*Registration Concessions*

- 2.20 This Scheme does **not** affect the application of any concessions for the renewal of registration of motor vehicles and the amount of the Fees charged under this Scheme is open for adjustment if the relevant person meets the criteria for concessional registration.
- 2.21 If a person is a first time concession holder, the application of the concession must be verified personally at a Service SA Customer Service Centre and the person will **not** be eligible for the reduced fees until the verification has been undertaken.

*Discretion to Refund Debits in Exceptional Circumstances*

- 2.23 In cases where there has been a direct debit to an ADI Account as a result of an error, such as, for example, a notice of disposal was not recorded against a registered vehicle and monthly direct debit payments continued to be made, the Registrar may (but is not, in any circumstances, required to) refund the whole or part of the amount so debited (including to avoid doubt cases where a person's participation in this Scheme has been cancelled after the amount has been so debited).

  - (c) the person's e-mail address must be verified by the person entering a unique code that the Registrar sends to their e-mail address; and
  - (d) if a person elects to be contacted by SMS to an Australian mobile phone number, the mobile telephone number must be verified during the enrolment process by the person sending a unique confirmation code from the nominated mobile telephone via SMS to the Registrar.
- 4.5 In the event that a person is a body corporate, does not have a Licence Card Identification Number, or does not have a Vehicle Payment Number or chooses to use this confirmation method, then a unique confirmation code will be posted to the person's address.

*Direct Debit Facility*

- 4.6 To participate in the Scheme, a person must establish an on-going direct debit authority for the monthly direct debit by the Registrar of the renewal of registration Fees.
- 4.7 To establish a direct debit facility, the person must:
- (a) complete the Direct Debit Request set out in the DD Portal;
  - (b) agree to the terms and conditions set out in the Direct Debit Request—Service Agreement published on the DD Portal.

- 4.8 Any MasterCard and Visa Credit Card account or savings or cheque account can be nominated and used as a Nominated ADI Account under this Scheme.

Note: A person will however need to check with their financial institution to determine whether or not the account they have nominated is suitable for the proposed arrangement as well as in the event that the person wants to be informed of any additional bank fees and charges imposed by their financial institution for direct debit services.

*EzyReg Account*

- 4.9 As part of their enrolment in this Scheme, a person must establish an EzyReg Account via the DD Portal.
- 4.10 Once established the EzyReg Account will operate as the primary channel by which the person may enter and update their personal details, check their vehicle's registration status, print Registration Details Certificates (Form MR5A) and cancel their participation in the Scheme.

## 5. PARTICIPANT RESPONSIBILITIES

---

- 5.1 Whilst participating in the Scheme a person must comply with the Scheme, including but not limited to the participant responsibilities in this section. A person failing to comply with this Scheme and their responsibilities may give rise to the consequences set out in Clause 8.

- 5.2 Participants in the Scheme are responsible for:

- (a) providing correct and accurate information as part of their enrolment to participate;
- (b) notifying the Registrar of any changes in the information provided as part of their enrolment to participate;
- (c) notifying the Registrar of any changes in their circumstances in accordance with Clauses 5.3 and 5.4;
- (d) ensuring that their vehicles are registered in accordance with the MV Act;
- (e) ensuring that the Registrar continues to be authorised to make direct debit payments for the monthly registration fees in accordance with the Scheme; and
- (f) ensuring that there are sufficient funds available in their Nominated ADI Account to allow a direct debit payment to be made when falling due each month.

*Obligation to notify the Registrar*

- 5.3 A participant must notify the Registrar within 7 calendar days of the following changes in circumstances:

- (a) if their Nominated ADI Account for direct debit payments under the Scheme is changed, transferred or closed;
- (b) if the direct debit is to a Visa or MasterCard credit card account, and there has been a change in the card details, advise of the new card number and expiry date.

- 5.4 A participant must notify the Registrar within 14 calendar days of the following changes in circumstances:

- (a) if the participant has changed their nominated e-mail address;
- (b) if the participant has changed their Australian mobile phone number (if nominated under the Scheme for receipt of E-Notices via SMS);
- (c) if there is a change to the participant's Input Tax Credit entitlement (if applicable);
- (d) if there have been changes in circumstances that may effect the amount of the Fees the participant is liable to pay (for example changes to their vehicle's garage address resulting in falling into a different District); or
- (e) if the participant is a concession holder, any changes that may affect the Fees payable by the participant.

