CLASSIFICATION (PUBLICATIONS, FILMS AND COMPUTER GAMES) ACT 1995

Guidelines under Section 78 of the Classification (Publications, Films and Computer Games) Act 1995

I, JOHN RAU, being the Minister administering the Classification (Publications, Films and Computer Games) Act 1995, issue the following Film Festival Guidelines under Section 78 of the Classification (Publications, Films and Computer Games) Act 1995. These Guidelines have effect from 15 September 2011.

STANDING COMMITTEE OF ATTORNEYS-GENERAL: CENSORSHIP

FILM FESTIVAL GUIDELINES

Commencing 15 September 2011

Film Festival Guidelines*Film Exemptions*

1. A person or organisation wishing to screen an unclassified film at a film festival/season/special film event may apply to the Director¹ (or, in some jurisdictions, the State or Territory Minister²) to have the unclassified film which the applicant wishes to exhibit, formally exempted from classification.
2. When applying for exemption under Clause 1, the applicant must submit adequate information about the matters listed in Clauses 3, 4 and 5 below.
3. The applicant must submit the title of the film accompanied by an adequate synopsis. The Director will take the synopsis³ into account, as well as any other information the Australian Attorney-General's Department may have about the film, in deciding whether to grant an exemption.
4. In deciding whether to grant an exemption, the Director must have regard to:
 - (a) the purpose for which the film is to be screened;
 - (b) the extent to which the applicant carries on activities of a medical, scientific, educational, cultural or artistic nature;
 - (c) the reputation of the applicant in relation to the screenings of films; and
 - (d) the conditions as to admission of persons to the screening of the film.
5. The Director will also have regard to any matters he/she considers relevant, such as:
 - (a) the number of times the film will be screened, and
 - (b) whether the audience is aged 18 years and over.
6. Where specified in State or Territory legislation, the Director is required to apply any guidelines or directions issued by the relevant Minister(s) in considering an application for an exemption.
7. When making a decision about an exemption, the Director will have regard to Section 11 of the (Commonwealth) Classification (Publication, Films and Computer Games) Act 1995 (the Commonwealth Classification Act).
8. The Director will not grant an exemption for a film already classified X 18+ or RC⁴.

¹ The Director is the Director of the Classification Board. In SA and the NT the Director is referred to as the 'National Director', and in the ACT as 'director'.

² The Director does not exempt films to be shown in QLD film festivals and events. For Film Festivals in QLD, refer to the Approved Organisation section of these guidelines and to the Films Classification Officer, QLD Department of Tourism, Racing and Fair Trading.

³ An adequate written synopsis of a film, under 14. (1) d (ii) of the *Classification (Publications, Films and Computer Games) Act 1995* is described as 'in English that includes a statement or summary of any incidents, or of the plot, depicted or intended to be depicted by the film'.

⁴ RC films are described in the National Classification Code as ones that:

- (a) depict, express or otherwise deal with matters of sex, drug misuse or addiction, crime, cruelty, violence or revolting or abhorrent phenomena in such a way that they offend against the standards of morality, decency and propriety generally accepted by reasonable adults to the extent that they should not be classified; or
- (b) depict in any way that is likely to cause offence to a reasonable adult, a person who is, or who looks like, a child under 18 (whether the person is engaged in sexual activity or not); or
- (c) promote, incite or instruct in matters of crime or violence.

9. In the case of a film which has been classified X 18+ or RC at least 2 years before the date of application for exemption, the film may be exempted if, in the Director's view, the film would not be classified X 18+ or RC if reclassified under the Commonwealth Classification Act.
10. If in the opinion of the Director, whether based on the synopsis, other material, inspection of the film, or any other grounds, an unclassified film would be classified X 18+ or RC, the Director will not grant an exemption.
11. Where the Director has declined to exempt an unclassified film, the organisation may submit the film to the Classification Board for classification. If the film is classified X 18+ or RC, the Director's decision to decline to exempt it will be confirmed to the applicant.
12. Where an exemption is granted, it is a general requirement that the film must be exhibited under the following conditions:
 - (a) only as part of the film festival/season/special film event at specified venues and on or between specified dates and not otherwise;
 - (b) not more than four times each during the course of the film festival/season/special film event;
 - (c) for the purpose for which the exemption was sought; and
 - (d) only to persons aged 18 years and over.
13. Variations to these conditions or additional conditions may also be imposed at the discretion of the Director.
14. The Director will notify the relevant State(s) and Territory(ies) of his/her decision about the film that has been granted an exemption. The Director will notify the relevant Minister(s) if a film has been refused exemption.

