DEVELOPMENT ACT 1993

Better Development Plan Conversion Development Plan Amendment—Draft for Public Consultation

NOTICE is hereby given that the City of Port Adelaide Enfield has prepared a Better Development Plan Conversion Development Plan Amendment to amend the Port Adelaide Enfield (City) Development Plan.

The Better Development Plans (BDP) project has been devised by the Department of Planning and Local Government and represents the first complete review of South Australian Development Plans since 1983.

At the core of the BDP project is a set of Development Plan policies that deal with issues common to most Councils. These policies have been derived from the Development Plans of a number of Councils and input from Government agencies, and are considered to be current leading practice.

Converting the Development Plan into the BDP format involved 'deconstructing' the current Development Plan and 'recreating' it using the BDP Planning Policy Library. Policies in Council's existing Development Plan that are not represented in the BDP Policy Library have been carried over as 'local additions'. Mapping has been reviewed and new maps included in the converted draft Port Adelaide Enfield (City) Development Plan.

Further information on the BDP project can be found on the Department of Planning and Local Government's website:

www.planning.sa.gov.au.