*Means for Notifying the Registrar*

- 5.5 Participants may notify the Registrar of the changes in circumstances for the purposes of this Scheme by any of the following means:

- (a) using the prompts set out in their EzyReg Account (accessed via the DD Portal) to change their personal details such as ADI details, e-mail address and/or Australian mobile phone number for receipt of SMS messages;
- (b) visiting a Service SA Customer Centre in person or by contacting Service SA by telephone on 13 10 84;
- (c) emailing a Service SA Customer Centre at [reginfo@sa.gov.au](mailto:reginfo@sa.gov.au); or
- (d) in writing by posting to (Service SA, G.P.O. Box 1533, Adelaide, S.A. 5001).

*Other obligations under the MV Act*

- 5.6 The Scheme operates as part of the overall statutory framework established under the MV Act for the registration of vehicles in South Australia.

Each owner of a vehicle (whether a participant in this Scheme or not) is required to notify the Registrar of changes in circumstances for the general purposes of the Act within the time periods provided under the legislation.

For example, these can include (but are not limited to):

- (a) if a person ceases being an authorised signatory of a corporation (Section 136 MV Act);
- (b) if a person's address and/or the garage address of their vehicle changes, (Section 136 MV Act);
- (c) if a person's vehicle is sold and/or the registered ownership of the vehicle is otherwise transferred (Section 56/57 MV Act).

## 6. CANCELLATION BY THE REGISTRAR

---

- 6.1 The Registrar will cancel a person's participation in the Scheme (either entirely or for a particular Nominated Vehicle) in the following circumstances:

- (a) the breach or revocation of the participant's Direct Debit Request and Direct Debit Request—Service Agreement;
- (b) upon being notified of the transfer of the registration of the Nominated Vehicle concerned under Section 56 (b) (ii) of the MV Act;
- (c) upon being notified of the lodging of a Notice of Disposal for the Nominated Vehicle concerned;

- (d) upon being notified of the Nominated Vehicle concerned being seized under legislation other than the MV Act;
- (e) upon the participant applying to have their participation in the Scheme cancelled;
- (f) upon a participant cancelling their Nominated Vehicle's registration;
- (g) upon a participant registering their Nominated Vehicle via an alternative payment channel;
- (h) as at the date of renewal of registration, the Nominated Vehicle has become an Ineligible Vehicle (see 3.3);
- (i) if a direct debit attempt by the Registrar to the participant's Nominated ADI Account (credit card account and/or bank account) fails on the second attempt.

- 6.2 The Registrar may cancel a person's participation in the Scheme (either entirely or in respect to a particular Nominated Vehicle):
- (a) if the participant fails to comply with any condition of this Scheme which is not already provided for in Clause 6.1.

## 7. CANCELLATION BY THE PARTICIPANT

---

- 7.1 A person may cancel their participation in the Scheme (either entirely or for a particular Nominated Vehicle) and their associated direct debit arrangement whenever they wish in accordance with the following steps, provided it is, in the case of (c) or (d) below, at least 7 days before the next direct debit falls due:

- (a) Logging on to their EzyReg Account and following the prompts provided for cancelling enrolment;

Note: At the conclusion of this process the person will be informed of the expiry of the relevant vehicle's current registration period and that the person will need to have made alternative arrangements by then to register the vehicle, or

- (b) Visiting a Service SA Customer Centre in person or by contacting Service SA by telephone on 13 10 84;

- (c) Emailing a Service SA Customer Centre at [reginfo@sa.gov.au](mailto:reginfo@sa.gov.au); or

- (d) In writing by posting to Service SA, G.P.O. Box 1533, Adelaide, S.A. 5001.

- 7.2 The cancellation becomes effective immediately on recording on the Register of Motor Vehicles.

