#### REMUNERATION TRIBUNAL

##### REPORT RELATING TO DETERMINATION NO. 4 OF 2011

*Members of the Judiciary, Members of the Industrial Relations Commission, The State Coroner, Commissioners of the Environment, Resources and Development Court*

#### 1. Introduction

- 1.1 The current Determination covering the salary of these office holders was issued in November 2010, being Determination No. 8 of 2010. The matter dealt with herein was foreshadowed in that Determination.
- 1.2 By letter to the parties dated 23 March 2011, the Remuneration Tribunal (the Tribunal) advised it intended to flow on the remuneration increase awarded by the Commonwealth Remuneration Tribunal ('Cth Tribunal') in its Determination 2010/19 subject to comment from the parties on the matter. The Tribunal received submissions from Justice John Sulan, Chair Judicial Remuneration Coordinating Committee ('JRCC'), and the Crown Solicitor's Office, on behalf of the Premier, as the responsible Minister under the Remuneration Act 1990 (the Act), in the public interest.

#### 2. Considerations

- 2.1 The Tribunal met on 19 and 27 April 2011, to consider the written submissions.
- 2.2 The JRCC acknowledged the Tribunal's intention to flow on the remuneration increase contained in the Cth Tribunal's Determination 2010/19. The JRCC submitted the date of operation of the increase should be the same as was awarded in that Determination, viz. 1 November 2010. It further submitted that the Tribunal should similarly flow on the remaining 1.5% increase to be awarded by the Cth Tribunal to the South Australian judiciary.
- 2.3 The Crown Solicitor's Office, on behalf of the Minister in the public interest, submitted that the Tribunal should consider and have regard to the following:
  - 2.3.1 The applicability of the Cth Tribunal's Determination 2010/19 as the Review of Remuneration Relativities among Australia's Federal Courts indicates the decision to award a phased in 6% increase was based upon factors that specifically relate to Federal Courts;
  - 2.3.2 The applicability of Principle 8 of the State Wage Case 2005 'Statement of Principles' relating to remuneration increases based on changes in work value;
  - 2.3.3 That determining salaries in a national framework need not necessarily include uniformity in salary rates, but can also reflect the differences inherent in each State jurisdiction; and
  - 2.3.4 A prospective or phased in approach to the operative date could be applied if the Tribunal determines to flow on the 1.5% increase.
- 2.4 The Tribunal also had regard to submissions made during its review of judicial salaries in November 2010.

2.5 As discussed in Determination No. 8 of 2010, the Tribunal notes the Cth Tribunal's Determination 2010/19 has now passed its parliamentary disallowance period. The Tribunal also notes the ongoing impact of the Cth Tribunal's Review of Remuneration Relativities among Australia's Federal Courts, published in October 2009.

2.6 The Cth Tribunal's Determination 2010/19 provided for a remuneration increase of 1.5%, as a result of conclusions reached in the Review of Remuneration Relativities among Australia's Federal Courts. This is the third of the four tranches of the total remuneration increase of 6% it determined in 2009.

2.7 The Cth Tribunal has not yet made a decision as to when the fourth and final 1.5% tranche will be paid. The Tribunal will consider this matter at an appropriate time and in doing so determine its applicability to the South Australian Judiciary.

#### 3. Conclusions

3.1 The Tribunal reiterates that its past approach of setting salaries in a 'national framework' continues to be appropriate and in the public interest and has therefore concluded that the salary of the Puisne Judge of the Supreme Court will be \$373 085 per annum operative from 1 February 2011.

3.2 The salaries of all other judicial officers and statutory office holders are listed below and have also been increased from the same date.

Dated 27 April 2011.

H. R. BACHMANN, President

J. OBST, Member

D. SMYTHE, Member
