(s) of the property, including but not limited to:

- providing evidence that an adequate policy of building indemnity insurance is in force to cover the balance of the five-year period from the date of completion of the building work the subject of this exemption;
- providing evidence of an independent expert inspection of the building work the subject of this exemption;
- making an independent expert report available to prospective purchasers of the property; and
- giving prospective purchasers of the property notice of the absence of a policy of building indemnity insurance.

Dated 6 September 2010.

D. GREEN, Commissioner for Consumer Affairs, Office of Consumer and Business Affairs, Delegate of the Minister for Consumer Affairs

## ENVIRONMENT PROTECTION ACT 1993

*Approval of Category B Containers*

I, ANDREA KAYE WOODS, Team Leader, Container Deposit Legislation and Delegate of the Environment Protection Authority ('the Authority'), pursuant to section 68 of the Environment Protection Act 1993 (SA) ('the Act') hereby:

*Approval of Category B Containers:*

Approve as Category B Containers, subject to the conditions in subclauses (1), (2), (3) and (4) below, each of the classes of containers identified by reference to the following matters described in the first 4 columns of Schedule 1 of this Notice which are sold in South Australia:

- (a) the product which each class of containers shall contain;
- (b) the size of the containers;
- (c) the type of containers; and
- (d) the name of the holders of these approvals.

- (1) That containers of the class to which the approval relates must bear the refund marking specified by the Authority for containers of that class.
- (2) The holder of the approval must have in place an effective and appropriate waste management arrangement in relation to containers of that class. For the purpose of this approval notice the company named in Column 5 of Schedule 1 of this Notice is the nominated super collector.
- (3) In the case of an approval in relation to Category B Containers that the waste management arrangement must require the holder of the approval to provide specified super collectors with a declaration in the form determined by the Authority in relation to each sale of such containers by the holder of the approval as soon as practicable after the sale.
- (4) The holder of these approvals must ensure that if a sticker bearing the refund marking has been approved and is applied to the container, then the sticker must not be placed on any portion of the opening mechanism or in any other place that would require complete or partial removal of the sticker before the contents may be consumed.

## FISHERIES MANAGEMENT ACT 2007

TAKE note that the notice made under section 79 of the Fisheries Management Act 2007, published in the *South Australian Government Gazette*, dated 1 February 2010, referring to the West Coast Prawn Fishery, is hereby varied such that it will not be unlawful for a person fishing pursuant to a West Coast Prawn Fishery Licence to use prawn trawl nets in the waters specified in Schedule 1, under the conditions specified in Schedule 2, during the period specified in Schedule 3.

## SCHEDULE 1

The waters of the West Coast Prawn Fishery adjacent to Coffin Bay and Venus Bay.

## SCHEDULE 2

1. Each licence holder must ensure that a representative sample of the catch (a 'bucket count') is taken at least three times per night during the fishing activity.

2. Each 'bucket count' sample must be accurately weighed to 7 kg where possible and the total number of prawns contained in the bucket must be recorded on the daily catch and effort return.

3. Fishing must cease if one or both of the following limits are reached:

- (a) The average catch per vessel, per night (for all three vessels) drops below 300 kg for two consecutive nights.
- (b) The average prawn 'bucket count' for all three vessels exceeds 240 prawns per bucket on any single fishing night in the Coffin Bay area, or the Venus Bay area.

4. The fleet must nominate a licence holder to provide a daily update by telephone or SMS message to the PIRSA Fisheries Manager, to report the average prawn catch per vessel and the average prawn 'bucket count' information.

5. No fishing activity may be undertaken between 0630 hours and 1830 hours on any day during the period of this notice.

## SCHEDULE 3

From 1830 hours on 2 September 2010 to 0630 hours on 15 September 2010.

Dated 2 September 2010.

M. SMALLRIDGE, Director of Fisheries

## FISHERIES MANAGEMENT ACT 2007

*Notice of Appointment of Scientific Observers*

PURSUANT to section 80 of the Fisheries Management Act 2007, I, Martin Smallridge, Director of Fisheries, do hereby appoint the persons listed in Schedule 1, to be scientific observers for the period specified in Schedule 2, for the purposes specified in Schedule 3, and subject to the conditions listed in Schedule 4.