## 8. CONSEQUENCES OF NON-COMPLIANCE

---

### *Cancellation and the need to re-enrol to participate*

- 8.1 If a person fails to comply with the Scheme their participation in the Scheme in relation to the relevant Nominated Vehicle(s) will be cancelled automatically by the Registrar under Clause 6.1 or may be cancelled by the Registrar under Clause 6.2. The Registrar will notify the person of the cancellation by E-Notice.

- 8.2 If participation for a Nominated Vehicle is cancelled, the relevant vehicle is entirely removed from the operation of the Scheme and the person will need to re-enrol if they choose to once again participate in the Scheme with respect to that vehicle.

### *Registration*

- 8.3 If a person's participation in the Scheme for a Nominated Vehicle has been cancelled, the vehicle concerned will remain subject to the requirement to be registered under the MV Act and the person will need to register their vehicle in accordance with the MV Act by alternate means outside of the Scheme.

- 8.4 Monthly renewals in advance and the timeframes for direct debit payments are set to allow for a minimum of (approximately) **18 days** prior to the expiration of a vehicle's registration so as to afford a person the opportunity to renew the registration of their vehicle in the event their participation in the Scheme in respect to that vehicle is cancelled.

- 8.5 If a person fails to renew the registration of the vehicle concerned prior to the expiry of the vehicle's registration period then the vehicle will become unregistered. Continued use of the vehicle is a contravention of the MV Act and other State legislation for which penalties may apply.

### *Penalties for failure to notify Registrar*

- 8.6 Subsection 24A (8) of the MV Act provides:

24A(8) A person who is a participant in the periodic payment scheme in respect of a particular motor vehicle must, in accordance with the scheme, notify the Registrar of any change in:

- (a) the person's personal particulars or circumstances that may affect an amount to be paid in respect of the registration of the motor vehicle; or

- (b) such other information or circumstances as may be specified under the scheme for the purposes of this subsection.

Maximum penalty: \$1 250

- 8.7 For the purposes of subsection 24A (8) (b) of the MV Act the following information or circumstances are specified (and a person who is a participant in the Scheme must notify the Registrar of any change in):

- (i) the person's contact details (either a participant's e-mail address or Australian mobile phone number) as nominated for the purposes of an E-Notice within **14 days**.

## 9. FEES

---

- 9.1 Each direct debit transaction attracts the regulated Administration Fee.

- 9.2 Failed direct debit transactions may also attract a dishonour fee from the participant's ADI.

- 9.3 An amount paid by the use of direct debit is a transaction that is subject to the provisions of Section 138B of the MV Act. For the avoidance of doubt if the Registrar is required to repay the amount paid by direct debit, the transaction in relation to the payment that was purportedly made will be taken to be, and to always have been, void and of no effect and the Registrar may, for example, pursuant to Section 138B (7) (b) of the MV Act refuse to enter into any further transaction with the person unless they pay to the Registrar the amount that was payable in respect of the void transaction, or such proportion of that amount as the Registrar thinks fit, and the prescribed charges.

- 9.4 The registration renewal and administration fees for the Scheme each month, plus other payments required at the same time, are the fees applicable as at the commencement date of the new period of registration, and are detailed as follows:

<i>Fees (If Applicable)</i>	<i>Method of Calculation</i>
Registration	As set out in the Motor Vehicles Regulations 2010.
Administration fee	As set out in the Motor Vehicles Regulations 2010.
Compulsory Third Party (CTP) Insurance Premium	1/3rd of the CTP gazetted amount for 3 months CTP.
Stamp Duty on CTP	As set out in Schedule 2, Part 1, (3) (aa) of the <i>Stamp Duties Act 1923</i> .
Lifetime Support Scheme Fund Levy	1/3rd of the amount of the levy for 3 months.
Emergency Services Levy	1/3rd of the amount of the levy for 3 months registration.

