COMPULSORY THIRD PARTY INSURANCE PREMIUM SCHEDULE

MR85 07/11

Compulsory Third Party (CTP) Insurance - Policy of Insurance

1. The insurer (the Motor Accident Commission) insures the owner of the motor vehicle and any other person who at any time drives or is a passenger in or on the vehicle, whether with or without the consent of the owner, in respect of all liability that may be incurred by the owner or other person in respect of the death of, or bodily injury to, any person caused by or arising out of the use of the vehicle in any part of the Commonwealth.
2. A person so insured warrants that he or she will not-
 - (a) drive the vehicle, or do or omit to do anything in relation to the vehicle, with the intention of causing the death of, or bodily injury to, a person or damage to another's property or with reckless indifference as to whether such death, bodily injury or damage results; or
 - (b) drive the vehicle while so much under the influence of intoxicating liquor or a drug as to be incapable of exercising effective control of the vehicle; or
 - (c) drive the vehicle while there is present in his or her blood a concentration of .1* grams or more of alcohol in 100 millilitres of blood; or
 - (d) drive the vehicle while not duly licensed or otherwise permitted by law to drive the motor vehicle; or
 - (e) drive the vehicle while the vehicle is overloaded, or in an unsafe, unroadworthy or damaged condition; or
 - (f) use the vehicle otherwise than-
 - (i) for the purposes stated in the application for registration, renewal of registration, exemption from registration or a permit, in respect of the vehicle; or
 - (ii) if trade plates are affixed to the vehicle - for purposes stated in the application for the issuing of those plates; or
 - (iii) for purposes agreed on between the insurer and the registered owner of the vehicle.
 - (g) if the person is the driver of the vehicle when it is involved in an accident in which a person is killed or injured - commit an offence against section 43 of the Road Traffic Act 1961 (eg hit and run offence).
3. The owner of the vehicle warrants that no person will, with his or her knowledge or consent (which will be presumed in any proceedings in the absence of proof to the contrary), drive or use the vehicle, or do or omit to do anything in relation to the vehicle, contrary to any paragraphs of clause 2.
4. This policy of insurance does not extend to liability arising from death of, or bodily injury to, a participant in a road race caused by the act or omission of another participant in the road race.

* The insurer's right to recover claims costs is in addition to all other penalties applying to offences involving the driving of a vehicle with a blood alcohol concentration in excess of the legal limit, namely 0.05%

RECOVERY OF EXCESS AND OTHER CLAIMS COSTS

Section 124AB of the Motor Vehicles Act allows the insurer to recover an excess from an insured person (including a driver or passenger) who has incurred a liability against which he or she is insured under the policy and who is more than 25% at fault. Currently the insurer can recover up to the prescribed amount of \$460 for an accident that occurred after 10 July 2011. The excess will be indexed every year on 1 January. The amount of the excess an insured person may have to pay will depend on the year in which the accident occurred.

However, if the insured person has also breached the Policy of Insurance, as set out above, the insurer may exercise other rights of recovery against that person under Part 4 of the Motor Vehicles Act (eg for driving an unroadworthy vehicle or for driving while so much under the influence of drugs or alcohol as to be incapable of exercising effective control of the vehicle or for driving with a BAC of .1 grams or more).

The insurer's right to recover an excess or claims costs against an insured person is in addition to any other penalties which may apply for driving offences or any liability that person may incur for damage to property.

ASSISTANCE IN DETERMINING THE APPROPRIATE PREMIUM CLASS

The premium class and premium payable may be determined by referring to the CTP Insurance Schedule shown overleaf. In determining the premium class, attention should be given to:

- Type of vehicle
- The purpose for which it is used
- The input tax credit (ITC) entitlement of the registered owner (see below)
- The postcode area in which it is usually garaged (see below).

It is advisable to check the insurance class and insurance premium payable shown on the registration renewal notice. If the information shown is incorrect, a Customer Service Centre should be notified immediately. An 'Application to Change the Insurance Premium Class on a Registration' may be required where the premium has altered due to:

- A change of residential and/or garaging address
- A change in the use of the vehicle
- A change in concession status
- A change in the GST status of the registered owner

GST

The premiums shown overleaf include a component to recover the cost of stamp duty payable by the insurer. In accordance with GST laws, no GST is payable on this component of the premium. Consequently, the GST payable will be less than 1/11th of the total premium.