## SCHEDULE 1—PERSONS APPOINTED

1. Alicia Street
2. Wade Austin
3. Adam Kemp
4. John Hart
5. Anthony Jones
6. Chad Bieniesz

## SCHEDULE 2—PERIOD

This appointment will remain in effect from the date of publication of this notice until 31 July 2012, unless varied or revoked.

## SCHEDULE 3—PURPOSE

1. To monitor fishery interactions with Threatened, Endangered and Protected Species (TEPS) in the South Australian Sardine Fishery.

2. To undertake activities pursuant to the agreement for services between the Minister for Agriculture, Food and Fisheries and Protec Marine Pty Ltd.

## SCHEDULE 4—CONDITIONS

1. The persons appointed will only be authorised whilst they are current employees of Protec Marine Pty Ltd.

2. The persons appointed must carry an identification card issued by PIRSA Fisheries when undertaking activities pursuant to this appointment.

Dated 19 August 2010.

M. SMALLRIDGE, Director of Fisheries

## FISHERIES MANAGEMENT ACT 2007

TAKE notice that pursuant to section 115 of the Fisheries Management Act 2007, Glendan Darryl Hill, P.O. Box 113, Meningie, S.A. 5264 (the 'exemption holder'), holder of Lakes and Coorong Fishery Licence No. L03, is exempt from the provisions of sections 53 and 78 (2) of the Fisheries Management Act 2007 and Clauses 84, 87 and 97 of Schedule 6 of the Fisheries Management (General) Regulations 2007, but only insofar as he may take fish in the waters of Lake Albert using the gear specified in Schedule 1 (the 'exempted activity'), subject to the conditions set out in Schedule 2, from 1 September 2010 until 28 February 2011, unless varied or revoked earlier.

## SCHEDULE 1

- 2 drum nets with 10 m wings and a mesh size between 3 and 6 inches;
- 2 fyke nets with a mesh size between 3 and 6 inches and not exceeding 10 m in length;
- 1 containment net with a mesh size between 3 to 6 inches and a maximum length of 700 m (used in conjunction with fyke nets);
- 1 exclusion net with a mesh size between 3 to 6 inches and a maximum length of 700 m;
- 2 hauling nets with a mesh size between 3 to 6 inches and a maximum length of 700 m each;
- 2 ropes each with a length not exceeding 250 m, which may be joined or used separately; and
- Electrofishing gear.

## SCHEDULE 2

1. The exemption holder may only take non-native species of fish listed in Schedule 1 of the Fisheries Management (Lakes and Coorong Fishery) Regulations 2009.

2. The exemption holder must operate the electrofishing gear in accordance with the Australian Code of Electrofishing practice.

3. The hauling nets listed in Schedule 1 may be joined or used separately and may be used with a power winch to haul them.

4. The exemption holder may only engage in the exempted activity when fishing pursuant to Lakes and Coorong Fishery Licence No. L03, and may only use a boat to engage in the exempted activity if that boat is registered by endorsement on Lakes and Coorong Fishery Licence No. L03.

5. The exemption holder may use up to two registered boats to undertake the exempted activity but must ensure that one boat is moored on the shore at all times whilst undertaking the exempted activity.

6. The exempted activity may only be undertaken within the waters of Lake Albert.

7. The exemption holder may use a corf to retain non-native fish within the waters of Lake Albert taken pursuant to this exemption.

8. The exemption holder must include all fish taken pursuant to this exemption on the monthly catch and effort summary provided to the South Australian Research and Development Institute (SARDI).

9. While engaged in the exempted activity, the exemption holder must be in possession of a copy of this notice. Such notice must be produced to a PIRSA Fisheries Officer if requested.

10. The exemption holder must not contravene or fail to comply with the Fisheries Management Act 2007, or any regulations made under that Act, except where specifically exempted by this notice.

Dated 1 September 2010.

M. SMALLRIDGE, Director of Fisheries

## PLANT HEALTH ACT 2009

*Declaration of a Quarantine Area*

PURSUANT to section 8 of the Plant Health Act 2009, I, Michael O'Brien, Minister for Agriculture, Food and Fisheries:

1. Declare the whole of the State of South Australia to be a quarantine area in respect of the Australian Plague Locust (*Chortoicetes terminifera*);

2. Require the owners and occupiers of premises within the quarantine area to take the measures specified in the Schedule below for the control of the Australian Plague Locust except if those owners or occupiers have been notified by Biosecurity SA (Department of Primary Industries and Resources) that these measures are not required because Biosecurity SA will be undertaking or has undertaken spraying on the premises or for other reasons.

