*Preamble*

Please note: This contract is about the sale and supply of gas to you as a customer at your current supply address (but only if this contract is expressed to apply to you in relation to that supply address).

These standard terms and conditions are published in accordance with Section 34 of the *South Australian Gas Act 1997* and will come into force on 9 August 2012. When in force these standard terms and conditions will by law be binding on us and any customer to whom they are expressed to apply without the need for us or that customer to sign a document containing these terms and conditions.

**1. THE PARTIES**

This contract is between:

You, the **customer** to whom this **customer sale contract** is expressed to apply (in this **customer sale contract** referred to as **you** or **your**).

- (b) you commence taking supply of gas at that *supply address* without first entering into a *standing contract* or a *market contract* for that *supply address* with us or another *retailer*; and
- (c) we were the last *retailer* to have a contract with a *customer* for the sale of gas for that *supply address*.

**4. WHAT IS THE TERM OF THIS CONTRACT?**

**4.1 When does this contract end?**

Subject to Clause 4.2, your contract will end:

- (a) when you enter into a different *customer sale contract* with us or another *retailer* for your *supply address*; or
- (b) when another *customer* enters into a *customer sale contract* with us or another *retailer* for that *supply address*;
- (c) if you have vacated or intend to vacate your *supply address*, on the day you cease to be responsible to pay for gas supplied to that *supply address* under Clause 16; or
- (d) on the day after you cease to have the right under the *Energy Retail Code* to have your *supply address* reconnected following disconnection in accordance with Clause 15.

**4.2 Rights on the contract ending**

The ending of this contract does not affect any rights or obligations which have accrued under this contract prior to that time.

**5. SCOPE OF THIS CONTRACT**

## 6. OUR LIABILITY

### 6.1 How this Clause operates with the Competition and Consumer Act etc.

The *Competition and Consumer Act 2010* (Cth) and other laws may imply certain conditions, warranties and rights into contracts that cannot be excluded or limited.

Unless one of these laws requires it, we give no condition, warranty or undertaking, and we make no representation to you about the condition or suitability of gas, its quality, fitness or safety, other than those set out in this contract.

Any liability we have to you under these laws that cannot be excluded but that can be limited is (at our option) limited to:

- (a) providing equivalent goods or services provided under this contract to your *supply address*; or
- (b) paying you the cost of replacing the goods or services provided under this contract to your *supply address*, or acquiring equivalent goods or services.

### 6.2 Survival of this clause

This Clause 6 survives the termination of this *customer sale contract*.

## 7. APPOINTMENTS

We will do our best to be on time for any appointment with you. Unless due to circumstances beyond our reasonable control, if we are more than 15 minutes late we will credit your next bill with \$20 (including GST) and phone you to apologise.

## 8. PRICE FOR GAS AND OTHER SERVICES

### 8.1 What are our tariffs and charges?

Our current tariffs and charges for gas and other services are set out in the *price list*. Some of the tariffs and charges are regulated by law.

Other amounts relating to the sale of gas to you, including special meter readings, account application fees and fixed charges for special purpose gas sales will be separately itemised on your bill.

At your request, we must provide you with reasonable information setting out the components of the charges which appear on a bill.

### 8.2 Which tariff applies to you?

Our *price list* explains the conditions that need to be satisfied for each tariff and charge.

In some cases, you will be able to select a tariff to apply to you. In those cases, if you do not choose a tariff, we will assign one to you.

### 8.3 Variations to the customer's tariffs and charges

We may only vary our tariffs and charges in accordance with the requirements of the *Gas Act* or other *applicable regulatory instruments* and any variation will be published on our website and in the *South Australian Government Gazette*.

If the conditions applying to our tariffs and charges change so that your previous tariff and charges no longer apply to you at your *supply address*, we can decide which tariffs and charges will apply.

### 8.4 Switching tariffs

You must tell us if your circumstances relating to your eligibility for a tariff or charge change. If you think you satisfy all of the conditions applying to another tariff or charge, you can ask us to review your current circumstances to see whether that tariff or charge can apply to you.

### 8.5 Changes to the tariff rates and charges during a billing cycle

If a tariff rate or charge applying to you changes during a *billing cycle*, your bill for that *billing cycle* will be calculated on a *pro-rata* basis using:

- (a) the old tariff or charge up to and including the date of change; and
- (b) the new tariff or charge from that date to the end of the *billing cycle*.

### 8.6 Changes to the tariff type during a billing cycle

If the type of tariff or charge applying to you changes during a *billing cycle*, your bill for that *billing cycle* will be calculated using:

- (a) the old tariff or charge up to and including the date of change; and
- (b) the new tariff or charge from that date to the end of the *billing cycle*.