17. When applying for approved organisation status under Clause 15, organisations must submit adequate information about the matters listed in Clauses 18 and 19 below.
18. In deciding whether to grant approval to organisations, the Director must have regard to:

 - (c) the reputation of the organisation in relation to the screenings of films; and

19. The Director will also have regard to any matters he/she considers relevant, such as:
 - (a) the number of times the films will be screened, and
 - (b) whether the audience is aged 18 years and over.
20. Where specified in State or Territory legislation, the Director is required to apply any directions or guidelines issued by the relevant Minister in considering whether to approve an organisation.
21. The Director will notify the relevant State(s) and Territory(ies) of his/her decision about an application for approved organisation status.

⁵ The Director is the Director of the Classification Board. In SA and the NT, the Director is referred to as the 'National Director', and in the ACT as 'director'.

30. In the case of a film which has been classified X 18+ or RC at least 2 years before the date of application for exemption, the film may be exempted if, in the Director's view, the film would not be classified X 18+ or RC if reclassified under the Commonwealth Classification Act.

DEVELOPMENT ACT 1993: SECTION 48 (8)

*Decision by the Presiding Member Development Assessment Commission under Delegation from the Governor**Preamble*

1. On 5 June 2003 a major development declaration was made for the subdivision and development of land at Buckland Park near Virginia north of Adelaide. The Minister for Urban Development and Planning gave notice in the *Government Gazette* that he was of the opinion that it was appropriate for the proper assessment of the development of major environmental, social or economic importance that Section 46 of the Development Act 1993 applied to any development of a kind listed in Schedule 1 of that notice in parts of the State listed in Schedule 2 of that notice.

2. On 4 January 2007, the earlier declaration from 5 June 2003 was varied to amongst other things, expand the major development declaration.

3. The declaration was subsequently varied again by notice in the *Government Gazette* on 12 June 2008, to include some extra land parcels within the major development declaration.

4. A proposal from Walker Corporation Pty Ltd (hereafter 'the proponent') to develop a substantial staged residential and commercial development at Buckland Park was the subject of a development application lodged in May 2007 ('the major development').

5. The major development has been the subject of an Environmental Impact Statement (EIS) and has been assessed in accordance with Section 46 and Section 46B of the Development Act 1993. On 4 February 2010 provisional development authorisation with reserved matters was granted for the following components:

- Land Division, creating 8 super lots which include the 5 residential land division stages, employment lands, recreation/water management and transport infrastructure areas shown in plans 19000p01-r3, r5 and r6, 5 November 2009 (Fyfe Engineers Surveyors).
- Stage 1 land division (Super Lot 1 under the land division application) which comprised 614 residential allotments, a school site, display centre and shopping /community centre over 62.23 hectares.
- Proposed partial closure of Legoe Road under Part 7A (Section 34C (2) (a) (ii)) of the Roads (Opening and Closing) Act 1991 (to take effect on a day to be fixed by subsequent order of the Governor or Planning Minister published in the *Gazette*).
- Construction of a Neighbourhood Centre as set out in the detailed drawings.
- Construction of a Display Village as detailed by the proponent.
- Future stages of the development (2-5) which will be determined when detailed land division applications are lodged.

6. The proponents requested modifications in the decision notice provided on 4 February 2010 to allow more practicality in implementing the proposal and satisfying the reserved matters and conditions of approval. The Minister for Urban Development and Planning approved these amendments on 21 October 2010.

7. A further amendment to the development decision was provided on 10 March 2011 to satisfy the reserved matters related to employment of a Community Worker d (4), provision of power through an electricity provider reserved matter d (9) negotiation with DECS/Virginia Primary School on the need for demountable class rooms d (11) and liaison with City of Playford in relation to provision of library services d (6). These reserved matters were translated into conditions of approval on 10 March 2011.

8. The proponent lodged a request on 28 February 2011 (modified by a letter dated 11 July 2011) for an amended Land Division plan for Stage 1 (including a further 5 sub stages) of the Buckland Park Development. The number of allotments has been reduced from 614 to 609 (for the entire Stage 1), with an increase in open space of 7.4 hectares. The road hierarchy and lot layout has also been amended following discussions with the City of Playford and other agencies. A Request to increase the number of display homes from 32 to 45 was also dated 11 March 2011. The following dot points indicate which reserved matters have been satisfied and may now be transferred to conditions of approval:

- Draft Residential Guidelines and Encumbrance [reserved matter (a)] Letter provided by Walker Corporation on 11 April 2011.
- Provision of an Affordable Housing Plan, in relation to the provision of affordable housing in the land division for Stage 1 [reserved matter (b)] Letter provided by Walker Corporation on 15 April 2011.
- Community Bus timetabling and staffing (Playford Council) [reserved matter (D3)] Letter provided by Walker Corporation on 1 June 2011.
- Agreement for water services (SA Water) [reserved matter (D6)] Letter from Walker Corporation on 8 November 2010.
- Agreement for gas services (APA) [reserved matter (D7)] Letter on 21 June 2011.
- Proponent to prepare a Recreation Facilities Strategy for Stage 1 in collaboration with the City of Playford's Buckland Park Project Control Group (D4) Letter on 6 July 2011.