Dated 7 September 2010.

MICHAEL O'BRIEN, Minister for Agriculture,  
Food and Fisheries

SCHEDULE

When numbers on the premises exceed 80 locust hoppers (nymphal growth stage) per square metre over an area of one hectare, the measures to be taken are as follows:

- (a) The premises must be treated by ground spraying with insecticide(s) approved for locust control by the Australian Pesticides and Veterinary Medicines Authority (APVMA).
- (b) Such treatment must be completed prior to locust hoppers growing wings and are able to fly.
- (c) Owners and occupiers of premises must, in undertaking such treatment, comply with the instructions for use of the insecticide(s) and all laws in force in South Australia including, but not limited to the Agricultural and Veterinary Products (Control of Use) Act 2002 and the Agricultural and Veterinary Products (Control of Use) Regulations 2004; and any directions or instructions issued by Biosecurity S.A or an inspector appointed under the Plant Health Act 2009.

## WORKERS REHABILITATION AND COMPENSATION ACT 1986

**Scales of Charges for allied health providers and other charges.***Preamble*

Section 32 (11) (a) of the *Workers Rehabilitation and Compensation Act 1986*, provides that the Minister for Industrial Relations may, by notice in the *Gazette*, on the recommendation of the Corporation, publish “*scales of charges for the purpose of this section (ensuring as far as practicable that the scales comprehensively cover the various kinds of services to which this section applies)*”.

## NOTICE

FOR the purpose of section 32 (11) (a) of the *Workers Rehabilitation and Compensation Act 1986* (the Act), I publish the following scales of charges to have effect on and from 1 October 2010:

1. scale of charges set out in Schedule 2 for the provision of services by chiropractors, which terminate and replace the scales of charges in Schedule 2 of the Gazettal Notice under section 32 (11) (a) of the Act in pages 1884 to 2263 of the *Government Gazette* of 4 June 2009;
2. scale of charges set out in Schedule 3 for the provision of services by occupational therapists, which terminate and replace the scales of charges in Schedule 3 of the Gazettal Notice under section 32 (11) (a) of the Act in pages 1884 to 2263 of the *Government Gazette* of 4 June 2009;
3. scale of charges set out in Schedule 4 for the provision of services by osteopaths, which terminate and replace the scales of charges in Schedule 4 of the Gazettal Notice under section 32 (11) (a) of the Act in pages 1884-2263 of the *Government Gazette* of 4 June 2009;
4. scale of charges set out in Schedule 5 for the provision of services by physiotherapists, which terminate and replace the scales of charges in Schedule 5 of the Gazettal Notice under section 32 (11) (a) of the Act in pages 1884 to 2263 of the *Government Gazette* of 4 June 2009;
5. scale of charges set out in Schedule 6 for the provision of services by psychologists, which terminate and replace the scales of charges in Schedule 6 of the Gazettal Notice under section 32 (11) (a) of the Act in pages 1884 to 2263 of the *Government Gazette* of 4 June 2009;
6. scale of charges set out in Schedule 7 for the provision of services by speech pathologists, which terminate and replace the scales of charges in Schedule 7 of the Gazettal Notice under section 32 (11) (a) of the Act in pages 1884 to 2263 of the *Government Gazette* of 4 June 2009.

**INTERPRETATION**

7. In this *Gazette* notice and the Schedules hereto—

*Act* means the *Workers Rehabilitation and Compensation Act 1986*;

*chiropractor* means a person registered under the *Health Practitioner Regulation National Law* to practise in the chiropractic profession (other than as a student);

*claims agent* means a private sector body that is a party to an authorized contract or arrangement under section 14 of the *WorkCover Corporation Act 1994* involving the conferral of powers to manage and determine claims;

*GST* means the tax payable under the GST law;

*GST law* means—

- (a) *A New Tax System (Goods and Services Tax) Act 1999* (Commonwealth); and

- (b) the related legislation of the Commonwealth dealing with the imposition of a tax on the supply of good, services and other things;

**occupational therapist** means a person registered as an occupational therapist under the *Occupational Therapy Practice Act 2005 (SA)*;

**osteopath** means a person registered under the *Health Practitioner Regulation National Law* to practise in the osteopathy profession (other than as a student);