#### 10. PROCEDURE FOR SUSPECTED DEBIT ERRORS

- 10.1 If a participant believes there has been an error in debiting their Nominated ADI Account, the participant should notify Service SA directly by telephone on 13 10 84 and confirm that notice by email at [reginfo@sa.gov.au](mailto:reginfo@sa.gov.au) as soon as possible.
- 10.2 A participant may also refer instances of suspected error(s) in debit(s) to their ADI. The ADI may, in turn, obtain details from the participant of the debit(s) in dispute and lodge a claim on the participant's behalf.
- 10.3 If the Registrar is satisfied that a participant's Nominated ADI Account has been incorrectly debited, the Registrar will arrange for the Nominated ADI Account to be reimbursed with the incorrectly debited amount. In such cases the Registrar will notify the participant in writing of the amount by which the Nominated ADI Account has been adjusted.
- 10.4 If the Registrar concludes that a participant's Nominated ADI Account has been correctly debited, the Registrar will provide the participant with reasons and any evidence for this finding.

REPORT AND DETERMINATION OF THE  
REMUNERATION TRIBUNAL

No. 5 OF 2013

*Annual Review of Remuneration for Members of the Judiciary,  
Members of the Industrial Relations Court and Commission, the  
State Coroner, and Commissioners of the Environment, Resources  
& Development Court*

REPORT

1. Introduction

- 1.1 In accordance with the provisions of the Remuneration Act 1990 ('the Act'), the Remuneration Tribunal by letters dated 4 October 2013, invited those members of the judiciary and statutory office holders whose offices are listed under Section 13 of the Act, as well as those covered by relevant sections of the Fair Work Act 1994 (SA), to make submissions in relation to the remuneration of members of the judiciary and those office holders. The Tribunal also invited the Premier, as Minister responsible for the Act, to make submissions in the public interest.
- 1.2 The Tribunal published a notice in the 5 October 2013 edition of *The Advertiser* newspaper, advising that the Tribunal was to conduct a review of the determination incorporating the salaries payable to Members of the Judiciary and other Judicial Statutory Officers. The notice invited interested persons, organisations and associations to submit in writing any views they considered should be taken into account in the review. Public submissions were required to be lodged by the close of business on 25 October 2013.

2. Submissions

- 2.1 The Tribunal received written submissions from:
  - The Judicial Remuneration Co-ordinating Committee (JRCC) on behalf of the Chief Justice, Judges and Masters of the Supreme Court; the Chief Judge, Judges and Masters of the District Court; the Senior Judge, Judges and Magistrates of the Industrial Relations Court; the Chief Magistrate and the Magistrates of the Magistrates Court; the State Coroner and the Deputy State Coroners; the Commissioners of the Environment Resources and Development Court; and the President, Deputy Presidents and Commissioners of the Industrial Relations Commission;
  - The Magistrates Association of South Australia;
  - The State Coroner; and
  - The Crown Solicitor's Office, on behalf of the Minister, in the public interest.
- 2.2 The Tribunal convened a hearing on 14 November 2013, to hear oral submissions. The following persons attended and made submissions:
  - The Honourable Justice John Sulan and His Honour Judge Wayne Chivell, on behalf of the JRCC; and
  - Ms Carly Cooper and Mr Craig Stevens, on behalf of the Minister.
- 2.3 The JRCC submitted that the Tribunal should continue to set judicial salaries in a national framework, and in the national interest.
- 2.4 The JRCC presented argument that, in conformity with that approach, the salary of a puisne judge of the Supreme Court of South Australia should be increased by 2.4 per cent to \$412 550 per annum to maintain parity with the annual salary paid to a Judge of the Federal Court. The JRCC also submitted that the salaries of other judicial officers including judges of the District Court, Magistrates, the State Coroner and other statutory office holders as listed in Section 13 of Act, be increased by 2.4 per cent to preserve the relativity that exists.