### 8.7 Pass through of taxes and other charges

In some cases we can pass through to you certain taxes and other charges in accordance with *applicable regulatory instruments*. We can do this by either changing the tariffs and charges, or including the amount as a separate item in your bill.

### 8.8 GST

Certain amounts in this contract are (or will be) stated to be inclusive of GST. These are:

- (a) the amounts specified in our *price list* from time to time; and
- (b) the amount specified in Clause 8.

Apart from these amounts, there may be other amounts paid by you or by us under this contract that are payments for 'taxable supplies' as defined for GST purposes. To the extent permitted by law, these other payments will be increased so that the GST payable on the taxable supply is passed on to the recipient of that taxable supply.

Any adjustments for GST under this Clause will be made in accordance with the requirements of the *Competition and Consumer Act 2010* (Cth).

## 9. BILLING

### 9.1 When bills are sent

We will send a bill for the sale and supply of gas to you as soon as possible after the end of each *billing cycle*.

If we fail to issue a bill following the end of a *billing cycle*, we will offer you the option of paying for any gas used during the relevant *billing cycle* under an instalment plan. The maximum period of that instalment plan will be the greater of the period during which we did not bill you or twelve months.

### 9.2 Calculating the bill

We will calculate at the end of each *billing cycle*:

- (a) the bill for gas sold during that *billing cycle* (using information obtained from reading your meter or using an approved estimating system); and
- (b) the amount for any other services supplied under this contract during the *billing cycle*.

### 9.3 Estimating the gas usage

If your meter is unable to be read, or your metering data is not obtained, for any reason (for example, if access to the meter cannot be gained, or the meter breaks down or is faulty), the amount of gas which was purchased from us at your *supply address* may be estimated.

When your meter is subsequently read, the bill will be adjusted for the difference between the estimate and the actual amount of gas used, based on the reading of the meter. When you have received an estimated bill due to the absence of metering data and a subsequent meter reading shows that you have been undercharged, we will offer you the option of paying for the amount undercharged under an instalment plan.

If the meter is unable to be read due to your actions, we can bill you any charges we incur in arranging for a meter reader returning to your *supply address* to read the meter.

### 9.4 How bills are issued

We must send a bill:

- (a) to you at the address nominated by you; or
- (b) to a person authorised in writing by you to act on your behalf at the address specified by you.

### 9.5 Contents of a bill

The bill will be in a form and contain such information as is required by the *Energy Retail Code*.

## 10. PAYING YOUR BILL

### 10.1 What you have to pay

You must pay to us the amount shown on each bill by the date shown on the bill as the date for payment.

### 10.2 How the bill is paid

You can pay the bill using any of the payment methods listed on the bill. If a payment you make is dishonoured (eg where a cheque or credit card payment is not honoured), and we incur a fee as a result, you must reimburse us the amount of that fee.

### 10.3 Late payments

If you do not pay your bill on time, we may require you to pay our reasonable costs of recovering that amount from you. If you are a *business customer*, you may also be required to pay interest on the outstanding amount as set out in the *price list*.

This Clause does not affect our right to arrange for your *supply address* to be disconnected under Clause 14 of this contract.

### 10.4 Difficulties in paying

If you have difficulties paying your bill, you should contact us as soon as possible. We will provide you with information about various payment options and, where applicable, payment assistance, in accordance with the *Energy Retail Code*.

We are required by the *Energy Retail Code* to identify situations where you may be experiencing difficulties in paying your bill. In such cases, we will offer you the opportunity to pay your bill under an instalment plan and provide you with information about various payment options and, where applicable, payment assistance, in accordance with the *Energy Retail Code*.

## 11. ACCESS TO YOUR SUPPLY ADDRESS

You must allow safe and convenient access to your *supply address* for the purposes of:

- (a) reading the meter;
- (b) connecting or disconnecting supply;
- (c) inspection, repair or testing of the gas installation at your *supply address*; or
- (d) maintenance of the distribution system.

We will give you at least 24 hours' notice of our intention to enter your *supply address* for the purposes of connecting or disconnecting supply or inspection, repair or testing of the gas installation.

We will give you at least 4 *business days*' notice of our intention to enter your *supply address* for the purposes of planned maintenance work.

## 12. OVERCHARGING AND UNDERCHARGING

### 12.1 Undercharging

We may recover from you any amount you have been undercharged.

Where you have been undercharged as a result of our error, we can only recover the amount undercharged in the 12 months prior to the meter reading date on the last bill sent to you. We must offer you the opportunity to pay this amount in instalments over the same period of time during which you were undercharged.