**physiotherapist** means a person registered under the *Health Practitioner Regulation National Law* to practise in the physiotherapy profession (other than as a student);

**psychologist** means a person registered under the *Health Practitioner Regulation National Law* to practise in the psychology profession (other than as a student);

**self-insured employer** means an employer that is registered by WorkCover as a self insured employer according to Part 5 Division 1 of the Act;

**WorkCover or Corporation** means WorkCover Corporation of South Australia.

8. A reference in this Gazette Notice to any guidelines is, unless indicated otherwise, a reference to the guidelines of the specified name issued by WorkCover, as in force from time to time.
9. If a charge prescribed in a scale of charges is expressed as an amount per hour—
- (a) a charge is payable for services provided for less than or more than an hour; and
- (b) the amount payable is to be determined by multiplying the amount per hour by the proportion that the number of minutes for which the services are provided rounded to the nearest 5 minutes bears to 60 minutes.
10. The scales of charges set out in this Gazette Notice also apply for the purposes of section 127A of the *Motor Vehicles Act 1959* subject to modifications specified by that section and modifications specified by any notice in the Gazette issued under that section.

## GST

11. Where the supply of a service set out in a scale of charges is subject to GST, the maximum fee set out in (or determined as a derived fee in accordance with) the scale of charges in respect of the service is increased so that after deduction of the GST in relation to the service the amount of the fee remaining is equal to the maximum fee set out in, or determined in accordance with, the scale of charges.
12. Where the maximum fee in respect of a service is determined as a derived fee in accordance with a scale of charges, the fee from which it is derived must not be increased under paragraph 11 to include GST when calculating the derived fee.

Dated 9 September 2010.

PAUL HOLLOWAY, Minister for Industrial Relations

**SCHEDULE 2—SCALES OF CHARGES—CHIROPRACTORS**

*This schedule must be read in conjunction with the Chiropractic Fee Schedule Guidelines*

<b>Item</b>	<b>Description</b>	<b>Max Fee (excl GST)</b>
<b>CONSULTATIONS</b>		
Consultation by a chiropractor involving the chiropractor's attendance with the worker.		
<b>Initial consultations</b>		
	The initial consultation may involve two separate attendances on the same day. For example, a second attendance might be required for the interpretation of test data (such as x-rays).	
CH001	Short initial consultation of not more than 20 minutes duration.	\$38.40
CH002	Initial consultation of more than 20 minutes but not more than 30 minutes duration.	\$64.00
CH003	Initial consultation of more than 30 minutes but not more than 45 minutes duration.	\$96.10
<b>Subsequent consultations</b>		
CH041	Standard subsequent consultation of more than 10 minutes but not more than 20 minutes duration.	\$38.40
CH042	Long subsequent consultation of more than 20 minutes but not more than 30 minutes duration.	\$64.00
	The consultation will involve all aspects of a subsequent consultation, and because of the complexity of the injury, will require extra time for history taking, re-examination, treatment, documentation and liaison. For example, this type of consultation may be expected in cases of injuries following major trauma or major surgery requiring intensive post-operative treatment.	
CH043	Prolonged subsequent consultation of more than 30 minutes duration.	\$89.70
	The consultation will involve all aspects of a subsequent consultation, and because of the complexity of the injury, will require extra time for history taking, re-examination, treatment, documentation and liaison. This type of consultation is expected in only a limited number of cases, for example, in cases of injuries following multi-trauma, major surgery requiring intensive post-operative treatment such as complicated hand injuries or joint reconstruction and some neurological conditions.	
<b>INDEPENDENT CLINICAL ASSESSMENT AND REPORT</b>		
CH780	Independent clinical assessment and report.	\$153.70 per hour
	Services provided by a chiropractor other than the treating chiropractor comprising: (a) a review of the worker's medical history (b) a clinical assessment (c) a review of the worker's activity and functional capacity (d) preparation of a report, for the purpose of providing a differential diagnosis and/or making recommendations in relation to ongoing treatment/management services, functional goals, the worker's capacity to return to work and any other relevant matters.	
	Note 1: An independent clinical assessment may be requested in writing by a: - claims agent or self-insured employer - worker or worker's representative - treating chiropractor.	
	Note 2: This service is NOT to be performed by the treating chiropractor.	
	Note 3: An independent clinical assessment report must: (i) provide recommendations for further treatment/management (including	

- referrals to other agencies) and the expected benefit to the worker
- (ii) address all questions asked by the referrer and where any question cannot be answered, provide an explanation
  - (iii) be limited to the relevant circumstances of the worker's injury/condition
  - (iv) be based on appropriate clinical examination, assessment and review of reports
  - (v) be consistent with accepted clinical practice and based on objective clinical findings
  - (vi) be accurate, unbiased, precise and consistent
  - (vii) document any inability to obtain the worker's consent to any aspect of the assessment.