- 2.5 The JRCC made no submissions on the date of effect other than to note that an operative date of 1 July was preferred.
- 2.6 The JRCC noted that there had been no adjustment to the Communication Allowance since Determination 4 of 2008, and requested that the allowance be increased from its current value of \$1 200 to \$1 450 per annum.
- 2.7 The JRCC also advised that as a consequence of recent legislative changes, the jurisdiction of Magistrates has increased and that the Magistrates intend to make a separate work value submission in the future when the effect of the changes on their work has been determined.
- 2.8 In a letter to the Tribunal dated 15 October 2013, the Magistrates Association of South Australia supported the submissions to be made by the JRCC. However, the letter also asked that the long standing relativity between members of the South Australian judiciary, which was not followed when the Tribunal handed down its determination in 2012, be restored.
- 2.9 The Magistrates Association gave the Tribunal notice of its intention to file an application in 2014, seeking a review of the nexus between the salary of a District Court Judge and that of the Magistrates.
- 2.10 The State Coroner brought to the attention of the Tribunal that for a number of years preceding Determination 7 of 2012, the salary of the Coroner was at a constant level relative to that of a puisne judge of the Supreme Court, but as a consequence of Determination 7 of 2012, that former relativity was not maintained.
- 2.11 Ms Cooper, on behalf of the Minister, submitted that the Tribunal should consider and have regard to the following in its review of judicial remuneration:
  - Where appropriate in determining remuneration under the Remuneration Act 1990 (SA), the constitutional principle of judicial independence;
  - Principles, guidelines, conditions, practices or procedures adopted by the Full Industrial Relations Commission of South Australia, including the State Wage Fixing Principles;
  - Interstate and Federal salary levels, however it should place a greater emphasis on economic indicators applicable to South Australia, in particular, that judicial salaries have increased more quickly than the average South Australian workforce wage, and have increased more than twice the inflation rate; and
  - As a matter of principle, setting salaries in a national framework does not require uniformity or conformity.

- 2.12 The Government submitted that it was appropriate and in the public interest for the Tribunal to determine an increase in salaries for members of the judiciary and other statutory office holders of up to 2.5 per cent with an operative date of 1 November 2013.

- 2.13 On the matter of an adjustment to the Communications Allowance, the Government proposed that the Tribunal have regard to the Australian Bureau of Statistics (ABS) Communications Index, which between the 2008 September quarter and the 2013 September quarter showed a relative price increase of 4.5 per cent.

3. Commonwealth Remuneration Tribunal's Review and Determination

- 3.1 The Commonwealth Remuneration Tribunal's Determination 2013/10: Remuneration and Allowances for Holders of Full-Time Public Office provides for a remuneration increase of 2.4 per cent. In its related Statement dated 13 June 2013, the Commonwealth Tribunal made the following comments: 'While trend information on wages growth during the past twelve months would support an increase above 3 per cent, the

most recent information suggests a slowing in wages movements in the community as well as uncertainty regarding economic growth. Consequently, the Tribunal has decided to take a conservative and incremental approach to the annual remuneration increase at this time. The Tribunal will monitor remuneration outcomes in the coming months and will make a further assessment of the situation in December 2013 ... If the Tribunal decides that a further general increase is required before 1 July 2014, it will make an appropriate determination.<sup>7</sup>

3.2 The South Australian Tribunal particularly noted the Commonwealth Remuneration Tribunal's Determination 2013-12: Judicial and Related Offices—Remuneration and Allowances. This determination granted a salary increase of 2.4 per cent to judges of the federal courts.

#### 4. Comparison of Federal, State and Territory Judicial Salaries

4.1 As in previous reviews the Tribunal examined the Federal and other State and Territory judicial salaries relevant to the office of puisne judge.

4.2 The Tribunal is advised that the present relevant judicial salaries (for the puisne judges in States and Territories) are as follows:

JURISDICTION/COURT	SALARY \$	OPERATIVE DATE
Commonwealth—Federal and Family Court	412 550	1 July 2013
Queensland—Supreme Court	412 550	1 July 2013
Australian Capital Territory—Supreme	412 550	1 July 2013
Victoria—Supreme Court	412 550	To be determined
Northern Territory—Supreme Court	412 500	1 July 2013
New South Wales—Supreme Court	402 810	1 October 2012 <sup>#</sup>
Western Australia—Supreme Court	422 691	1 July 2013
Tasmania—Supreme Court	416 813	1 July 2013
South Australia—Supreme Court (before this determination)	402 880	1 November 2012

<sup>#</sup> The proposed increase as determined by the NSW Statutory and Other Offices Remuneration Tribunal to apply from 1 October 2013 was disallowed by resolution of the Legislative Council of the NSW Parliament on 12 November 2013.