THE INPUT TAX CREDIT (ITC) ENTITLEMENT OF THE REGISTERED OWNER

Where alternative premiums are offered, you must select an 'ITC Entitled' higher premium class if the vehicle is used for any purpose that entitles you to claim back any part of the GST component of the CTP Premium. Under the Commonwealth GST Law*, this is known as an 'Input Tax Credit' (ITC). Upon payment of any 'ITC Entitled' premium, a Tax Invoice will automatically be provided with your Certificate of Registration.

A 'No ITC Entitlement' premium is only available where you are not entitled to an ITC in relation to the premium paid. Where a 'No ITC Entitlement' premium class has been selected a Tax Invoice will not be provided with your Certificate of Registration. If a Tax Invoice is required for a 'No ITC Entitlement' premium class payment, an Application for Issue of a Tax Invoice form (MR173) must be completed and lodged with the Department for Transport, Energy and Infrastructure.

* GST Law means the Commonwealth legislation: A New Tax System (Goods and Services Tax) Act 1999.

Failure to notify the insurer of the correct premium may incur a penalty up to \$5,000. This penalty is in addition to any premium differential payable. It is an offence to provide false information or withhold any information which may be necessary to determine the appropriate insurance premium.

THE POSTCODE AREA IN WHICH THE VEHICLE IS GARAGED

"INSURANCE RATING DISTRICT 1" - "District 1" consists of the following postcodes.

CTP INSURANCE PREMIUM SCHEDULE Effective 1 July 2011

Where a vehicle is within more than one category the premium shall be that fixed by the category deemed by the insurer to be the appropriate category for that vehicle. Where the Act¹ provides for a vehicle to be registered and insured for a term beyond 12 months, a premium calculated in proportion to the 12 month premium applies. All premiums are inclusive of GST. BY-LAW MADE UNDER THE LOCAL GOVERNMENT ACT 1999

By-law No. 2—Moveable Signs

TO set standards for moveable signs on roads and to provide conditions for the appearance and placement of such signs.

1. *Definitions*

In this by-law:

- 1.1 'authorised person' means a person appointed as an authorised person pursuant to Section 260 of the Local Government Act 1999;
- 1.2 'business' means the business to which a moveable sign relates;

- 1.5 'moveable sign' has the same meaning as in the Local Government Act 1999; and
- 1.6 'road' has the same meaning as in the Local Government Act 1999.

2. *Construction*

A moveable sign must:

- 2.1 be of a kind known as an 'A' frame or sandwich board sign, an 'inverted 'T'' sign or a flat sign, or, with the permission of the Council, a sign of some other kind;
- 2.2 be designed, constructed and maintained in good condition so as not to present a hazard to any member of the public;
- 2.3 be of strong construction so as to be stable when in position and to be able to keep its position in adverse weather conditions;
- 2.4 not contain any sharp or jagged edges or corners;
- 2.5 not be unsightly or offensive in appearance or content;
- 2.6 not rotate or contain moving parts;
- 2.7 be constructed of timber, cloth, metal, plastic or plastic coated cardboard, or a mixture of such materials;
- 2.8 not contain flashing lights or be illuminated internally;
- 2.9 not be more than 1 m high, 600 mm wide and 600 mm deep;

3. *Appearance*

A moveable sign must, in the opinion of an authorised person:

- 3.1 be painted or otherwise detailed in a competent and professional manner;

- 3.2 be aesthetically appealing, legible and simply worded to convey a precise message;
- 3.3 be of such design and contain such colours as are compatible with the architectural design of the premises adjacent to the sign, and which relate well to the townscape and overall amenity of the locality in which it is situated and not detract from or conflict with traffic, safety or direction signs or signals; and
- 3.4 contain combinations of colour and typographical styles which blend in with and reinforce the heritage qualities of the locality and the buildings where it is situated.

4. Placement

A moveable sign must:

- 4.1 only be placed on the footpath area of a road;
- 4.2 where there is no kerb to define the footpath area, be set back from the edge of the carriageway by no less than 400 mm;
- 4.3 in the case of a flat sign, the message of which only contains newspaper headlines and the name of a newspaper, be in line with and against the business to which it relates;
- 4.4 be no less than 2 m from any structure, fixed object, tree, bush or plant (including another moveable sign);
- 4.5 be placed directly in front of the business premises to which it relates;
- 4.6 not be placed on a sealed part of any footpath area unless the sealed part is wide enough to contain the sign and still leave a clear thoroughfare of at least 1.8 m;
- 4.7 not be placed within 10 m of the corner of a road;
- 4.8 be adjacent to the premises of the business to which it relates;
- 4.9 not be placed on a landscaped area;
- 4.10 not be placed on a designated parking area or within 1 m of an entrance to or exit from premises; and
- 4.11 not unreasonably restrict the use of the footpath area.