Note 4: Payment will only be made following submission of the report.

Note 5: Any part of an hour should be billed proportionately and rounded to the nearest five minutes.

## TRAVEL

CH905 Travel time. \$130.60  
per hour

Travel by a treating chiropractor for the purposes of a:

- (a) case conference
- (b) home, hospital or worksite visit
- (c) consultation where the client is otherwise unable to attend the chiropractor's clinic or rooms.

Note 1: There is no charge for travel from one clinic or rooms to another clinic or rooms.

Note 2: Chiropractors who conduct regular sessional visits with particular hospitals, specialist practitioners or rehabilitation facilities may not charge for travel in these instances.

Note 3: Travel time is not included in any of the charges in the schedule and should be itemised separately on accounts for associated services.

Note 4: All account must include the total time spent travelling plus the distance travelled.

Note 5: Where a chiropractor provides services to multiple workers in a hospital or workplace, it is expected the travel charge will be divided accordingly.

Note 6: Any part of an hour should be billed proportionately and rounded to the nearest five minutes.

## TELEPHONE CALLS

CH552 Telephone calls greater than 3 minutes. \$21.30  
flat fee

Note 1: Telephone calls are chargeable if they are of a case specific nature, made to or received from the:

- claims agent or self-insured employer
- worker's employer (if not self-insured)
- worker's representative
- WorkCover medical consultant
- workplace rehabilitation provider contracted by WorkCover
- worker's referring/treating medical practitioner.

- Note 2: Telephone calls are NOT chargeable if:
- made during a consultation
  - made to or from a worker
  - the call duration is three minutes or less.
- Note 3: This communication should not replace expected communication methods and reports between treating or referring practitioners.
- Note 4: Invoices for telephone calls in accordance with this item must record the name of the other party.

### **TREATING CHIROPRACTOR REPORTS**

CH820 Standard report. \$153.70  
 A standard report is a clinical opinion, statement or response to questions relating to the status of the claim. flat fee

- Note 1: A standard chiropractor report may be requested by a:
- claims agent or self-insured employer
  - worker or worker's representative.
- Note 2: A standard report should be based on the chiropractor's notes and would not usually require a consultation with the patient. However, where a consultation is appropriate (for example, if the chiropractor has not seen the patient for some time), a consultation fee may be charged using item number CH815.
- Note 3: Payment will only be made following submission of the report.

CH810 Comprehensive report. \$153.70  
 A comprehensive report is a clinical opinion, statement or response to questions relating to the status of the claim and requires additional information above that required by a standard report due to the complexity of the case. Complexity is defined as: per hour

- three or more ongoing compensable injuries arising from the same claim
- pre-existing conditions that have a significant impact on the compensable injury
- co-morbidities that have a significant impact on the compensable disability.

The maximum time chargeable for this item is 2 hours.

- Note 1: A comprehensive report may be requested by a:
- claims agent or self-insured employer
  - worker or worker's representative.
- Note 2: A comprehensive report should be based on the chiropractor's notes and would not usually require a consultation with the patient. However, where a consultation is appropriate (for example, if the chiropractor has not seen the patient for some time), a consultation fee may be charged using item number CH815.
- Note 3: Payment will only be made following submission of the report.
- Note 4: Any part of an hour should be charged proportionately and rounded to the nearest five minutes.

flat fee

**CASE CONFERENCE**

CH870 Case conference. \$153.70  
per hour

Case conference attended by a chiropractor for the purpose of discussing:

- details of limitations/recommendations relating to a sustainable return to work
- options for the management of a worker's recovery and functional restoration
- information relating to the suitable duties at the workplace
- barriers to return to work
- other related information.

Note 1: A case conference may be requested by a:

- claims agent or self-insured employer
- worker's employer (if not self-insured)
- worker or worker's representative
- workplace rehabilitation provider contracted by WorkCover
- treating medical expert.