#### 5. South Australian Economic Circumstances

5.1 The submission on behalf of the Minister suggested that the Tribunal should place greater emphasis upon economic indicators applicable to South Australia, and provided a statement by the Director, Economics, of the Department of Treasury and Finance. The submission provided statistical data, including:

- The Wage Price Index (WPI) for South Australia indicated that the costs of employment in South Australia had increased by 3.3 per cent over the 12 months to 30 June 2013, compared to 2.9 per cent nationally. Although the SA WPI is higher than the national wage index for the same quarter, SA still trails Australia in terms of total growth in wages since the base year.
- Wages in South Australia are lower than Australian wages on average, with estimated average ordinary time weekly earnings for full time adult employees in the South Australian public sector being 2.0 per cent less than those across the Australian wide public sector.

- The Consumer Price Index for Adelaide (All Groups) increased by only 2.1 per cent over the 12 months to 30 June 2013.

#### 6. Fair Work Act 1994 (SA)

In relation to comments made by the JRCC and by the Crown Solicitor's Office on behalf of the Minister, the Tribunal will continue to have due regard to State Wage Fixing Principles as required by Section 101 (1) of the Fair Work Act 1994, and will apply and give effect to such principles as it deems appropriate.

#### 7. Communication Allowance

The Tribunal has determined to increase the value of the Communications Allowance by 4.5 per cent to \$1 254 per annum, operative from 1 January 2014. This matter is dealt with in Determination No. 6 of 2013.

#### 8. Conveyance Allowance

Conveyance Allowances for Judges, Statutory Officers and Court Officers are prescribed in Determination No. 4 of 2013. These allowances will remain unaffected by this determination.

#### 9. Travelling and Accommodation Allowances

Travelling and Accommodation Allowances for Judges, Statutory Officers and Court Officers are prescribed in Determination No. 2 of 2013. These allowances will remain unaffected by this determination.

#### 10. Operative Date

10.1 The JRCC maintained its position that annual increases in salaries and allowances should be effective from 1 July 2013, being the date from which the Commonwealth Remuneration Tribunal increased salaries for federal judicial officers.

10.2 The Minister submitted that due to the requirement for an annual review in Section 8 (2) of the Remuneration Act 1990, it is reasonable that the Tribunal should retain its current practice of having any salary increase operative from 1 November 2013.

10.3 The Tribunal was not persuaded to change its current practice regarding operative date.

#### 11. Conclusions

11.1 The Tribunal has had regard to all the submissions and material before it, including economic factors, information regarding Federal and State comparisons, existing relativities between South Australian judicial offices, and the operative date.

11.2 The Tribunal confirms that the approach of setting salaries in a 'national framework' continues to be appropriate and in the public interest. However, the Tribunal's determination to equate the salary of a puisne judge of the Supreme Court to that of a judge of the Federal Court, should not be interpreted as a commitment to automatically link the salaries of these positions. Determining salaries in a 'national framework' still requires the Tribunal to appropriately consider and have regard to the differing factors in the different jurisdictions.

11.3 The Tribunal has determined that the salary of the Chief Justice of the Supreme Court will be increased by 2.4 per cent to \$462 020 per annum.

11.4 The Tribunal has determined that the salary of a puisne judge of the Supreme Court of South Australia will be increased by 2.4 per cent to \$412 550 per annum.

11.5 The salaries of all other judicial officers and statutory office holders listed in Section 13 of the Remuneration Act 1990, have also been increased by 2.4 per cent.

11.6 All salary increases in this Determination are operative from 1 November 2013.

Dated 25 November 2013.

**TREASURER'S  
QUARTERLY STATEMENT**

**for the**

**THREE MONTHS ended on  
30 June, 2013 and 30 June, 2012**

*Presented by the  
Honourable J.W. Weatherill M.P.  
Treasurer of South Australia*

**GOVERNMENT OF SOUTH AUSTRALIA****COMMENTARY TO THE STATEMENT OF THE AMOUNTS CREDITED TO  
AND ISSUED FROM THE CONSOLIDATED ACCOUNT FOR THE QUARTERS  
ENDED 30 JUNE 2013 AND 30 JUNE 2012*****Receipts****Taxation*

Land tax receipts for the June quarter 2013 were higher than the same period a year ago largely reflecting the timing of land tax payments made by the Housing Trust of South Australia. During the year, the Housing Trust commenced paying its land tax liability quarterly, rather than as an annual payment usually in the March quarter. Land tax receipts for 2012-13 were lower than 2011-12, reflecting a fall in site values applicable to the 2012-13 land tax year.