5. Restrictions

- 5.1 A moveable sign must:
 - 5.1.1 only display material which advertises a business being conducted on commercial premises adjacent to the sign or the products available from that business;
 - 5.1.2 be limited in number to one moveable sign per business premises;
 - 5.1.3 only be displayed when the business to which it relates is open to the public;
 - 5.1.4 be securely fixed in position such that it cannot be blown over or swept away;
 - 5.1.5 not be placed in such a position or in such circumstances that the safety of any user of the road is at risk;
 - 5.1.6 not be displayed during the hours of darkness unless it is in a clearly lit area and is clearly visible; and
 - 5.1.7 not to be displayed on a median strip, traffic island or on a carriageway of a street or road.
- 5.2 If in the opinion of the Council a footpath area or other area forming the boundary of any road is unsafe or unsuitable for the display of moveable signs, the Council may by resolution prohibit or restrict the display or placement of a moveable sign or the times at which a moveable sign may be displayed or placed in that area.

6. Exemptions

- 6.1 Sub-paragraphs 4.5 and 5.1.1 do not apply to a moveable sign which is used:
 - 6.1.1 to advertise a garage sale taking place from residential premises;
 - 6.1.2 as a directional sign to an event run by an incorporated association or a charitable body; or
 - 6.1.3 with permission of the Council.

- 6.2 Sub-paragraphs 5.1.1, 5.1.2 and 5.1.3 do not apply to a flat sign, the message of which only contains newspaper headlines and the name of a newspaper and which must be displayed and located flat against a wall of the business premises at all times.

- 6.3 This by-law does not apply to a moveable sign which is:

- 6.3.1 placed on a road pursuant to an authorisation under the Local Government Act 1999, or another Act;
- 6.3.2 designed to direct people to the open inspection of any land or building that is available for purchase or lease;
- 6.3.3 related to a Commonwealth or State election and is displayed during the period commencing on the issue of the writ or writs for the election and ending at the close of polls on polling days; or
- 6.3.4 related to an election held under the Local Government Act 1999 or the Local Government (Elections) Act 1999 and is displayed during the period commencing four weeks immediately before the date that has been set (by or under either Act) for polling day and ending at the close of voting on polling day.

7. Removal of Non-complying Moveable Signs

- 7.1 If:

- 7.1.1 the design or construction of a moveable sign that has been placed on a road does not comply with a requirement of this by-law;
- 7.1.2 the positioning of a moveable sign does not comply with a requirement of this by-law;
- 7.1.3 any other relevant requirement of this by-law is not complied with;
- 7.1.4 the moveable sign unreasonably:
 - 7.1.4.1 restricts the use of the road; or
 - 7.1.4.2 endangers the safety of members of the public,

an authorised person may order the owner of the sign to remove the sign from the road.

- 7.2 A person must comply with an order of an authorised person made pursuant to subparagraph 7.1 of this by-law.
- 7.3 If the authorised person cannot find the owner, or the owner fails to comply immediately with the order of an authorised person, the authorised person may remove and dispose of the moveable sign.
- 7.4 The owner or other person entitled to recover a moveable sign removed pursuant to subparagraph 7.3 of this by-law must pay to the Council any reasonable costs incurred by the Council in removing, storing and attempting to dispose of the moveable sign before being entitled to recover the moveable sign.

8. Removal of Complying Moveable Signs

- 8.1 The owner of, or other person responsible for, a moveable sign must remove or relocate the moveable sign at the request of an authorised person if, in the reasonable opinion of that authorised person, and notwithstanding compliance with this by-law, there is any hazard or obstruction or there is likely to be a hazard or obstruction arising out of the location of the moveable sign.
- 8.2 The owner of, or other person responsible for, a moveable sign must remove or relocate the moveable sign at the request of an authorised person for the purpose of special events, parades, road works or in any other circumstances which, in the reasonable opinion of the authorised person, requires relocation or removal of the moveable sign to protect public safety or to protect or enhance the amenity of a particular locality.

The foregoing by-law was duly made and passed at a meeting of the City of Burnside held on 26 July 2011, by an absolute majority of the members for the time being constituting the Council, there being at least two-thirds of the members present.