Note 2: The claims agent or self-insured employer must be represented at the case conference. The worker or worker's representative must always be invited to attend the case conference.

Note 3: Case conferences conducted by telephone (teleconferencing) are chargeable under this item.

Note 4: It is the responsibility of the claims agent or self-insured employer to make a written and signed record of the case conference that is to be distributed to all attendees. PS870	<p>Case conference.</p> <p>Case conference attended by a psychologist for the purpose of discussing:</p> <ul style="list-style-type: none"> <li>• details of limitations/recommendations relating to a sustainable return to work</li> <li>• options for the management of a worker's recovery and functional restoration</li> <li>• information relating to suitable duties at the workplace</li> <li>• barriers to return to work</li> <li>• other related information.</li> </ul> <p>Note 1: A case conference may be requested by a: - claims agent or self-insured employer - worker's employer (if not self-insured) - worker or worker's representative - workplace rehabilitation provider contracted by WorkCover - treating medical expert.</p> <p>Note 2: The claims agent or self-insured employer must be represented at the case conference. The worker or worker's representative must always be invited to attend the case conference.</p>	\$156.00 per hour
-------	--	----------------------

- Note 3: Case conferences conducted by telephone (teleconferencing) are chargeable under this item.
- Note 4: It is the responsibility of the claims agent or self-insured employer to make a written and signed record of the case conference that is to be distributed to all attendees. Differences of opinion should be noted in the record. No fee is payable for records made by a psychologist during the case conference.
- Note 5: Travel may be charged separately.
- Note 6: Any part of an hour should be billed proportionately and rounded to the nearest 5 minutes.

*For example, a case conference of 56 minutes duration (rounded to 55 minutes) is calculated as follows:*

*\$156.00 (hourly rate) ÷ 60 minutes x 55 minutes = \$143.00 total charge.*

## TRAVEL

PS905	Travel by a treating psychologist for the purpose of a:	\$156.00 per hour
	(a) case conference	
	(b) home, hospital or worksite visit	
	(c) consultation where the worker is otherwise unable to attend the psychologist's clinic or rooms.	

- Note 1: There is no charge for travel from one clinic or rooms to another clinic or rooms.
- Note 2: Psychologists who conduct regular sessional visits with particular hospitals, specialist practitioners or rehabilitation facilities may not charge for travel in these instances.
- Note 3: Travel time is not included in any of the charges in the schedule and should be itemised separately on accounts for associated services.
- Note 4: All accounts must include the total time spent travelling plus the distance travelled.
- Note 5: Where a psychologist provides services to multiple workers in a hospital or workplace, it is expected the travel charge will be divided accordingly.
- Note 6: Any part of an hour should be billed proportionately and rounded to the nearest 5 minutes.

*For example, travel of 45 minutes duration is calculated as follows:*

*\$156.00 (hourly rate) ÷ 60 minutes x 45 minutes = \$117.00 total charge.*

## NON-SCHEDULED SERVICES

PS999	Non-scheduled services. A service of a kind not listed above provided by a psychologist and authorised by a claims agent or self-insured employer prior to the delivery of the service as being necessary, appropriate and reasonably required.	\$156.00 per hour
-------	--	----------------------

- Note 1: Any part of an hour should be billed proportionately and rounded to the nearest 5 minutes.

**SCHEDULE 7—SCALES OF CHARGES—SPEECH PATHOLOGISTS**

*This schedule must be read in conjunction with the Speech Pathology Fee Schedule Guidelines*

<b>Item No</b>	<b>Description</b>	<b>Max Fee (excl GST)</b>

**CONSULTATIONS**

Consultation by a speech pathologist involving the speech pathologist's attendance with the worker.

**Initial consultations**

E0149	Standard initial consultation. The maximum time chargeable for this item is 1.5 hours.	\$143.40 per hour
E0151	Extended initial consultation greater than 1.5 hours duration. The maximum time chargeable for this item is 2.5 hours.	\$143.40 per hour

Note 1: An initial consultation by a speech pathologist involving some or all of the following elements:

- the taking of a detailed case history
- counselling (according to the worker's emotional needs)
- determination of options for ongoing management following assessment
- consideration and implementation of appropriate treatment
- administration of a standardised clinical assessment or an empirical clinical assessment
- assessment of the ability of the worker to communicate at the worker's workplace
- evaluation and analysis of assessment results.