Payroll tax receipts were higher in 2012-13 than in 2011-12 mainly due to growth in taxable payrolls and the abolition of the payroll tax exemption on apprentices and trainees wages from 1 July 2012. Payroll tax collections were lower than estimated in the 2012-13 Budget mainly due to employment growth being weaker than estimated.

Stamp duty receipts in the 12 months to June 2013 were higher than for the previous year. The increase was mainly due to an increase in residential property market transfers as well as several large, once-off dutiable transactions taking place, including the appointment of a master agent to SA Lotteries and the forward sale of the forest rotations in the South East.

Gambling tax receipts for 2012-13 were higher than in 2011-12 mainly due to the return of reserves as higher distributions by SA Lotteries as part of the appointment of a master agent.

*Royalties*

Lower royalty receipts in 2012-13 compared with 2011-12 reflect timing issues associated with the transfer of receipts to the Consolidated Account. Underlying royalty collections were higher in 2012-13 than in 2011-12 mainly due to increased petroleum production in the Cooper Basin.

*Fees and charges*

Higher fees and charges for 2012-13 when compared to 2011-12 reflects the higher receipts of land regulatory fees.

*Commonwealth—General Purpose Payments*

Growth in general purpose grants between 2012-13 and 2011-12 is not indicative of underlying Goods and Services Tax (GST) revenue growth. This is because monthly grants are paid according to a payment schedule prepared by the Commonwealth Government rather than in accordance with the actual emerging monthly GST collections.

In its 2012-13 Final Budget Outcome, the Commonwealth Government advised that the GST pool available for distribution to the states had grown by 4.4 per cent in 2012-13 on an accrual basis.

*Commonwealth—Specific Purpose Payments*

Specific Purpose Payments (SPP) in 2012-13 were lower than in 2011-12 due mainly to the National Healthcare SPP which is now being paid directly to the Department of Health and Ageing, rather than into the Consolidated Account.

*Commonwealth—National Partnership Payments*

National Partnership (NP) payments received in 2012-13 were higher than in 2011-12 mainly due to the timing of payments related to improving public hospital services.

NP payments were lower in the June quarter 2013 compared to the June quarter 2012 reflecting timing issues associated with various NPs, including reward payments upon achievement of agreed outcomes.

*Other receipts*

Other receipts for 2012-13 are higher compared to 2011-12 due to higher receipts predominantly arising from the recognition of proceeds from asset sales.

**Payments**

Appropriations paid to agencies were \$219m higher than forecast in the original 2012-13 Budget.

Greater than budgeted payments were made to the following agencies in 2012-13:

Department of Planning, Transport and Infrastructure (\$135 million)  
Administered Items for the Department of Treasury and Finance (\$91 million)  
Department of Environment, Water and Natural Resources (\$10 million)  
Department for Communities and Social Inclusion (\$12 million)  
Department of Further, Education, Employment, Science and Technology (\$8 million)  
South Australia Police (\$5 million)

This was partially offset by lower than budgeted payments to:

Department for Education and Child Development (\$16 million)  
Department for Health and Ageing (\$11 million)  
Department of the Premier and Cabinet (\$5 million)  
All appropriations were paid within approved limits established under the various acts.

**Note**

Caution should be exercised in interpreting the quarterly statement of Consolidated Account transactions. Unlike, the State Budget, which comprises transactions on an accrual basis, the information reflected in the quarterly statements is limited to cash transactions. Also, the Consolidated Account does not capture all the transactions undertaken by the general government sector (in particular, it does not record receipts to and payments from special deposit accounts). Finally, the timing of receipts and payments could be volatile within a particular year. As a result, apparently large movements between years may only be due to changes in the timing of receipts and payments and therefore may not have consequences for the underlying budget position.