### 12.2 Overcharging

Where you have been overcharged, we must tell you and follow the procedures set out in the *Energy Retail Code* for repaying the money. Where the amount overcharged is \$100 or less, and you have already paid that amount, the amount will be credited to your next bill, or, if you have subsequently ended this contract, we will pay you that amount within 10 *business days*.

Where the amount overcharged is more than \$100, and you have already paid that amount, we must ask you whether the amount should be credited to your account, repaid to you or paid to another person, and pay the amount in accordance with your instructions within 10 *business days*.

### 12.3 Reviewing your bill

If you disagree with the amount you have been charged, you can ask us to review your bill. The review will be undertaken in accordance with the requirements of the *Energy Retail Code*.

If your bill is being reviewed, you are still required to pay the greater of:

- (a) the portion of the bill which you do not dispute; or
- (b) an amount equal to the average of your bills in the last 12 months.

You must also pay any future bills.

## 13. SECURITY DEPOSITS

### 13.1 Interest on security deposits

Where you have paid a *security deposit*, we must pay you interest on the deposit at a rate and on terms required by the *Energy Retail Code*.

### 13.2 Use of a security deposit

We may use your *security deposit*, and any interest earned on the *security deposit*, to offset any amount you owe under this contract:

- (a) if you fail to pay a bill and, as a result, we arrange for the disconnection of your *supply address*; or
- (b) in relation to a final bill (i.e., the bill we issue when you stop buying gas from us at your *supply address*).

### 13.3 Business customers

If you are purchasing gas for business use, we may request that you increase the amount of your *security deposit* in accordance with the *Energy Retail Code*.

## 14. DISCONNECTION OF SUPPLY

### 14.1 When can we arrange for disconnection?

Subject to us satisfying the requirements in the *Energy Retail Code*, we can arrange for the disconnection of your *supply address* if:

- (a) you do not pay your bill by the last day for payment and, in the case of *residential customers*, you refuse to agree to an instalment plan or payment option offered by us;
- (b) you fail to comply with the terms of an agreed instalment plan or payment option;
- (c) you use gas illegally or breach Clause 18 of this contract;
- (d) we are otherwise entitled or required to do so under the *Energy Retail Code* or by law.

### 14.2 Comply with the Energy Retail Code

We must comply with the provisions of the *Energy Retail Code* (such as giving you the required notices and warnings) before arranging for the disconnection of your *supply address*.

### 14.3 Disconnection for emergencies

Despite any other provisions of this *customer sale contract*, we may disconnect or interrupt the supply of gas at your *supply address* in an emergency.

If we do disconnection or interrupt the supply of gas at your *supply address* due to an emergency, we will provide a 24 hour telephone service with information on the nature of the emergency and an estimate of when supply will be restored. We will also use our *best endeavours* to reconnect the supply of gas at your *supply address* as soon as possible.

#### 14.4 Disconnection for maintenance

We may disconnect or interrupt the supply of gas at your *supply address* for planned maintenance on or augmentation to the distribution system.

If we do plan to disconnect or interrupt the supply of gas at your *supply address* for planned maintenance on or augmentation to the distribution system we will use our *best endeavours* to give you at least 4 *business days*' notice of that disconnection or interruption.

We will use our *best endeavours* to minimise interruptions and restore supply of gas to your *supply address* as soon as practicable.

#### 15. RECONNECTION AFTER DISCONNECTION

If you request us to arrange reconnection of your *supply address* and you pay to us all of our reconnection charges in advance, we will arrange for the reconnection of your *supply address*.

We may refuse to arrange reconnection and terminate your *customer sale contract* if we are allowed to do so under the *Energy Retail Code* (such as where the circumstances leading to your disconnection have not been fixed within a period of 10 *business days* after the date on which you were disconnected).

#### 16. VACATING A SUPPLY ADDRESS

You must give us at least 3 *business days*' notice of your intention to vacate your *supply address*, together with a forwarding address for your final bill.

When we receive the notice, we must use our *best endeavours* to arrange that the relevant meters are read on the date specified in your notice (or as soon as possible after that date if you do not provide access to your meter on that date) and send a final bill to you at the forwarding address stated in your notice.

If you do not provide the required notice, or if you do not provide access to your meter, you will be responsible for all gas purchased at the *supply address* until:

- (a) we become aware that you have vacated your *supply address* and the relevant meters have been read; or
- (b) you give us the required notice; or
- (c) someone else commences purchasing gas from us or another *retailer* for that *supply address*.

#### 17. USE OF GAS AND ILLEGAL USE

##### 17.1 Use of gas

You must not:

- (a) allow gas purchased from us to be used other than in accordance with this contract or the *Energy Retail Code*; or
- (b) tamper with, or permit tampering with, any meters or associated equipment.