The initial consultation will be designed to form the basis of the diagnosis and assist in prognostic indications and treatment planning.

Note 2: Any part of an hour should be billed proportionately and rounded to the nearest five minutes.

**Subsequent consultation**

E0249	Subsequent consultation. The maximum time chargeable for this item is 1 hour.	\$143.40 per hour
-------	--	----------------------

Note 1: A subsequent consultation by a speech pathologist involving treatment and intervention designed to restore the worker's function to optimal levels.

The consultation may involve:

- tasks specifically related to skill development
- counselling to facilitate adjustment and transfer of restored skills to everyday communicative situations.

Note 2: Any part of an hour should be billed proportionately and rounded to the nearest five minutes.

**TREATING SPEECH PATHOLOGY REPORTS**

E0820	Standard report. A standard report is a clinical opinion, statement or response to questions relating to the status of a claim.	\$215.20 flat fee
-------	--	----------------------

Note 1: A standard report may be requested by a:

- claims agent or self-insured employer
- worker or worker's representative.

Note 2: A standard report should be based on the speech pathologists notes and would not usually require a consultation with the patient. However, where a consultation is appropriate (for example if the speech pathologist has not seen the patient for some time) a consultation fee may be charged using item number E0815.

Note 3: Payment will only be made following submission of the report.

E0810 Comprehensive report. \$143.40 per hour

A comprehensive report is a clinical opinion, statement or response to questions relating to the status of the claim and requires additional information above that required by a standard report due to the complexity of the case. Complexity is defined as:

- three or more ongoing compensable injuries arising from the same claim
- pre-existing conditions that have a significant impact on the compensable injury
- co-morbidities that have a significant impact on the compensable disability.

The maximum time chargeable for this item is 2 hours.

Note 1: A comprehensive report may be requested by a:

- claims agent or self-insured employer
- worker or worker's representative.

Note 2: A comprehensive report should be based on the speech pathologists notes and would not usually require a consultation with the patient. However, where a consultation is appropriate (for example if the speech pathologist has not seen the patient for some time) a consultation fee may be charged using item number E0815.

Note 3: Payment will only be made following submission of the report.

Note 4: Any part of an hour should be billed proportionately and rounded to the nearest five minutes.

- claims agent or self-insured employer
- worker's employer (if not self-insured)
- worker's representative
- WorkCover medical consultant
- workplace rehabilitation provider contracted by WorkCover
- worker's referring/treating medical practitioner.

Note 2: Telephone calls are NOT chargeable if:

- made during a consultation
- made to or from a worker.

Note 3: This communication should not replace expected communication methods and reports between treating or referring practitioners.

Note 4: Invoices for telephone calls in accordance with this item must record the name of the other party.

Note 5: Any part of an hour should be billed proportionately and rounded to the nearest five minutes.

BERRI BARMERA COUNCIL

PUBLIC CONSULTATION

*The Berri Barmera Better Development Plan Conversion and Alignment Development Plan Amendment*

NOTICE is hereby given that the Berri Barmera Council, pursuant to sections 24 and 25 of the Development Act 1993, has prepared a Development Plan Amendment Report (DPA) to amend its Development Plan(s).

The Amendment will change the Development Plan by proposing to:

- Replace the entire Berri Barmera Council Development Plan, with a new State Government Better Development Plan format, proving clearer policy direction and better quality mapping affecting urban and rural areas.
- Introduce consistent policy across the rural and urban areas of the Riverland, where possible, and with relevant local policy.
- Introduce land use policy that reflects the urban growth scenarios, and to promote the investment and population growth targets, depicted in the Structure Plans prepared by the Riverland Futures Taskforce and the three Riverland Councils.
- Introduce residential development standards within townships that allow scope for higher urban densities and range of housing choice, and State Government Affordable Housing policy.
- Provide for an expansion of rural living areas within designated townships and the retention of future urban growth areas, in a staged and orderly fashion over 5-30 years.
- Promote economic development opportunities with a focus on primary production, business, industry, manufacturing, retail, services, transport and logistics, and tourism within designated areas.
- Protect dryland farming and horticultural land for future generations with relevant land use policies, and non-complying criteria limiting the division of land and construction of dwellings in certain cases and where not associated with primary production of the land.
- Expand the District Centre Zone at Berri and to promote tourist orientated development area along designated areas of the Berri Riverfront.