The Proponent and the Department for Transport, Energy and Infrastructure (DTEI) have reached agreement that the following reserve matter can be transferred to a condition of approval:

- Final Design drawings for the signalised intersection of Legoe Road with Port Wakefield Road to the satisfaction of DTEI. [reserved matter (D.1) Letter provided by DTEI to Walker Corporation on 29 June 2011].

In addition the following dot point indicates that reserved matter which has been satisfied and can be removed entirely from the notice:

- Amendment of the Land Division to create a 40 m buffer between the subject land and SA Potatoes [reserved matter (C)] Amended Stage 1 plan provided by Walker Corporation on 28 February 2011 resolves this matter.

It is also intended in this notice to add a new reserve matter relating to the grade separated intersection (related to the Superlot plan) for the Buckland Park development.

9. The proponent has requested an extension of time until 31 December 2011 to satisfy the remaining reserved matters (D2, D5 and D8). The letter received on 5 August 2011 from Walker Corporation refers to this issue and is reflected in the decision notice below:

The proponent will complete the construction of the at grade signalised intersection with Port Wakefield Road which marks 'substantial commencement' by 31 October 2013.

10. I am satisfied on behalf of the Governor as delegated that an appropriate EIS and Assessment Report have been prepared in relation to the major development, in accordance with Sections 46 and 46B, Division 2 of Part 4 of the Development Act 1993, and have had regard to it when considering the major development, along with all relevant matters under Section 48 (5) of the Development Act 1993.

11. I as Presiding Member of the Development Assessment Commission, on behalf of the Governor as delegated, have decided to grant this provisional development authorisation to specified components of the major development under Section 48 (6) of the Development Act 1993, whilst reserving the decision on specific matters until further assessment of the major development.

12. On 23 December 2010 a Development Plan Amendment (DPA) was authorised by the Minister for Urban Development and Planning which provides policy guidance for the residential, commercial and other uses of Buckland Park as expressed in the approved Master plan for the site.

13. Pursuant to Section 48 (8) of the Development Act 1993, a delegation to me was provided by the Minister (subdelegated from the Governor) in a *Gazette* notice on 21 October 2010. The delegation permitted me to have:

- (a) the power to assess the reserve matters and to issue a final development authorisation for the purposes of Section 48 (2) (b) (i) of the Act; and
- (b) in relation to that provisional development authorisation, or any variation—the powers to vary or revoke conditions, or attach new conditions, under Section 48 (7) of the Development Act 1993 (provided that the essential nature of the development is not changed).

Decision

I intend in this *Gazette* notice to change the following Reserved Matters (a) and (b) from Schedule 1—Schedule of Commitments (D1), (D3), (D4), (D6), and (D7) in the notice of 10 March 2011 to Conditions of Approval:

- (a) Draft Residential Guidelines and a draft encumbrance Document incorporating all details as per the Response Document shall be provided for any Community Titled and Torrens Titled allotments.
- (b) Provision of an Affordable Housing Plan, in relation to the provision of affordable housing in the Land Division for Stage 1.
- (D1) Final Design drawings for the signalised intersection of Legoe Road with Port Wakefield Road to the satisfaction of the Department of Transport, Energy and Infrastructure (DTEI).
- (D3) Agreement between the City of Playford and the proponent for the provision of timetabling and staffing of the community bus to be provided by the proponent as per the Infrastructure Schedule provided by the proponent in November 2009.
- (D4) Proponent to prepare a Recreation Facilities Strategy for Stage 1 in collaboration with the City of Playford's Buckland Park Project Control Group.
- (D6) Proponent to enter into an agreement with SA Water for all water and wastewater requirements for Stage 1.
- (D7) Proponent to demonstrate that adequate arrangements have been made for the provision of reticulated gas to Stage 1, which includes a new 200 mm steel main from the EPIC Gas Gate station to the site.

I also intend in this notice to remove the following Reserved Matter (c) from the notice of 10 March 2011 as it is deemed to be satisfied:

- (c) A reconfigured Land Division Plan is submitted to affect the need for a 40 m buffer between the SA Potato grower's horticultural activity (on the southern side of the Stage 1 Land Division) and the outer boundary of the subdivision area.

I also intend to add a new Reserved Matter relating to the grade separated intersection (related to the Super Lot plan) for the Buckland Park development:

- (D9) Proponent to prepare a concept design of the ultimate (grade separated) intersection with Legoe Road and Port Wakefield Road to the satisfaction of the Department of Transport, Energy and Infrastructure (DTEI). The proponent shall reach agreement with DTEI on the land requirements based on the concept design. The proponent shall agree to transfer the land required for the grade separation to road reserve at no cost to DTEI.

For ease of understanding the entire Provisional Development Authorisation notice is reproduced below including the amendments