##### 17.2 Illegal use

If you have breached Clause 17.1 of this contract, we may, in accordance with the *Energy Retail Code*:

- (a) estimate the amount of the gas so obtained and bill you or take debt recovery action against you for that amount; and
- (b) arrange for the immediate disconnection of your *supply address*.

#### 18. INFORMATION WE NEED

You must provide us with all information we reasonably require for the purposes of this contract. All information must be correct. We have rights under the *Gas Act* and the *Energy Retail Code* if information you provide is incorrect. You must tell us if information you have provided to us changes (for example, if your address changes, or the purpose for which you are buying gas changes).

#### 19. WE CAN AMEND THIS CONTRACT

We can only amend our contract with you in accordance with the *Gas Act*, provided that amendments satisfy the requirements of the *Energy Retail Code*. Any amendment will take effect from the date referred to in the *South Australian Government Gazette*.

#### 20. NOTICES

Unless this document or the *Energy Retail Code* says otherwise (for example, where phone calls are allowed), all notices must be sent in writing. We can send to you notices at the address at which you buy gas from us or the most recent address that we have for you. If a notice is sent by post, we can assume that you have received the notice on the second *business day* after it was sent.

#### 21. PRIVACY AND CONFIDENTIALITY

##### 21.1 Privacy of information

Subject to Clauses 21.2 and 25 of this contract we must keep your information about you confidential.

##### 21.2 Disclosure

We may, however, disclose information about you:

**TREASURER'S  
QUARTERLY STATEMENT**

**for the**

**THREE MONTHS ended on  
31 MARCH, 2012 and 31 MARCH, 2011**

*Presented by the  
Honourable J.J. Snelling M.P.  
Treasurer of South Australia*

**GOVERNMENT OF SOUTH AUSTRALIA****COMMENTARY TO THE STATEMENT OF THE AMOUNTS CREDITED TO  
AND ISSUED FROM THE CONSOLIDATED ACCOUNT FOR THE QUARTERS ENDED  
31 MARCH 2012 AND 31 MARCH 2011*****Receipts****Taxation*

Higher payroll tax receipts for the March quarter 2012 compared with the same period a year ago reflects growth in taxable payrolls.

Land tax receipts are higher for the March quarter 2012 compared with the March quarter 2011 due to the timing of land tax receipts from the SA Housing Trust which were received in January 2012

Stamp duty receipts were lower in the March quarter 2012 compared to the same period a year ago, mainly due to softer property market conditions impacting on conveyance duty revenue.

*Royalties*

Lower royalty receipts for the March quarter 2012 compared with the same period in 2011 are due to timing issues associated with the transfer of receipts to the Consolidated Account. Underlying royalty collections for the March quarter 2012 were higher than for the same period last year. Updated royalty receipt details will be included in the Treasurer's Quarterly Statement for the June quarter 2012.

*Fees and charges*

The decrease in fees and charges for the first nine months ending March 2012 compared with the same period a year ago mainly reflects decreased land regulatory service fees received due to the softer property market conditions

*Commonwealth—General Purpose Grants*

Growth in general purpose grants in the nine months to March 2012 and for the March quarter 2012, compared with the same period a year ago, is not indicative of underlying Goods and Services Tax (GST) revenue growth. This is because monthly grants are paid according to a payment schedule prepared by the Commonwealth Government based on its published estimates of GST revenues rather than in accordance with the actual emerging monthly GST collections.

In its 2012-13 Budget, the Commonwealth Government estimated that the national GST pool would contract by 0.6 per cent in 2011-12.

*Commonwealth – Specific Purpose Grants*

Specific Purpose Grants for the March quarter 2012 were higher than the same period for the previous year mainly due to the annual indexation of grant payments.

### *Commonwealth—National Partnership Payments*

Prior to 2011-12, National Partnership payments to the Consolidated Account were received at the end of the financial year. National Partnership Payments received in 2011-12 reflect their timing based on the nature of the National Partnership Payments and the achievement of particular milestones

#### **Payments**

Payments were made pursuant to the *Appropriation Act 2011* and also in accordance with other Acts for which specific appropriation has been authorised.

The timing of these payments is generally established at the beginning of each financial year and may change in comparison to previous years depending on individual operating requirements at that time.

#### **Note**

Caution should be exercised in interpreting the quarterly statement of Consolidated Account transactions. Unlike the State Budget, which comprises transactions on an accrual basis, the information reflected in the quarterly statements is limited to cash transactions. Also, the Consolidated Account does not capture all the transactions undertaken by the general government sector (in particular, it does not record receipts to and payments from special deposit accounts). Finally, the timing of receipts and payments could be volatile within a particular year. As a result, apparently large movements between years may only be due to changes in the timing of receipts and payments and therefore may not have consequences for the underlying budget position.