- Introduce a stronger emphasis on environmental outcomes, rainwater tanks for new dwellings, renewable energy sources and protection of conservation parks, the River Murray corridor and other identified areas of environmental and conservation importance.
- Promote rural based business and industry, related to primary production, in rural areas.
- Introduce provisions to help retain and facilitate community development, recreation and social service needs of the community.
- Introduce a range of alterations to Zone boundaries and Zone policy to reflect existing uses and/or future desired land use opportunities.
- Correct anomalies of the current Development Plan, reduce policy repetition, remove irrelevant policy and introduce regional consistency for complying and non-complying development.

The DPA report will be on public consultation from 13 September 2010 to 8 November 2010.

Copies of the DPA report are available during normal office hours at 19 Wilson Street, Berri. Alternatively, the DPA report can be viewed on the Internet at [www.berribarmera.sa.gov.au](http://www.berribarmera.sa.gov.au) or during normal office hours at the following locations:

## RENMARK PARINGA COUNCIL

## PUBLIC CONSULTATION

*The Renmark Paringa Better Development Plan Conversion and Alignment Development Plan Amendment*

NOTICE is hereby given that the Renmark Paringa Council, pursuant to sections 24 and 25 of the Development Act 1993, has prepared a Development Plan Amendment Report (DPA) to amend its Development Plan(s).

The Amendment will change the Development Plan by proposing to:

- Replace the entire Renmark Paringa (DC) Development Plan, with a new State Government Better Development Plan format, providing clearer policy direction and better quality mapping affecting urban and rural areas.
- Introduce consistent policy across the rural and urban areas of the Riverland, where possible, and with relevant local policy.
- Introduce land use policy that reflects the urban growth scenarios, and to promote the investment and population growth targets, depicted in the Structure Plans prepared by the Riverland Futures Taskforce and the three Riverland Councils.
- Introduce residential development standards within townships that allow scope for higher urban densities and range of housing choice, and State Government Affordable Housing policy.
- Provide for an expansion of rural living areas within designated townships and the retention of future urban growth areas, in a staged and orderly fashion over 5-30 years.
- Promote economic development opportunities with a focus on primary production, business, industry, manufacturing, retail, services, transport and logistics, and tourism within designated areas.
- Protect dryland farming and horticultural land for future generations with relevant land use policies, and non-complying criteria limiting the division of land and construction of dwellings in certain cases and where not associated with primary production of the land.
- Introduce a stronger emphasis on environmental outcomes, rainwater tanks for new dwellings, renewable energy sources and protection of conservation parks, the River Murray corridor and other identified areas of environmental and conservation importance.
- Promote rural based business and industry, related to primary production, in rural areas.
- Introduce provisions to help retain and facilitate community development, recreation and social service needs of the community.
- Introduce a range of alterations to Zone boundaries and Zone policy to reflect existing uses and/or future desired land use opportunities.
- Correct anomalies of the current Development Plan, reduce policy repetition, remove irrelevant policy and introduce regional consistency for complying and non-complying development.

The DPA report will be on public consultation from 13 September 2010 to 8 November 2010.

Copies of the DPA report are available during normal office hours at 61 Eighteenth Street, Renmark, S.A. 5341. Alternatively, the DPA report can be viewed on the Internet at:

[www.renmarkparinga.sa.gov.au](http://www.renmarkparinga.sa.gov.au)

or at 61 Eighteenth Street, Renmark, S.A. 5341, during normal office hours.

Written submissions regarding the DPA should be submitted no later than 5 p.m. on 8 November 2010. All submissions should be addressed to the Chief Executive Officer and should clearly indicate whether you wish to be heard in support of your submission at the public hearing. If you wish to lodge your submission electronically, please email it to:

[council@renmarkparinga.sa.gov.au](mailto:council@renmarkparinga.sa.gov.au)

(Attention: Chief Executive Officer).

Copies of all submissions will be available for inspection at 61 Eighteenth Street, Renmark, S.A. 5341 from 8 November 2010, until the conclusion of the public hearing.

A public hearing will be held at 7 p.m. on 29 November 2010, at the Renmark Paringa Council, Community and Civic Centre, 61 Eighteenth Street, Renmark, S.A. 5341 at which time interested persons may be heard in relation to the DPA and the submissions. The public hearing will not be held if no submissions are received or if no submission makes a request to be heard.
